On Friday, April 1, 2011 at about 1005 hours, I was on uniformed foot patrol in the Fort Scott area. I saw two women ascend the Batteries to Bluffs trail northbound with two small unrestrained Shih Tzu like dogs. This trail is closed to pets at all times. I met the women at the northern trailhead and asked about their hiking route. The owner of both dogs, identified verbally as (b) (6), (b) (7)(C) said they had come up from Baker Beach. Unsure of whether regulatory signage was in place at the Battery Crosby end of Batteries to Bluffs, I gave (b) (6), (b) (7)(C) a verbal warning for possessing a pet in a closed area.

7 RESULTS OF INVESTIGATION

At about 1530 hours I met a woman walking west on the boardwalk with an unrestrained Yorkie type dog. She leashed her dog upon my approach and identified herself verbally as clear and valid California operator (b) (6), (b) (7)(C). Although she had entered the area from the Pollywog Trailhead, an area missing regulatory signage, she admitted knowing about the leash law. I issued (b) (6), (b) (7)(C) violation notice #2864324 for 36 CFR 2.15(a)(2), failing to restrain a pet at all times with a total collateral of \$100 for a first offense. I explained her rights and responsibilities concerning the violation notice to her and asked whether she had any questions. She said no and signed the notice. As she departed, she said I had another customer, pointing at a large unrestrained black Labrador type dog bounding westward to either side of the boardwalk.

A party of two adults and three children accompanied the Lab type dog. I asked the woman carrying the leash whether this dog was hers and she said yes. I told the woman identified verbally as clear and valid (b) (6), (b) (7)(C) operator (b) (6), (b) (7)(C) to leash her dog as pets needed to remain leashed at all times. The group had entered from the Moose Lodge trailhead, an area posted with regulatory signage. I issued (b) (6), (b) (7)(C) violation notice #2864317 for 36 CFR 2.15(a)(2), failing to restrain a pet at all times with a total collateral of \$100 for a first offense. I explained her rights and responsibilities concerning the violation notice to her and asked whether she had any questions. She said no and signed the notice.

At about 1635 hours, while descending the Bootlegger Steps, I met a woman with an unrestrained black poodle type dog ascending the steps. The woman leashed her dog and told me she had entered Mori Point via the Seawall, an area posted with regulatory signage. I identified the woman verbally as clear and valid California operator (b) (6), (b) (7)(C) and issued her violation notice #2864320 for 36 CFR 2.15(a)(2), failing to restrain a pet at all times with a total collateral of \$100 for a first offense. Tennessee Valley is a wildlife haven that restricts pets from entering. Clearly posted signs at the entrance to the valley, advises "No Pets." I stopped the subject later identified as (b) (6), (b) (7)(C) and requested her identification when she arrived at the parking lot. I asked (b) (6), (b) (7)(C) to turn around and look at the huge sign behind her advising "No Pets." (b) (6), (b) (7)(C) stated she did not see the sign upon arrival, but she noticed other dogs in the area and was later told by other visitors that pets were not allowed. She said she quickly turned around when informed by other visitors of the regulation. I conducted a computer check for wants, warrants and local file check. All checks returned clear and I issued a verbal warning for 36 CFR 2.15(a)(1)- pet in a closed area violation. I cleared at 1610 hours.

On 04-06-11, at approx. 1010 hrs., Complainant (b) (6), (b) (7)(C) contacted me at the Fort Funston Ranger Office to report to me that his dog was bitten by another dog just south of Battery Davis earlier in the day at approx. 0830 hrs. (b) (6), (b) (7)(C) told me that a Retriever mix bit his 9 year old Beagle in the ear causing the Beagle to bleed. (b) (6), (b) (7)(C) told me that his Beagle was leashed and the Retriever mix later identified as (b) (6), (b) (7)(C) was not leashed at the time of the incident. He identified the owner of this Retriever mix as (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) told me that immediately after this incident, he took his dog to the "Banfield" Pet Hospital in Daly City where it was treated and released with an invoice of \$109.15 (see attached invoice.) (b) (6), (b) (7)(C) called (b) (6), (b) (7)(C) to report this bill and they got into a verbal argument over the incident. (b) (6), (b) (7)(C) then came to the Fort Funston Ranger Office and met with me to report this incident. After I received Perry's statement and he left the Fort Funston Area, I called (b) (6), (b) (7)(C) on his cell phone and asked him about this incident. (b) (6), (b) (7)(C) verified (b) (6), (b) (7)(C) account of the incident as true. However, (b) (6), (b) (7)(C) added that during the incident (b) (6), (b) (7)(C) said that his dog, the beagle, was not socialized and for (b) (6), (b) (7)(C) to place his dog on a leash. I issued (b) (6), (b) (7)(C) a verbal warning for creating a hazardous condition because his dog was off leash and bit another dog. I cleared the incident at approx. 1040 hrs. On 04-07-11, I faxed this report and an "Animal Bite Report" to 415-864-2866, Animal Care and Control.

On 04-09-11, at approx. 1100 hrs., I observed a medium sized, off-leash dog running unrestrained southbound on the Alta Avenue Trail approx. 300 yards south of the Oakwood Valley Trail. I also observed an adult male, later identified as (b) (6), (b) (7)(C) walking in the same direction as this dog. When (b) (6), (b) (7)(C) looked in my direction, he immediately leashed this pet. I contacted (b) (6), (b) (7)(C) at this location, identified myself as a National Park Service law enforcement officer, and I advised him that pets are not allowed in this area. Upon a dispatch computer check, (b) (6), (b) (7)(C) returned clear of warrants/warrants with no local file contacts. There is a clearly posted and visible sign when heading southbound on the Alta Avenue Trail at the Oakwood Valley Trail that shows and states, "NO PETS." The direction that (b) (6), (b) (7)(C) was travelling heads deeper into the backcountry of the Marin Headlands where there are endangered flora and fauna. I issued (b) (6), (b) (7)(C) MVN K113130 for 36 CFR 2.15(a)(1), Pet in Area Closed to Pets (\$75). I also issued him a verbal warning for having his pet off-leash and I released him on-scene. During the contact, a large group of hikers passed by our location with a couple of off-leash dogs. I advised the dog owners to turn back and they complied. (b) (6), (b) (7)(C) complained that I was singling him out but I explained that he was the first person that I contacted and that, for officer safety reasons, I was not going to handle more than one violator at a time. He left the area heading back to the Oakwood Valley Fire Road where pets are allowed. I cleared at approx. 1115 hrs.

Form with fields for Organization Code (8140), System Area (Golden Gate National Recreation Area), Location Code (1100), Year (11), Case/Incident Number (004092), Location of Incident (Marin Headlands- Alta Ave. Tr. near Oakwood Valley Tr.), Beat (561), Date (04-09-11), Time (11:55), Nature of Incident (False Report; Pets- Pet in Closed Area), Suspect Information (Name: Warmerdam Mark, Address: Bldg. 201 Fort Mason- SDVP San Francisco CA 94123, Date of Birth: (b)(6), (b)(7)(C)), Vehicle Information (36 CFR 2.15(a)(1)), and Arrest Details (Date: 04-09-11, Time: 11:55).

