China Beach Bivouac Area project ownership map from 1949 audit, U.S. Army Corps of Engineers, www.corpsfuds.org.

China Beach Bivouac Area

Between 1943 and 1946 the US Army acquired 1.062 acres on China Beach to use as a bivouac (temporary encampment) area for the troops of the 6th Army. The beach is now part of the Golden Gate National Recreation Area. No records have been found that describe the Army's activities at the site.
