	<b>SUMMARY:</b> On July 3, 2011, I contacted a park visitor with a pet off leash at Fort Baker.				
	<b>NARRATIVE:</b> On July 3, 2011, I observed a female walking her unleashed dog on the Murray Circle Parade Ground as I approached from Center Road. I pulled my vehicle onto pullout across from the torpedo assembly building and walked out to Ms. <b>(b) (6), (b) (7)(C)</b> and her dog. Ms. <b>(b) (6), (b) (7)(C)</b> called to her dog which responded to the call. Ms. <b>(b) (6), (b) (7)(C)</b> claimed she thought this was a leash optional area and also claimed not to see the posted as "leash-only" on the two entry roads. Once informed, Ms. <b>(b) (6), (b) (7)(C)</b> was compliant and walked her To her vehicle. I checked wants and local file for Ms. <b>(b) (6), (b) (7)(C)</b> and both local and wants checks were negative. I issued a verbal warning and cleared without incident

On 07/03/11 at approximately 1542 hours, I responded to Fort Funston for a dog bite to another dog. Upon arrival, I contacted (b) (6), (b) (7)(C) who walked up to me with an 80 lb. leashed Pit Bull. He stated his dog was involved in a dog attack. At the same time, the owner of the second dog approached us. He was later identified as (b) (6), (b) (7)(C) and was carrying a small black mixed breed 1 yr old dog. According to both parties, the dogs were off leash walking on the Sunset Trail near Battery Davis when the 2 1/2 year old Pit Bull, named (b) (6), (b) (7)(C) went after the black dog named (b) (6), (b) (7)(C) bite (b) (6), (b) (7)(C) in the back of the neck and began to shake his head aggressively. (b) (6), (b) (7)(C) and a witness named (b) (6), (b) (7)(C) began to pull apart the dogs. During that time, (b) (6), (b) (7)(C) was bite by his dog on the right forearm and received some scratches to his right temple and ear. I asked (b) (6), (b) (7)(C) if he wanted medical attention and he replied "No". According to (b) (6), (b) (7)(C) his dog sensed that (b) (6), (b) (7)(C) was not neutered and went after him. The only visible injuries to either dog I saw was to the smaller dog on the top of it's neck. Within a few minutes, (b) (6), (b) (7)(C) stated that the bite marks was starting to hurt. I asked him again if he wanted medical assistance and he agreed this time. I had park communication notify medics. Daly City Fire Department responded and treated (b) (6), (b) (7)(C) on scene. (b) (6), (b) (7)(C) refused to be transported to a hospital for further treatment as requested by the fire department. (b) (6), (b) (7)(C) was cited for 36CFR2.15(a)(2) for Failure to Restrain Dog. Time Cleared: 1615 hours.

<p>On July 4, 2011 at approximately 1634 hrs approximately I was on patrol at Sweeney Ridge in Golden Gate National Recreation Area. I contacted a man with a dog off leash near the top of the ridge on the Mori Ridge Trail. I identified the man by his DL as (b) (6), (b) (7)(C) said he had a book that said that dogs were allowed off leash. I asked (b) (6), (b) (7)(C) to see the book and he opened the book and immediately saw the icon that indicates that dogs are to be leashed. Sweeney Ridge is a leash required area and is signed as such. This information is also available on the park webpage. (b) (6), (b) (7)(C) said he entered Sweeney Ridge from the Notch trail. The Notch Trail is closed to pets however, (b) (6), (b) (7)(C) would have passed a sign on the Mori Ridge trail to indicate if he entered a leash required area from a no pets allowed area. (b) (6), (b) (7)(C) was issued citation #0888823 for 36CFR2.15(a)(2).</p>

	<p>At approximately 1239 hrs, July 6, 2011, I was driving a marked ranger sedan westbound on the Tennessee Valley Trail approaching the cut off road to the NPS stables. I contacted Mr. and Mrs. (b) (6), (b) (7) walking eastbound each with a dog on leash. I explained to Mr. (b) (6), (b) (7) and Mrs. (b) (6), (b) (7) that Tennessee Valley Trail is a wildlife area and pets are not allowed. A sign to this effect is clearly posted at the gate on the west side of parking lot. Mr. (b) (6), (b) (7) said he had parked in the parking lot but did not see the sign. Mr. (b) (6), (b) (7) was issued United States District Court Violation Notice #3045590 for violation of 36 CFR 2.15(a)(1) "Area Closed To Pets". Mr. and Mrs. (b) (6), (b) (7) were then released and directed to return to the parking lot with their dogs. Mr. (b) (6), (b) (7) checked clear for wants and warrants. The (b) (6), (b) (7) were provided with a Marin Headlands trail map and directed to area in the park where dogs are allowed.</p>

	On 07/06/2011 at approximately 1521 hours, a male subject knocked on the door of the Ranger station at Fort Funston to report his dogs stuck on the cliff. The subject stated that his three dogs were located approximately 40 feet down the cliff just north of the hang glider deck. Rangers Cavallaro, Wallet, Wamerdam, Airey Van Diem and myself responded from the station out to the point last seen. All units on scene suited up and assumed roles to effect a cliff rescue. I assumed the role of Incident commander and Warmerdam became the climber. A check of the cliffs edge revealed that two of the dogs were approximately 10 feet from the cliffs edge. The third dog was approximately 40 feet down from the cliffs edge. Other units on scene assumed roles as riggers and edge personnel. Once the rescue was under way, the incident was switched to the Incident Command System. Shortly there after Ranger Goodwin and lifeguards, Scallan, Magnusen, O'conner and Dierks arrived on scene. They fell in line and assumed other roles. Ranger Warmerdam was lowered to one dog and later rescued. In the middle of the rescue, one dog self rescued itself. We then lowered Ranger Warmerdam to the third dog and safely brought them both to a safe place on top.

Once the rescue was completed and all three dogs were safe and leashed, Ranger Goodwin explained to the owner later identified as (b) (6), (b) (7)(C) the severity of creating a hazardous condition by not having voice control of her dogs. He later informed her that she was being cited for 36 CFR 2.34(a)(ii)-creating a hazardous condition. Citation 3046840 was issued to her and all units cleared at 1717 hours.

	SUMMARY:																			
	On Thursday, July 7, 2011 at about 1357 hours, I conducted a uniformed patrol in a marked law enforcement sedan to Kirby Cove. During my patrol, I contacted two dog owners with dogs in campground, one of whom had spent at least one night in the campground. Kirby Cove is closed to pets by the 2010 Superintendent's Compendium under the authority granted by 36 CFR 2.15(a)(1).

ITEM 7 RESULTS OF INVESTIGATION

**ACTION TAKEN:**

When I arrived at the parking area for Kirby Cove campers, I saw three vehicles, all displaying the required dashtags issued to permitted campers. A (b) (6), (b) (7)(C) van with clear and valid (b) (6), (b) (7)(C) registered to a (b) (6), (b) (7)(C) had a person and dog sleeping inside.

