	<p>On Saturday, January 1, 2011 at about 1442 hours, I was on uniformed foot patrol at Mori Point. As I walking south on the Pollywog Trail toward the new boardwalk area, I saw a man walking east on the boardwalk, followed by an unrestrained, slow-moving, older, black Lab-type dog. When we met at the junction of the Pollywog Trail and Mori Road Trail, I asked the man to leash his dog. The man, verbally identified as clear and valid California operator (b) (6), (b) (7)(C) said he knew his dog needed to be leashed, since he lived in the neighborhood adjoining Mori Point. Since no one was around, (b) (6), (b) (7)(C) had unclipped the leash for the last bit of the walk home. I advised that dogs needed to remain leashed at all times at Mori Point, and (b) (6), (b) (7)(C) immediately leashed the dog. As the local database showed no prior law enforcement contact with (b) (6), (b) (7)(C), I chose to issue a verbal warning for the violation, stressing that subsequent violation would yield increasing fines. I was clear of (b) (6), (b) (7)(C) by about 1500 hours.</p>

7 RESULTS OF INVESTIGATION

On 1/1/2011 at approximately 1428 hours, Golden Gate National Recreation Area Dispatch broadcasted there was a dog stranded on the cliffs at the south end of Rodeo Beach. Rangers Xave Agnew, Mark Warmerdam, Owen Simcoe, Bob Airey, Supervisory Ranger Kurt Veeck, and I responded from the Fort Cronkhite Ranger Station and began searching for the dog. While walking south on Rodeo Beach, I was contacted by a visitor who took me to the dog. I observed a medium sized Irish Setter stranded on a cliff approximately 50 feet above the beach. The dog had apparently fell approximately 30 feet from the top of the cliff to it's present location. The dog did not appear to be injured, and the only way to rescue it was by technical rope rescue. Rain throughout the day had caused rocks, vegetation, and soil on the cliff face and above to become wet and hazardous. Shortly after locating the dog, a man walked over to my location and identified himself as (b) (6), (b) (7)(C) the dog's owner. (b) (6), (b) (7)(C) stated the dog had gotten lose from its collar and ran off. I stayed with (b) (6), (b) (7)(C) at the bottom of the cliff while the other Rangers set up a technical rope rescue system. Once the rescue system was rigged, Ranger Warmerdam was lowered from the top of the cliff down to the dog. Ranger Warmerdam secured the dog in a special dog harness and was lowered down to the beach. During the rescue small rocks were dislodged from the cliff face and loose soil above, and the cliff face was slippery from being wet, posing additional safety hazards during the rescue. Once on the ground, the dog did not show signs of being injured and was freely walking around. (b) (6), (b) (7)(C) was very thankful for the rescue of his dog. (b) (6), (b) (7)(C) and I relocated to the Fort Cronkhite Ranger Station and I had (b) (6), (b) (7)(C) write a statement of how the dog got loose (SEE ATTACHED WITNESS STATEMENT). Based on the totality of the circumstance, I issued (b) (6), (b) (7)(C) violation notice #K111846 for Creating a Hazardous Condition – 36 CFR 2.34(a)(4).
End Report.

On January 2, 2011, at approximately 1110 hrs, while exiting Ft Funston in a marked patrol vehicle, I observed three San Francisco Fire Department (SFFD) engines entering Ft Funston with their lights and sirens activated. I followed behind them and we stopped near the hang glider deck. I asked the SFFD personnel what they were responding to. I was advised they had received a report of a cliff rescue at Ft Funston. The reporting party, according to SFFD personnel, was no longer available by telephone. I then began a search, northbound along the cliff edge beginning from the hang glider deck. At approximately 1130 hrs, I located an individual and a dog on the cliff, in the area of the north sand ladder (approximately 1/2 mile north of the hang glider deck). I radioed Park Dispatch and had them contact SFFD. The individual, later identified as (b) (6), (b) (7)(C), was approximately 15' vertical downhill from the cliff edge. (b) (6), (b) (7)(C) stated he was not injured and was comfortable on the approximately 10' wide cliff shelf where he was standing. (b) (6), (b) (7)(C) stated his dog, "Sunny" had fallen off the cliff edge and he had climbed down to rescue the dog. (b) (6), (b) (7)(C) stated that "Sunny" was physically unable to climb back up the cliff. I instructed (b) (6), (b) (7)(C) to wait at his location for SFFD personnel. At approximately 1145 hrs, multiple units from SFFD arrived to my location and began to set up for a high angle cliff rescue. I radioed Park Police Officer R. Lopez to pick up the large dog harness at the Ft Funston Ranger Station and bring it to my location. Officer Lopez arrived with the dog harness to my location at approximately 1205 hrs. SFFD was able to successfully rescue both LOPEZ and his dog at approximately 1230 hrs. I issued (b) (6), (b) (7)(C) a warning for 36 CFR 2.34 (a)(4). I also explained to (b) (6), (b) (7)(C) the potential consequences his actions could have led to; including serious injury or death to himself or any of the rescuers, as well as the loss of many engines from SFFD to accommodate his rescue. This report will be submitted for local file information. All units clear at approximately 1235 hrs.

	On January 2, 2011 at approximately 1602 hours, I was patrolling the area of Stinson Beach when I observed two people with a white medium sized dog on the beach area designated for swimming and public use. Dogs are prohibited in this area and several signs are posted at the beach entrances informing visitors that dogs are not allowed in this vicinity. I contacted the couple and identified the dog owner, (b) (6), (b) (7)(C), by name and date of birth. (b) (6), (b) (7)(C) indicated that she was a new dog owner and this was her first visit to Stinson Beach with the dog. I asked (b) (6), (b) (7)(C) if she had ever been previously contacted for a pet violation and she denied any prior contacts. I confirmed that she did not have any contacts regarding pets. I issued (b) (6), (b) (7)(C) a verbal warning for having her pet in the closed area and informed her where she may have her dog. The couple left the area of Stinson Beach. I cleared from the contact at 1610 hours.

NARRATIVE: (1) CONTINUATION OF ABOVE ITEMS, INDICATE ITEM NUMBER AT LEFT, INCLUDE ADDITIONAL WITNESSES AND SUSPECTS. (2) INDICATE HOW NOTIFIED OF INCIDENT, DESCRIBE DETAILS OF INCIDENT. (3) DESCRIBE PROPERTY AND ITS VALUE. On Thursday, January 6, 2011 at about 1210 hours, I was on uniformed patrol in a marked law enforcement sedan in the Tennessee Valley trailhead area within Golden Gate National Recreation Area. Exiting the Tennessee Valley trail gate were two women, one of whom was carrying a small Chihuahua-type dog. I asked the women where they had started their hike and they said right there at the gate. This location is marked with a regulatory sign stating NO PETS which I pointed out to the women. They said they had not seen that sign. I asked the woman carrying the dog whose dog it was; she said it was hers. She identified herself as clear and valid operator of (b) (6), (b) (7)(C) of (b) (6), (b) (7)(C). I issued violation notice #2864303 for 36 CFR 2.15(a)(1), possession of a pet in a closed public area, with a total collateral of \$75. I explained (b) (6), (b) (7)(C)'s rights and responsibilities concerning the violation notice to her and asked her whether she had any questions. She said no and signed the bottom of the violation notice. I was clear of this incident by about 1220 hours.

	On Saturday, January 8, 2011 at about 1255 hours, I was on uniformed foot patrol in the Snowy Plover Protection Area (SPPA) at Ocean Beach just south of Lincoln Way. Pets are required to be leashed all year except May 15 to July 1 in this area for protection of the threatened snowy plover bird. I saw two white males walking southbound near the waterline with an unrestrained Labrador-type dog. I approached and asked the owner to leash the dog. The man later identified by clear and valid (b) (6), (b) (7)(C) operator license as (b) (6), (b) (7)(C) leashed the dog. I asked the men how they had accessed the beach. They indicated they had entered at one of the first few stairwells by the Cliff House and continued along the waterline to where we met. I explained the regulations and boundaries of the SPPA to them and gave them a verbal warning for failing to leash their dog. I cleared contact by about 1310 hours.

