

Glen Echo Park

National Park Service
U.S. Department of the Interior

Glen Echo Park
is administered by the
George Washington Memorial Parkway

PLAYGROUND WILL REOPEN IN EARLY MAY

The playground will reopen in early May. The majority of its original equipment is being re-installed after playground site improvements to meet safety code concerns. One piece of equipment, which has outlasted its safe use, will not be reinstalled in the playground. The National Park Service is seeking funding to replace this remaining piece of equipment in the future.

Thank you for your patience.