On 04-09-11, at approx. 1155 hrs., I observed a small sized, white in color, off-leash dog running unrestrained northbound on the Alta Avenue Trail approx. 300 yards south of the Oakwood Valley Trail. I also observed an adult female, later identified as (b)(6), (b)(7)(C) walking in the same direction as this dog. When (b)(6), (b)(7)(C) looked in my direction, she immediately picked up this pet. I contacted (b)(6), (b)(7)(C) at this location, identified myself as a National Park Service law enforcement officer, and I advised her that pets are not allowed in this area. I then recognized (b)(6), (b)(7)(C) as a person I spoke with approx. an hour earlier at the same location who had been walking southbound from the Oakwood Valley Trail intersection. I asked where her pet was during that first contact and she told me that it was in her friend's backpack. That is why I did not see it. I advised (b)(6), (b)(7)(C) that there is a clearly posted and visible sign when heading southbound on the Alta Avenue Trail at the Oakwood Valley Trail that shows and states, "NO PETS." Upon a dispatch computer check, (b)(6), (b)(7)(C) did not return on file even though she had told me that she previously had a driver's license. (b)(6), (b)(7)(C) had initially given me a false name of (b)(6), (b)(7)(C). I issued (b)(6), (b)(7)(C) MVN K113131 for 36 CFR 2.15(a)(1), Pet in Area Closed to Pets (\$75). I also issued her a verbal warning for giving a federal law enforcement officer a false name and for having her pet off-leash. I released her on-scene. She left the area heading back to the Oakwood Valley Fire Road where pets are allowed. I cleared at approx. 1215 hrs.

While on uniformed patrol in a marked patrol car on 4/15/11, I received a call from the Golden Gate Communications Center at 1602 hours stating there was a report of dogs in the closure area of Tennessee Valley Road. I responded to patrol the area and found two white males at 1645 hours at the end of Tennessee Valley Road at the beach. There were two dogs tied to the nearby bench that one subject claimed responsibility for (identified by name and date of birth and matching descriptors as (b) (6), (b) (7)(C)). To access that location, a person would have to walk directly past five signs stating the trail is closed to dogs. I informed (b) (6), (b) (7)(C) that the area was closed to dogs and that I needed to see his identification. (b) (6), (b) (7)(C) told me that he did not have his identification and did not want to give me his name. I asked him for his name a second time and he stated that he did not know why he should have to give me his identification. I informed him that he was in violation of the closure law and he would tell me who he is or I would place him in handcuffs for my safety until I figured it out. At that time, he provided me with his information. I issued him citation 0894046 for 36CFR1.5(f) Violation of Closure- Pets. I informed him of methods of payment or appearing in court and cleared the scene.

NARRATIVE:

On Friday, April 22, 2011 at 1817, I responded to a report of an injured duck near the estuary near the East Beach Promenade. A park visitor reported a dog had attacked and injured the duck. I arrived on scene at approximately 1835 hours and located the reporting party.

She informed me 2 ducks had been chased by a dog approximately 30 minutes before my arrival. The ducks attempted to stay away from the dog by taking off, flying a short distance, and landing. The dog did not give up the chase until one duck was in its mouth. It was reported the dog owners were in no hurry to restrain their dog at any point during the attack or when attempting to retrieve the dog while the duck was in its mouth. The reporting party also stated the dog owners were laughing about the incident at one point before leaving the area. She reported the duck appeared to have an injured wing after the attack and could not fly particularly well. Several other dogs were also interested in the duck, but were subsequently restrained appropriately by their respective owners.

Upon my arrival, the reporting party had lost sight of the duck initially, but we were able to locate the duck amongst the rocks at the estuary. When I approached the duck it sat still as I moved closer, but eventually moved into the water and started swimming up the estuary towards the wildlife protection area. I watched the duck for several minutes and determined I would not be able to capture it to be evaluated by any wildlife rehabilitation center. The duck continued to swim and feed normally.

All resources were clear of the scene at approximately 1852 hours.

29. DETAILS OF INCIDENT

Summary: On April 24, 2011, at approximately 10:48 hours, I patrolled the Crissy Field Wildlife Protection Area for pets off leash.

Narrative: On April 24, 2011, at approximately 10:48 hours, I was patrolling the Promenade on Crissy Field from East Beach. Multiple pets were off-leash outside of the Wildlife Protection Area on the waterfront, but only one pet was observed within the fenced area of the WPA. I drove in behind the NOAA Building and out at West Bluff. At the time of this patrol light rain kept visitation below average.

I cleared at 11:00 hours.

This area is a wildlife protection zone for the endangered Snowy Plover and pets are to be on leash. Clearly posted signs at each legal access to the beach advise pets are to be on leash July 1 through May 15 of each year. While still sitting in my patrol car on the beach, I observed (b) (6), (b) (7)(C) quickly leash his pet and continue walking toward my patrol car. I stopped (b) (6), (b) (7)(C) and asked him if he was aware pets were to be on leash. (b) (6), (b) (7)(C) stated he was, but always noticed other people with their dogs off leash. I asked him for his identification and explained to him that there was no time that pets could be off leash during the closure period. A computer check for wants or warrants on the identification returned clear. I then issued citation 286479 for 36 CFR 7.97(d)(ii) for Ocean beach wildlife protection violation. 94 INVESTIGATOR NOTIFIED

On 4/30/11 at 1440 hours, I was on uniformed patrol of the Crissy Field Wildlife Protection Area (WPA). At that time, I observed a white male throwing a ball in the surf for an off leash dog in the posted WPA just east of the NOAA pier. The entrances to this area are posted with red signs informing the public that it is an on leash area with WPA restrictions. These signs are combined with fencing some places, and there are additional signs throughout the WPA (including near the sides of the NOAA pier). I identified the male as (b) (6), (b) (7)(C) by his provided name and date of birth being ran through the Golden Gate Communications Center and him matching the descriptors from the Department of Motor Vehicles driver's license record. I issued (b) (6), (b) (7)(C) citation K112119 for 36 CFR 7.97(d)(i) pet off leash in Crissy Field WPA and cleared the scene.

	<p>On 04/30/2011 at 1610 hours I responded to the area of Marshall's Beach parking lot where there was a report of a dog bite victim. Upon my arrival I met with the victim, identified as (b) (6), (b) (7)(C) who showed me that he had three (3) small red puncture marks on the top of his left forearm (basic first aid-neosporin ointment applied). (b) (6), (b) (7)(C) said he was laying on the beach South of the Fort Scott Overlook when he saw a small dog running loose away from his female owner just South of him. The dog (black /tan Miniature Pinscher) than ran up to him and bit (b) (6), (b) (7)(C) left forearm when he put it up to cover his face. The owner of the dog, identified as (b) (6), (b) (7)(C) ran over and picked the Pinscher up. (b) (6), (b) (7)(C) confirmed the story so I cited her for 36CFR1.5(f)-no pets (MVN#3046851). No further treatment. Photos attached. Cleared at 1700 hours.</p>