On Saturday, January 8, 2011 at about 1255 hours, I was on uniformed foot patrol in the Snowy Plover Protection Area (SPPA) at Ocean Beach just south of Lincoln Way. While completing one visitor contact, I saw a male and female with an unrestrained border collie type dog walking northbound on the beach. After finishing my contact, I approached the couple and asked the owner of the dog to leash the dog. The man, later identified verbally as clear and valid California operator (b) (6), (b) (7)(C), said the dog belonged to both of them and he leashed it. I asked them how they had accessed the beach. They said they had come down one of the southernmost stairwells from the Ocean Beach parking lot, each of which, south of Stairwell 21, is marked with a sign indicating pets must be leashed from July 1 through May 15. I issued (b) (6), (b) (7)(C) violation notice #2864305 for 36 CFR 7.97(d)(1)(ii), failing to restrain a pet in the SPPA, with a total collateral of \$175. I explained (b) (6), (b) (7)(C)'s rights and responsibilities concerning the violation notice to him and asked whether he had questions. He said no and signed the notice. I was clear of the SPPA by about 1405 hours.

On January 11, 2011 at approximately 1024 hours I was in the dunes at Ocean Beach near Judah when I noticed a white male adult throwing a ball down to the beach for an unleashed dog. That portion of Ocean Beach is a Wildlife Protection Area and as such, dogs need to be leashed. I contacted the man and had him leash his dog. He identified himself as (b) (6), (b) (7)(C) of (b) (6), (b) (7)(C) said that he was visiting from (b) (6), (b) (7)(C) and didn't realize that dogs had to be leashed in the area. I showed him the regulation sign and he said that in the future he would abide by the rules. I issued him a written warning notice and advised him that his name would be on file as having been warned about the Pet violation. While talking to (b) (6), (b) (7)(C), I noticed five people walking on the beach with unleashed pets. I cleared at approximately 1040 hours.

On 01/11/11 at approximately 1245 hours, I responded to Ocean Beach at Stairwell 17 for a report of an assault. Upon arrival, I contacted the reporting party (b) (6), (b) (7)(C) at stairwell 20 who stated he was assaulted on the beach by a male wearing a green cap and pointed at a male about 25 feet from us. According to (b) (6), (b) (7)(C) he was walking on the beach with his dog at his side when the dog of the suspect, later identified as (b) (6), (b) (7)(C) ran up to his dog and began to play rough. As he attempted to stop the dog, (b) (6), (b) (7)(C) punched him. Then another visitor came in and punched him also in the face. I had (b) (6), (b) (7)(C) fill out a complainant/witness statement. Interviewing (b) (6), (b) (7)(C) he stated he was walking his off leash dog as well when his 18 month old dog went up to (b) (6), (b) (7)(C) dog and began playing with it. According to (b) (6), (b) (7)(C) became very protective of his dog and began yelling at the dogs and began pushing and kicking (b) (6), (b) (7)(C) dog. (b) (6), (b) (7)(C) saw that his dog was kicked so hard that the dog went about 3 feet. Then a visitor who was a at a near by at a fire pit went up to (b) (6), (b) (7)(C) and pushed him away from the 18 month old dog. As (b) (6), (b) (7)(C) was attempting to put his dog on a leash, he separated the two men. The unidentified male did not want to wait around or give his name and departed prior to my arrival. (b) (6), (b) (7)(C) was able to get his dog on a leash but after his dog bite (b) (6), (b) (7)(C)s dog on the head. I get a written statement from (b) (6), (b) (7)(C). Both men did not request any medical attention for themselves. The only injury that I saw was a very small cut to (b) (6), (b) (7)(C) right index finger knuckle. (b) (6), (b) (7)(C) stated his right middle finger hurt. He was given an ice pack from Ranger Swift. Since there were no other witnesses, I issued both of them MVNs for 36CFR2.34(2)(1)- Disorderly Conduct- Fighting. A CLETS check of both males

On January 14, 2011 at approximately 1308 hours, I was at Fort Baker Pier when I saw a (b) (6), (b) (7)(C) female adult (later identified as (b) (6), (b) (7)(C)) playing with "Chuck it" device a young looking blond golden retriever in the waters in front of US Coast Guard Station Golden Gate. I walked over to (b) (6), (b) (7)(C) and introduced myself and asked if she could leash her wet dog (her dog had run by me and had also been in the water fetching the ball). (b) (6), (b) (7)(C) leashed her dog, She then asked if this was not an off leash area, which I said no it was not and I then asked for some identification, which she said was in her car. I asked if we could walk and get it and she said it was no problem. Her car, (b) (6), (b) (7)(C) which I did not run, since she was being extremely cooperative, and had a very wet dog, she retrieved her license from the rear of the car and gave it to me. Park Dispatch ran a computer check which returned negative for wants/warrants and valid license. I gave (b) (6), (b) (7)(C) a verbal warning in violation of 36 CFR 2.15(a)(2) Pets-failure to restrain and recommended for her to check the web site for upcoming changes to the off leash/leash regulations to the park. (b) (6), (b) (7)(C) was very polite and cooperative throughout the entire contact, as was her dog, which was also well behaved. I thanked her for her cooperation and having a well behaved dog. Cleared at 1319 hours.

On Saturday, January 15, 2011 at about 1505 hours, I was on uniformed patrol in a marked law enforcement sedan at Milagra Ridge. Through binoculars on the hilltop, I watched two males and an unrestrained Rottweiler type dog walk northbound on the trails for about five minutes. I then drove up behind the group as they walked to the northernmost bunker turnaround on the paved road. The one male, later identified by clear and valid (b) (6), (b) (7)(C) driver's license as (b) (6), (b) (7)(C) leashed the dog as I stepped out of my vehicle. I asked where they began their hike. They said their car was parked at the main gate, an area posted with regulatory signs stating dogs must be leashed. Along the route I had watched them take are at least two additional regulatory signs stating dogs must be leashed at all times. (b) (6), (b) (7)(C) claimed he had seen no signs. I issued him violation notice #2864315 for 36 CFR 2.15(a)(2), failure to restrain a pet, with a total collateral of \$100. I explained (b) (6), (b) (7)(C) rights and responsibilities concerning the violation notice to him and asked whether he had any questions. He said no and signed the notice. I was clear by about 1515 hours.

On Saturday, January 15, 2011 at about 1727 hours, I was on uniformed foot patrol at Mori Point at the top of the Bootlegger Steps. I saw a man and woman ascend the steps with an unrestrained Chihuahua type dog at their side. I had watched the group for several minutes through binoculars earlier as they made their way westward along the boardwalk trail. The dog was continually restrained on a leash during my observation. It appeared that the man, later identified verbally as clear and valid operator was using both hands to assist his wife in ascending the stairs. She appeared to be having difficulty continuing her ascent. said he had released the dog from its leash because he did not think there were any rangers around. I told him that at Mori Point dogs needed to remain leashed at all times and gave him a verbal warning. Although claimed to have received a ticket for unrestrained pet several years earlier, the local database showed no prior contact with law enforcement. I cleared Mori Point by about 1745 hours.

On 01/17/11 at approximately 1106 hours, while patrolling lower Fort Mason, I saw a brown Labrador dog on the grassy hillside near the steps leading up to upper Fort Mason. I observed the dog and waited for the owner to arrive. After a few minutes the dog kept wondering, so I called out to it and entered my vehicle with little persuasion. I drove around lower Fort Mason to locate the owner but was not able to make any contact. The dog did not have any identifying tags on it. I drove the dog to upper Fort Mason and asked around to the local dog walkers and no one was missing the dog. I went back to the lower area and there I was flagged down by (b) (6), (b) (7)(C) who inquired about his dog. I released the dog to him and gave him a verbal warning for failing to crate or restrain the dog.

