Campground Regulations

- ▶ Camp in established sites only
- ▶ Store all food, fuel, and scented items in the food caches located throughout the campground
- ▶ Cook and eat in the intertidal zone only, not in the campground
- ▶ Never leave food or gear unattended
- ▶ Fires are only permitted in the designated fire ring or warming shelter
- ▶ Pack it in, pack it out. Recycle and waste bins located in the parking lot
- ▶ Do not feed wildlife. If an animal changes its behavior you are too close
- ▶ Keep your campsite clean. Place gear inside your tent or vestibule
- ▶ If you sport fish, you must have an Alaska State fishing license
- ▶ You may collect edible plants and unoccupied shells only. Do not collect rocks, bones, feathers, etc
- ▶ Pets are not allowed in campground
- ▶ You may possess firearms but you may not discharge them
- ▶ Avoid eating Baneberries. Shellfish may contain PSP

I understand and agree to follow the campground regulations
