7 RESULTS OF INVESTIGATION

On 09/04/2011 at approximately 1615 hours, I entered onto Ocean beach at Noriega after seeing a dog off leash in the wildlife protection area at Santiago avenue. Ocean beach has a wildlife closure restriction that requires pets to be on leash between stairwell 21 and Sloat avenue from July 1 to May 15 of each year. I drove my patrol SUV over to the subject later identified as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) I introduced myself and asked if the off leash dog belonged to him. He replied the dog did and I informed him that it needed to be on leash. I then explained to (b) (6), (b) (7)(C) the regulations pertaining to dogs, telling him that pets could be off leash north of stairwell 21 and south of Sloat ave. The area between the two points required pets to be on leash from July 1-May 15 of each year. I asked if he understood that information. (b) (6), (b) (7)(C) stated he was crystal clear with that information. As he held his leashed dog, I gathered his identification and conducted computer checks. As I awaited the return on the information provided to communications, I informed (b) (6), (b) (7)(C) that his information would be placed in a local file. Future contacts involving his pet off leash in the wildlife zone would result in a citation during the closure period. (b) (6), (b) (7)(C) stated that was fair. Communications advised that his information was valid and I cleared (b) (6), (b) (7)(C) with a verbal warning for the violation. I cleared at 1629 hours. I later contacted (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) for the same violation at Noriega avenue.

I contacted (b) (6), (b) (7)(C) running with his dog off leash at 1635 hours. I stopped, greeted and asked if the off leash dog was his. (b) (6), (b) (7)(C) stated the dog was his. I informed him to leash the dog and gave him the same information regarding dogs that I gave to (b) (6), (b) (7)(C) I gathered his identification, conducted a computer check and asked if he had a clear understanding of the regulation. (b) (6), (b) (7)(C) stated that he understood. Communications advised me that (b) (6), (b) (7)(C) license was valid, but he was (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) The amount (b) (6), (b) (7)(C) originating from an incident on (b) (6), (b) (7)(C) I informed communications not to confirm the warrant and informed (b) (6), (b) (7)(C) to handle the warrant. (b) (6), (b) (7)(C) went on his way with a verbal warning for the violation. I also informed him that his information would be in entered into the local file maintained by the law enforcement division. I later contacted (b) (6), (b) (7)(C) at Judah avenue with her pet off leash in the wildlife zone.

At approximately 1700 hours, I contacted (b) (6), (b) (7)(C) with her dog off leash. After greeting her and confirming the dog belonged to her, I had her leash the dog and explained in great detail the regulations regarding dogs. She thanked me for the thorough detail and I gathered her identification. I informed her that her information would be entered into the local file and future contacts would result citations. She stated she was very clear on the regulations and felt that it was fair. The computer check returned clear and I cleared with a verbal warning for failure to leash pet in the wildlife protection area. I later encountered (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) with her dog off leash at Pacheco avenue.

At approximately 1730 hours, I made contact with (b) (6), (b) (7)(C) at Pacheco avenue for having her dog off leash in the wildlife protection zone. I informed her of the regulations after gathering her information. At the conclusion of my informative speech similar to (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C), I asked if she had any questions for me regarding pets on Ocean beach. (b) (6), (b) (7)(C) stated she was clear on the regulation. The computer check returned valid and clear of any wants. I informed her, her information would be stored in a local file and cleared with a verbal warning. I obtained a case number for wildlife protection and entered the four subjects into the local file database

On September 11th, 2011, at approximately 1200 hours U.S. Park Police dispatch told me they had received a complaint of a male and a female walking on the Tennessee Valley Trail with a dog. It is a violation of the law to possess a pet on the Tennessee Valley Trail.

I arrived at the Tennessee Valley Trail at approximately 1215 hours. I drove down the trail and observed a male and a female walking with a medium size dog on a leash. I contacted the two, introduced myself, and informed them it is a violation to possess a pet on the Tennessee Valley Trail. There is a large sign at the trailhead saying "No Pets." There are also signs at all the intersecting trailheads stating pets are not allowed on the trail.

The female said the dog was hers. I identified the female by her (b) (6), (b) (7)(C) driver's license as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C). When I first contacted (b) (6), (b) (7)(C) she did not obey my instructions to wait at the front of my vehicle, and started to walk away. I explained to (b) (6), (b) (7)(C) that she was being detained and was not free to leave. (b) (6), (b) (7)(C) asked why she was being treated like a criminal and said it was "over the top" that I was asking for her driver's license.

I explained to (b) (6), (b) (7)(C) it is standard practice to identify everyone we contact who has violated the law. (b) (6), (b) (7)(C) said she did not know pets were not allowed on the Tennessee Valley Trail when I first contacted her, but later said she had been told by another park visitor that pets are not permitted on the trail. (b) (6), (b) (7)(C) said that after she was informed pets are not allowed on the trail she decided to continue down the trail to the beach with her dog rather than return to the trail head.

I issued (b) (6), (b) (7)(C) a citation for violation of 36 CFR 2.15(a)(1): Possession of a pet in an area closed to pets. Citation number: 3448371. I cleared at approximately 1240 hours.

29. DETAILS OF INCIDENT

On February 22, 2012, I was advised I had a late report pending from Park Police records department. I telephoned my supervisor, Kurt Veeck, and asked him to supply me with a shift summary of the date (September 12, 2011) the case number was supposed to have occurred on. According to the shift summary for that date, I obtained a case number for "leash law" on Ocean Beach. The time of the incident was apparently 1501 hrs. There is no other information on the shift summary. I have no recollection of this incident and it is not known to me what, if any, law enforcement action was taken by me.