	On 01/17/2011, I was on back country patrol of Sweeney Ridge. I entered the area at the Shelldance nursery location and was driving along the Mori Ridge trail. I noticed several dogs off leash. Once the party noticed my patrol car coming up the trail, they leashed the dogs. I made contact with the subjects later identified as (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C). I finally made contact with the subjects. I greeted the party and asked if they were aware pets were to be on leash. (b) (6), (b) (7)(C) stated they were not aware of the regulations and thought that pets could be off leash on fire roads. I asked if they entered the park near Shelldance nursery. (b) (6), (b) (7)(C) stated they did come into the park from that location. I told them that a clearly posted sign advises "pets on leash" at that location. I asked for identification from the party. (b) (6), (b) (7)(C) then asked if I could give him a verbal warning because he was a volunteer at Point Bonita. I thanked him for his volunteerism and conducted computer checks on the identifications. The checks returned clear and I issued (b) (6), (b) (7)(C) one cite for the 36 CFR 2.15 (a)(2)-failure to leash pet.

	<p>On 01/17/11 at approximately 1610 hours, I observed (b) (6), (b) (7)(C) walking along the Mori Ridge trail with his dog off leash. (b) (6), (b) (7)(C) was with two other subjects and it was the females subject in his party that leashed the dog upon seeing my patrol car. I stopped the party, and asked them if they were aware pets were to be on leash. They all stated, "No." I then asked who was the owner of the dog. All three subjects advised they all were responsible for the dog. I then stated that I needed identification from one person. (b) (6), (b) (7)(C) then provided his identification. I later went on to advise that pets were to be on leash at all time while visiting Sweeney Ridge. I asked if they entered the area near Sheldance nursery. They advised they did indeed come to the area via that location. I informed them that the a clearly posted sign advises "Pets on leash" at that location. A computer check on the (b) (6), (b) (7)(C) driver's license returned clear for any wants or warrants. I issued one cite to (b) (6), (b) (7)(C) for 36 CFR 2.15(a)(2)-failure to leash pet.</p>

On January 18, 2011 at approximately 1400 hours, Ranger Eddy and I were on foot patrol at Ocean Beach near Stairwell #26 when I observed a white female adult walking with her dog off leash. The area of Ocean Beach south of Stairwell #21 is designated a Wildlife Protection Area and as such dogs must be on leash. I contacted the woman who identified herself as (b) (6), (b) (7)(C) of (b) (6), (b) (7)(C). When I advised her of the leash regulation, she said that she did not know that leashes are required in that area. I ran a computer check of her driver's license, which came back clear and she was not listed in the local file. I issued her a written warning notice and advised her that her name would be on file and that if she was contacted again for a violation of the pet policy that she would be cited. (b) (6), (b) (7)(C) said that she understood and took her dog north to the area where leashes are not mandatory. While talking to (b) (6), (b) (7)(C) I noticed 3 other people who had their dogs off leash in the Wildlife Protection Area, and they all turned and went north. We cleared at approximately 1420 hours.

On 01-21-11, at approx. 0807 hrs., I observed a medium sized black, off-leash dog running unrestrained southbound on Ocean Beach near Lawton St. I also observed an adult female, later identified as (b) (6), (b) (7)(C) jogging in the same direction as this dog. When (b) (6), (b) (7)(C) looked in my direction, she called for and leashed this dog. I contacted (b) (6), (b) (7)(C) identified myself as a National Park Service law enforcement officer, and I asked her if this dog belonged to her. (b) (6), (b) (7)(C) said "yes" and I advised her that pets need to be on leash in this area. Upon a dispatch computer check, she returned clear of wants/warrants with no local file contacts. There are clearly posted and visible signs at the Ocean Beach/Great Highway pedestrian crosswalks in this area that state, "PROHIBITED: OFF-LEASH PETS." I issued (b) (6), (b) (7)(C) a verbal warning for having her pet off-leash and I released her on-scene. I cleared at approx. 0820 hrs.

On 01/21/2010 at approx. 2039 hours, Ranger Yost and I were on patrol in Fort Baker when Ranger Yost saw (b) (6), (b) (7)(C) and a female companion walking with a dog nearby that was unrestrained without any leash and running around. When we stopped to talk to them, (b) (6), (b) (7)(C) immediately leashed the dog. (b) (6), (b) (7)(C) said he had just come from Battery Yates where he said the sign said dogs could be under voice control. I told him that there were no off-leash areas in Fort Baker. (b) (6), (b) (7)(C) walked us over to the sign along a roped off area on top of Battery Yates. The sign states the area behind the ropes is sensitive habitat for the Mission Blue Butterfly. At the bottom of the sign it states dogs must be on leash or under control at all times. We passed another sign at the base of the stairs leading up to Battery Yates that had an icon on it indicating pets must be leashed. I told (b) (6), (b) (7)(C) that the sign could be worded better, but that it did not state dogs could be under voice control. Furthermore, the sign indicated the area was not to be entered for habitat preservation, which would require dogs to be on leash so as not to enter the area. I reiterated that there are no off-leash areas in Fort Baker, and signs throughout Fort Baker state pets must be on a leash. We went on to discuss the current state of the park's overall dog policy, and I gave him a map showing him where dogs are currently allowed to be off-leash in other areas of the park. He provided me with his (b) (6), (b) (7)(C) DL. He was clear of wants or warrants or any previous contacts with law enforcement according to a computer check by park dispatch. I verbally warned (b) (6), (b) (7)(C) for the violation. Clear, 2055 hours.

On Saturday, January 22, 2011, I was on uniformed foot patrol at Mori Point. At about 1450 hours, I saw two women with two unrestrained dogs begin to climb the Bootlegger Steps. The dogs were running across vegetation on both sides of the steps. I descended the steps and asked the owner of the dogs to leash them. One woman, later identified verbally as clear and valid (b) (6), (b) (7)(C) driver (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) (formerly (b) (6), (b) (7)(C) (b) (6), (b) (7)(C)), said she was taking care of the dogs for a friend and leashed them up. I asked how the two women how they had arrived at the steps. They said they had entered the park via the Seawall, a route marked by two regulatory signs indicating pets must be leashed. I issued (b) (6), (b) (7)(C) violation notice #2864311 for 36 CFR 2.15(a)(2), failing to restrain a pet, with a total collateral of \$100. I explained (b) (6), (b) (7)(C) rights and responsibilities concerning the violation notice to her and asked whether she had any questions. She did not and signed the notice. During my contact with (b) (6), (b) (7)(C) a man with an unrestrained black and white Doberman-type dog passed us going up the steps. I told the man to leash his dog and meet me at the top of the steps. I did not re-contact that man during my patrol at Mori Point, clearing the area at about 1600 hours.

	On Saturday, January 22, 2011, at about 1330 hours, I began a uniformed foot patrol at Mori Point. Using binoculars as I was descending the Coastal Trail from Mori Point, I saw two women, one carrying what appeared to be two cloth bags and the other in a light green jacket, enter the park via the Upper Mori Point Trail. Two small dogs, running unrestrained up and down the trail and across vegetation lining the trail, appeared to be associated with the women. I saw the women continue west along the boardwalk, stopping briefly and bending down as they met two men with paraglider packs walking east. The paragliders had been around Mori Point earlier as I made multiple pet contacts. I met the women, now with leashed dogs, just east of the boardwalk's western edge by the Seawall. I told the women I would not be writing them a ticket, as their dogs were now leashed, but wanted some identification as I wanted to document the earlier violation I had witnessed through my binoculars. The woman with the cloth bags immediately responded in a loud, angry voice, questioning my observation and authority, stating her husband made large donations to the park and she was an active park volunteer, asking why I wasn't checking on kids drinking and using drugs, or pursuing dangerous dogs on the Seawall.												94 INVESTIGATOR NOTIFIED

