Glen Canyon News Release

Dangling Rope Marina to Close March 13- 15 for Electrical Repairs

Page, Ariz. – Dangling Rope Marina will close temporarily for repairs to the area’s electrical system from Tuesday, March 13 through Thursday, March 15. During the closure, boat fuel will not be available and the marina store will be closed. Dangling Rope should re- open on March 16, assuming repairs are completed as scheduled.

Dangling Rope Marina will temporarily close again for additional repairs in the coming weeks. Although it is unknown when future closures will occur, closures will occur mid- week to minimize the inconvenience to park visitors.

Boaters traveling to Dangling Rope should check with a park ranger for the latest information or call park headquarters at 928- 608- 6200. Information about closures will also be posted on Glen Canyon National Recreation Area’s website at www.nps.gov/glca.