	<p>SUMMARY:</p> <p>On the evening of April 30, 2011 at approximately 1925 hours I contacted a man walking a dog out of Kirby Cove. Kirby Cove is an area that is closed to all pets, there is a sign depicting such at the entrance to the site. I identified the man as (b) (6), (b) (7)(C) by his (b) (6), (b) (7)(C) drivers license (b) (6), (b) (7)(C). I explained the closure to (b) (6), (b) (7)(C) and he said he did not see the sign and that he was a local.</p> <p>I pointed out the "no pets" sign at the entrance to Kirby Cove to (b) (6), (b) (7)(C) he crossed his arms and took a bladed stance and said that he thought that this was part of the Marin Headlands and his dog was allowed. At time I detected the strong odor of alcohol emanating from (b) (6), (b) (7)(C) when he spoke. I instructed him to go sit along the side of the roadway, he complied.</p> <p>I completed a want and warrant check on (b) (6), (b) (7)(C) through Park Dispatch along with a local check for pet violations, all checks were negative. I issued (b) (6), (b) (7)(C) violation notice 2336372 for closure violation, pet in a closed area. (b) (6), (b) (7)(C) was then released from the scene.</p>

On May 1, 2011 at approximately 1130 hours, I was patrolling the Tennessee Valley Trail near the intersection with the Coastal Fire Road, when I noticed a man and woman jogging with a small dog. I stopped the couple and advised them that dogs were not allowed on the Tennessee Valley Trail. The male identified himself as (b) (6), (b) (7)(C) and a computer check of his name revealed no wants or warrants. (b) (6), (b) (7)(C) said that he had not seen a "No Pets" sign near the entrance to the trail, but I assured him that there was one. He was cited with U.S. District Court Violation Notice number 2533778 for violation of 36CFR2.15(a)(1) Possession of A Pet in a Restricted Area. He was given a map and advised what trails pets are authorized on, and I cleared at approximately 1145 hours.

On 05/01/2011 at approximately 1520 hours, I was traveling east bound on the Mori Ridge trail (Sweeney Ridge) when I noticed an off leash dog approximately 100 yards east of me. Clearly posted signs at all entrances to the area advise "Pets on leash." I finally made contact with the owner later identified as (b) (6), (b) (7)(C) sitting in the bushes off the main fire road. I asked (b) (6), (b) (7)(C) if he was aware pets were to be on leash (b) (6), (b) (7)(C) stated that he was not aware. I noticed that his dog did not have a collar and asked if he could leash his pet. (b) (6), (b) (7)(C) stated he left the leash in the car. I requested and was granted his identification. The computer check returned clear and I issued (b) (6), (b) (7)(C) citation 2864655 for 36 CFR 2.15(a)(2)- failure to leash pet. I informed (b) (6), (b) (7)(C) of the locations in GGNRA where pets could be off leash.

I cleared at 1534 hours.

On May 3, 2011 at approximately 0945 hours, I received a report of a dog in the Haypress Campground. The dog had been reported by Liz PONZINI of the Golden Gate National Parks Conservancy who was working in the area. At approximately 1000 hours I drove into the campground and looked around for a dog. I could not find one, until I heard barking in a closed tent. I went to the tent and asked for the person inside to exit. A girl exited the tent and told me that her mother had been with her but that she had left the area to go get some food. She identified herself as **(b) (6), (b) (7)(C)** of **(b) (6), (b) (7)(C)** and said that she had no identification as she was 14 years old. **(b) (6), (b) (7)(C)** said that her mother, and sisters were travelling around the country camping, and that they had got in late the night before. I told her that dogs were not allowed in the campground and she said that as soon as her mother returned that they would leave. I told her that I would check back on them, and when I returned a few hours later they were gone.

7 RESULTS OF INVESTIGATION
ITEM On 5/3/2011, at approximately 1715 Hours, I was dispatched to the Crissy Field Promenade for a report of a dog versus bicycle accident on the Crissy Field Promenade. Upon arrival, I made contact with the reporting party, (b) (6), (b) (7)(C) (bicyclist), and the dog owner, identified as (b) (6), (b) (7)(C) by (b) (6), (b) (7)(C) Driver's License number (b) (6), (b) (7)(C)

(b) (6), (b) (7)(C) stated that he was riding his bicycle westbound on the Crissy Field Promenade when a dog darted in front of his path. (b) (6), (b) (7)(C) continued by stating that he did not have enough time to react in order to avoid striking the animal. (b) (6), (b) (7)(C) stated that, after striking the animal, he was thrown off his bike and sustained several scrapes to both knees and his right elbow. (b) (6), (b) (7)(C) declined any medical attention. I asked (b) (6), (b) (7)(C) if there was any damage sustained during the accident. (b) (6), (b) (7)(C) stated that his cycling shorts were ripped and there were several blood stains on his cycling vest. (b) (6), (b) (7)(C) continued by stating that he struck his head on the ground and needed to replace his helmet. (b) (6), (b) (7)(C) stated that the helmet was valued at \$250.00 and the cycling apparel at approximately \$100.00. I asked (b) (6), (b) (7)(C) how fast he was traveling. (b) (6), (b) (7)(C) replied that he was not traveling that fast.

(b) (6), (b) (7)(C) stated that she was walking along the promenade with her friend and their two dogs. (b) (6), (b) (7)(C) continued by stating that the dog was off leash. (b) (6), (b) (7)(C) stated that her dog was "spooked" by something and ran towards the grassy area on Crissy Field when it came into contact with (b) (6), (b) (7)(C) bicycle before (b) (6), (b) (7)(C) could gain control of the dog. (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) were traveling in the same direction so she did not see him until he came into contact with her animal. (b) (6), (b) (7)(C) stated that she believed (b) (6), (b) (7)(C) was traveling "pretty fast." (b) (6), (b) (7)(C) continued by stating that her dog has been to obedience school and usually responds to her voice control. The area where the incident occurred is a "off leash" area. However, I explained to (b) (6), (b) (7)(C) that due to the high pedestrian traffic, the dogs must always be under voice control.

I issued (b) (6), (b) (7)(C) a citation for 36 CFR 2.15 (a) 2, dog off leash and not under voice control, and all parties cleared the area without incident.

On May 8, 2011, at approximately 1322 hrs, I received a radio report from Park Dispatch of an assault that had occurred in the area of the Lincoln Golf Course, between holes 3 and 4. According to dispatch, the suspect (described as a (b) (6), (b) (7)(C) male, (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) pulled on the victim's neck with a leash that was wrapped on her neck at the time. I responded from the Presidio, arriving to the Lincoln Golf Course at approximately 1335 hrs. I did not observe any individual at the golf course matching the description as provided by dispatch. I then telephoned the victim (identified as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) and she stated she would meet with me at the Merrie Way Parking Lot. I responded to Merrie Way, arriving at approximately 1345 hrs. When I arrived, I spoke with Ms. (b) (6), (b) (7)(C) at the parking lot. Ms. (b) (6), (b) (7)(C) indicated the assault occurred near the trash can at the junction of the Coastal Trail and the Mile Rock steps at approximately 1315 hrs. Ms. (b) (6), (b) (7)(C) stated her dog was off leash at the time (which is permitted in the area), and she was cleaning up her dog's fecal pile, when the suspect approached her. The suspect, according to Ms. (b) (6), (b) (7)(C) shouted "keep your dog on a leash" and then grabbed the leash that was hanging around her neck and pulled on it. Ms. (b) (6), (b) (7)(C) stated the suspect then fled on foot up the golf course access road towards El Camino Del Mar. Ms. (b) (6), (b) (7)(C) stated she then called Park Dispatch. Ms. (b) (6), (b) (7)(C) was able to show me a red mark on the back of her neck that was consistent with the width of the leash that was attached to her dog. Ms. (b) (6), (b) (7)(C) stated she had no other injuries from the assault. I advised Ms. (b) (6), (b) (7)(C) I would again check the area and cleared from the parking lot. I then searched, with negative results, for the suspect from Merrie Way parking lot to the 25th Ave gate. Clear from the incident at approximately 1430 hrs.