	<p>She refused to provide me any identifying information and began to walk off toward the Seawall. She wanted my name and I said I would give her my card, but that I needed to get her information also. She wanted to know why I had stopped to bother the older woman walking ahead of them, her friend's mother. I said I greet everyone on the trail, but that the woman had replied "no speak English". As I am multilingual, I asked the woman what language she spoke. When she said "Russian", I had repeated my greeting in Russian and then bade her farewell in Russian as I continued to make my way toward the pet contact. The woman with the cloth bags continued to walk toward the Seawall, meeting up with the older woman and continuing to complain loudly and angrily.</p> <p>Her companion, the woman in the light green jacket, was also verbally loud and angry, but gave me her name and date of birth. She took the business card I pulled from my badge case and then walked off to join the other two women. I heard the woman with the cloth bags continue to speak loudly and point in my direction, while passing various groups of visitors along the Seawall.</p> <p>As the communications center was busy with a body recovery and mass demonstrations, I chose to end the contact and continued east on the boardwalk to return to my vehicle at the Fairway trailhead.</p> <p>As I was about to turn north on the Pollywog Trail, I saw the woman in the light green jacket, later identified as clear and valid (b) (6), (b) (7)(C) driver (b) (6), (b) (7)(C) (b) (6), (b) (7) come up behind me to go east on the main Mori Point Trail. She was alone, so I asked whether she had lost her group. She said no, but that she had lost her mood. While walking off, she asked whether I had a camera in my binoculars and stated she would be writing an article in the newspaper.</p> <p>I expedited my return to the parked law enforcement vehicle at the end of Fairway and drove to the Moose Lodge trailhead. I saw (b) (6), (b) (7) enter and exit in a (b) (6), (b) (7) sedan with clear and valid (b) (6), (b) (7)(C) plate (b) (6), (b) (7)(C) (b) (6), (b) (7) is listed as the registered owner in the database entry for that plate. I cleared Mori Point at about 1600 hours.</p>

On January 24th, 2011 at 1032 hours I responded to the area of Ocean Beach at Stairwell #26 where I saw a female adult, later identified through a computer check as (b) (6), (b) (7)(C) walking four small small dogs off leash on the beach near the tide line. I asked Fabiani to put the dogs on a leash and she complied, using four (4) separate leashes in the process. A USPP dispatch check on (b) (6), (b) (7)(C) indicated that she had never been warned about leash laws at Ocean Beach so I subsequently gave her a verbal warning about the previously unleashed dogs under her control and she took the dogs off the beach. I cleared at 1050 hours.

29. DETAILS OF INCIDENT

On 01/25/2011 at approximately 1512 hours, park communications dispatched me to a dog bite that occurred on Ocean Beach stairwell 7. I was parked in the main lot of Ocean beach and responded immediately to the stairwell 7. Once I arrived on the beach I was flagged down by a the friend of one of the subjects whose dog was bitten by another dog. I finally made contact with the owner of the bitten dog later identified as (b) (6), (b) (7)(C) I took a look at her dog (b) (6), (b) (7)(C) who had a inch to an inch and half gash on its head near the left eye socket. The other owner, identified as (b) (6), (b) (7)(C) admitted that his dog (b) (6), (b) (7)(C) did in fact bite (b) (6), (b) (7)(C) but the animals were initially just smelling each other. The attack happened so quickly and (b) (6), (b) (7)(C) stated he had a hard time getting his dog off (b) (6), (b) (7)(C) dog. Both parties advised that their dogs were off leash and the dogs were initially friendly. When I arrived, both animals were leashed. I informed both parties that they needed to exchange information and told (b) (6), (b) (7)(C) she needed to take her pet into the vet to get her checked out. (b) (6), (b) (7)(C) exchanged information and I obtained a case number for dog bite.

I cleared at 1535 hours.

Initially, I observed the dog defecate on the sand approximately 50 yards south of (b) (6), (b) (7)(C) who was still walking north bound on the beach with her daughter. I kept the dog in view as it ran north bound. I quickly exited my patrol car, placed a stick in the sand as marker and waited till the dog found its owner. Once I noticed the dog run toward (b) (6), (b) (7)(C) I made contact and informed her the area was a wildlife closure and pets needed to be on leash. I also advised her the dog defecated on the beach. (b) (6), (b) (7)(C) stated she did not know the dog defecated and was sorry. I requested her identification and had her leash the dog. I instructed that she needed to remove the feces from the beach and that I was issuing her a citation for failing to leash pet. A computer check returned clear and I issued one cite for failing to leash pet. (b) (6), (b) (7)(C) later walked to the stick in the sand and removed the feces. 	On 1/26/2011 at 1405 hours I investigated a Dog Attack on another Dog at Fort Funston. Complainant/Victim (b) (6), (b) (7)(C) reported in person to me at Funston Rgr. Station that a white female with several dogs off leash who drives a white (b) (6), (b) (7)(C) van bearing (b) (6), (b) (7)(C) plate (b) (6), (b) (7)(C) was near the parking lot when 2-3 small brownish colored mixed breed dogs in her care charged at his 2 dogs with teeth bared and bit-grabbed hold of his dogs. (b) (6), (b) (7)(C) stated he feared for the safety of his dogs even though no injury or Vet care was needed and he wanted a complaint filed. (b) (6), (b) (7)(C) showed me the unoccupied white Ford van (described above). (b) (6), (b) (7)(C) stated he and other dog walkers have had previous encounters with vicious dogs owned by this woman and that the woman always loudly and vehemently denies her dogs cause any problems. At approx. 1530 I observed a (b) (6), (b) (7)(C) with eight dogs off leash behind the (b) (6), (b) (7)(C) van. I identified the (b) (6), (b) (7)(C) as (b) (6), (b) (7)(C) DL. As I talked to (b) (6), (b) (7)(C) she loudly and vehemently denied her dogs were involved in any attack upon other dogs.

SUMMARY: On 01/28/2011 at approximately 1230 hours GGNRA Communications received a report from professional dog walker (b) (6), (b) (7)(C) regarding "Being Bullied" by professional dog walker (b) (6), (b) (7)(C). I arrived on scene and made contact with the reporting party (b) (6), (b) (7)(C) who stated that he felt "Intimidated and bullied" by (b) (6), (b) (7)(C). I then contacted (b) (6), (b) (7)(C) who stated that (b) (6), (b) (7)(C) had "Yelled at me when I was calling my dogs and called me profanities". I advised both (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) to remain professional and courtesy to one another. Both soon left the area without incident. Another park visitor then waved me down and stated that (b) (6), (b) (7)(C) had "Verbally assaulted him and acted aggressively on two separate occasions." I advised the visitor to contact GGNRA Communications in the future.

I was clear at approximately 1330.

On February 1, 2011 at approximately 1220 hours, I was driving on Bunker Road near the old Rifle Range when I noticed a white male with a large brown dog walking west on the Rodeo Valley Trail. Dogs are not permitted on that trail. I parked my vehicle and walked to the Rodeo Valley Trail, then walked east until I intercepted them. The male identified himself as (b) (6), (b) (7)(C) and produced a driver's license out of the state of (b) (6), (b) (7)(C) said that he still resided in (b) (6), (b) (7)(C) but was temporarily staying in (b) (6), (b) (7)(C). I advised him that dogs were not permitted on the Rodeo Valley Trail and advised him that it was signed accordingly. (b) (6), (b) (7)(C) said that he saw the signs but that he was looking for another trail in the area. I issued United States District Court Violation Notice #2533777 to him for violation of 36CFR2.15(a)(1) Having a Pet in an Unauthorized Area. I then advised him to leave the trail. I cleared at approximately 1235 hours.

SUMMARY

On February 1, 2011 at approximately 1940 hours, while patrolling westbound on Bunker Road in Fort Baker, I saw a flashlight illuminated in an off trail area and a large dog running off leash towards the roadway.

I observed a silver (b) (6), (b) (7)(C) station wagon with one occupant and a large dog in the back seat. I followed the (b) (6), (b) (7)(C) bearing (b) (6), (b) (7)(C) license plate (b) (6), (b) (7)(C) and contacted the driver, who I identified as (b) (6), (b) (7)(C) by his California identification card.

