SUMMARY: On Wednesday 01/13/2010 at 1115 hours while on foot patrol of the Wildlife Protection Area at Ocean Beach near Santiago Street, I observed a white-male-adult running with an unleashed medium-large sized wirehaired-terrier dog though the signed and designated Wildlife Protection Area. I contacted the runner, asked him to leash the dog, and requested his identification. He stated his name was and provided his California Drivers licenses verbally as claimed ownership of the dog. I asked him how he entered the area and stated "At Sloat" I then asked if he saw the sign explaining the regulations at that location and stated "No, I saw the sign over there" as he pointed in the direction of a nearby sign.

[X(b)(6)] advised me that he walks his dog "regularly" and was "here yesterday." The area is well marked with large conspicuously placed signs displaying "Snowy Plover Protection Area – PROHIBITED – Dogs Off Leash – Disturbing Wildlife".

I issued $\frac{Ex(b)(6)}{VN}$ VN 2335976 for 36 CFR 7.97(d)(ii) – Unleashed Pets in Wildlife Protection Area.

I was clear at approximately 1130 hours

I advised her that her pet needed to be restrained on a Ex(b)(6) leash. Upon a dispatch computer check, returned clear of wants/warrants with no listing on the local file. # STATEMENT OF PROBABLE CAUSE (For issuance of an arrest warrant or summons)

law enforcement officer in the Northern District of California
On Sunday, February 14, 2010 at about 1400 hours I began a uniformed foot patrol of the Crissy Field Wildlife Protection Area WPA) within Golden Gate National Recreation Area. To protect the threatened snowy plover bird species, dogs must remain on eash within the WPA from July 1 through May 15 each year. Regulatory signs are posted at the boundaries of the WPA and on the eastern old Coast Guard pier in approximately the middle of the WPA. I walked from my vehicle, parked at the National Marine Sanctuary Visitor Center, to the west boundary of the VPA and was returning to my vehicle at about 1420 hours when saw two white males with two unrestrained dachshund-like ogs. I watched several minutes as the two dogs ran back and orth on the beach between the two old Coast Guard piers. I pproached the two men, identified by clear and valid California river license as a laid California driver license as a laid California driver license as a laid California driver license as a laid California driver license as a laid California driver license as a laid California driver license as a lasked the men how they ad entered the beach and requested they leash their dogs. They said they had come past the fence delineating the east vPA boundary and were now continuing west, having just neashed their dogs at what they thought was the west oundary.

The area between stairwell 21 and Sloat avenue is a wildlife protection zone and pets are to be on leash while in the area. When I came in contact with Ex(b)(6) he smiled and greeted me. I informed him that pets were to be on leash while visiting the area. Ex(b)(6) immediately grabbed the dog and profusely apologized. He later told me that the pet did not belong to him and that it belonged to his girlfriend. He then stated that he did not see the signs. I gathered his identification and conducted a computer check for wants, warrants and local file check. The check returned clear. I issued a written warning for failure to leash pet in a wildlife protection zone. I cleared at 935 hours. 94 INVESTIGATOR NOTIFIED STATUS: XELOPEN SUSPENDED CLOSED BY: CARREST G UNFOUNDED DISPOSITION **EXCEPTION** BADGE /ID 98 ASSISTING OFFICER BADGE/ID 99 SUPERVISOR DATE

STATEMENT OF PROBABLE CAUSE (For issuance of an arrest warrant or summons)

I state that on North 13, 20 10 while exercising my duties as
law enforcement officer in the Northern District of California
On Saturday, March 13, 2010 at about 1105 hours I began a uniforn foot patrol of the Crissy Field Wildlife Protection Area (WPA). To prot the threatened snowy plover bird species, dogs must remain on lea within the WPA from July 1 through May 15 each year. I had be watching two males playing fetch with an unrestrained Weimaraner-todog just west of the old Coast Guard pier inside the WPA for about I minutes. I approached them and asked whose dog it was. They to me the dog belonged to both of them. I asked the man with the lea hanging from his neck, identified by a British Columbia driver license leash the dog. I asked the other man whether he had identification from the USA and he said yes, but not with him. He provided ver information identifying him as a california driver's license. The men had entered the WPA from the work where a row of regulatory signs identifies the boundary. After I clear the contact, are approached me at the National Mar Sanctuary parking lot to indicate he had entered the WPA via the representation of the beach where no regulatory sign is posted. I told him sign were generally posted on the most usual routes of entry, but that the WPA restrictions were explained in brochures, websites and visicenters as well. I told him the violation notice stood, but that he alway collateral.