	On 09-14-11, at approx. 1035 hrs., I observed an adult male, later identified as (b) (6), (b) (7)(C) walking northbound on the paved Milagra Ridge Trail just south of the centrally located information kiosk with a medium sized, black dog (which was off leash and running unrestrained on the trail.) When (b) (6), (b) (7)(C) looked in my direction, he immediately stopped walking and he leashed this pet. I contacted (b) (6), (b) (7)(C) and identified myself as a law enforcement ranger. I advised him that pets needed to be restrained on a leash at all times while on National Park Service property in San Mateo County. Upon a dispatch computer check, (b) (6), (b) (7)(C) returned clear of wants/warrants with no local file contacts. I issued him a verbal warning for this leash law violation and I released him on-scene. I cleared at approx. 1045 hrs.

On September 14, 2011 at approximately 1224 hours, I was on uniformed patrol in a marked patrol car, just leaving China Beach, which is clearly signed and posted with 5 signs "No Pets", when I saw a white male adult (later identified as (b) (6), (b) (7)(C)) sitting on a bench between 2 such posted signs, with 2 dogs on leash. I parked my patrol car and identified myself and explained why I was there and (b) (6), (b) (7)(C) said he was not going to the beach, just sitting on the beach with his dogs, waiting for his wife who went to the bathroom, he thought that's what the sign meant. I said that once he entered the gate and passed the first posted sign, he was in violation. (b) (6), (b) (7)(C) said he would just leave and I asked for identification, which he gave me a (b) (6), (b) (7)(C) license. I asked (b) (6), (b) (7)(C) to wait just outside of the gate and I would be right with him. Park Dispatch ran a computer check, which returned negative for wants/warrants and a valid license. I gave (b) (6), (b) (7)(C) a written warning in violation of 36 CFR 1.5(f), as it is posted on the sign on the fence to the entrance of China Beach. I explained the written warning notice and appreciated his cooperation. (b) (6), (b) (7)(C) and his 2 female companions left the area.

Cleared at approximately 1230 hours.

29. DETAILS OF INCIDENT

On September 17, 2011 from 1356 to 1420 hours, I conducted a foot patrol from the West Bluff Picnic Area, through the Wildlife Protection Area (WPA) known as "Baby Beach" towards the east, under the "NOAA Pier" to the eastern border of the Wildlife Protection Area. During my patrol, I observed 1 (one) leashed dog, 7 adults (2 adults were with the leashed dog), 1 child and no unleashed dogs and/or pets. I saw no snowy plovers and 5 Western Gulls, 3 out of the 5 were under a year old. No other species of birds were on shore.

2 females with 2 unleashed dogs came up to the locked gate on the north side of the WPA and stopped, looked at me, but turned around. 2 sets of: 1 male/1 female and a dog, each came within 20 feet of the eastern gate (beach side) on the bay side, but did not enter the gate and watched me for approximately 10 minutes before turning around and began walking back towards East Beach Parking Area (presumed). The 2 females with the 2 unleashed dogs did finally get to the bay side (eastern side of the gate, beach side) to let their dogs run.

I returned on the Promenade and saw 6 off leash dogs and 2 on leash dogs on my walk back to my vehicle, all were well behaved and no violations were noted.

Cleared at approximately 1420 hours.

	On 09/18/2011 at approximately 1550 hours, park communications advised that they received a report of two subjects and a dog stuck on the cliffs at Fort Funston. San Francisco Fire Department was already enroute. I responded from Ocean Beac stairwell 15 along with Ranger Gibbs. Lifeguards Hood and Matthews also responded. Upon arrival to the main lot, Engine 19, Truck 19, Battalion 8 and Rescue squad 2 were on scene. SFFD units sets up rescue ropes and it was determined that no subjects were on the cliff. A single dog was the only victim. I assumed Incident Commander for the National Park Service and transferred the incident over to the ICS channel. SFFD units conducted the rescue of the large Rottweiler mix. Ranger Gibbs contacted the subject later identified as (b) (6), (b) (7)(C) the owner of the dog as I assisted the fire department with the rescue. I informed him to conduct a computer check on (b) (6), (b) (7)(C) and issue a citation for creating hazardous condition. Clearly posted signs throughout Fort Funston inform visitors to stay clear of the cliffs due to dogs and people falling off the side. The dog was safely lowered to the beach and (b) (6), (b) (7)(C) was issued citation 3448362 for 36 CFR 2.34(a)(4)-creating a hazardous condition. Upon giving (b) (6), (b) (7)(C) the citation, she stated that her dog would not respond to her commands to come back from the cliff before if fell over.

	At approximately 1130 hrs, September 19, 2011, I was on foot patrol walking down the dirt trail to the lower tier at Milagra Ridge. I observed Mr. (b) (6), (b) (7)(C) climb over the cable fence onto NPS property with two large dogs off leash. He proceeded walking up the dirt road where we met. I requested he leash his dogs and Mr. (b) (6), (b) (7)(C) complied. He said that he does not bring his dogs to Milagra Ridge and was not aware that leashes are required. Mr. (b) (6), (b) (7)(C) said that he noticed two signs when he started walking up the road but did not see signs regarding dogs. We walked to the signs and they indicated that a social trail was closed to hikers and bicycles. There were no leash required signs that Mr. (b) (6), (b) (7)(C) could have seen. I advised Mr. (b) (6), (b) (7)(C) of the locations of numerous "voice control" areas located in the Golden Gate National Recreation Area. Mr. (b) (6), (b) (7)(C) was issued a United States Dept. of the Interior, National Park Service Warning Notice for violation of 36 CFR 2.15(a)(2) "Fail To Restrain Dog On Leash." He was then released. Mr. (b) (6), (b) (7)(C) checked clear for wants and warrants.