(b) (6), (b) (7)(C) said he was walking his dog off leash and there was marijuana in his vehicle. National Park Service dispatch informed me (b) (6), (b) (7)(C) driver's license has been expired since 2006.

I searched (b) (6), (b) (7)(C) and found a glass pipe used for smoking hashish in his left jacket pocket. In the center console of (b) (6), (b) (7)(C) vehicle I found a burnt, partial marijuana cigarette weighing 0.4 grams and an unburnt marijuana cigarette weighing 1.1 grams.

I issued (b) (6), (b) (7)(C) a Violation Notice for possession of a controlled substance and for driving without a license. I explained the citations to (b) (6), (b) (7)(C) and he signed both citations, indicating he understood.

(b) (6), (b) (7)(C) was released at the scene and was instructed to leave his (b) (6), (b) (7)(C) in the lot.

Supplemental report attached.

7 RESULTS OF INVESTIGATION

On February 1, 2011 at approximately 1940 hours, while patrolling westbound on Bunker Road in Fort Baker, I saw a flashlight illuminated in an off trail area and a large dog running off leash towards the roadway. This is an known illegal camping area.

I observed a silver (b) (6), (b) (7)(C) station wagon with one occupant and a large dog in the back seat. I followed the (b) (6), (b) (7)(C) bearing (b) (6), (b) (7)(C) license plate (b) (6), (b) (7)(C) and activated my emergency lights near the parking lot at the east end of the Baker Barry Tunnel. The vehicle pulled into the parking lot but did not stop. I activated my air horn and the vehicle slowed but did not stop. The vehicle finally stopped in a parking space facing west.

I contacted the driver and immediately smelled burnt marijuana coming from the passenger compartment. I identified the driver as (b) (6), (b) (7)(C) by his (b) (6), (b) (7)(C) identification card. (b) (6), (b) (7)(C) said he was walking his dog off leash and there was marijuana in his vehicle. National Park Service dispatch informed me (b) (6), (b) (7)(C) driver's license has been expired since 2006.

Ranger Bruce Phillips arrived on scene.

I detained (b) (6), (b) (7)(C) in handcuffs behind his back, checking for proper fit of the cuffs and double locking them. I searched (b) (6), (b) (7)(C) and found a glass pipe in his left jacket pocket. I asked (b) (6), (b) (7)(C) what he smoked from the pipe and he responded, "hash." (b) (6), (b) (7)(C) told me there was a partially smoked marijuana cigarette and a marijuana cigarette in his center console.

(b) (6), (b) (7)(C) large dog was secured in the back of my patrol vehicle and (b) (6), (b) (7)(C) was secured in the back of Ranger Phillips' patrol vehicle.

In the center console of (b) (6), (b) (7)(C) vehicle I found a burnt, partial marijuana cigarette weighing 0.4 grams and an unburnt marijuana cigarette weighing 1.1 grams. There were trace amounts of dried marijuana leaves in the center console and multiple air fresheners and sprays throughout the vehicle.

Ranger (b) (6), (b) (7)(C) Maples and Supervisory Ranger Pat Norton arrived on scene.

I issued (b) (6), (b) (7)(C) a Violation Notice for 36 CFR 2.35(b)(2) possession of a controlled substance (citation number P 0620178), and for 36 CFR 4.12 California Vehicle Code 12500(a) driving without a license (citation number P 0620179). I explained the citations to (b) (6), (b) (7)(C) and he signed both citations, indicating he understood.

I told (b) (6), (b) (7)(C) it was illegal for him to operate his vehicle. (b) (6), (b) (7)(C) and his dog left the scene on foot.

	On 02/05/11 at approximately 1306 hrs., I observed (b) (6), (b) (7)(C) walking his small dog off leash on the Tennessee Valley fire road near the beach. On 02/06/2011 at approximately 1457 hours I was on uniformed patrol in a marked patrol vehicle on Tennessee Valley Trail near the intersection with Haypress Camp Trail when I observed an individual, later identified as (b) (6), (b) (7)(C) walking with a leashed dog. Pets are not allowed on Tennessee Valley Trail and the trailhead, where I observed (b) (6), (b) (7)(C) start her walk, is clearly marked with regulatory signage indicating "NO PETS". I ran (b) (6), (b) (7)(C) through GGNRA dispatch by DL. During the contact, (b) (6), (b) (7)(C) appeared to be agitated and upset when I asked her to provide personal information required for the completion of the Violation Notice. She also complained that my vehicles engine was left running during the contact and stated in a confrontational manner that I had done more environmental damage than she had. At the end of my contact with (b) (6), (b) (7)(C) called me "a jerk". I issued (b) (6), (b) (7)(C) a Violation Notice for 36 CFR 2.15(a)(1) for possession of a pet in a closed area. Clear at approximately 1520 hours.

	<p>On 02/07/2011 at 1720 hours I observed several dogs off leash on the Great Meadow of FT Mason. I walked towards the bathrooms and several people with off-leash dogs put their dogs on leash, except one white male adult described above. He saw me and ran NE away from me towards the statue. His dog, a small brownish colored dog ran the opposite way from the man, towards Safeway. The man began loudly calling his dog but the dog ignored him. I walked towards the man as he reversed direction and ran after his dog, still yelling with the dog not responding. I asked the man to leash his dog and he asked for my Badge number. I told him "568" and asked for his identification and he said he had none. I asked for his name and DOB and he refused to tell me and said was a "service dog." I explained to him the three type of ADA recognized service dogs (hearing, seeing & physical assistance) and asked which his dog performed. The man refused to answer me and said I was harassing him. He continued chasing his dog but was unable to catch then ran down hill towards Laguna Street next to Safeway. Concerned for the dog's safety, I told the man to go control his dog and not to run into the street. The man ran away from me towards Laguna Street and I left the area.</p> <p>Time cleared at 1737 hours.</p>

ORGANIZATION (PARK) NAME U.S. Park Police-SFFO-GGNRA	CASE/INCIDENT NUMBER 0 0 1 8 5 4
LOCATION OF INCIDENT Ft. Mason and Great Meadow	DATE OF INCIDENT MO DA YR 0 2 1 0 1 1
NATURE OF INCIDENT Pets/Leash Law Violation	
COMPLAINANT'S NAME Unidentified	COMPLAINANT'S ADDRESS Unknown

RESULTS OF INVESTIGATION

On Thursday February 10, 2011 at approx. 1353 hours I was on horseback patrol in upper Fort Mason. I was contacted by an unidentified concerned citizen about three dogs off leash in the Great Meadow area of Fort Mason. I rode to that area and I observed three dogs off leash. I approached the subjects and dogs and directed them to leash their dogs. Two of the subjects immediately leashed their dogs. The third subject verbally identified himself as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C). He was visibly upset at my directions; he didn't want to provide me with his information and stated: "why are you targeting us. Every day that I come here; there are 50 or so dogs off leash running around and you don't do your job. If you were here enforcing like you suppose to that wouldn't happen."

I requested for other unit to respond to assist me. K-9 Wu, responded to my location.

When I asked (b) (6), (b) (7)(C) to provide me with his name, he stated he didn't have a middle name. When he opened his wallet to look for his identification card, I noticed a credit card with his middle name (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) did not have his identification card in his wallet. He did have other documents and credit card where I saw his middle name was (b) (6), (b) (7)(C) asked him if his middle name was (b) (6), (b) (7)(C) He said he didn't have one. I told him he was not telling me the whole truth: I knew his middle name was (b) (6), (b) (7)(C) He was visibly surprised and asked me "how do you know?"

I asked (b) (6), (b) (7)(C) if he knew that the area allows dogs on leash, he hesitated and said no. I asked him how many times he comes to the park. He stated every day.

I issued (b) (6), (b) (7)(C) a citation for Pets/Leash Law Violation.

Cleared at 1415 hrs.