On May 13, 2011 at approximately 0928 hrs I was working at Fort Mason in Golden Gate National Recreation Area. I was parked at the Great Meadow and I was seated in my car. I observed a man with his dog off leash in the Great Meadow. I watched the man play with his off leash dog for several minutes while I was on a business phone call. When I concluded the call I contacted the man and identified him as (b) (6), (b) (7)(C) by his (b) (6), (b) (7)(C) DL. (b) (6), (b) (7)(C) said he was visiting San Francisco and didn't know the rules. (b) (6), (b) (7)(C) DL identified him as a resident of (b) (6), (b) (7)(C). Also, I recognized (b) (6), (b) (7)(C) and know him to be a resident of San Francisco because of a professional association with his wife. The Great Meadow is a leash required area and is signed as such. This information is also available on the park webpage. (b) (6), (b) (7)(C) is issued citation #3046507 for 36CFR2.15(a)(2).

On May 15, 2011 at approximately 0915 hours, I was patrolling the Tennessee Valley area. I was driving down the Fox Trail when I noticed a man and woman walking ahead of me with 2 dogs on leash. When I caught up to them I stopped and exited the vehicle. I told them that dogs were not allowed on that trail and asked the male for his identification. He identified himself as (b) (6), (b) (7)(C) and gave me his driver's license. A computer check of his license revealed that he had an outstanding warrant from (b) (6), (b) (7)(C) for a (b) (6), (b) (7)(C). I advised him that he had the warrant and issued him United States District Court Violation Notice #2533781 for violation of 36CFR 2.15(a)(1) Possession of a Pet in a Restricted Area. I advised (b) (6), (b) (7)(C) of trails where pets are allowed and cleared the area at approximately 0930 hours.

(b) (6), (b) (7)(C)

On May 19th, 2011 at approximately 1639 hours, while on patrol in Tennessee Valley, I contacted an Individual identified by (b) (6), (b) (7)(C) DL as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) who was in possession of a pet. Tennessee Valley is closed to pets along the Tennessee Valley Trail, with the exception of where that trail meets the Coastal Trail.

Upon contacting (b) (6), (b) (7)(C) I informed him that pets were not allowed in Tennessee Valley. He stated that it wasn't a pet, it was an assistance animal. I asked (b) (6), (b) (7)(C) what sort of task it performed, and he became visibly agitated and stated that he did not have to answer that. I informed him that while I am not allowed to ask what his disability is, I can ask what specific task his service animal provides in order to determine if it falls under the Americans with Disabilities Act or not. (b) (6), (b) (7)(C) hesitated for several seconds then replied that the animal alerts him when things go wrong. I informed (b) (6), (b) (7)(C) that what he described is not a specific task and that he would need to leave with his pet. I gave (b) (6), (b) (7)(C) a verbal warning, informed him that he would be added to our local database, and advised him that further violations could result in a citation. (b) (6), (b) (7)(C) was allowed to leave. END OF REPORT.

On Saturday, May 21, 2011 at about 1450 hours, I was on uniformed foot patrol at Mori Point within Golden Gate National Recreation Area. As I entered the area via the Pollywog Trail, I watched a man and woman with an unrestrained black and white Spaniel-type dog descend the Coastal Trail from Mori Point. When I encountered the party on the Lishumsha Trail, just above the intersection with the Upper Mori Road trail, the dog was still unrestrained. I asked the woman carrying a leash, later identified verbally as clear and valid driver (b)(6), (b)(7)(C) whether the dog was hers and she said yes. I requested she leash the dog and asked by which route they had entered the area. She replied via the Moose Lodge trailhead, a location posted with regulatory signs indicating pets must be leashed. I issued (b)(6), (b)(7)(C) violation notice #2537505 for 36 CFR 2.15(a)(2), failing to restrain a pet with a total collateral of \$100 for a first offense. I explained (b)(6), (b)(7)(C) rights and responsibilities concerning the violation notice to her and asked whether she had any questions. She said no and signed the notice. I cleared the contact about ten minutes later.

SUMMARY:

On 05/21/2011 at approximately 1500 hours NPS Lifeguard Cole Rippe contacted a group of park visitors with a small dog on the beach at Stinson to advise them of the regulation forbidding pets on the beach. All entrances to the beach are signed with a large conspicuous informational sign which displays "No Pets" as well as an additional separate stand alone sign which simply displays "No Pets" with the graphic of a dog and the international circle with a slash through it. The group walked passed both signs prior to being contacted by NPS Lifeguard Rippe. After receiving a warning from NPS Lifeguard Rippe the group then left the area. At approximately 1525 hours I observed the same group near the south rocks on the beach. I approached the group on foot and they attempted to hide the dog from my view. I asked which one owned the pet and white male adult claimed ownership. I requested his identification, and he presented his California Drivers license (D5684128) which positively identified him as (b) (6), (b) (7)(C). I asked (b) (6), (b) (7)(C) if he was aware of the regulations and (b) (6), (b) (7)(C) stated "The lifeguard told me."

I issued (b) (6), (b) (7)(C) VN 2336117 for 36 CFR 2.15(a)(1) - Area Closed to Pets.

I was clear at approximately 1525.

29. DETAILS OF INCIDENT

On May 23rd, 2011, while in uniform and performing a foot search of the Land's End area for a missing person, a large brown labrador dog charged towards me in an aggressive manner, barking and gnashing it's teeth. I drew my Taser from my holster, removed the safety, and aimed the Taser at the dog. The dog stopped approximately 2 feet from me and continued to bark and bare its teeth. I instructed the female owner to take control of the dog. The owner grabbed the dog by its collar and pulled it away. I informed the owner that while this was an "off-leash" area, if her dog is aggressive it must be kept on a leash. I cleared at approximately 0931 hours and continued the search.

On May 26, 2011, at approximately 1232 hours, I was notified by the Parks Conservancy staff of a dog wandering within Muir Woods near Bridge 1. At Bridge 1, I discovered (b) (6), (b) (7)(C) a dog which has wandered from Stinson Beach to Muir Woods on multiple occasions. I contacted (b) (6), (b) (7)(C) the owner of (b) (6), (b) (7)(C) and notified her that her dog was in my possession and it would be transferred to the Marin Humane Society. The Marin Humane Society in turn notified me that their personnel were over-tasked for the day, and they requested that I cite and release (b) (6), (b) (7)(C) to the owner. I recontacted (b) (6), (b) (7)(C) and she sent her son, (b) (6), (b) (7)(C) to collect (b) (6), (b) (7)(C). I spoke with (b) (6), (b) (7)(C) when he arrived at Muir Woods, and I shared with him that (b) (6), (b) (7)(C) claimed that (b) (6), (b) (7)(C) had only wandered into Muir Woods twice over three years, though I had encountered the dog three times over ten months. (b) (6), (b) (7)(C) stated that he had been in the area of Muir Woods numerous times to collect (b) (6), (b) (7)(C) from both National Park Service staff and hikers within the area. I released (b) (6), (b) (7)(C) to (b) (6), (b) (7)(C) and I issued him a violation notice addressed to his mother, as per (b) (6), (b) (7)(C) request. Before departing, I warned (b) (6), (b) (7)(C) that any further episodes of (b) (6), (b) (7)(C) straying into the National Park Service territories will result in a mandatory court appearance in lieu of a citation.