I conducted a foot patrol through the campground, finding only site #3 occupied. The party of three males said they had camped the previous night and were permitted to use the day use area that day. They claimed two of the vehicles in the parking area and said the permitholder, their friend (b) (6), (b) (7)(C) was asleep in the van with his dog. I told the group they needed to move into the day use area as checkout time was noon and that night's campers for site #3 might arrive any moment. I also reminded them that the day use area needed to be vacated by 2200 hours and to have a designated driver assigned, as I saw a beer keg in the site. I confirmed the reservations as described by the party with the Marin Headlands Visitor Center via phone.

Returning to the parking area, I met two adult males pushing carts of camping gear down one of the paths into the campground. One of the men, later identified verbally as suspended (b) (6), (b) (7)(C) driver (b) (6), (b) (7)(C) had a black Labrador retriever type dog on a leash. I asked the man whether the dog was his, indicating dogs were prohibited at the campground. He said yes and I asked him to return to the parking area with me. (b) (6), (b) (7)(C) unidentified companion began to complain loudly, asking whether his friend was going to get a ticket, saying they would simply leave, didn't it matter that the dog was leashed, and where were the regulations posted. I told the companion he should continue to set up camp for the night, that the party was welcome to stay, but the dog could not. The companion insisted on accompanying me back up to the parking area and continued to be verbally loud while packing up his vehicle.

Rangers Chad Marin and Ryan Wright arrived to assist, primarily by monitoring the unidentified companion who continued to be verbally agitated about his friend receiving a ticket. The website for campground reservations, a sign at the locked gate and road to enter the campground, and the campground bulletin boards all indicate the prohibition on pets.

I issued (b) (6), (b) (7)(C) violation notice #3046817 for 36 CFR 2.15(a)(1), possession of a pet in a closed area, with a total collateral of \$75. I explained (b) (6), (b) (7)(C) rights and responsibilities concerning the violation notice to him and asked whether he had any questions. He said no and signed the notice. I also provided (b) (6), (b) (7)(C) with verbal notice by a peace officer that his driver's license was suspended, completing a DL-310 form.

After clearing contact with (b) (6), (b) (7)(C) I met with the man previously sleeping in the van, identified by suspended (b) (6), (b) (7)(C) driver's license as (b) (6), (b) (7)(C). His three companions had returned and woken him up during my contact with (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) admitted staying the previous two nights in the campground with his dog, but said he had slept in the van with the dog. I issued (b) (6), (b) (7)(C) violation notice #3046818 for 36 CFR 2.15(a)(1), possession of a pet in a closed area, with a total collateral of \$75. I explained (b) (6), (b) (7)(C) rights and responsibilities concerning the violation notice to him and asked whether he had any questions. He said no and signed the notice. I also provided (b) (6), (b) (7)(C) with verbal notice by a peace officer that his driver's license was suspended, completing a DL-310 form and seizing his driver's license to mail to the Department of Motor Vehicles. Marin confirmed a validly licensed friend was available to drive (b) (6), (b) (7)(C) van to return the dog to his residence.

All units were clear of Kirby Cove by 1515 hours.

ITEM	7 RESULTS OF INVESTIGATION
	I was on patrol of the Fort Mason Great Meadow in a marked patrol car and in uniform on 07/09/11 at 1800 hours. At that time, I clearly saw a white female in a red vest with a pet off leash from a distance of about 150 feet. I was driving the walkway from Battery Blackpoint to Laguna Blvd. I stopped my vehicle and saw the suspect look at my vehicle before attaching the leash to the small white dog.
	Fort Mason is signed at entrances to the parking area and meadow that pets must be on leash. As I got out of my vehicle, the suspect began to walk away from me and towards the parking lot by Building 201. Her walking path also took her directly past a "pets on leash" sign.
	From a distance of about seventy five feet, I yelled, "M'AIM" twice with cupped hands and volume at which any non-hearing impaired person would hear. I then yelled "M'AIM IN THE RED VEST" twice in the same manner. The suspect began talking on a cell phone and continued to walk away as I closed the distance between us. As I walked by another woman, she told me that the suspects name was (b) (6), (b) (7)(C). I yelled "(b) (6), (b) (7)(C)" twice. After the second call, the suspect turned around and said, "I am going to be late for dinner." I then yelled, "I need you to stop."
	The suspect continued to walk away until I closed the distance between us to about six feet. At that time, the suspect said, "What do you want? I am on the phone, and I am going to be late for dinner." I informed her that Fort Mason was an on leash area to which she replied that her dog had been on leash. I asked for her driver's license. She said that she did not have her license, she would not be giving me her name, and that she was leaving. She turned to walk away, and I informed her that if she walked away I would give her a mandatory citation to appear in court for disobeying a lawful order.
	The suspect then turned around and then told me again that she would not give me her name. At this time, I was on the contact alone with an uncooperative and argumentative suspect. I then asked for a second officer to respond to my location. For my officer safety, I told her to sit down. She said that she would not sit down.
	The suspect then provided me her information as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) with a Date of Birth of (b) (6), (b) (7)(C). I ran that information through the Golden Gate Communications Center and matched the suspect to the descriptors of (b) (6), (b) (7)(C) (b) (6), (b) (7)(C). As I began to fill out a citation for pet off leash, (b) (6), (b) (7)(C) continued to berate me about why I did not do real police work.
	(b) (6), (b) (7)(C) did sit down while I was filling out the citation, and I informed dispatch that the suspect was being cooperative. (b) (6), (b) (7)(C) then sprung to her feet saying that she was not sitting down because of me. Ranger Wallat arrived on scene as I issued (b) (6), (b) (7)(C) citation K112118 for Pet Off Leash 36 CFR2.15 (a)(2). I informed her of how to appear in court and cleared the scene.

On July 10, 2011, at approximately 1045 hrs, while on foot patrol at Ocean Beach, I observed an off leash dog in the dunes at Judah. Dogs are required to be on leash in the area due to the presence of the endangered Western Snowy Plover. I observed the dog being accompanied by an individual (later identified by (b) (6), (b) (7)(C) identification as (b) (6), (b) (7)(C), (b) (6), (b) (7)(C) with a leash in his hands. I observed (b) (6), (b) (7)(C) look in my direction, leash his dog, and walk towards me. When (b) (6), (b) (7)(C) reached where I was standing, I asked him if he was aware dogs needed to be on leash in the area. (b) (6), (b) (7)(C) stated "I guess this is that time of year when they have to be on leash". I advised (b) (6), (b) (7)(C) he was correct. Park Dispatch indicated negative local file information for (b) (6), (b) (7)(C) was receptive to my educational message and received a warning for 36 CFR 7.97 (d). Clear at approximately 1055 hrs