SUMMARY:

On February 12th, 2011 at approximately 1549 hours I received a radio call from Park Communications regarding a visitor complaint of a female with five dogs on the Tennessee Valley Trail within Tennessee Valley. Tennessee Valley is closed to pets and this is clearly posted on the gate from the main parking lot. I observed a female (later identified via (b) (6), (b) (7)(C) License as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) with a leashed dog walking towards me. (b) (6), (b) (7)(C) claimed the dog was a service animal but could not provide me with a task the dog performed.

I issued a citation under 36 CFR 2.15(a)(1) for Pet in a Closed Area.

ITEM	7 RESULTS OF INVESTIGATION
	<p>On February 12th, 2011 at approximately 1549 hours I received a radio call from Park Communications regarding a visitor complaint of a female with five dogs on the Tennessee Valley Trail within Tennessee Valley. Upon arriving in the parking lot I was contacted by multiple park visitors informing me that there were several dogs on the main trail coming this way. Tennessee Valley is closed to pets and this is clearly posted on the gate from the main parking lot. Upon entering Tennessee Valley I observed a female (later identified via (b) (6), (b) (7)(C) license as (b) (6), (b) (7)(C) with a leashed dog walking towards me.</p> <p>I contacted (b) (6), (b) (7)(C) and explained that pets were not allowed in Tennessee Valley. (b) (6), (b) (7)(C) stated that her dog was a service dog and was not a pet. I asked (b) (6), (b) (7)(C) what task her dog had been trained to perform and she refused to answer. (b) (6), (b) (7)(C) immediately became agitated, waving her arms and speaking in a raised tone, restating that her dog was not a pet, that it was a service animal. I requested her identification and she refused. I also asked her if she had any documentation showing that her dog was a service dog and she showed me a key chain fob from her pocket that had the words "California Assistance Dog" written on it. After asking again what task the dog was trained to perform, she stated that her dog was to help her with depression.</p> <p>(Under the Americans with Disabilities Act, Section 36.104, in order to be considered a service dog the animal must be individually trained to perform a task or function that the individual with a disability cannot perform him or herself. The ADA does not recognize a dog providing emotional support as a trained task or function).</p> <p>(b) (6), (b) (7)(C) continued to act agitated, yelling that I must hate dogs and that this area is an asphalt road and should not be closed to pets. I told her that I had a dog, and after asking again, (b) (6), (b) (7)(C) provided me with her identification, a (b) (6), (b) (7)(C) license. (b) (6), (b) (7)(C) then requested my badge number and name.</p> <p>I issued a citation under 36 CFR 2.15(a)(1) for Pet in a Closed Area and informed (b) (6), (b) (7)(C) of the procedures for paying the fine and her right to request a hearing if she chose to do so. I also provided her with my name and badge number. I asked her if she had any questions for me, and she stated that she did not. (b) (6), (b) (7)(C) began walking off and I reminded her not to forget her keys and license. I returned these items to her, then cleared my contact with (b) (6), (b) (7)(C) and resumed my patrol.</p>

On Sunday February 13, 2011 at approximately 1500 hours, I was patrolling Ocean Beach in the area of Stairwell #28, when I noticed a (b) (6), (b) (7)(C) female adult walking from the south with a small white dog that was not leashed. Pets are required to be leashed on that portion of the beach because it is a wildlife protection area. The woman identified herself as (b) (6), (b) (7)(C) of (b) (6), (b) (7)(C) and said that she did not know that pets had to be leashed in that area. I explained the law to her and ran a computer check on her driver's license. She had no warrants and was not in the local file, so I wrote her a written warning notice for violation of 36CFR7.97(d) Pets Unrestrained in Snowy Plover Protection Area. I advised her that if she was contacted again that she would be cited. I cleared at approximately 1610 hours.

At approximately 1515 hrs, February 13, 2011, Ranger Swift and I were on foot patrol on Ocean Beach going southbound approaching Judah St. I observed Ms. (b)(6), (b)(7)(C) walking northbound with a small white dog, off leash, at the water's edge. Dogs are required to be leashed on this section of the beach due to the presence of threatened bird species. Information to this effect is posted on signs at numerous locations. I contacted Ms. (b)(6), (b)(7)(C) on the beach north of Judah St. and requested she leash her dog. Ms. (b)(6), (b)(7)(C) complied. Ms. (b)(6), (b)(7)(C) said she did not observe the signage and was unaware of the regulations regarding dogs on this section of Ocean Beach. Ms. (b)(6), (b)(7)(C) was informed of the pet regulations on Ocean Beach and issued a National Park Service Warning Notice for Unleashed Dog in the Wildlife Protection Area. Ms. (b)(6), (b)(7)(C) checked clear for wants and warrants and was then released.

	On Tuesday, February 15 th , 2011 I was parked in the East Beach parking lot near the promenade. At approximately 1515 hours, I observed a brownish colored dog running around the promenade near me with no owner in sight. The dog stopped in the grassy area between the promenade and the parking spaces in front of two parked vehicles and defecated. There was still no owner in sight. I watched as the dog ran east, and then through some parked cars, before almost being struck by a car pulling into a parking space. The dog made two more circuits before I observed a white female adult get out of a gold colored SUV and open the back left door to let the dog in. I contacted the female, asked for her ID and then escorted her back down to the area her dog defecated to clean it up. She was parked approximately 11 parking spaces east of where her dog did its business. I issued Magistrate Violation Notice# 2336432 to the dog owner, identified as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) by (b) (6), (b) (7)(C) license# (b) (6), (b) (7)(C) for violation of 36CFR2.15a2 – failure to leash pets as required.

On 02-18-11, at approx. 0832 hrs., I observed a small sized brown, off-leash dog running unrestrained northbound on Ocean Beach near Noriega St. I also observed an adult female, later identified as **(b) (6), (b) (7)(C)** walking in the same direction as this dog. I contacted **(b) (6), (b) (7)(C)** identified myself as a National Park Service law enforcement officer, and I asked her if she was responsible for this dog. **(b) (6), (b) (7)(C)** said "yes" and I advised her that pets need to be on leash in this area. Upon a dispatch computer check, she returned clear of wants/warrants with no local file contacts. There are clearly posted and visible signs at the Ocean Beach/Great Highway pedestrian crosswalks in this area that state, "PROHIBITED: OFF-LEASH PETS." I issued **(b) (6), (b) (7)(C)** a verbal warning for having her pet off-leash and I released her on-scene. I cleared at approx. 0845 hrs.

Form fields including Organization Code (8140), System Area (Golden Gate National Recreation Area), Location Code (1200), Incident Number (002259), Incident Location (Rodeo Beach - Marin Headlands), Offense (Pets- Disturb Wildlife), Suspect Information (Simcoe Owen M., Fort Mason 201, San Francisco CA, 94123), Arrested Suspect Information (Redacted), Vehicle Information, and Arrest Details (Arrested 2/19/11, Charge 36 CFR 2.2(a)(2)).

While in Building 1056 at Fort Cronkhite across from Rodeo Beach on February 19, 2011 at 1450 hours, I observed a dog running along the west side of Rodeo Lagoon. The area is clearly marked that dogs are not to enter the lagoon or disturb wildlife (see photos). I observed the dog cause shore birds to take flight on two occasions and swim into the lagoon in the direction of two mallard ducks who also took flight. The dog ran approximately 100 yards back and forth along the shore in the direction of birds. The North side of the beach was washed out due to rain so that the only way for a person to walk to the beach is over a boardwalk with posted signs stating that dogs are not to disturb the wildlife of swim in the lagoon (See left and right side of picture below). I did not see anyone in the vicinity of the dog. I walked onto the beach and observed a white male (later identified by (b) (6), (b) (7)(C)) leashing the dog. I contacted (b) (6), (b) (7)(C) who stated he was the owner of the dog. (b) (6), (b) (7)(C) had been walking approximately 60 yards from the shore of the lagoon and out of sight of the dog. I informed (b) (6), (b) (7)(C) of the situation and issued him citation 2334709 for 36 CFR 2/2(a)(2) Disturbing Wildlife. I informed (b) (6), (b) (7)(C) of methods of payment or appearing in court and cleared the scene. See supplemental for photos.