On 05/26/11 at approximately 1431 hrs., I observed (b) (6), (b) (7)(C) at Sweeney Ridge walking his two dogs off leash. He was on the Sweeney Ridge trail approximately one hundred yards South of the cell phone site on the Sweeney Ridge trail. The Sweeney Ridge area is clearly signed, "Leash Pets." As I approached (b) (6), (b) (7)(C) in a clearly marked Ranger vehicle, he did not put his pets on leash. To get to Where (b) (6), (b) (7)(C) was he had to of pass a clearly marked "Leash Pets" sign. One of the signs was fifty feet South of him at the top of the service road from the Sneath Lane gate. The other was North of him at the Nike missile site. I contacted (b) (6), (b) (7)(C) and told him to leash his pets. He complied. I performed a computer check on his (b) (6), (b) (7)(C) and he did not have any wants or warrants. I also checked the local file and he had not been contacted previously by a ranger. I explained to him the pet policy, and then issued him a citation: MVN 2538167 for 36 CFR 2.15(a)(2) for failure to restrain pet on a leash. I cleared at 1445 hrs.

On May 29, 2011 at approximately 1250 hours, I was driving in from the parking lot on the Tennessee Valley Trail, when I noticed a woman with a small dog. I stopped her and asked her for her identification. She did not have any with her, but she told me that her name was (b) (6), (b) (7)(C) and that she lived in (b) (6), (b) (7)(C). I advised her that dogs were not allowed on the Tennessee Valley Trail, and she told me that she didn't know that. A computer check showed that she had no warrants and was not on the Park Local List of dog offenders. Due to (b) (6), (b) (7)(C) proximity to the gate, she had not gone very far, I issued her a warning notice for her violation. I then gave her a map and advised her where dogs are allowed. I cleared at approximately 1300 hours.

On 05/31/2011 at approximately 1629 hours, communications advised they had a "cold call" report from a visitor whose dog was attacked at Fort Funston. I called communications and was given the name and number of (b) (6), (b) (7)(C) and later, started my investigation in the matter. Speaking with (b) (6), (b) (7)(C) I learned that she and a friend arrived at Fort Funston to take her rescue dog " (b) (6), (b) (7)(C) for a walk. She had never visited the area before. While " (b) (6), (b) (7)(C) was on leash, (b) (6), (b) (7)(C) walked out to Battery Davis (passing the south tunnel). She came in contact with a male subject with approximately 12 dogs. All of his dogs were off leash except for one that wore a muzzle. A small dog from the pack of 12 ran over to " (b) (6), (b) (7)(C) and began barking and attacking him. The small dog then ran away barking back to the pack. Suddenly, several dogs from the pack ran over to " (b) (6), (b) (7)(C) and began attacking him again. (b) (6), (b) (7)(C) stated she became scared and attempted to separate the dogs from (b) (6), (b) (7)(C). The male owner did not have any control of the dogs. During the separation, one of the dogs bit (b) (6), (b) (7)(C) on the leg and hand, however the skin was not broken during the bite. Helen spoke to the

subject after the attack, but failed to get his identification. She then stated that she was in shock and could not believe what had just occurred. The male subject left the area and walked over to a dark colored pick-up truck and left Fort Funston. It was not until 1629 hours, that (b)(6), (b)(7)(C) got in touch with the Park Communications to report her incident. She relayed to me that she and (b)(6), (b)(7)(C) were Ok, but that she would never come back to this area again. When asked why she delayed the reporting of the attack, she replied, "I felt I would ruin it for all the others." She later had a change of thought and wanted to make sure that the incident was reported and that it never happened to anyone else. I informed her that there were other places in GGNRA that she could take her pet besides Fort Funston and gave her the 24 hour Park Communications number in the event she changed her mind and another incident occurred. I also informed her that I was documenting the attack and later obtained a case number for Pets/ Dog (bite/attack).

I concluded the investigation at 1744 hours.

	<p>On Sunday, June 12th, 2011 at approximately 1039 hours, I received a phone call from (b) (6), (b) (7)(C) regarding this case. She agreed to come in to submit a written statement as to the occurrences of June 6th, 2011 involving her dog (b) (6), (b) (7)(C).</p> <p>At approximately 1137 hours, (b) (6), (b) (7)(C) arrived at here at the station (1217 Ralston Avenue) and submitted a written statement form with the following information:</p> <p><i>Monday June 6 at about 1:00pm I was walking with my mom and dog (b) (6), (b) (7)(C) on the gravel pathway, along Crissey Field. My dog (b) (6), (b) (7)(C) was off-leash. We walk 4-5 times a week there, beginning at Fort Mason and turning at Fort Point. I noticed a yellow lab, wearing an electronic shock collar, running towards (b) (6), (b) (7)(C). The dogs were both on the raised green / lawn area, about 20-30 ft. away. The other dogs mom/person was walking towards us. The dogs almost immediately began fighting. While (b) (6), (b) (7)(C) has growled and showed dominance behavior towards a couple non-neutered male dogs in the past he has not fought with other dogs before. He is 5 and we've had him since he was 6 months.</i></p> <p><i>The other woman ran to the dogs yelling something like no no no and I ran up the hill too. Then she dropped to the ground saying 'He bit me' 'He bit me.' The dogs were no longer fighting, my mom took (b) (6), (b) (7)(C) a bit away while I tried to talk to the woman. Her dog was jumping on her, wanting to play, she wasn't speaking to me, just cried and cried. I tried to ask what I could do, crying myself because her reaction was so strong and I didn't know what to do. I eventually called 911 to get some help - still unaware of how ex-tensive (or un-extensive?) her bite was. She really would not communicate w/me - she just cried.</i></p> <p><i>After the officer came and the dog owner was taken to the hospital I went immediately to Animal Care and Control, spoke with (b) (6), (b) (7)(C) at the desk to see if I could make an appt. w/ an officer to ask questions about what might happen. She had me call the bite hotline to leave a message. All that happened before 5pm Mon. I didn't hear from all until Thurs. when they called. The woman I spoke with said she just needed (b) (6), (b) (7)(C)'s name, then she was done as the case was out of SF jurisdiction since it happened on Park property.</i></p> <p><i>When I have told people about the incident I've said that (b) (6), (b) (7)(C) got into a fight with another dog, a non-neutered Lab, after the dog ran up to him. The other dog's person was bitten trying to separate the dogs - she got in the middle. I don't know if (b) (6), (b) (7)(C) bit her - I did not see it."</i></p>