On 09/19/2011 at approximately 1850 hours, I was driving in my marked vehicle down the Sneath lane road on Sweeney Ridge when I noticed a subject in the distance with their dog off leash. A couple of minutes later, I approached the subject and immediately recognized her to be (b) (6), (b) (7)(C) a subject I contacted and cited on 03/27/2011 (case # 11-3549) on the same road for the same violation. Upon contacting (b) (6), (b) (7)(C) she had leashed her dog. I informed her that she needed to have her pet on leash at all times when entering the park property. (b) (6), (b) (7)(C) stated that the park service had no authority on the road and wanted to argue with me. I asked what law enforcement department would she call if an incident happened at the very location she was standing. She told me San Bruno Police. I told her they would refer the case to the National Park Service, the same department she felt had not authority. I then told her that if I contacted her again with her dog off leash, I would issue her a citation for a mandatory appearance in court and she could be arrested for failing to leash her dog. (b) (6), (b) (7)(C) stated she found it funny that I was always working so late in the area. I told her it was my shift and my beat coverage. I cleared at 1900 hours with a warning for failure to leash pet. 94 INVESTIGATOR NOTIFIED

On September 20, 2011, at approximately 0930 hrs, while patrolling Bunker Road in a marked patrol vehicle, I observed an individual (later identified as (b) (6), (b) (7)(C)) throwing a stick to an unleashed dog at the Rifle Range. Dogs must be leashed in the area. I drove into the Rifle Range and contacted (b) (6), (b) (7)(C) at her vehicle (b) (6), (b) (7)(C). I asked (b) (6), (b) (7)(C) if she was aware that dogs must be leashed in the area and she stated "no". I then asked (b) (6), (b) (7)(C) for her driver's license. (b) (6), (b) (7)(C) then provided me with her driver's license. I radioed to Park Dispatch for a wants/warrants check of (b) (6), (b) (7)(C). Dispatch radioed back that (b) (6), (b) (7)(C) had a (b) (6), (b) (7)(C). I informed (b) (6), (b) (7)(C) that she had a (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) provided her with a copy of California form DL-310. Dispatch further informed me that (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) asked (b) (6), (b) (7)(C) if she was aware her (b) (6), (b) (7)(C) and she stated "no". I then informed (b) (6), (b) (7)(C) that she needed to make arrangements to have her vehicle removed by a licensed driver. Neither (b) (6), (b) (7)(C) or my cellular telephone had reception so I radioed Dispatch to call a telephone number (b) (6), (b) (7)(C) that (b) (6), (b) (7)(C) had provided me to have her friend (b) (6), (b) (7)(C) come to pick up (b) (6), (b) (7)(C) vehicle. Dispatch radioed back the friend had been notified and was enroute. At approximately 1000 hrs, (b) (6), (b) (7)(C) arrived on scene. (b) (6), (b) (7)(C) indicated she could not locate and additional driver due to the short notice. (b) (6), (b) (7)(C) indicated she would find another driver by day's end. I allowed (b) (6), (b) (7)(C) to drive (b) (6), (b) (7)(C) vehicle into the shade and then I assumed possession of the vehicle key. (b) (6), (b) (7)(C) was issued a written warning for 36 CFR 2.15, and a violation notice for 36 CFR 4.2 (b), California Vehicle Code 4000 (a)(1). Clear at approximately 1020 hrs.

NATURE OF INCIDENT PETS/DOG ATTACK - NO ARREST				6 RECLASSIFICATION OF INCIDENT							

7 RESULTS OF INVESTIGATION

I was notified by USPP COMSEC that they had received a telephone report of a dog attack at Baker Beach. I telephoned Complainant/Victim (b) (6), (b) (7)(C) and he related the following. (b) (6), (b) (7)(C) was walking his dog, a black Kelpie mix named (b) (6), (b) (7)(C) off-leash on south Baker Beach near Lobos Creek. (b) (6), (b) (7)(C) was talking with a dog walker named (b) (6), (b) (7)(C) who had 3-4 dogs, also off-leash. (b) (6), (b) (7)(C) said a brown/white Pitt Bull he identified as 4 year-old (b) (6), (b) (7)(C) aggressively charged at (b) (6), (b) (7)(C) and attacked (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) said he was able to pull (b) (6), (b) (7)(C) away from the other dog. Sometime later, (b) (6), (b) (7)(C) said (b) (6), (b) (7)(C) again charged at (b) (6), (b) (7)(C) making a "bee-line to (b) (6), (b) (7)(C) and attacked (b) (6), (b) (7)(C) again." This second time, (b) (6), (b) (7)(C) said (b) (6), (b) (7)(C) used his mouth to grab (b) (6), (b) (7)(C) by the ear and hold him down. (b) (6), (b) (7)(C) and the other dog owners had difficulty separating the two dogs. (b) (6), (b) (7)(C) said he picked up a stick and hit (b) (6), (b) (7)(C) the Pitt Bull with it. In the scuffle (b) (6), (b) (7)(C) said he suffered an approximately 3" gash/deep scratch on the back of his left leg; he did not know who inflicted the scratch. The two dogs were eventually separated and (b) (6), (b) (7)(C) said he found no injury to his dog (b) (6), (b) (7)(C) but (b) (6), (b) (7)(C) suffered a wound by his eye. (b) (6), (b) (7)(C) said (b) (6), (b) (7)(C) owner- (b) (6), (b) (7)(C) said (b) (6), (b) (7)(C) had a controlled bite on (b) (6), (b) (7)(C) and if (b) (6), (b) (7)(C) wanted to hurt (b) (6), (b) (7)(C) he could have. (b) (6), (b) (7)(C) said he is now in fear of going to the beach again with his dog.

