

Equestrian Stables and Trails			
This is an informal description of the equestrian use and descriptions in the GGNRA “General Management Plan/Environmental Impact Statement” Newsletter #4; Spring 2008			
STABLES -“See “Types of Facilities and Services:	June 13, 2008	Info from GMP Preliminary Alternatives	
	Alternative 1	Alternative 2	Alternative 3
Golden Gate Dairy	<i>Diverse Opportunities</i> , [yellow] Equestrian uses would be relocated to Lower Redwood Creek (No stables)	<i>Evolved Cultural</i> , [brown] Equestrian use would be provided on designated trails in the area and historic structures would be reused for science and stewardship center or for local community services (No stables) (Would have horse trails)	<i>Evolved Cultural</i> , [brown] Historic structures could be adapted to support equestrian or other recreational uses... (Could have stables)
Lower Redwood Creek	<i>Evolved Cultural</i> [brown] (Lower Redwood Creek), Facilities for visitor activities related to park stewardship, equestrian uses, and a small scale educational organic farm could be accommodated (Could have stables)	<i>Natural</i> , [green] (No stables) (Could have horse trails)	<i>Natural</i> , [green] (No stables) (Could have horse trails)
Tennessee Valley	<i>Diverse Opportunities</i> [yellow] (Tennessee Valley trailhead and Miwok Stables area), Trailhead site improvements support equestrian activities, a multi-use trail connects Mill Valley via the Mill Valley Bike Path, equestrian facilities would be maintained and may expand to Lower Marinello Rd. (stables remain and could expand) <i>Lower Tennessee Valley:</i> <i>Scenic Corridor</i> [blue] (from the trailhead to the ocean), Within the existing footprint, sustainable facilities provided but no longer used for equestrian purposes (LTV stables removed) (Could have trails)	<i>Evolved Cultural Landscape</i> [brown] (TV and Miwok Stables – should be referred to as the Tennessee Valley Stables), will retain equestrian uses, minimal level of visitor facilities, volunteer horse patrol would move to Miwok Stables area (stables remain) <i>LTV: Natural</i> [green] (from the trailhead to the ocean), roads and non-historic facilities would be removed and restored to wetland riparian habitat (LTV stables removed) (Could have trails)	<i>Scenic Corridor</i> [blue] (TV and Miwok Stables), Equestrian uses would be retained, trail and beaches would promote equestrian touring on a “trail to the sea,” overnight accommodations could support this recreational activity. (stables remain) <i>LTV: Natural</i> [green] (LTV stables removed but camping, such as horse camping could occur) (Could have trails)
Marin Headlands- other than at existing stables locations:	In all alternatives, multi-use trails , including opportunities for equestrian use, would be allowed in all zones except “Sensitive Resources” [pink] within the	Same as 1	Same as 1

	Marin Headlands <i>Marin Headlands/Ft. Baker Transportation Plan</i> includes some planned designated equestrian trails		
Marin Headlands Stables at Rodeo Valley	<i>Diverse Opportunities</i> , [yellow] this zone would continue to provide for park operations and be used by park partners, Use of stables still being evaluated based on park operations needs (stables could remain)	<i>Evolved Cultural</i> , [brown] Use of stables still being evaluated based on park operations needs (stables could remain)	<i>Historic Immersion</i> , [orange] Continue to be used by park partners – Use of stables still being evaluated based on park operations needs and the historic immersion concept (stables could be removed)
Sweeney/Cattle Hill	<i>Diverse Opportunities</i> [yellow] (Picardo Ranch) – smaller bubble than showed on map, facilities can include continued equestrian use (stables could remain)	<i>Natural</i> , [green] A trailhead would be located at Picardo Ranch, including for equestriana, stables are removed (stables are removed)	<i>Diverse Opportunities</i> [yellow] Same as Alt 1; (stables could remain)
Rancho Corral de Tierra	<i>Natural</i> [green], trail based recreation, including equestrian use <i>Diverse Opportunities</i> , [yellow] equestrian facilities with strong public programs would occur – new or retained facilities would be restricted to appropriate sites and would include environmental protection for natural and cultural resources (stables could remain)	<i>Natural</i> , [green] same as 1 <i>Sensitive Resource</i> , [pink] the four equestrian facilities would be removed or relocated away from creek corridors (stables removed or relocated, and no horse trails in pink zone) <i>Scenic Corridor</i> , [blue] this area would accommodate an equestrian facility in a sustainable location and configuration (stables could remain)	<i>Natural</i> , [green] same as 1 <i>Diverse Opportunities</i> , [yellow] same as 1 (stables could remain)

Horses on Trails in the preliminary Land Use “Management Zones”: [see “Recreational Activities”]