ITEM	7 RESULTS OF INVESTIGATION
<p>On Sunday, June 12th, 2011, I was asked to submit a supplemental report pertaining to the dog bite incident that took place on Monday, June 06th, 2011, when I was dispatched to the area of Crissy Field for a report of a dog bite.</p> <p>At approximately 1403 hours, Dispatch advised a call was transferred, and there appeared to be an open line, however, the caller was not responding to questions being asked pertaining to a dog bite incident in the area of Crissy Field West Bluffs parking.</p> <p>While en-route, dispatch advised there was another caller who stated the victim was in the grassy area near the Warming Hut. I responded to the area of the Warming Hut, where I found a group of off-duty Park Service employees gathered. No one there was aware of, nor had they been informed of a dog attack.</p> <p>I rode east on the promenade toward East Beach looking for the victims. I was flagged down approximately 150 yards east of the NOAA Fisheries building by a (b) (6), (b) (7)(C) female adult who was obviously distraught standing on the grassy area uphill from the promenade. There was a woman sitting on the grass near her crying and holding her right knee. The woman who flagged me down told me she was the owner of the dog who bit the victim, and that her dog was “over there” (pointing east down the path in the direction of the parking area) with her mom.</p> <p>I advised dispatch of the victim’s current location, and advised I could see the medics in the area (they were driving west on Mason Street adjacent to our location, but on the south side of Crissy Field.)</p> <p>There was another dog walker standing at the scene with his dog. I was told he was a witness, and was asked if I needed his name. I asked “What did you see?” He said he “saw the dog biting her knee” (the victim.) I asked if he saw anything prior to that, and he said no.</p> <p>I told both subjects that I was conducting a preliminary investigation, which would most likely be followed up by a call or interview by the San Francisco Animal Care and Control. The “suspect” dog owner, (b) (6), (b) (7)(C) told me her dog was up to date on his shots, but that she didn’t have that information with her.</p> <p>At some point during the information gathering of both subjects, I inferred the attack took place on the beach area, even repeating it to the subjects (neither of which contradicted my statement) more than once. I asked why she (the victim) would step between two fighting dogs, and (b) (6), (b) (7)(C) said “I had to break it up. I thought her dog was going to kill mine.” Then she noticed a spot of blood and a “puncture wound” on her dog’s neck on the right side, and started getting visually upset again.</p>

	<p>The medics arrived on-scene, and began to treat [REDACTED]. They said she would be transported to San Francisco General Hospital for treatment and cleaning of the wound. They asked her if she had someone who could come and get the dog because they were going to transport her for treatment. She said no, then asked if they could drop her dog off at her house before going to the hospital. Then she asked if they could stop by her car first in the East Beach parking lot.</p> <p>As the medics were escorting [REDACTED] to the back of the ambulance, I gave her my business card with the case number on it, and again advised her San Francisco Animal Care and Control would be notified and supplied a copy of my report, and that she may be contacted by them.</p> <p>After escorting the ambulance the length of the promenade to the East Beach parking lot, Officer Smith relayed to me that the destination had changed, and Medic 89 was now transporting her to California Pacific Medical Center by way of East Beach parking and her house on Union Street.</p> <p>After the ambulance departed, [REDACTED] asked me what was going to happen next. She was still visibly upset. I told her again that Animal Care and Control would probably contact her, and advised her that they may quarantine her dog due to the biting incident.</p>

On June 7, 2011, at approximately 1244 hrs, I observed a leashed terrier accompanied by an individual (later identified as (b) (6), (b) (7)(C)) walking eastbound on the Tennessee Valley Rd towards the locked gate adjacent to the Tennessee Valley parking lot. The area that (b) (6), (b) (7)(C) was walking with his dog is a posted no dogs allowed area. I approached (b) (6), (b) (7)(C) and asked him if he was aware that dogs were not allowed in the section he was walking his dog. (b) (6), (b) (7)(C) stated he had not been aware but a park volunteer approached him near the Tennessee Valley stables and advised him the area was closed to dogs. (b) (6), (b) (7)(C) stated he then turned around and walked back to the parking lot. Park dispatch indicated no local file information for (b) (6), (b) (7)(C) was receptive to my explanation of the rules and regulations, was issued a written warning for 36 CFR 2.15 (a)(1) and handed park maps that indicate areas where dogs are allowed.

ITEM	7 RESULTS OF INVESTIGATION
------	----------------------------

On June 8, 2011 I was at work at Golden Gate NRA. A woman came to the Fort Funston Ranger Office to report she had had been pushed by a man in the parking lot. I identified her as (b) (6), (b) (7)(C) by her (b) (6), (b) (7)(C) DL. (b) (6), (b) (7)(C) gave a description of his vehicle and had a picture of his license plate. (b) (6), (b) (7)(C) is a commercial dog walker. (b) (6), (b) (7)(C) said she was putting her dogs in the back of her truck when one escaped and ran off. She got the other dogs in her truck and went to retrieve the one that ran away. When she found the dog a man ((b) (6), (b) (7)(C)) had grabbed the dog. When (b) (6), (b) (7)(C) asked for the dog back (b) (6), (b) (7)(C) told her he wouldn't give the dog back until she picked up dog feces. When she tried to grab the dog (b) (6), (b) (7)(C) pushed her.
(See attached statement).

A few minutes after I finished taking (b) (6), (b) (7)(C) statement a man matching the suspect information showed up at the Ranger Office and said he wanted to report that he had been pushed. I identified the man as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) by his (b) (6), (b) (7)(C) DL. I confirmed this is the name that matched the registered owner to the vehicle that (b) (6), (b) (7)(C) had shown me. The truck he drove was the same truck. (b) (6), (b) (7)(C) said (b) (6), (b) (7)(C) dog had gone to the bathroom near-by and he was trying to get her to pick up that specific feces. I took a statement from (b) (6), (b) (7)(C) did not want to press charges. (See attached statement)

I called (b) (6), (b) (7)(C) and told her I was at the Ranger Office and in contact with the man she described. She said she did not want to press charges and just wanted the incident documented.

Both suspect/victims were given victim witness awareness information.

I made it clear to (b) (6), (b) (7)(C) that he was not the arbitrator of justice at Fort Funston and if he has a problem with someone he is to call law enforcement. I told (b) (6), (b) (7)(C) he did not have a right to withhold someone else property from them. (b) (6), (b) (7)(C) indicated he understood.

No citations were issued. Neither suspect/victim wanted to press charges.

29. DETAILS OF INCIDENT

On 06-09-11, at approx. 1429 hrs., I received a radio call from Park Communications regarding a dog trapped on the cliff near the Fort Funston Hang Glider Deck. Upon arrival to this area from the Fort Funston Ranger Office with Ranger Airey, I met with an adult female, later identified as (b) (6), (b) (7)(C) who told me that she was responsible for the dog. She told me that the dog was off leash and probably running after another animal when it went over the cliff. The dog was approx. 150 yards north of the Hang Glider Deck and approx. 75 feet down the cliff on a ledge. However, we could not see it from directly above. At approx. 1445 hrs., Rangers Yost, Simcoe, Seraphin and Agnew as well as NPS Lifeguards Dierks, O'Connor, and Magnusen arrived on-scene to assist. We set up the technical rope rescue system and we were about to send a rescue climber down the cliff, when we observed a white male, later identified as (b) (6), (b) (7)(C) climbing down the cliff with the dog. (b) (6), (b) (7)(C) and the dog made it to the beach without incident. I later met with (b) (6), (b) (7)(C) and advised him not to climb up and down a cliff to rescue a dog. I also advised (b) (6), (b) (7)(C) that I would not be issuing her a citation only because our rescue climber did not go over the cliff. All units cleared at approx. 1600 hrs.