(3) DESCRIBE PROPERTY AND ITS VALUE. On Thursday, July 14, 2011 from about 1030 hours to 1135 hours, I conducted a uniformed foot patrol of the Ocean Beach Snowy Plover Protection Area (SPPA) to enforce the seasonal leash law for pets that had gone into effect again on July 1. Prior to my patrol, I checked that all crosswalk and stairwell access points were posted with regulatory signs at that time. I saw one male walking southbound on the beach with an unrestrained black/brown Labrador type dog just north of Taraval. I contacted the man, identified verbally as clear and valid driver, asking him to leash his dog. He had difficulty leashing his dog as it would not come at his verbal command. I issued violation notice #2537503 for failing to restrain his pet as required in the SPPA, 36 CFR 7.97(d)(1)(ii), with a total collateral of \$175. I explained his rights and responsibilities concerning the violation notice and asked whether he had questions. He said no and signed the notice. Immediately after clearing contact with at Taraval, I saw a woman with three unrestrained pets walking south on the beach. Two brown terrier type dogs were dragging leashes attached to their collars and a beige standard poodle type dog was unleashed. The woman, identified verbally as clear and valid driver said she thought the leash law went into effect later. She leashed the poodle and picked up the trailing terrier leashes at my request. I issued violation notice #2537506 for failing to restrain her pets as required in the SPPA, 36 CFR 7.97(d)(1)(ii), with a total collateral of \$175. I explained her rights and responsibilities concerning the violation notice and asked whether she had questions. She said no and signed the notice.

On July 17th, 2011, at approximately 1611 hours, while on uniformed patrol in a marked vehicle on The Miwok Trail, approximately 200 meters from the trail entrance by Building T1111, I observed a female, later identified by her name and date of birth as (b) (6), (b) (7)(C) walking with two dogs. The dogs were not attached to a leash as is required on the Miwok Trail. There is a sign at the beginning of the trail where (b) (6), (b) (7)(C) entered that states pets are required to be on leash. These signs are at all entrances to the trail and where the trail intersects other trails. I introduced myself to (b) (6), (b) (7)(C) and asked her if she had leashes for her two dogs. (b) (6), (b) (7)(C) said she did. I asked (b) (6), (b) (7)(C) to place the dogs on a leash and asked her why she did not have her dogs leashed. (b) (6), (b) (7)(C) stated she did not have them leashed because "there is no one around." I explained to (b) (6), (b) (7)(C) that the law requiring dogs to be leashed is not only for the safety of other visitors, but also for the safety of the dogs, the wildlife and their habitat. I offered (b) (6), (b) (7)(C) some suggestions on locations she could walk her dogs where they are not required to be on leash.

I issued (b) (6), (b) (7)(C) a citation for violation of 36 CFR 2.15(a)(2): Pet not on leash. I cleared at approximately 1620 hours. Case number 11\_008389. Citation number: 3046247. **EXPIRES**

On 07/19/2011 at 1126 hours I was the shift supervisor patrolling as Car 803. While in the area of Baker Beach in my fully marked police cruiser I observed a mixed breed dog colored brown with white feet digging in the dirt/sand off the south side of Gibson Road near the gate to the Presidio Water Plant Building 1773. The dog was wearing a collar with tags attached. I watched the dog for several minutes and when no owner appeared I made contact with it. The dog was friendly, came to me when I called it, and obeyed when I ordered it to sit. Attached to the collar was a 2011 Rabies Vaccination tag (b) (6), (b) (7)(C) From Pets Unlimited, a blue "chip" tag, and a military style dog tag with the name (b) (6), (b) (7)(C) on it with three phone numbers. I was unable to make contact with anyone at the numbers listed so I called SF Animal Control for assistance. SF Animal Control was able to make contact with the owner, later identified by (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) arrived on scene soon thereafter and it was apparent he was the owner as the dog (b) (6), (b) (7)(C) became agitated and jumped at the sight of (b) (6), (b) (7)(C) and the sound of his voice. (b) (6), (b) (7)(C) was compliant and supplied his (b) (6), (b) (7)(C) DL upon request. Desmond stated that he may have outstanding leash law citations so I checked the USPP Local File and found that he had been issued USDC Violation notices in February 2007 in the Crissy Field Wildlife Protection Area and a second in January 2009 on Baker Beach. As this was (b) (6), (b) (7)(C) third violation USDC Violation Notice #K111653 was issued for 36CFR 2.15(a)(2). I made it a mandatory appearance and explained the citation to (b) (6), (b) (7)(C) and he stated he understood and signed the citation. (b) (6), (b) (7)(C) was presented with his copy and I cleared the area.

ITEM 7 RESULTS OF INVESTIGATION

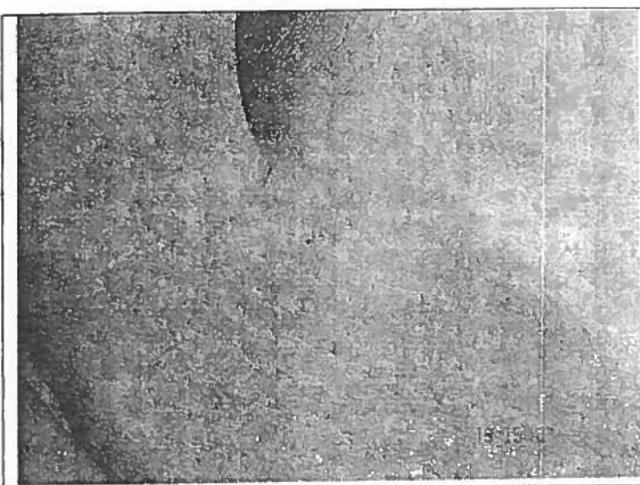

On 07/19/2011 at approximately 1430 hours, a knock on the front door of the Ranger station at Fort Funston occurred. Once I answered the door, I was confronted by three individuals who stated their dog was attacked by another dog near Battery Davis. One subject later identified as (b) (6), (b) (7)(C) stated her dog (b) (6), (b) (7)(C) was the injured dog. Another subject later identified as (b) (6), (b) (7)(C) stated that after the dog attack, the owner of the "black lab mix" began using foul language instigating a verbal confrontation. I asked Mr. (b) (6), (b) (7)(C) if he wanted to press charges against the suspect. He answered "Yes!" I informed the trio that I would meet them in the main parking lot to conduct a search for the suspect.

