ITEM	SUSPECT:
	MUNSON, JOHN F. DOB 11/18/55 CA DL C5816840
	NARRATIVE:
	While Ranger Mar and I were on patrol in the Marin Headlands we observed an adult male
	walking with two unleashed dogs (large brown dog and a small white dog) on the East side of the
	Rifle Range, an area that is required to have dogs on a leash. As we approached the male
	person, the brown dog (possibly a German Shorthair Pointer) was approximately 50 yards away
	and completely out of his view on the other side of the berm, chasing birds in the open area. As
	we were getting closer it appeared that the handler was trying to call the brown dog in with verbal
	commands. The brown dog did not respond to the commands and kept chasing birds, until all the
	birds (at <u>least nine</u> ) were cleared out between the upper and lower berms. I contacted the
	handler, Ex(b)(6) (ID by CA DL) and told him to put the dogs on a leash.
.	have a leash with him. The dogs were then placed in the vehicle is $E^{(x,0)}(0)$ frove to the rifle
	range. I told Ex(0)(6) that the brown dog was chasing birds, and that behavior is not allowed in
<b>[</b>	the park. stated "Well, Yeah, it's a bird dog, that what bird dogs do". I
	wanted to see a sign where it said that his dogs could not do this. I advised Ex(b)(6) that it was
	his obligation as a pet handler to know the laws for pets at Golden Gate NRA. Ex(b)(6) was not
	understanding of the laws and denied doing anything wrong.     Ex(b)(6)   vas given a verbal
	warning for pets off leash and released at approximately 1155 hours.