I then telephoned witness (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) whose number was given to me by (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) said she was on Baker Beach with dogs she was walking (she's a professional dog walker/Wolf Walks) when she observed (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) approaching her so his dog could see her dogs. (b) (6), (b) (7)(C) said (b) (6), (b) (7)(C) owner of (b) (6), (b) (7)(C) was coming down from the dunes; (b) (6), (b) (7)(C) said she called (b) (6), (b) (7)(C) over to her location. (b) (6), (b) (7)(C) said (b) (6), (b) (7)(C) ran up to (b) (6), (b) (7)(C) and they engaged in a "short scuffle" and then separated. (b) (6), (b) (7)(C) said (b) (6), (b) (7)(C) then came to her before (b) (6), (b) (7)(C) called (b) (6), (b) (7)(C) and then (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) got into it again." (b) (6), (b) (7)(C) said (b) (6), (b) (7)(C) "makes a terrible noise" and "got into it with one of my dogs before." (b) (6), (b) (7)(C) said this second time (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) scuffled, (b) (6), (b) (7)(C) had (b) (6), (b) (7)(C) by the scruff and wouldn't let go. (b) (6), (b) (7)(C) said she pried (b) (6), (b) (7)(C) jaws open with a stick to assist in separating them. Once separated, (b) (6), (b) (7)(C) said (b) (6), (b) (7)(C) had a bite under his eye and (b) (6), (b) (7)(C) then put (b) (6), (b) (7)(C) on a leash.

I talked to (b) (6), (b) (7)(C) owner, (b) (6), (b) (7)(C) first by telephone while she was at the vet's, and a second time when she called me later. (b) (6), (b) (7)(C) said the incident occurred when she was calling (b) (6), (b) (7)(C) and he became engaged in a scuffle with another dog. (b) (6), (b) (7)(C) said "my dog ran up to say hi with a pack of dogs he plays with all the time." (b) (6), (b) (7)(C) said (b) (6), (b) (7)(C) had "bite control" on the other dog and did not injure the other dog. (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) said if (b) (6), (b) (7)(C) had intended to injure (b) (6), (b) (7)(C) he would have, but he did not. (b) (6), (b) (7)(C) said (b) (6), (b) (7)(C) was not releasing his hold on (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) had to put her fingers into (b) (6), (b) (7)(C) mouth to get him to release. (b) (6), (b) (7)(C) stated (b) (6), (b) (7)(C) suffered a bite mark under his eye and two scratches on his right cornea. (b) (6), (b) (7)(C) said she and (b) (6), (b) (7)(C) were in a previous USPP Case # 08/19/2010 and said wants to complain that (b) (6), (b) (7)(C) bit and injured her dog (b) (6), (b) (7)(C).

This report will faxed to SF Animal Care & Control at 864-2866 and SFPD Ofc. J. Denny at 671-3180.

On Tuesday September 20, 2011 at approximately 1320 hours, I was patrolling the Wildlife Protection Area of Ocean Beach when I observed a hispanic male with his dog off leash. It is illegal to have an off leash dog in the Wildlife Protection Area and the beach is signed accordingly. I contacted the man who identified himself as (b) (6), (b) (7)(C) of San Francisco. (b) (6), (b) (7)(C) said that he does not normally visit Ocean Beach with a dog and that he did not know the rules. A computer check of his license came back negative for wants or warrants, and his name was not in the park local file. I issued him a National Park Service Warning Tag for violation of 36CFR7.97(d) Possession of an Unleashed Pet in a Wildlife Protection Area, and advised him that if he was contacted again, that he would receive a citation. I cleared at approximately 1320 hours.

On September 21, 2011, at approximately 1600 hours, I was notified by Parks Conservancy staff members of the Muir Woods Visitor Center that a man entered the site carrying a dog. They said that the man observed a discussion between staff and another visitor over the pet closure, and the man moved out of view with his dog. The dog was described as a weimaraner. While walking through the Monument, I encountered multiple visitors complaining of encountering a similar man with a large dog. As I approached Bridge 3, I located a man with an older woman and the dog. I asked the man why he had entered Muir Woods with his dog, and he said that he did not see any signs noting that the area was closed to pets. I asked the man where he parked his car, and he stated that he did so in the overflow parking lot. There are no less than three signs advising guests that the Monument is closed to pets from the overflow parking lot to the site entrance. When I shared this with the man, the man argued that the signs weren't apparent enough. I collected the man's drivers license, and, through dispatch, I identified the man as (b) (6), (b) (7)(C). I escorted (b) (6), (b) (7)(C) and his mother to the entrance of the Monument.

(b) (6), (b) (7)(C) received a violation notice for 36 CFR 2.15(a)(1), possessing a pet in a(n)... area closed to the possession of pets by the superintendent. I explained the bailable violation notice to (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) signed, implying he understood.

SUMMARY:

On September 22nd 2011 at approximately 0950 hours while on patrol of the Rodeo Beach area, I observed two medium large sized Huskies swimming in the Lagoon and disturbing shorebirds. The Lagoon is a protected body of water with a conspicuously placed regulatory sign on the bridge displaying "Wildlife Area - No Dogs in the Lagoon". I walked out to the area and contacted a white female adult later identified as **(b) (6), (b) (7)(C)**. I asked **(b) (6), (b) (7)(C)** if she was the owner of the dogs. **(b) (6), (b) (7)(C)** stated "Yes", and I advised her to leash her pets since she was unable to control them with "Voice Control". After approximately five minutes **(b) (6), (b) (7)(C)** was able to leash only one of the dogs which she placed into her car a **(b) (6), (b) (7)(C)** XL with CA plate 5PDP404. As she attempted to leash the second dog the first then jumped out of the car and returned to the Lagoon. **(b) (6), (b) (7)(C)** stated that she was having difficulty controlling her dogs since "There was something dead in the Lagoon". I informed **(b) (6), (b) (7)(C)** that she was in a Protected Wildlife Area where nature would take its course. By approximately 1010 hours **(b) (6), (b) (7)(C)** finally maintained control of both dogs by leash and placed them securely in the back of her vehicle.

I issued BEECHER VN 2336109 for 36 CFR 2.15(a)(1)

I was on uniformed patrol in a marked patrol car at the West Bluff Picnic Area on 09/22/11 at 1735 hours. At that time, I saw a white male with a dog off leash in the posted wildlife protection area. There were no other visitors on the beach. I identified the man by his stated driver's license number (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) stated he read the signs but thought they meant his dog could not go in the water.