Ranger Cavallaro and I arrived to the parking lot and gathered more information on the attack. While I looked at the injuries of (b) (6), (b) (7)(C) dog (b) (6), (b) (7)(C) I was told the entire story of what occurred. (b) (6), (b) (7)(C) stated that he and (b) (6), (b) (7)(C) were professional dog walkers who come out to Fort Funston to walk their dogs. While walking on the asphalt road just north of the hang glider deck (b) (6), (b) (7)(C) and his friend (b) (6), (b) (7)(C) had all their dogs off leash. (b) (6), (b) (7)(C) stated he noticed an (b) (6), (b) (7)(C) male with a bright orange "ball throwing chuck it" also walking with his black dog off leash. (b) (6), (b) (7)(C) dog and this subjects black dog came up to one another and the black dog attacked (b) (6), (b) (7)(C). The owner of the black dog failed to get his dog off (b) (6), (b) (7)(C) so (b) (6), (b) (7)(C) grabbed the dog by the tail to separate the animals. The owner of the black dog stated that the dogs were just playing, but (b) (6), (b) (7)(C) disagreed and told the (b) (6), (b) (7)(C) male to just leave. The male subject became extremely aggressive calling (b) (6), (b) (7)(C) a "Fucking cock sucker!" and yelling "You want a piece of me... I'll kick your ass!" (b) (6), (b) (7)(C) finally made her way to (b) (6), (b) (7)(C) and noticed that she had some cuts on her right shoulder. She yelled at the male subject to just leave the area and stop with the verbal insults. The subject left the area and they all came to the ranger station to report the incident. I then asked (b) (6), (b) (7)(C) to do a ride with me through the Battery Davis area for a search for the suspect. The suspect was long gone. Upon returning back to the parking lot, I had all three complainants fill out statements of the incident. A photo of the injury was taken of (b) (6), (b) (7)(C) left inner shoulder area. I obtained a case number for pets-dog bite and cleared at 1717 hours.

On July 19th, 2011, at approximately 1618 hours, while on uniformed patrol in a marked vehicle on Crissy Field, I observed a dog off leash in the Wildlife Protection Area (WPA). Dogs in the WPA must be on a leash at all times except between July 1st and May 15th. The owner of the dog, later identified by her name and date of birth as (b) (6), (b) (7)(C), was standing approximately 4 feet from one of the signs that states visitors are entering the Wildlife Protection Area and that dogs must be leashed at this time of year.

I contacted (b) (6), (b) (7)(C) and asked if the dog was hers; she said it was. I told (b) (6), (b) (7)(C) I was contacting her because dogs are required to be on leash in the Wildlife Protection Area. I asked (b) (6), (b) (7)(C) to place her dog on leash and accompany me to my patrol vehicle which was approximately 20 meters away.

(b) (6), (b) (7)(C) asked me if I would give her "a break" on the ticket as a "professional courtesy" as she used to work for the National Park Service. I explained to (b) (6), (b) (7)(C) that it would be unethical for me to treat a former employee of the National Park Service differently than I would any other visitor. (b) (6), (b) (7)(C) berated me and expressed her ire at receiving a citation while I identified her through dispatch and completed the citation.

I issued (b) (6), (b) (7)(C) a citation for violation of 36 CFR 7.97(d)(i): Dog off lease in the wildlife protection area at Crissy Field. I cleared at approximately 1640 hours. Case number: 11\_08476. Citation Number: 3046239.

	On 7/22/11, I spoke to complainant (b) (6), (b) (7)(C) by telephone. Ms. (b) (6), (b) (7)(C) stated that she was on Baker Beach at around 0830 hours with her dog, off leash. The dog ran at a man who was also on the beach and jumped up on him. He became upset and yelled at her to control her dog. She put the dog on a leash. The man stated that he was a Presidio Trust worker and that there were laws against this behavior. She was frightened by him yelling. He then walked up to the parking lot. She saw him get on a motorcycle and used her phone to take a picture of the plate. He rode toward her and again yelled at her about her dog and about taking a picture. Ms. (b) (6), (b) (7)(C) stated that the man did not curse or threaten her in any way. I later found through dispatch that a Presidio Trust employee (b) (6), (b) (7)(C) also called to complain. He stated that the dog actually bite at him and nipped his pants. It was a brown pit bull mix. He stated that he did yell at her to leash her dog. I told Mr. (b) (6), (b) (7)(C) that I advised Ms. (b) (6), (b) (7)(C) that she was in violation of not controlling her dog and would be cited for a future offense. I also advised her that she needed to keep her dog on a leash at all times. Mr. (b) (6), (b) (7)(C) did not sustain any injury or damage to his clothing. I advised him to immediately call us if he observed the same violation in the future.

	On 07/24/2011 at approximately 1844 hours, I was on patrol of Milagra Ridge. I was in full uniform and in a marked patrol vehicle. Approximately two minutes after entering the park, I noticed a subject with two pets off leash walking along the asphalt road toward the park entrance. As the subject, later identified as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) noticed my marked vehicle, she leashed both her pets and continued walking toward my vehicle. Once (b) (6), (b) (7)(C) arrived next to my patrol car, I greeted her and asked if she was aware pets were to be on leash. (b) (6), (b) (7)(C) replied she was not aware and had only leashed her pets because my vehicle was now on the road. I informed her that pets were to be on leash at all times while at all park parcels in San Mateo county. (b) (6), (b) (7)(C) stated she just moved to the area. I informed her that I needed her identification and would be conducting a computer check. A check revealed that she had not been contacted before for any leash violations anywhere in the park. She was also clear of any wants or warrants. I informed her that clearly posted signs are posted at all legal entrances to the park advising "Leash pets.". I issued her a verbal warning for pets off leash. I cleared at 1850 hours.

At approximately 0915 hrs, July 25, 2011, Ranger Goodwin and I were on foot patrol on Ocean Beach going northbound approaching Irving St. I observed Ms. (b) (6), (b) (7)(C) walking westbound on the beach with a small brown dog that was not leashed. Dogs are required to be leashed on this section of the beach due to the presence of threatened bird species.

Information to this effect is posted on signs at numerous locations. I contacted Ms. (b) (6), (b) (7)(C) on the beach adjacent to Irving Street and requested she leash her dog. Ms. (b) (6), (b) (7)(C) complied. Ms. (b) (6), (b) (7)(C) said she thought that during this time of the year dogs could be off leash because Plovers are not present. Ms. (b) (6), (b) (7)(C) was informed that as of July 1, pets are required to be leashed in the Wildlife Protection Area on Ocean Beach. Ms. (b) (6), (b) (7)(C) was issued a National Park Service Warning Notice for Unleashed Dog in the Wildlife Protection Area. Ms. (b) (6), (b) (7)(C) checked clear for wants and warrants and was then released.