On Saturday, March 27, 2010 at about 1445 hours, I began a uniformed foot patrol in the Crissy Field Wildlife Protection Area (WPA) within Golden Gate National Recreation Area. From July 1 through May 15, dogs must be leashed in the WPA for protection of the threatened snowy plover bird species. The boundaries of the WPA are designated by signs and fencing. At about 1457 hours, I saw two women westbound in the WPA in the vicinity of the two old Coast Guard piers. They were accompanied by three dogs, only one of which was leashed. I contacted the two women, identified by clear and valid California drivers licenses as

and asked them to leash the remaining two dogs. Each woman leashed a dog and claimed ownership of the dog she leashed when I asked who owned the dogs. I asked the women to sit on the beach between the two piers while I wrote up violation notices. I was clear of contact by about 1510 hours.

Re: Dog bite on April 12th, 2010

Our officers have attempted to get in touch with you regarding a dog bite that occurred on April 12th, 2010. You have called us back once and left a voicemail on April 20th and insisted that a dog bite did not in fact occur but you would keep you dog inside, no callback number was left.

Since then we have left several messages at the phone number given by you to the GGNRA Park Police at the time of the bite, EX(b)(6) and and nobody has called us back.

Officer Wood #23 tried calling the number on May 5th, 2010 and was told that nobody named at that number. When I called a short time later I was told that number was on the other side of town in Pacifica. The Haines Reverse Directory (which looks up phone numbers by address) shows that phone number belonging to

Before we file charges with the Pacifica City Attorney for failure to produce a quarantined animal (see attached), we are giving you the chance to come forward so we can view your dog and check to see if it is licensed and/or has its rabies shots. We are not pursuing any sort of Dangerous or Vicious Animal case and your dog is in no danger of being outhanized.

As a side note, the current fine as of May 5th for being in violation since April 20th (our first voicemail from you) is between \$1,500 at a minimum, and \$15,000 at a maximum, in addition to up to 1 year in the county jail, which is normally reduced to 30 days in the Sheriff's work program for these types of offenses. This criminal offense is a misdemeanor, however, it has a much higher fine then a normal misdemeanor since the fine is between \$100 and \$1,000 and is per day and not per violation.

Please contact me as soon as possible at the phone number below. We understand that often people do not want to admit something happened, however, our agency received a bite report from another agency, and we, by law, must follow up on it. We always try to avoid filing criminal charges on people whenever possible, but these quarantines, especially when the actual quarantine period is already over, can usually be cleared up with a friendly 10 minute visit by one of our officers.

Thanks

Jeff Christner

29. DETAILS OF INCIDENT																		
At approximately 0942 hrs, May 18, 2010, U														4				

At approximately 0942 hrs, May 18, 2010, USPP Officer R. Whalen and I were investigating an unrelated incident on East Beach, Crissy Field, when we noticed the carcass of a deceased Sea Lion. The mammal was in the bay in shallow water almost on the beach. The mammal was approximately 5 foot in length and weighed approximately 80 lbs. From out observations we were unable to determine cause of death or length of time deceased. The Marine Mammal Center and the California Academy of Science were notified and advised that the Sea Lion was still in the Bay drifting east.