I gave (b) (6), (b) (7)(C) a verbal warning for violating 36 CFR 7.97(d)(i) - pet off leash in the Crissy Field Wildlife Protection Area.

On September 25, 2011, at approximately 1020 hrs, I received a radio report from Beach Patrol Lifeguards James Matthews and William Hood regarding a non-compliant individual with an off leash dog at Ulloa and Ocean Beach. I responded to the area from the Lands End and was advised by radio while en-route to meet with Matthews and Hood at the Sloat Turnaround. I arrived to the Turnaround at approximately 1030 hrs. Matthews and Hood advised me upon my arrival that they were driving on the beach when they stopped and contacted an individual for an off-leash dog at Ulloa. Matthews and Hood advised the individual that he was in a Wildlife Protection Area and that all dogs must be leashed. Matthews and Hood stated the individual asked if they were law enforcement officers and asked to see their badges. Matthews and Hood stated they were not law enforcement officers but would radio for a law enforcement officer if the individual refused to leash his dog. Matthews and Hood stated the individual indicated to them he would be gone before law enforcement arrived on scene. The individual then walked south along the beach with his unleashed dog; according to Matthews and Hood. Matthews and Hood kept a visual on the individual as he walked south on the beach from Ulloa. I asked Matthews and Hood to describe the individual and they stated he was a white male wearing blue jeans, a tan jacket, and baseball cap. They then pointed to an individual walking south at the 2nd Overlook and stated that was the individual.

then drove to the 2nd Overlook and contacted an individual matching the description provided by Matthews and Hood. The individual was identified by (b) (6), (b) (7)(C) driver's license as (b) (6), (b) (7)(C). I observed (b) (6), (b) (7)(C) had a leashed dog at his side. I asked (b) (6), (b) (7)(C) to tell me what happened. (b) (6), (b) (7)(C) stated he was walking his "leashed" dog at "the rocks" (clarified during my conversation with (b) (6), (b) (7)(C) as the rocks at Sloat) when he was approached by the lifeguards. (b) (6), (b) (7)(C) stated the lifeguards told him "fuck you" as they ordered him to leash his dog.

ITEM 7 RESULTS OF INVESTIGATION

(b) (6), (b) (7)(C) told me the lifeguards have no authority to issue an order. I advised (b) (6), (b) (7)(C) the guards are Federal employees driving a well marked beach vehicle and were attempting to advise him that he was required to have his dog leashed. I further informed (b) (6), (b) (7)(C) that the beach patrol routinely make numerous contacts on the beach to inform visitors of the rules and regulations.

I then observed Matthews and Hood drive into the 2nd Overlook. I walked over to their beach vehicle and asked them if (b) (6), (b) (7)(C) was the individual they had contacted at Ulloa. Matthews and Hood both stated that (b) (6), (b) (7)(C) was the individual they had contacted at Ulloa. Matthews and Hood prepared witness statements; which are attached to this report.

(b) (6), (b) (7)(C) was issued violation notice 3448331 for 36 CFR 7.97 (d)(ii) and given back his driver's license (b) (6), (b) (7)(C) was given the opportunity to submit a witness statement but declined, stating "I'll appear in court". Clear at approximately 1100 hrs

My observation at the time of my arrival to Sloat and on to the 2nd Overlook was that the combined tide and ocean swell would have made it impossible for the guards to have driven to the "rocks" as (b) (6), (b) (7)(C) described. The beach at Ulloa is wider though and would have allowed a vehicle to drive in that location.

Comments: Off leash dog encountered north of Sloat on Ocean Beach. (b) (6), (b) (7)(C) complied with order to leash the dog after demonstrating that he had verbal control by having his dog perform tricks. (b) (6), (b) (7)(C) was verbally abusive to me and stated, upon his release with a written warning for 36 CFR 2.15, that I was doing "a disservice to the public". I asked (b) (6), (b) (7)(C) to explain why he thought I was doing a disservice but he replied with a nonsensical profanity laced verbal tirade.

On September 27th, 2011, at approximately 0750 hours, I went to Ocean Beach and Sloat to assist Ranger Goodwin who was contacting a male who had his dog off-leash in the Wildlife Protection Area. It is a violation of the law to have a pet off-leash in the Wildlife Protection Area.

As I was walking across the sand towards Ranger Goodwin and his contact, I observed a large pit bull dog running up behind Ranger Goodwin. I looked behind the dog and saw a male, later identified by his name and date of birth as (b) (6), (b) (7)(C), walking behind the pit bull.

I called at a loud volume for (b) (6), (b) (7)(C) to call his dog back and to place it on a leash. (b) (6), (b) (7)(C) looked at me but did not obey my lawful order, and instead continued walking at the same pace, did not call after his dog, and did not make any attempt to place his dog on a leash. The pit bull continued running down the beach past Ranger Goodwin. I called a second time in a loud volume for (b) (6), (b) (7)(C) to take control of his dog and place it on a leash. Again, (b) (6), (b) (7)(C) did not obey my lawful order. (b) (6), (b) (7)(C) again did not call after his dog and did not make any effort to take control of his dog or place it on a leash. (b) (6), (b) (7)(C) continued walking at the same casual pace, and did not pursue his dog or call after it.

On September 27, 2011 at approximately 1300 hours, I was patrolling the Wildlife Protection Area of Ocean Beach when I noticed a WMA with an off leash dog. Dogs are required to be on leash in that area, during that time of year. I spoke with the man and he identified himself as (b) (6), (b) (7)(C) of San Francisco. He said that he was not aware of the leash law on Ocean Beach, and I advised him that there was a sign at the stairwell that he entered the beach from. I issued him a National Park Service Warning notice for violation of 36CFR7.97(d) Pet Off Leash in a Wildlife Protection Area, and advised him that if he was contacted again that he would be cited. I cleared at approximately 1325 hours.