On July 26, 2011, at approximately 0730 hrs, while standing at stairwell 15 Ocean Beach, I observed an individual (later identified as (b) (6), (b) (7)(C)) walking on the beach with an unleashed dog. I observed the dog stop and defecate onto the beach. I observed (b) (6), (b) (7)(C) walk up and kick sand over the feces and then walk away. I observed the dog move along approximately 15' and defecate again onto the sand. I observed (b) (6), (b) (7)(C) then walk past the feces. I then walked towards (b) (6), (b) (7)(C) from the stairwell, eventually making contact with her near the water's edge. As I approached, I said "good morning, police officer". I then advised (b) (6), (b) (7)(C) I had observed her dog defecate and her attempt to cover the initial pile with sand and then do nothing with the second. I advised (b) (6), (b) (7)(C) this was a violation of the law. I asked (b) (6), (b) (7)(C) if she had a plastic bag with her to pick up her dog's feces. (b) (6), (b) (7)(C) reached into her jacket's right pocket and showed me a black plastic bag. I asked (b) (6), (b) (7)(C) to explain why she didn't pick up the feces when she had a bag with her. (b) (6), (b) (7)(C) explained she thought the feces would biodegrade better in the sand than putting it in a plastic bag for disposal. (b) (6), (b) (7)(C) however, stated her bags were biodegradable. I then asked (b) (6), (b) (7)(C) to provide me with her identification. (b) (6), (b) (7)(C) stated she did not have her ID with her. I then asked (b) (6), (b) (7)(C) if she knew her ID number. (b) (6), (b) (7)(C) replied she did and provided me with the number. (b) (6), (b) (7)(C) dog up to this point had been jumping on me in a friendly manner. I then asked (b) (6), (b) (7)(C) to please keep her dog off me because I did not want sand over my uniform. (b) (6), (b) (7)(C) called her dog over to her and put it on a leash. (b) (6), (b) (7)(C) then asked why I was "treating" her "like a criminal". I explained to (b) (6), (b) (7)(C) that she was required to pick up after her dog and failure to perform that act was a violation. I further explained to (b) (6), (b) (7)(C) that I was treating her with respect; that I had greeted her by saying good morning, that I had petted her dog upon my initial approach, that I had asked her in a polite manner to keep her dog off of me due to its repeated jumping on me, and that I had politely asked her for identification. Continued.

(b) (6), (b) (7)(C) then began a rambling discourse on her support of the park, asked me why I hated dogs, and again why I was treating her like a criminal. I then advised (b) (6), (b) (7)(C) that my attempts to educate her on the importance of picking up after her dogs had been futile. I advised (b) (6), (b) (7)(C) that she would be issued a violation notice since she was: unresponsive to my educational effort, had made no attempt to pick up her dog feces even though she had a bag with her, and had made no suggestion to me she would pick up her dogs feces either during our contact or after the contact.

At this point Supervisor Chad Marin arrived to my location. (b) (6), (b) (7)(C) was afforded the opportunity to make a complaint against me to Supervisor Marin while I prepared the violation notice. When (b) (6), (b) (7)(C) was finished talking with Supervisor Marin, I issued her violation notice 2534261 for 36 CFR 2.15 (a)(5).

	On Sunday 07/31/11 at 1037 hours while on Horse Mounted Patrol at the west end of Crissy Field I was confronted by an aggressive dog. The owner of the dog (b) (6), (b) (7)(C) had the dog off-leash. This area of the park is a voice control area, but it took (b) (6), (b) (7)(C) a friend, and another park visitor approximately ten minutes to gain control of the dog, and prevent it from molesting my horse.

On August 1st, 2011, at approximately 0857 hours, while on uniformed foot patrol in the Wildlife Protection Area on Ocean Beach, I observed a male, later identified by his driver's license as (b) (6), (b) (7)(C) seated in the dunes with a dog at his side. The dog was not attached to a leash. All pets must be leashed in the Wildlife Protection Area on Ocean Beach between July 1st and May 15th.

I issued a verbal warning for violation of 36 CFR 7.97(d)(ii): Wildlife Protection Area Violation: Ocean Beach. (b) (6), (b) (7)(C) made a leash by tying a series of plastic bags together and escorted his dog off the beach.

I cleared at approximately 0900 hours.

At approximately 1420 hrs, August 1, 2011, I was foot patrol on the Tennessee Valley Trail at Tennessee Valley Beach. I contacted Ms. (b) (6), (b) (7)(C) as she was preparing to depart the beach with four small children and a large yellow dog. I explained to Mr. (b) (6), (b) (7)(C) that Tennessee Valley Trail and the beach is a wildlife area and pets are not allowed. A sign to this effect is clearly posted at the swing gate/trailhead at the parking lot. Ms. (b) (6), (b) (7)(C) said she did not see the sign. Ms. (b) (6), (b) (7)(C) was issued United States District Court Violation Notice #3045591 for violation of 36 CFR 2.15(a)(1) "Area Closed To Pets". Ms. (b) (6), (b) (7)(C) was then released and directed to return to the parking lot with her dog. Ms. (b) (6), (b) (7)(C) checked clear for wants and warrants but I could not confirm her driver's license with DMV. She claimed a valid (b) (6), (b) (7)(C) driver's license but had left it in her car parked 1 & 1/2 mile away in the parking lot. She was then released.

Form fields including Organization Code (8140), System Area (Golden Gate National Recreation Area), Location Code (1300), Year (11), Case/Incident Number (009072), Location of Incident (Tennessee Valley Trail, Marin Headlands, California), Offense/Incident Code (PETS-DOG IN CLOSED AREA), and various personal details of the suspect.

(b) (6), (b) (7)(C) [Redacted information]

At approximately 1455 hrs, August 1, 2011, I was driving a marked ranger sedan eastbound on the Tennessee Valley Trail just west of the roadway going to the NPS stables. I saw Mr. (b) (6), (b) (7)(C) walking, westbound, towards me, with a large white dog and a female companion. I made contact with Mr. (b) (6), (b) (7)(C) and advised him that the Tennessee Valley west of the parking lot is a wildlife area and it is closed to pets. There is a large sign stating "No Pets" next to the swing gate at the parking lot. Mr. (b) (6), (b) (7)(C) said he had seen the sign but someone had told that he would come to a trail that allows dogs if he went west on the Tennessee Valley Trail. He was advised that there are no dog areas in the restricted area of Tennessee Valley except where the Coastal Trail crosses the Tennessee Valley Trail and that cannot be accessed with a dog from the Tennessee Valley parking. Mr. (b) (6), (b) (7)(C) was issued U.S. District Court Violation Notice #304592 for violation of 36 CFR 2.15(a)(1) "Area Closed To Pets". Mr. (b) (6), (b) (7)(C) checked clear for wants and warrants and was released with instructions to return to the parking lot with his dog. He was advised of locations in the park where dogs are allowed.

Form fields for reporting officer (Ranger S. G. Eddy), date (08/02/2011), supervisor, and status (OPEN).

<p>On August 2, 2011 at approximately 1900 hrs I was on patrol on Sweeney Ridge. I observed a dog off leash at the Portola Discovery Site. I contacted the owner and identified her as (b) (6), (b) (7)(C) said she had hiked in the area before. I asked (b) (6), (b) (7)(C) where she had entered Sweeney Ridge and she said from Fassler Ave (Baquiano Trail). From her point of entry to where I contacted (b) (6), (b) (7)(C) she would have passed two signs indicating that pets are required to be leashed. (b) (6), (b) (7)(C) asked where she could have her dog off leash and I explained the areas of GGNRA in SF and Marin counties where dogs are allowed to be off leash. She asked where in San Mateo County and I told her there are no off leash areas in GGNRA in San Mateo County. I told her it was her responsibility as a dog owner to know the rules. (b) (6), (b) (7)(C) accused me of just writing the ticket to generate revenue and wanted to know if I felt "morally ok" with writing a ticket. Sweeney Ridge is a leash required and is signed as such. The information is also available on the park webpage. (b) (6), (b) (7)(C) was issued #0888809 for 36CFR2.15(a)(2) Failure to Leash Pet</p>

On August 7th, 2011, at approximately 1528 hours, while on uniformed patrol in a marked vehicle on Crissy Field, I observed a woman, later identified by her name and date of birth as (b) (6), (b) (7)(C) Nina A. walking in the Wildlife Protection Area (WPA) at Crissy Field with a dog off-leash. Dogs must be on a leash in the WPA between July 1st and May 15th. I approached (b) (6), (b) (7)(C) on foot. When (b) (6), (b) (7)(C) saw me she put the dog on a leash.