	SUMMARY: On June 12, 2011, I contacted a park visitor with a pet off leash at Fort Baker.				
	NARRATIVE: On June 12, 2011, I observed a white-male walking his unleashed dog on the Murray Circle Parade Ground as I approached from Center Road. I pulled my vehicle onto Shoulder across from the torpedo assembly building and walked out to Mr (b) (6), (b) (7)(C) and his dog. Mr (b) (6), (b) (7)(C) called to his dog and it responded to his call. Mr (b) (6), (b) (7)(C) claimed that the dog's leash was in the vehicle and he thought this was a leash optional area and not Posted as "leash-only". Once informed, Mr (b) (6), (b) (7)(C) was compliant and walked his dog to Parked vehicle. I checked wants and local file for Mr (b) (6), (b) (7)(C) and both local and wants checks were negative. I issued a verbal warning and cleared without incident

On June 12, 2011 at approximately 1515 hours, I received a report from Stinson Beach Lifeguard Rippe, concerning a woman who was irate about having to take her dog off the beach. Rippe said that she had been contacted originally by Lifeguard Peri, and later by him and that she still refused to take her dog off the beach. Rippe told me that when he contacted her, the woman said that she would "kick his ass". When I got down to the south end of the beach the woman had picked up some of her gear and had her dog on a leash and was loudly saying "I am leaving the beach, just leave me alone".

When I asked her for her identification she said that it was in the car, and when I asked for her name and date of birth she refused to give it to me. I got in front of her to keep her from leaving but she screamed at me and told me "I am so tired, just leave me alone!"

She then told me that her dog was a service dog in training for her son who had cancer. I asked her where her son was and she said "I had to leave him down there at the end of the beach", however when I looked down the beach there was nobody. I listened to the woman for awhile before we were joined by Ranger Norton and the woman's husband. At that time she told me to give her my pad of paper and she would write her name down for me. She identified herself as (b) (6), (b) (7)(C) of (b) (6), (b) (7)(C). A computer check of her name and DOB showed that she was being truthful. I explained the dog rules to her, then cited her for violation of 36CFR2.15(a)(1) Possessing a Dog in an Unauthorized Area. (b) (6), (b) (7)(C) and her husband then left the beach. I cleared at approximately 1545 hours.

RESULTS OF INVESTIGATION

At approximately 1520hrs on the date of 06/12/11 I was on a patrol to contact a dog owner sitting at the south end of Stinson Beach. Lifeguard 545 already asked the woman to remove her pet. When I arrived I advised her where dogs were allowed, and that she would have to remove the pet from the National Park portion of the beach. She told me that lifeguard 545 Peri had not told her to remove her dog and changed her story a number of times. Again I asked the woman to remove her dog but she refused. She became loud, and disrespectful at that point in time, making threats to me and other park employees. These threats included but were not limited to: "you all can suck it", "If I see any of you in [REDACTED] I will run you over with my jeep", and+ "I'll kick all of your ass." After She made the threats I calmly walked away and contacted ranger 571 for help.

RESULTS OF INVESTIGATION

At approximately 1510 on 6/12/11, I contacted a beach visitor with a dog on the southern end of Stinson to inform her that pets are not allowed on the beach. Upon first contact, the visitor aggressively began to argue about why her dog should be allowed on the beach and that her pet was not bothering anyone and that it was fine where it was. I informed the subject that her pet was allowed in the park area on leash 10 yards northwest of where we were standing. To this she responded by saying, "it is pointless to move two inches." The subject then informed me that her pet was a service dog, but she failed to name a specific service the dog was trained to provide. After this, the subject reluctantly gave up her argument and informed me that she would remove her pet from the beach.

Clear of scene 1514.

	<p>At approximately 0822 hrs, June 13, 2011, I was driving a marked ranger sedan southbound on the roadway going from the main entrance road to the ranger station. A visitor was parked in a parking lot beside the roadway with a small dog nearby his parked vehicle. This dog was off leash and jumped in front of my moving vehicle. I had to quickly apply the brakes to avoid striking this dog. The dog returned to his owner but jumped in front of my moving vehicle again causing me to stop the car. The dog's owner, (b) (6), (b) (7)(C) was then able to leash his dog. (b) (6), (b) (7)(C) explained the definition of "voice control" as defined in the park's 1979 pet policy. On June 13, 2011, at approximately 1245 hrs, while patrolling the Stinson Beach main parking lot in a marked patrol vehicle, I was approached by a park visitor (not identified) in the south end of the main lot. The park visitor pointed to a parked van and stated a dog was locked in the van. I approached the van on foot and observed a large black dog inside the van. I observed the dog was panting heavily, whimpering, barking and scratching at the windows. I observed the van was not parked in the shade, the temperature was in the 70's and the windows were rolled down only several inches. I radioed to the Stinson Lifeguards and asked them to drive the beach and announce (using their megaphone) to the beach visitors that a dog was locked inside a van. The lifeguards responded they would assist. At approximately 1300 hrs, I observed an individual (later identified as) approach the van. I asked if he was the owner of the van and if the dog inside was his. stated yes. I advised to take the dog out of the van and give it water. did as instructed. I asked to explain why the dog was locked inside the van. stated he was aware that dogs were not allowed on the beach and decided to leave it in the van. I issued violation 3046835 for 36 CFR 2.15 (a)(3). Clear at approximately 1315 hrs.

	<p>On June 14, 2011, at approximately 1704 hours, I responded to a call from Communications regarding a dog bite from a one dog to another on Baker Beach. The reporting party, later identified as (b) (6), (b) (7)(C) verbally, was standing by in the north lot to point out the two suspects she said had the other dog. Sgt. Williams, Ofc. Whalen, Ofc. Wu, and I responded to Baker Beach. Sgt. Williams and I met with (b) (6), (b) (7)(C) in the north lot, who said she was walking her leashed pet, a 6 YO female labradoodle, along the shoreline when her dog was attacked by an unleashed pitbull/boxer looking dog. Baker Beach is a voice control regulated area for dogs. (b) (6), (b) (7)(C) described the two men, later identified as (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) who were with the second dog and pointed them out to Sgt. Williams and I. (b) (6), (b) (7)(C) said her labradoodle was bleeding from a bite on its left front underarm. (b) (6), (b) (7)(C) said (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) walked off with their dog after the incident. (b) (6), (b) (7)(C) said she took her dog home and called the vet. (b) (6), (b) (7)(C) said she came back to the beach and called 911. I identified (b) (6), (b) (7)(C) by his (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) by his (b) (6), (b) (7)(C). A check of all three subjects involved through USPP Communications revealed no warrants. All three made written statements about the incident. (b) (6), (b) (7)(C) the owner of the pitbull mix dog, named (b) (6), (b) (7)(C) said it looked like the dogs were just roughhousing and playing with each other. (b) (6), (b) (7)(C) said he apologized to (b) (6), (b) (7)(C) after the incident. (b) (6), (b) (7)(C) said his dog's shots were up to date and exchanged information with (b) (6), (b) (7)(C) on scene about their pets. I advised (b) (6), (b) (7)(C) to follow up with her veterinarian. I told both (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) a report would be ready in a few days and that San Francisco Animal Care and Control would be notified about the incident.</p> <p>Clear: 1801 hours.</p>