On September 28, 2011 at approximately 1255 hours, I was patrolling the Bobcat Trail from the intersection with the Marincello Trail down to Rodeo Valley. While driving down the trail I came upon a white male adult with 2 dogs in his possession. I stopped and contacted the individual and asked him for his identification. He produced a (b) (6), (b) (7)(C) Driver's License which identified himself as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) of (b) (6), (b) (7)(C). When I told (b) (6), (b) (7)(C) that dogs are not allowed on the Bobcat Trail, he replied "I always bring them on this trail". I then issued him U.S. District Court Violation Notice #2533803 for violation of 36CFR2.15(a)(1) Possession of a Pet in an Undesignated Area. I later gave (b) (6), (b) (7)(C) a map of the Marin Headlands which showed the trails where dogs are allowed. I cleared at approximately 1305 hours.

I was on uniformed foot patrol of the Crissy Field Wildlife Protection Area (WPA) on 09/29/11 at 1530 hours. At that time, I clearly saw a white male with an unleashed dog in the WPA. The WPA is posted with pets on leash regulation signs painted red and spaced about every forty five feet around the perimeter of the WPA. The male subject saw me and placed his dog on a leash.

I then contacted the subject who identified himself as (b) (6), (b) (7)(C) with a birthday (b) (6), (b) (7)(C). I radioed this information to my dispatch center and confirmed his identity through matching descriptors from (b) (6), (b) (7)(C) Driver's License (b) (6), (b) (7)(C). I issued (b) (6), (b) (7)(C) citation 3044722 for 36 CFR 7.97(d)(i) - Pet Off Leash in Crissy Field WPA. (b) (6), (b) (7)(C) was polite and compliant throughout my contact with him.

29. DETAILS OF INCIDENT

On Saturday, October 1, 2011, I conducted a visual survey of the Ocean Beach Snowy Plover Protection Area (SPPA) from Stairwell 21 to Lincoln Avenue for compliance with the seasonal leash restriction for pets (36 CFR 7.97(d)(1)(ii))

I saw approximately four dozen visitors, one leashed dog walking, and a party of three dogs and two humans seated by the waterline. I conducted a uniformed foot patrol to the seated dog/human party to ensure understanding of the SPPA restrictions.

I also made contact with two parties walking unrestrained pets southbound on the waterline past Stairwell 21, the northern boundary of the SPPA. As there is no regulatory signage there, I informed them of the SPPA restrictions.

Narrative: On October 2, 2011, at approximately 1025 hrs, while performing a pet patrol in the dunes near Judah, I was approached by two off-leash medium sized dogs. Dogs must be on leash in this area. One of the dogs was highly aggressive and ran up to me baring his canines. I withdrew my service issued Taser, turned the device on and pointed it at the dog. I yelled out "whose dog is this" and "leash it or it will be Tased".

On Thursday, October 13, 2011 at about 1102 hours, I began a uniformed foot patrol of the Batteries to Bluffs trail, an area closed to pets in the Superintendents Compendium under the authority granted in 36 CFR 2.15(a)(1). I started at the Battery Crosby trailhead and walked toward the Fort Scott trailhead.

At about 1154 hours, I met two adult males with an unrestrained dog descending the Batteries to Bluffs trail just north of the viewing platform below Fort Scott. A man identified by clear and valid (b)(6), (b)(7)(C) driver's license as (b)(6), (b)(7)(C) said the dog was his. His companion said they usually walked the dog on the Coastal Trail along Lincoln Boulevard, but neither man acknowledged seeing any regulatory signs regarding pets on the Batteries to Bluffs trail. As there is major habitat restoration and construction occurring in the area and I was not aware of what signage remained, I gave (b)(6), (b)(7)(C) a verbal warning for pet in a closed area and asked the group to return to the trailhead. I also provided (b)(6), (b)(7)(C) with information on determining pet regulations at Golden Gate National Recreation Area. I cleared my foot patrol at about 1251 hours.

SUMMARY: See Cover

NARRATIVE: On Thursday, October 30, 2011 at approximately 1511 hours, I patrolled the Wildlife Protection Area of Ocean Beach. As I was driving north on the beach at Lawton, I saw a dog running around off leash. I exited my vehicle and contacted the man I presumed to be the dog's owner. I confirmed this man was the dog owner and I identified him as, (b) (6), (b) (7)(C) of (b) (6), (b) (7)(C)

I asked (b) (6), (b) (7)(C) if he knew what the pet regulations were for the specific area and he replied, "No. I had no idea my dog had to be leashed". While awaiting park dispatch to confirm (b) (6), (b) (7)(C) identity, I took a few minutes to educate him on the pet regulations pertaining to Ocean Beach.

(b) (6), (b) (7)(C)

Ranger Airey-Van Diem responded to back me up. Once on scene, Airey-Van Diem took control of the (b) (6), (b) (7)(C) dog and I conducted a full search of (b) (6), (b) (7)(C) I only located some change and car keys on his person.

During the search, a woman who had been sitting nearby approached Ranger Airey-Van Diem as I was conducting my search. She asked, "What is going on here?" (b) (6), (b) (7)(C) responded, "I had my dog off leash." The woman responded, "Why are you doing this? This is wrong." I spoke up and said, "Ma'am, this is a law enforcement contact. Please go back to your towel." I continued on with my search. I overheard the woman say to Ranger Airey-Van Diem, "You can't do this. This is wrong." He replied, "Yes we can. We are the police." Her reply, "So this is a police state now? Is that what this is?" The woman then left the area and went back to her belongings.

I issued a verbal warning to (b) (6), (b) (7)(C) for violation of 36 CFR 7.97(d)(ii) – Ocean Beach Wildlife Protection Area Violation – Leash Law.

All resources were clear of the scene at 1525 hours.