I introduced myself to (b) (6), (b) (7)(C) and told her I was contacting her because it is a criminal violation for pets to be off leash in the WPA at this time of year. (b) (6), (b) (7)(C) said she knew dogs were supposed to be on leash and acknowledged she had let her dog off leash. I asked (b) (6), (b) (7)(C) to accompany me to my patrol vehicle which was approximately 100 meters away.

A check with U.S. Park Police dispatch showed (b) (6), (b) (7)(C) had at (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) I informed (b) (6), (b) (7)(C) she had (b) (6), (b) (7)(C) I told (b) (6), (b) (7)(C) would not be (b) (6), (b) (7)(C) but that she needed to resolve the outstanding issue.

I issued (b) (6), (b) (7)(C) a citation for violation of 36 CFR 7.97(d)(i): Pet off lease in the Wildlife Protection Area at Crissy Field. I cleared at approximately 1540 hours. Case number: 11\_09306. Citation Number: 3046217.

	At approximately 1028 hrs, August 10, 2011, I was on patrol in the wildlife protection area at the west end of Crissy Field beach. I observed Ms. (b) (6), (b) (7)(C) walking northbound on the beach with a small brown dog off leash and running on the beach. Dogs are required to be leashed on this section of the beach due to the presence of threatened bird species. Information to this effect is posted on signs at numerous locations. I contacted Ms. (b) (6), (b) (7)(C) and requested she leash her dog. Ms. (b) (6), (b) (7)(C) complied. Ms. (b) (6), (b) (7)(C) said she thought dogs could be off leash in this area and had not observed the signage stating leashes are required. Ms. (b) (6), (b) (7)(C) was advised of the leash requirements and "voice control" areas. She was issued a United States Department of the Interior, National Park Service, Warning Notice and released.

On August 13, 2011 at approximately 0846 hours, Ranger Warmerdam and I were on foot patrol at Ocean Beach. I saw a small border collie type dog, off leash in the area of Lawton, which is within the Snowy Plover Protection area, a leash area, running and chasing shore birds. I saw the owner, a male adult (later identified as (b) (6), (b) (7)(C)) make no attempt at first to control his dogs actions at chasing the shore birds. As I made my way towards him, I saw that he then was making an attempt to leash his dog. I met up with (b) (6), (b) (7)(C) who had just leashed his dog and identified myself and explained why I was there. (b) (6), (b) (7)(C) told me that he didn't allow his dog to chase plovers, just the other birds. I told him in the park, all birds were protected. I asked for identification, which he gave me a (b) (6), (b) (7)(C) license. Park Dispatch ran a computer check which returned negative for wants/warrants and a valid (b) (6), (b) (7)(C) license. I gave (b) (6), (b) (7)(C) Magistrates Violation Notice K113487 in violation of 36 CFR 7.97(d) (1) (ii): Pets off leash in the Snowy Plover Protection Area. I explained the violation procedures in which he signed and received his copies. I asked if he had any questions. I also gave (b) (6), (b) (7)(C) a verbal warning for 36 CFR 2.1(a) (1) (i)-Disturbing Wildlife. I told (b) (6), (b) (7)(C) where the current voice control areas were and provide the web site for the park. (b) (6), (b) (7)(C) cleared with his leashed pet and continued northbound on the beach. Ranger Warmerdam and I continued on our foot patrol of the beach and dunes. Cleared at approximately 0852 hours.

29. DETAILS OF INCIDENT

**NARRATIVE:**

On Saturday, August 13, 2011 at approximately 1915 hours, I was dispatched to Fort Funston from Ocean Beach for a visitor complaint involving a dog **(b) (6), (b) (7)(C)** owner. I was able to arrive at Fort Funston at 1940 hours and did not find the reporting party based on the information park dispatch had provided. Park dispatch was able to retain a phone number for the reporting party **(b) (6), (b) (7)(C)** and I placed a phone call to her at 1945 hours.

Ms. **(b) (6), (b) (7)(C)** and I spoke for approximately 15 minutes and she provided detailed information about an incident involving dogs she was responsible for and another group of dogs a second woman was responsible for. Ms. **(b) (6), (b) (7)(C)** is a commercial dog **(b) (6), (b) (7)(C)** and was at Fort Funston with her personal dog and 7 others which are owned by various customers of hers.

**(b) (6), (b) (7)(C)** explained she had parked her vehicle near the hang glider building at Fort Funston and proceeded to let her dogs out of the rear portion of her vehicle. As her dogs were let out, another woman in an adjacent vehicle, showing **(b) (6), (b) (7)(C)** was doing the same with her 5 dogs. These 5 dogs were off leash and apparently started to chase and harass **(b) (6), (b) (7)(C)** dogs and were being very aggressive. **(b) (6), (b) (7)(C)** said she spent several minutes trying to collect her dogs as they had scattered in different directions after being attacked by the associated 5 dogs. She said she even resorted to striking at least 1 of the 5 aggressive dogs with her backpack in an effort to help her dogs. During this event, **(b) (6), (b) (7)(C)** said the group of 5 dogs also aggressively went after a pit-bull which was in the area. She said the pit-bull appeared scared and distraught as it was trying to flee from the group of 5 dogs.

**(b) (6), (b) (7)(C)** was ultimately successful in collecting her dogs in the rear portion of her vehicle. She also stated that the owner of the 5 dogs just stood next to her vehicle while this incident was taking place. **(b) (6), (b) (7)(C)** said the woman with the 5 dogs did nothing in an attempt to control and/or contain her dogs during the incident. The vehicle showing **(b) (6), (b) (7)(C)** has registration information for **(b) (6), (b) (7)(C)** 94122 on a **(b) (6), (b) (7)(C)** pickup truck.

**(b) (6), (b) (7)(C)** did not want to file any charges; she just wanted to report the incident.

I was clear of the area at 2005 hours.

On August, 2011, at approximately 1345 hours, while on uniformed foot patrol on the trails at Mori Point, I observed a male and female walking with three dogs that were not leashed. All pets must be leashed at Mori Point. I introduced myself to the male, later identified by his (b) (6), (b) (7)(C) driver's license as (b) (6), (b) (7)(C) and said, "Sir, do you know it is a criminal violation to have your dogs off leash here?" (b) (6), (b) (7)(C) replied: "Yeah, but everyone does it."

I asked (b) (6), (b) (7)(C) to place the three dogs on leash and (b) (6), (b) (7)(C) said he only had two leashes.