On February 22, 2011, at approximately 1251 hrs, I responded to Ft Funston for a reported dog on the cliff. I arrived to Ft Funston at approximately 1306 hrs and met with Park Police Officer Pat Smith who was standing on the cliff edge approximately 200 yards north of the north sand ladder; in an area referred to as the Bank Swallow site. The Bank Swallow site is a closed area and has a steel core cable fence around its perimeter. I observed approximately 15' below Officer Smith a charcoal colored medium sized Boxer. I observed the dog could neither ascend nor descend from its location on the cliff. I radioed dispatch to have the San Francisco Fire Department (SFFD) respond to conduct the rescue of the dog. I also advised dispatch of the need for SFFD to respond with a picket system due to the lack of any adequate anchor in the area and no possibility of driving to the site with a 4 wheel drive. At approximately 1338 hrs, Park Rangers John Craig and Marybeth McFarland, as well as SFFD units 8, 18 and 19 arrived on scene. SFFD set up a picket system and the SFFD climber was over the edge at approximately 1424 hrs. The SFFD climber was back to the top of the cliff with the dog at approximately 1426 hrs. The dog was then reunited with its owner (identified as (b) (6), (b) (7)(C)) at the top of the cliff.

Officer Smith spoke with (b) (6), (b) (7)(C) during the rescue. Officer Smith relayed to me that (b) (6), (b) (7)(C) was walking with his dog (off leash) along the cliff edge when the dog went off the cliff edge due to it being attracted to another dog on the Funston beach several hundred feet below. (b) (6), (b) (7)(C) was issued violation #2534292 for 36 CFR 2.35 (b)(2).

The event was reported to dispatch by a park visitor (not identified) who observed the dog on the cliff and called dispatch at approximately 1245 hrs. All units were clear at approximately 1500 hrs

I made contact with the subject later identified as (b) (6), (b) (7)(C) and asked her to leash her pet in the zone. I asked if she lived in the area. She stated they just move to San Francisco not too long ago. I told her that I was contacting her because the area she and her unleashed dog were in, was a protected zone July 1-May 15 of each year. With her dog now on leash, I obtained her identification and asked if she had been contacted for failing to leash her pet. She stated she had not. A computer check from communications did confirm she had not been contacted by a law enforcement officer. I informed her that her dog needed to be on leash within the zone from stairwell 21 south to Sloat avenue during the time frame mentioned. North of stairwell 21 and south of Sloat she could have her dog off leash 24 hours a day 365 days a year. I then asked if she had any questions. She replied, "No." I cleared with a verbal warning for failing to leash pet in a wildlife protection zone.

<p>On March 8, 2011 at approximately 1100 hrs I was dispatched to a dog complaint. Dispatch received a complaint of a woman parked at the hanglider building at Fort Funston that allows her dog to dig holes. The report was that the woman was in a blue (b) (6), (b) (7)(C) with a license plate that started with (b) (6). I responded to the area and made contact with the woman in a vehicle matching the description given. She was sitting in the driver's seat with her driver's window was down about 2". I asked her where her dog was and she said over the hill (not visible). I asked her to demonstrate to me that her dog was under voice control. She said she had to get out of her vehicle. I told her she needed to demonstrate it from her current position. She said she had to roll down the window. She rolled the window down. The dog was now visible and about 40-50 feet away. She called to her dog; it looked up and immediately went back to digging and went back over the hill.</p>

5 NATURE OF INCIDENT Pet -	6 RECLASSIFICATION OF INCIDENT
-------------------------------	--------------------------------

ITEM 7 RESULTS OF INVESTIGATION

(b) (6), (b) (7)(C) was unable to demonstrate her dog was under voice control. I identified the woman as (b) (6), (b) (7)(C) by her DL (b) (6), (b) (7)(C). I issued (b) (6), (b) (7)(C) citation K114183 for 36 CFR 2.15(a)(2) Failure to Restrain Pet.

(b) (6), (b) (7)(C) said she filled in the holes her dog created. I told (b) (6), (b) (7)(C) that just because Fort Funston was an off leash area it does not mean that her dog is allowed to do anything it wants. I explained to her that the holes were a resource violation.

I also asked (b) (6), (b) (7)(C) how she was able to pick up her pet excrement when her pet was not visible. (b) (6), (b) (7)(C) said every day she is at Fort Funston she picks up "1 or 2 or 3 bags" regardless of what pet created them. I did not see any used bags visible in her car.

(b) (6), (b) (7)(C) said that she was never going to return to Fort Funston and I told her that was her right.

When she signed the citation she wrote "This is ridiculous" under the signature line and then signed it.

On March 9, 2011, at approximately 0803 hrs, while on foot patrol of Ocean Beach near Judah, I observed an individual walking on the beach with two unleashed dogs. Dogs must be leashed on Ocean Beach due to the presence of Snowy Plovers; a species on the Endangered Species List. I approached the individual, later identified as (b) (6), (b) (7)(C) and he immediately leashed his unleashed dogs. (b) (6), (b) (7)(C) indicated he was not aware of the Snowy Plover closure. On March 10, 2011 at approximately 1715 hours I was contacted by park dispatch regarding a man that wanted to file a report regarding an aggressive dog encounter. The report was forwarded to me at the request of Supervisory Ranger A Forbes. I contacted (b) (6), (b) (7)(C) and verified he wanted to file a report regarding his encounter with an aggressive dog. (b) (6), (b) (7)(C) stated was returning to the Sheldance nursery trailhead on Sweeney Ridge when a male adult walked by with his brown and white pitbull. As (b) (6), (b) (7)(C) passed by, the dog lunged at (b) (6), (b) (7)(C) in an attempt to bite (b) (6), (b) (7)(C) stated that the owner, described as a white male adult in his mid to late twenties wearing a dark ballcap, did not immediately pull his dog back. (b) (6), (b) (7)(C) was concerned that if the dog came closer he would have bit him so he backed away quickly. He stated that he attempted to talk to the owner but the man ran up the ridge with the dog. (b) (6), (b) (7)(C) provided a description of the dog, its owner and the last seen location shortly after the incident. I verified that (b) (6), (b) (7)(C) did not receive a bite during the incident advised him that we would be searching the area for the individual he described. (b) (6), (b) (7)(C) stated that he would contact Law Enforcement in the future if he saw the dog or owner again.

On March 16, 2011 at approximately 1657 hours, I was on vehicle patrol in the Fort Baker area, checking the Travis Marina area, when an unleashed dog went dashing in front of my patrol car, making me brake hard to avoid driving into it. I immediately stopped and searched for an owner, which I didn't see anyone around the area. I got out of my car and another dog came up to me, then a third dog came and finally down at the end of the Jetty, a white male adult (later identified as (b) (6), (b) (7)(C)) came walking my way. I introduced myself and explained I almost hit his unleashed dog and that the area was a leash area and if he had leashed for his now 5 unleashed dogs. He said they were in his car and normally his dogs didn't run away, but there was a poodle that his one dog ran to. I asked for identification, which he gave me a (b) (6), (b) (7)(C) ID card. Park Dispatch ran a computer check on his vehicle (b) (6), (b) (7)(C) and ID card, which returned negative for any wants/warrants, current registration on the vehicle and (b) (6), (b) (7)(C) was a (b) (6), (b) (7)(C) with a suspended/revoked License. I asked (b) (6), (b) (7)(C) how he traveled to the park and he said his brother drove. I asked where his brother was, he said at the end of the Jetty. We picked up the leashes and placed all the dogs on leash and met with his brother (b) (6), (b) (7)(C) (b) (6), (b) (7)(C). I explained why I was there and asked for identification, which he gave me a (b) (6), (b) (7)(C) License. Park Dispatch ran a computer check, which returned negative for wants/warrants and valid license. I gave the (b) (6), (b) (7)(C) a verbal warning in violation of 36 CFR 2.15(a) (2) for Pets-failure to restrain. Cleared at approximately 1711 hours.