On Friday, October 13, 2011 at about 1456 hours, Ranger Cristal Casler and I began a uniformed foot patrol of the Batteries to Bluffs trail, an area closed to pets in the Superintendents Compendium under the authority granted in 36 CFR 2.15(a)(1). From the Fort Scott overlook, we saw multiple dogs on Marshalls Beach, also an area closed to pets.

At about 1615 hours, on Marshalls Beach itself, I contacted a person identified verbally as clear and valid operator Mark D. with his two unrestrained white husky-type dogs. Initially, gave me a surname of but then corrected it to " ". He did not recall seeing any signs about pets, although the beach access route he described taking has at least three regulatory signs indicating no pets. I issued violation notice #3044110 for possession of a pet in an area closed to possession of pets, 36 CFR 2.15(a)(1) with a total collateral of \$75. I explained rights and responsibilities concerning the notice to him and asked whether he had any questions. He said no and signed the violation notice.

Casler and I cleared our foot patrol at about 1716 hours.

On 10-15-11, at approx. 1227 hrs., I observed a medium sized, leashed dog walking with a white male adult, later identified as (b) (6), (b) (7)(C) on the Kirby Cove Fire Road heading towards the campground in the area. I contacted (b) (6), (b) (7)(C) at this location, identified myself as a National Park Service law enforcement officer, and I advised him that pets are not allowed in this area. I advised (b) (6), (b) (7)(C) that there is a clearly posted and visible sign when heading westbound at the Kirby Cove Gate access near the Battery Spencer Parking Lot that shows and states, "NO PETS." Upon a dispatch computer check, (b) (6), (b) (7)(C) returned clear of wants/warrants with no local file contacts. I issued him a verbal warning for having his pet in an area closed to pets and I released him on-scene. (b) (6), (b) (7)(C) leashed his pet and left the area. I cleared at approx. 1240 hrs.

On October 15, 2011, at approximately 1330 hours, while patrolling the central parking lot of Stinson Beach, I observed a white male and a white female with a dog on a leash walk past a sign advising that pets are not permitted on the beach. I asked the couple to stop, and I directed them to observe the sign. I advised them that they may not take their dog onto the federally managed portion of the beach, but that they could use the beach further north. I pointed and instructed them to walk to the northmost portion of the parking area and to follow the signs toward the county managed portion of the beach. The couple exited from the beach access path and began to walk north along the parking lot. I proceeded into the central lifeguard tower at Stinson Beach, and, while visiting with the lifeguard staff, I noticed the aforementioned couple with the dog walking onto the beach from the access path where I had encountered them. With the assistance of a lifeguard, I was driven onto the beach where I readdressed the couple. I asked them why they had disregarded my instructions, and the woman responded that she, "Almost had a degree in communications," and that I, "Needed to do a better job of describing things to people." I remarked that my instructions were effective enough from them following my directions to walk north along the parking lot. I requested for one of them to provide me with an identification card, and the male supplied me with a (b) (6), (b) (7)(C) driver's license. Through dispatch, I identified the man as (b) (6), (b) (7)(C)

(b) (6), (b) (7)(C) received a citation for 36 CFR 2.15(a)(1), possessing a pet in a designated closed area. I explained the bailable violation notice to (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) signed implying that he understood.

	On Saturday, October 15, 2011 I was on uniformed patrol in a marked law enforcement sedan at Sweeney Ridge. On my way up the Sneath Lane access road, just before reaching the Golden Gate National Recreation Area boundary, I gave a verbal warning to a man and woman with an unrestrained puppy. The dog had a leash snapped to its collar, but the leash was wrapped up in a bundle. I told the man a human needed to be attached to the other end of the least at all times.										
	At about 1500 hours, during my descent down Sneath Lane, I saw the same couple about a quarter mile from the main access gate with the dog once again unrestrained. I contacted the male, who said he was the dog's owner, about two hundred feet inside the gate. He identified himself verbally as clear and valid (b) (6), (b) (7)(C) driver (b) (6), (b) (7)(C). I issued him violation notice #3044122 for failing to restrain a pet on a leash, 36 CFR 2.15(a)(2) with a total collateral of \$100 for a first offense. I explained (b) (6), (b) (7) rights and responsibilities concerning the notice to him and asked whether he had questions. He said no and signed the notice.										
	I cleared Sweeney Ridge by about 1508 hours.

NARRATIVE: On 10/15/2011 at about 1730 hours I was on foot patrol with Ranger David Hahn near Battery Mendell within Golden Gate National Recreation Area. At that time, Ranger Hahn and I saw an adult male who appeared to be walking next to a dog without a leash attached to it. As I approached the male, he attached a leash to the dog. I introduced myself and told him that it was illegal to have his dog unleashed in this area. I identified the male through his **(b) (6), (b) (7)(C)** Driver's License as **(b) (6), (b) (7)(C)**

(b) (6), (b) (7)(C) understood and complied with my direction to have his dog on a leash within this area in the future.

Ranger Hahn and I cleared the scene at about 1745 hours.

At approximately 1050 hrs, October 17, 2011, I was driving a marked ranger sedan eastbound on the Tennessee Valley Trail approximately 1/5 mile west of the parking lot when I contacted Ms. (b) (6), (b) (7)(C) walking eastbound with a dog on leash. I explained to Ms. (b) (6), (b) (7)(C) that Tennessee Valley Trail is a wildlife area and pets are not allowed. A sign to this effect is clearly posted at the gate on the west side of parking lot. Ms. (b) (6), (b) (7)(C) said she had parked in the lot with her dog in the car and the window cracked. Numerous bees were in the area making her dog very nervous so she brought him with her. Ms. (b) (6), (b) (7)(C) was issued a NPS Warning Notice for violation of 36 CFR 2.15(a) (1) "Area Closed To Pets". Ms. (b) (6), (b) (7)(C) were then released and directed to return to the parking lot with her dog. Ms. (b) (6), (b) (7)(C) was provided with a Marin Headlands trail map and directed to areas in the park where dogs are allowed.