There are signs at all the trail entrances to Mori Point which state in text and with a graphic symbol that pets must be leashed. I asked (b) (6), (b) (7)(C) if he was the owner of the dogs. (b) (6), (b) (7)(C) said two of the dogs were his and he took responsibility for all three of the dogs.

I attempted to educate (b) (6), (b) (7)(C) on the reasons why pets must be leashed at Mori Point, but (b) (6), (b) (7)(C) kept interrupting me. (b) (6), (b) (7)(C) harangued and berated me throughout the contact and refused to provide his phone number or his social security number for the citation.

I issued (b) (6), (b) (7)(C) a citation for violation of 36 CFR 2.15(a)(2): Pet not on leash. I cleared at approximately 1400 hours. Case number 11\_009610. Citation number: 3046216.

I introduced myself to **(b) (6), (b) (7)(C)** and informed her that it is a criminal violation for dogs to be off leash on Sweeney Ridge and on all of the National Park Service land in San Mateo County.

I issued **(b) (6), (b) (7)(C)** a written warning for violation of 36 CFR 2.15(a)(2): Pet not on leash. I cleared at approximately 1425 hours.

	<p>On 08/14/2011 at approximately 1859 hours, I encountered (b) (6), (b) (7)(C) walking up the Lishumsha trail (Mori Point) with her three dogs off leash. Clearly posted signs at all the entrances to Mori Point advise "pets on leash." Once (b) (6), (b) (7)(C) saw me from approximately 75 feet away, she stopped and called two of her dogs back to her. She bent over, leashed the dogs and then called out to another pet that was approximately 15 feet off trail in the brush. I greeted her as we got into ear shot of one another. Her first question to me was, "Am I getting cited?" I replied, "I need your identification please." (b) (6), (b) (7)(C) provided her identification and repeatedly call her little dog (b) (6), (b) (7)(C) to come to her. Approximately a minute later (b) (6), (b) (7)(C) finally responded and was leashed. I conducted a computer check for wants and warrants and informed (b) (6), (b) (7)(C) that pets were to always be on leash while in National Park properties in San Mateo. I gave her locations in San Francisco where pets were allowed off leash and gave her back her identification. The computer returned clear of wants and of local file entries. I issue a verbal warning being that I was out of citations and informed (b) (6), (b) (7)(C) that she was now warned and entered in to the local file database.</p>											
I cleared at 1710 hours.								94 INVESTIGATOR NOTIFIED

On August 18, 2011, at approximately 1815 hours, I observed a (b) (6), (b) (7)(C) man with a small, unleashed dog while on foot patrol of the Great Meadow at Fort Mason. I approached the man and asked that he leash his dog. The man exclaimed that he would not, and, furthermore, he had previously been in contact with Mrs. Pelosi, assumedly Representative Nancy Pelosi, for harassment that he had received when with his dog at the Great Meadow. I asked the man if he had seen the sign advising to leash pets when entering the area, and the man agreed that he had, but that his dog was a service animal and therefore exempt. I explained that service animals, working or otherwise, are bound by the same leash law regulations, and that within the area of the Great Meadow they must be leashed. The man exclaimed that I should write him a citation, and I invited him to instead simply leash his dog. The man then challenged me to arrest him, and I asked him to calm down.

Through dispatch, I identified the man as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) received a violation notice for 36 CFR 2.15(a)(2), failure to leash pet as posted. I explained the baillable violation notice to (b) (6), (b) (7)(C) but (b) (6), (b) (7)(C) refused to sign.

On August 19th, 2011, at approximately 0840 hours, while on uniformed foot patrol on the Great Meadow at Fort Mason, I observed a male, later identified by his (b) (6), (b) (7)(C) driver's license as (b) (6), (b) (7)(C) walking with a dog that was not on a leash. I approached (b) (6), (b) (7)(C) introduced myself, and asked him to place the dog on a leash. It is a violation of the law to have a pet off-leash at Fort Mason.

A check with U.S. Park Police dispatch showed (b) (6), (b) (7) was negative for wants and warrants.

I asked (b) (6), (b) (7) "if I give you a verbal warning will you refrain from walking your dog off-leash at Fort Mason in the future?" (b) (6), (b) (7) stated "yes." He then told me to "hurry up." (b) (6), (b) (7) then asked "why are you harassing me" and asked for my badge number. I give him my name and badge number and explained again that the law requires all pets to be leashed within Fort Mason for the safety of the pets and the public.

I issued (b) (6), (b) (7) a verbal warning for violation of 36 CFR 2.15(a)(2): Failing to restrain a pet on a leash. I handed (b) (6), (b) (7) back his driver's license and told him he was now free to go. As I walked away, (b) (6), (b) (7) yelled towards me "why don't you go and harass some real criminals!"

I cleared at approximately 0855 hours. (b) (6), (b) (7) continued to walk his dog on the Great Meadow, and I later saw (b) (6), (b) (7) taking photographs of me and my patrol vehicle from a distance of approximately 100 feet.

On August 19th, 2011, at approximately 1254 hours, while on uniformed foot patrol on the Great Meadow at Fort Mason, I observed a male, later identified by his **(b) (6), (b) (7)(C)** driver's license as **(b) (6), (b) (7)(C)** walking with two dogs that were not on a leash. I approached **(b) (6), (b) (7)(C)** introduced myself, and asked him to place the dogs on a leash. It is a violation of the law to have a pet off leash at Fort Mason.

I issued **(b) (6), (b) (7)(C)** a citation for violation of 36 CFR 2.15(a)(2): Failing to restrain a pet on a leash. I cleared at approximately 1305 hours. Citation number: 3046213. Case number: 11\_009795.

On 08/21/2011 at approximately 1700 hours, I was on 4X4 patrol of the wildlife protection area Ocean Beach/Judah when I observed an off leash dog chasing the shorebirds along the water's edge. I drove in the dogs' direction which was now running north bound toward Lincoln avenue. I passed two female subjects with their dogs off leash. As I passed the female subjects, I asked other subjects if the off leash dog belonged to them. They all stated the animal was not theirs. The dog then turned direction running southbound flushing shorebirds resting and feeding at the shore line. I turned around on the beach. I observed the dog finally run over to the two females that I passed earlier with their dogs off leash. I stopped at Judah and asked the females if the dog belonged to either of them. (b) (6), (b) (7)(C) replied, "It's my dog." She then called the dog and leashed it. I told her that pets were to be on leash while in the wildlife protection area and that pets were not to harass or chase shorebirds. (b) (6), (b) (7)(C) replied, "Oh, I only let him chase the seagulls!" I asked for her identification and informed her of the seasonal closure for pets in the wildlife area. I conducted a computer check for warrants and local file check. The check returned clear except the local file revealed (b) (6), (b) (7)(C) had been contacted in 2007 for a leash law violation on Ocean beach. I issued citations 2864656/ 2864657 for 36 CFR 2.2(a)(2)/ 7.97(d)(ii)- harassing wildlife

I was walking downhill on the concrete path, just outside the tunnels that go through the hillside. I saw 2 women approaching with 3 dogs, on leashes. One golden retriever, one older lab and one large black funny dog - looked like a german shepherd mix. When they were about 2-3 ft. from me, the large black dog made a sudden motion - went down a little bit like he was going to jump up to play - but instead he lunged at my side and bit down. I felt the bite immediately. The dog also made a short growl when he bit. The woman called the dog off and he let go immediately. She was as shocked as I was and apologized. I was shaking and went to see whether I was bleeding under my clothes. I could not see the spot as it is behind my back. I felt for blood and could not find anything bloody, but could feel a welt, and the area was very sore. The woman looked at the spot and told me it had not broken the skin - just a small pinch. She apologized again and I really did not know what to do. It did not seem that bad and I did not want to make a big deal out of it. But when I got down to the bathroom, I could see the bite mark and the large red welt area. There is some scraped off skin and kind of a "road rash" area where the skin is slightly bloody.