	<p>On June 19, 2011 at approximately 1405 hrs, I was driving a marked ranger sedan on Sneath Lane preparing to patrol the Sweeney Ridge area. I was traveling westbound approximately one mile west of the gate at the parking lot when I observed two boys with a large brown dog off leash. A man and woman were following behind. When the man arrived with the boys and dog he placed a leash on the dog. The woman said that was their first visit to this area. She further stated that she did not observe the dogs on leash sign posted at the parking lot gate that she walked past when they entered onto park property. (b) (6), (b) (7)(C) was informed of the park's pet policies. She was issued U.S. District Court violation (b) (6), (b) (7)(C) Notice #3045586 for violation of 36 CFR 2.15(a) (2) "Fail to Restrain Dog on Leash". (b) (6), (b) (7)(C) was then released.</p>

On June 20, 2011, at approximately 1200 hrs, while on foot patrol of Sutro Park, I observed a large white dog off-leash and digging a large hole in the grass. I approached the dog and it took off at a trot away from me. I followed the dog and I observed it approach an individual (later identified as [redacted] who was sitting on a log. I asked [redacted] if the dog was hers and she said yes". I asked [redacted] if she had a leash with her and she indicated the leash was in her vehicle parked on 48th Ave. I asked [redacted] to take control of her dog. [redacted] attempted voice control to have her dog come to her but it was ineffective. I observed the dog trot away from [redacted] and disappear into the nearby bushes. I informed [redacted] that Sutro Park is a leash area and that I had observed her dog digging a large hole in an area where there are gophers. [redacted] stated "good, I hope they (the gophers) disappear from the whole city". I informed [redacted] that she was in a National Park and everything in the park is protected. [redacted] replied back that her daughter is a Park Ranger in Yellowstone. [redacted] further stated her daughter has told her to keep her dog on a leash while in National Parks. I issued [redacted] violation 3046839 for 36 CFR 2.15 (a)(2) and a warning for 2.1 (a)(1)(ii).

On June 20, 2011, at approximately 1610 hrs, while patrolling the Ft Funston parking lots, I observed a (b) (6), (b) (7)(C) pickup (b) (6), (b) (7)(C) parked on a sand dune adjacent to the "Hang Glider" building. I observed the (b) (6), (b) (7)(C) had travelled approx. 30' off the paved surface and was parked at an angle facing uphill on the sand dune. Off-road travel is not permitted in the area. When I stopped my patrol vehicle, I observed an individual (later identified as (b) (6), (b) (7)(C)) quickly enter the (b) (6), (b) (7)(C) turned the vehicle on, and began to exit the area. I approached the (b) (6), (b) (7)(C) on foot, instructed (b) (6), (b) (7)(C) to stop and exit the vehicle. (b) (6), (b) (7)(C) complied. When (b) (6), (b) (7)(C) exited the vehicle, I observed an unleashed small white dog exit the vehicle as well and began to run around the vehicle. I instructed (b) (6), (b) (7)(C) to leash his dog and after several unsuccessful attempts to use voice control to have the dog come to him, he was able to eventually grab the dog as it ran under the vehicle. I then asked (b) (6), (b) (7)(C) to explain why he drove on the sand dune. (b) (6), (b) (7)(C) indicated he drove up the dune because was trimming the dog's hair. I then issued violation notice 3046841 for 36 CFR 4.10 (a) and a written warning for 36 CFR 2.15 (a)(2).

On June 25 at approximately 1400 hours, while on patrol within Golden Gate National Recreation Area Ranger at Tennessee Valley I observed (b) (6), (b) (7)(C) and his kids walking on the Tennessee Valley road near the trail head to Haypress Campground with a dog.

Tennessee Valley is a posted closer to all pets passed the gate at the parking lot.

I stopped (b) (6), (b) (7)(C) and asked him if he was aware that pets were not allowed past the gate at the parking lot. (b) (6), (b) (7)(C) stated that he did not know and would take the dog back to the car.

I informed (b) (6), (b) (7)(C) that there was a sign for no pets at the gate and was going to give him a warning but still needed his identification. (b) (6), (b) (7)(C) stated that his driver's license was in his vehicle.

RESULTS OF INVESTIGATION:

I told (b) (6), (b) (7)(C) he didn't need his driver's license and I asked him for his name and date of birth. (b) (6), (b) (7)(C) stated that his name was (b) (6), (b) (7)(C) and his date of birth was (b) (6), (b) (7)(C)

After (b) (6), (b) (7)(C) gave me his name his young son stated that's not your name dad.

I asked (b) (6), (b) (7)(C) if that was his name and he stated that it was but he goes by a different name sometimes.

I told (b) (6), (b) (7)(C) of alternative locations he could take his dog and let him go with a warning.

After I let (b) (6), (b) (7)(C) return to his vehicle, I contacted Park Communications with the information (b) (6), (b) (7)(C) had given me. They soon informed me there was no record found for the name and date of birth given.

I then recontacted (b) (6), (b) (7)(C) as he was passing through the gate at the parking lot. I informed (b) (6), (b) (7)(C) there was no record for the name he had given me and needed to see his driver's license.

I followed (b) (6), (b) (7)(C) back to his vehicle and he gave me his (b) (6), (b) (7)(C) driver's license (b) (6), (b) (7)(C) The name on the license was (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) with a date of birth (b) (6), (b) (7)(C)

I asked (b) (6), (b) (7)(C) why he gave me a false name and date of birth. (b) (6), (b) (7)(C) stated that he didn't think it mattered because it was only a dog and I was giving him a warning.

Ranger Wright arrived on scene at approximately 1415 hours.

I issued (b) (6), (b) (7)(C) two mandatory appearance citations 1) 3045667 for 36 CFR 2.32(a) (3) (i) giving false information to a person investigating 2) 3045668 for 36CFR 2.15(a) (1) possessing a pet in a closed area.

(b) (6), (b) (7)(C) was released from the scene and all rangers were clear at approximately 1432 hours.

While on uniformed patrol of Stinson Beach on 6/25/11 at 1951 hours, I observed a white male walking with a dog off leash on the beach. I contacted the suspect (later identified as (b) (6), (b) (7)(C)) by (b) (6), (b) (7)(C) Driver's License (b) (6), (b) (7)(C) and informed him that dogs were not allowed on the beach. (b) (6), (b) (7)(C) informed me that he walked to the beach from the parking lot by the main lot restrooms. At that location, there are three signs stating dogs are not allowed on the beach. There were also no other dogs on the beach at the time I contacted (b) (6), (b) (7)(C)

I walked (b) (6), (b) (7)(C) back to the parking lot where dogs are allowed on leash. (b) (6), (b) (7)(C) was argumentative throughout my contact. He stated that he should be allowed to walk his dog on the beach because there were no swimmers in the water and therefore it does not matter that it is a "swimming beach." I issued (b) (6), (b) (7)(C) citation 3046002 for 36 CFR 1.5f for Violation of Closure - Pets. (b) (6), (b) (7)(C) refused to provide a telephone number, social security number or signature on his citation.

While on uniformed patrol of Mori Point Road Trail on 6/29/11 at 1650 hours, I saw a white female with a dog off leash. The dog was running through vegetation and off trail next to a pedestrian bridge. The direction the woman was walking from has two entrances into the park. Both of those entrances have signs stating that pets must be on leash. The woman provided her name and date of birth as (b) (6), (b) (7)(C) 11/18/1971. I had dispatch check her for wants and warrants, and they found none. Dispatch provided me with her descriptors from her driver's license (b) (6), (b) (7)(C) which she matched. I issued (b) (6), (b) (7)(C) citation 2334723 for 36 CFR 2.15(a)(2) - Pet Off Leash.