On 10/18/2011 at approximately 1810 hours, I was on 4x4 patrol of the Ocean beach area at Lincoln, when I noticed two female subjects with their dogs off leash. Ocean beach has a leash requirement for pets starting from stairwell 21 all the way south to Sloat boulevard. The closure for off pets begins from July 1- May 15 of each year to protect the Snowy Plover shorebird. The female subjects, later identified as [REDACTED], [REDACTED], and [REDACTED] were just inside the wildlife protected area. I informed them to turn around and head north to the off leash area north of stairwell 21 or place their dogs on leash to continue southbound. I gathered their identifications to conduct computer checks. The checks revealed [REDACTED] and [REDACTED] had no warrants or any local file entries. I issued verbal warnings failure to leash pets in a wildlife protected area.

Ranger Cavallaro and I responded from the station to the point last seen. San Francisco Fire Department were also dispatched to the call and arrived on scene when Ranger Cavallaro and I arrived to the area. The fire fighters set up their rigging system to initiate a rope rescue. I gathered more information from the owner of the dog. According to (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) she was walking her dog off leash at Fort Funston when it ran over to the cliff and fell. On October 25, 2011 at approximately 1605 hours, I was patrolling the Crissy Field Plover Protection Area when I noticed a white female adult, walking with a dog off leash. I contacted the woman who identified herself as (b) (6), (b) (7)(C) of (b) (6), (b) (7)(C). I explained the rules for the Protection Area, that dogs have to be on a leash during this time of year. (b) (6), (b) (7)(C) said that she had never heard those rules and that she had not seen any signs. Her name was not in the park local file so I issued her a written warning notice and advised her that if she was contacted again about a pet violation, she would receive a citation. I cleared at approximately 1620 hours.

29. DETAILS OF INCIDENT

On Friday, October 28, 2011 I took a telephone report of a dog injury from a woman identified verbally as (b) (6), (b) (7)(C). Per (b) (6), (b) (7)(C) on Saturday, October 22 at about 0930 hours, she and her seven-year old, 90-pound, neutered male Rhodesian Ridgeback type dog (b) (6), (b) (7)(C) were walking along the waterline at north Ocean Beach. That area of the park is "voice control", so (b) (6), (b) (7)(C) had (b) (6), (b) (7)(C) off leash. Several other dog owners had their dogs off leash also and all dogs were running around, "playing friendly", according to (b) (6), (b) (7)(C).

(b) (6), (b) (7)(C) indicated most dogs and people left, until only one "herder" type dog about half (b) (6), (b) (7)(C) size remained, along with his male owner. The "herder" dog kept shouldering (b) (6), (b) (7)(C) trying to herd him, nipping as they were playing. (b) (6), (b) (7)(C) heard a little yelp and, upon calling (b) (6), (b) (7)(C) over, noticed a small hole in his side. She describes the injury as "L"-shaped, about 2 inches in length, in the left mid-ribcage area. (b) (6), (b) (7)(C) was reporting the incident because her understanding is that all dog bites must be reported.

(b) (6), (b) (7)(C) confronted the "herder" dog owner about the injury and both parties exchanged contact information. (b) (6), (b) (7)(C) received treatment at All Animals Emergency Veterinary Clinic on 9th Avenue in San Francisco, including several stitches and anesthesia.

I spoke with the "herder" dog's owner by phone later that day. He identified himself verbally as Allen T. (b) (6), (b) (7)(C). His dog is a five-year old neutered male Labrador mix named (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) account of the incident is comparable to (b) (6), (b) (7)(C) although (b) (6), (b) (7)(C) felt (b) (6), (b) (7)(C)'s injury was possibly a dog nail laceration, rather than a dog bit puncture wound. Both dogs have valid rabies vaccines.

Both parties confirmed no further injuries and no threats made by either party. I indicated to (b) (6), (b) (7)(C) that I would report the incident to San Francisco Animal Care and Control (completed "Animal Bite Report" form FAX'd on 11/05/11). No criminal violation evident.

	On October 23, 2011, dog owner (b) (6), (b) (7)(C) was walking his dog at Fort Funston when a unleashed dog attacked his dog. The aggressive dog had long black hair and may have been a shepard. The suspect dog owner was described as a male with dark complexion and a bald head with no facial hair. (b) (6), (b) (7)(C) said he might be associated with a newer green model truck. That was the only information Mr. (b) (6), (b) (7)(C) was able to obtain. Mr. (b) (6), (b) (7)(C) dog sustained injuries to the rear leg that took 6-10 sutures to close. Mr. (b) (6), (b) (7)(C) took his dog to the Avenues Pet Hospital on Taraval. (See attached bill for \$703.81). The suspect dog was unknown age, and unknown sex. This was an unprovoked attack according to (b) (6), (b) (7)(C)

	See also attached Pacifica PD report 11-4657. On October 31, 2011 I received information from dispatch when I got to work at 1400hrs of a dog bite that occurred at Mori Point earlier in the day. I contacted the victim, Mr. (b) (6), (b) (7)(C) and made a plan to meet him to take pictures and get a statement. I met (b) (6), (b) (7)(C) near the Pacifica pier at 1800hrs. He said he reported the incident to Pacifica PD but wanted to report it to us because it was on our property. In reading Pacifica PD's report it was on the levee and therefore their jurisdiction. (b) (6), (b) (7)(C) said he had been walking near Mori Point when a man with a large 70+ lb dog approached him. The dog jumped and bit at his right elbow. (b) (6), (b) (7)(C) said he kicked the dog in the head. (b) (6), (b) (7)(C) said the dog owner didn't call the dog back. He said the dog owner mentioned the dog was from a shelter. In my interview with (b) (6), (b) (7)(C) he did not tell me there was a suspect or that Pacifica PD had talked to him. (b) (6), (b) (7)(C) said he did not seek medical treatment.