Shortly thereafter, I noticed the dog defecate in the sand. I then observed, (b) (6), (b) (7)(C) walk over the area where I observed the dog defecate, and kick sand over the feces. The dog had run southbound to my location at stairwell 26. (b) (6), (b) (7)(C) then began her run southbound. I intercepted her at the water's edge and asked if the dog belonged to her. She said it did. I informed her that pets needed to be on leash between stairwell 21 through Sloat boulevard from July 1 to May 15 of each year. I then asked her to leash the dog. She complied. I then asked why did she fail to pick up her pets feces when she had "doggie bags" on her person. (b) (6), (b) (7)(C) was carrying three blue plastic baggies in her right hand. She replied, "I didn't want to carry the feces while I ran!" I asked for and was granted her information. I informed her that I was issuing her a citation for failure to remove pet excrement. A computer check returned clear of any wants, warrants or local file check. I issued citation 2864688 for 36 CFR 2.15(a)(5)- failure to remove pet excrement. (b) (6), (b) (7)(C) was unable to locate the feces in a later search. I cleared at 1837 hours.</p>

(b) (6), (b) (7)(C)

On August 27, 2011, at approximately 1430 hours I was on uniformed patrol in a marked vehicle with Supervisor Forbes. I received a report, over the radio, of a dog locked in a gray (b) (6), (b) (7)(C) parked in the West Bluff Parking Lot, within the Presidio. We responded from the intersection at Mason and Halleck Streets. We met the reporting party at the car, They stated that they observed a brown Dachshund type dog, inside (b) (6), (b) (7)(C) in distress. I observed a brown Dachshund type dog (later identified as (b) (6), (b) (7)(C)) locked inside of the car. Though the windows had been lowered approximately 2 inches, the interior of the vehicle was warm and humid, much warmer inside than the outside temperature. No water or food was left for (b) (6), (b) (7)(C). I observed that (b) (6), (b) (7)(C) was barking nonstop, and panting constantly, with his snout sticking outside the open window for air. After approximately 30 minutes, Supervisor Forbes and I were able to gain access to the vehicle. We provided food and water to the dog, as well as placed it on a leash. Supervisor Forbes stated that she observed that (b) (6), (b) (7)(C) gums were gray, one sign of distress in dogs. She decided to take the dog for a short walk to refresh (b) (6), (b) (7)(C) and attempt to locate the owners. I stayed with the vehicle to wait and began to write a Violation Notice to the registered owner of the vehicle. While I wrote the Violation Notice, at approximately 1501 hours, a male subject (later identified as (b) (6), (b) (7)(C)) and family approached the car. I contacted the family, and (b) (6), (b) (7)(C) identified himself as the registered owner of the vehicle and the owner of (b) (6), (b) (7)(C). Throughout the contact (b) (6), (b) (7)(C) was uncooperative with me; and yelling at Supervisor Forbes and myself, as well as refusing to provide identification. On multiple occasions Supervisor Forbes had to repeat instructions to (b) (6), (b) (7)(C). When I requested identification from (b) (6), (b) (7)(C) he initially refused to provide ID. (b) (6), (b) (7)(C) was informed that it was illegal to refuse my request for identification, he eventually provide (b) (6), (b) (7)(C). Park Dispatch ran a computer check, returning with no wants/warrants for (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) wife stated that (b) (6), (b) (7)(C) was locked in the car "for two hours", and one of his daughter's stated that "we forgot about (b) (6), (b) (7)(C) I issued (b) (6), (b) (7)(C) Violation Notice #3316152 for violation of 36 CFR 2.15(a)(3), leaving an unattended pet. I explained the violation notice procedure, which he signed and said he would see us in court. We cleared at approximately 1530 hours.

	<p>On 08/29/2011 at approximately 1725 hours, I observed (b) (6), (b) (7)(C) with his dog off leash in the wildlife protection area, Ocean Beach at Pacheco avenue. I was in my marked patrol SUV driving north bound conducting fish and game checks. I contacted (b) (6), (b) (7)(C) and asked him if he was aware pets were to be on leash in the area. He stated that he was not from the area and did not know the rules. I then asked where he entered the beach. He stated that he came on at one of the streets above. I explained to (b) (6), (b) (7)(C) that pets were to be on leash from stairwell 21 (near the Beach Chalet) to Sloat avenue from July 1 to May 15. (b) (6), (b) (7)(C) stated that he wasn't aware of the rule but apologized. I requested his identification and stated that I wanted him to be clear on the regulation so future contacts wouldn't cause confusion. (b) (6), (b) (7)(C) stated he did not have his identification on his person but gave me the name and date of birth of (b) (6), (b) (7)(C). I informed him that I would issue a warning for the violation, but that his information would be placed in a local file for future reference. I conducted a computer check on the given name and date of birth. The check returned no record on file. I re-contacted (b) (6), (b) (7)(C) and he confessed that the information was incorrect. I gathered the new information and conducted another computer check. The check returned clear and I issued (b) (6), (b) (7)(C) citation.</p>

On 8/31/11, at approximately 1355 hrs, I arrived at Mori Point for a report of an unleashed dog. Upon arrival, I met with the Parks Conservancy Restoration Manager (Crooker) who stated that while she was working in the area, she was contacted by a male park visitor ((b) (6), (b) (7)(C)) reported to Crooker that while hiking along the trails, he was approached by an aggressive, unleashed pit bull dog. ((b) (6), (b) (7)(C)) reported that an unidentified female attempted to control the dog using verbal commands, with negative results. ((b) (6), (b) (7)(C)) reported that he had not been attacked, bitten, or injured by the dog. ((b) (6), (b) (7)(C)) reported to Crooker that he was so frightened by the dog, that he was unable to recall any further description of the suspect. Crooker stated that ((b) (6), (b) (7)(C)) left the area after reporting the incident. Crooker stated that she had not witnessed the incident, but she did observe an unleashed dog in the distance (approximately 100 yards to the south). A check of the area was negative for the suspect. Time cleared: 1430 hrs.