SUMMARY: On the above date and time, I was dispatched to Fort Funston for a reported dog bite. Upon arrival, I observed a white female, later identified by (b) (6), (b) (7)(C) seated on the ground with a bite wound to her lower right leg. The incident occurred on the main trail about one half mile north of the Funston parking area.

(b) (6), (b) (7)(C) attempted to separate the dogs and in the course of such, was bitten by one of the dogs. It was not determined which dog bit her. I spoke to (b) (6), (b) (7)(C) who related the same details of the event. I summoned SF Fire/EMS and Medics arrived at approximately 1900 hours and treated (b) (6), (b) (7)(C) injuries. On Saturday, March 26, 2011 at about 1255 hours, I watched a lone female follow her unrestrained brown and white Chihuahua-type dog up the Bootlegger Stairs at Mori Point. She said she had entered the park from the Seawall, a route that is marked by two regulatory signs indicating dogs must be leashed. I asked the woman who identified herself verbally as (b) (6), (b) (7)(C) to leash the dog and she complied.

A check of the computer database showed no record under that name and birthday for either (b) (6), (b) (7)(C) the woman's most recent states of residence. The woman corrected her name to (b) (6), (b) (7)(C) but still no record appeared. She corrected her birthday to (b) (6), (b) (7)(C) but only a record for a (b) (6), (b) (7)(C) appeared. The woman admitted her surname was spelled with an "e" and the physical description given for that clear and valid (b) (6), (b) (7)(C) operator license matched her. She then corrected her address on (b) (6), (b) (7)(C) also.

Although (b) (6), (b) (7)(C) originally told me she never received a violation notice from the National Park Service, a check of the local database, she had been cited at Mori Point in 2010. *showed*

CONTINUATION:

(b) (6), (b) (7)(C) told me her previous ticket was why she initially lied in identifying herself to me. I warned her about providing false information to law enforcement officers and told her I could issue an additional violation notice to her for that.

I issued (b) (6), (b) (7)(C) violation notice #2864313 for failing to restrain her pet at all times, 36 CFR 2.15(a)(2), with a total collateral of \$125 for a second offense. I explained her rights and responsibilities concerning the notice to her and asked whether she had any questions. She said no and signed the notice. (b) (6), (b) (7)(C) then said I had more business, pointing down the Bootlegger Stairs where two women with two unrestrained dogs were ascending.

After breaking contact with (b) (6), (b) (7)(C) at about 1310 hours, I met the two women, accompanied by a black and white Border Collie type dog and small black Spaniel type dog at the top of the stairs. The women said they had come up the Coastal Trail, a route marked by at least one regulatory sign indicating dogs must be leashed. I asked the owner of the dogs to leash them and a woman verbally identified as clear and valid (b) (6), (b) (7)(C) operator (b) (6), (b) (7)(C) leashed the Border Collie type dog. She said she did not have another leash, but would carry her smaller dog out. I advised her she should carry a leash for each dog, even when she was in the park's "voice control" areas. I issued (b) (6), (b) (7)(C) violation notice #2864314 for failing to restrain her pet at all times, 36 CFR 2.15(a)(2), with a total collateral of \$100 for a first offense. I explained her rights and responsibilities concerning the notice to her and asked whether she had any questions. (b) (6), (b) (7)(C) said no and signed the notice.

SUMMARY:

On 03/26/2011 at approximately 1400 hours while on foot patrol of the Crissy Field Wildlife Protection area, I observed a white male adult later identified as **(b) (6), (b) (7)(C)** walking with an unleashed medium sized dog along the water line. I contacted **(b) (6), (b) (7)(C)** and asked if he was aware of the regulations regarding pets. **(b) (6), (b) (7)(C)** stated that it was his first day in the area. **(b) (6), (b) (7)(C)** was compliant and immediately leashed his pet as I explained the regulation and reason for protecting park wildlife.

I issued **(b) (6), (b) (7)(C)** a verbal warning for 36 CFR 7.97 (d)(i) Pet Off Leash in the Crissy Field Wildlife Protection Area.

I was clear at approximately 1430 hours

On March 30, 2011 at approximately 1235 hours, I was patrolling the area of Tennessee Valley when I observed two males walking on the Tennessee Valley Trail towards the parking area with a medium sized mix breed dog. The main trail that the males were walking on is closed to pets and the parking area that they approached required their pet to be on leash. The dog and its owners continued into the Tennessee Valley Parking area where I contacted them regarding the pet violations. I identified the owners **(b) (6), (b) (7)(C)** by the driver licenses they provided. I verified they dog was not a service dog. Both men stated that they were new dog owners that were not aware that dogs were prohibited on the Tennessee Valley Trail. I informed them of the regulations and requested that they leash their dog while in the parking area. Both owners complied with me during the contact and I informed them of the areas where the dog could be walked. I cleared from the contact with a verbal warning for failing to leash their dog in a parking area and for having their dog in an area closed to dogs.

SUMMARY:

On 03/30/2011 at approximately 1431 hours GGNRA received a second hand report/complaint from an unknown park visitor of a bicyclist in a closed area with two unleashed dogs on the Coastal Trail. I responded to the Muir Beach parking lot and scanned the trail area along the hillside to observe any violations with negative results. Momentarily a bicyclist with one dog entered the parking lot from the Muir Beach area. I made contact with him and asked how his ride was to determine his recent location. He advised me that he had gone for a ride on his bike while his wife with newborn and pet walked along side him on the fire road. They then came to an intersection where an unknown dog walker began to yell at his wife because their dog was off leash. The dog walker continued to yell at them so much so that they returned to the parking lot so that the baby could sleep. I then advised him of the regulations, gave him several maps showing current areas opened to pets, and requested his identification which he provided. He was positively identified as (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) stated he had just moved to the area, was unfamiliar with the regulation, and admitted to having his pet off leash. His wife and baby then arrived to the lot and confirmed his story. I advised (b) (6), (b) (7)(C) that the complaint was about a rider with two pets who may still be on the trail, thanked him for his honesty in admitting he was in violation and returning back to the lot.

I issued (b) (6), (b) (7)(C) a verbal warning for 36 CFR 2.15(a)(2) - Pet off Leash

I was clear at approximately 1500 hours.

(b) (6), (b) (7)(C)

On Wednesday March 30, 2011 at approximately 1420 hours, I was patrolling in the Slide Ranch/Muir Beach area when I noticed a **(b) (6), (b) (7)(C)** Female with a dog, off leash walking on the Owl Trail. I contacted her and she identified herself as **(b) (6), (b) (7)(C)** of Oakland. Parker said that she was just exercising her dog a bit after the long ride over from **(b) (6), (b) (7)(C)**. I advised her that her dog had to be on a leash while on the trail, but that she could have the dog off leash on Muir Beach. **(b) (6), (b) (7)(C)** leashed the dog and took it back to her car which was parked in a turnout on Highway #1. I cleared at approximately 1440 hours.

99 On 03/31/11 at approximately 1828 hrs., I responded to Fort Funston for a report of a dog stuck on the side of a cliff. I arrived on scene at approximately 1835 hrs., and SFFD E-19, Truck-19, Battalion 8, E-34, Coastal Rescue-01, Rescue-2, and Medic 16 were already on scene looking for the dog and owner. At approximately 1840 hrs., I contacted the owner of the dog, (b) (6), (b) (7)(C). He lead me to his pet who was stuck on the cliff face two hundred yards North of the hang glider deck. At 1845 hrs., SFFD set up their SAR gear to rescue the dog. At 1904 SFFD rescued the dog without incident, and it was returned to the owner. Fort Funston is a voice control area. Your pet is supposed to be under voice control and come back to you when you call for it. I asked (b) (6), (b) (7)(C) how did the dog get stuck? He replied, "It took off running and I tried to call it back, but it did not come back."

100 (b) (6), (b) (7)(C) pet was not under voice control, it did not come back to him when he called it. This allowed the pet to get too close to the cliff edge. The dog then went over the cliff and got stuck. This created a hazardous condition for the dog and fire fighters who had to rescue the pet.