(For issuance of an arrest warrant or summons) STATEMENT OF PROBABLE CAUSE

law enforcement officer in the ASKTIEKN District of CALIRRAILA	
On July 4 th , 2010, at approximately 1340 hours, while on uniformed foot patrol on the Great Meadow at Fort Mason, Lobserved a medium sized-brown dog waking while not attached to a leash. The Great Meadow at Fort Mason is an area where pets are required to be on a leash. There are numerous signs posted at the entrances to Fort Mason and 4t other-locations around the Great Meadow that state - in both text and with graphic symbols - that the pets must be on a leash. The dog was near a group of people seated on the grass. Lasked if anyone on the group was the owner of the dog. A male, later identified through dispatch by his name and date of birth as sixeled	>
Failure to have pet on leash. I cleared at approximately 1350 hours. Case number: 10,007154. Citation number: 2333720.

state that on
On July 4, 2010 I was on patrol at Golden Gate National Recreation Area. I observed a blue Chevy minivan
parked at Milagra Ridge with (Exb)(6) showing an
expired registration of 06/2009. Checks with dispatch
confirmed the registration was expired I ran the plate and
it came back with the registered owner as Ex(b)(6)
Ex(b)(6) with a transfer to $Ex(b)(6)$ in $10/21/2008$ .
While I was waiting a black and white dog came down
the steps (trail) near the gate and sat under the van.
After a few minutes the dog ran back up the trail. Then I
saw a male and female and the black and whit dog and
an additional dog come down the trail I contacted the
male and asked him if the blue van was his and he said it
was. I told him the reason for the contact was the dogs off leash and the expired registration. I identified the
male as Ex(b)(6) by his CA driver's license.
Ex(b)(6) said the vehicle would not pass SMOG
inspection.

ON JULY 27, 2010 AT APPROXIMATELY 1715 HOURS IWAS ONTHE BEACH WITH MY DOES AT FORT FUNSTONE. THIS LOCATION IS PART OF GOLDEN GATE RECREATION AREA AND IS ONE OF A FEW OFF-LEASH RECREATION LOCATION IN THE BAY AREA WHERE HUNDREDS OF DOGS VISIT EVERY DAY. OURING THIS PARTICULAR WALK ON THE BEACH, INOTICED A HORSEBACK RIDER APPROCHING ME ON THE BEACH NAT FAR FROM MY LOCATION. MY 14-MONTH OLD GREAT DANG WENT TOWARDS THE HORSE RIDER WITH THE INTENTION OF A GREETING. HE DID NOT EXHIBIT ANY KIND OF AGGRESSIVE BEHAVIOR, BUT RATHER WAS JUST CURIOUS AS HEALWAYS IS WHEN HE SEES OTHER DOGS, HORSES, OR PEOPLE. (I HAVE BEEN WALKING MY DOGS AT FORT FUNSTONE AT LEAST FOUR TIMES A WEEKFOR THE LAST 22 YEARS AND ALL OF MY DOGS, WHICH I RESCUED OVER THE YEARS, HAVE ALWAYS INTERACTED WITH OTHER ANIMALS IN AVERY POSITIVE MANNER. MY GREAT DANE IS KNOWN BY MANY HORSE OWNERS AND HE HAS INTERACTED ON MANY OCCASION WITH THE RIDER AND HORSE.) THE HORSE RIDER, WHO WAS A WHITE FEMALE IN HER LATERIFTIES OR EARLY SIXTIES (ESTAMATED A GE) IMMEDIATELY BECOME VERY AGGRAVATED AND STARTED SCREAMING AT MY GREAT DANE RATHER THAN CALMLY ASKING ME TO LEASH MYDOG. BCAUSE OF HER VOLATILE REACTION, ITURNED AROUND AND WALK TOWARDS MY GREAT DANE WITH THE INTENTION OF PUTTING HIMON LEASH. UNFORTUNATELY, INSTEAD OF WAITING FOR ME TO APPROACH, THE FEMALE RIDER BEGAN TO SCREAM EVEN LOUDER AND CHARGEDILAUNCHED DIRECTLY AT MY GREAT DANE. THE DOG UNDERSTOOD THIS AS AN INVITATION TO PLAY AND BEGAN JUMPING UP AND DOWN WITH JOY. THE DOG REACTED IN THIS MANNER BECAUSE THE LADY CHARGED AT HIM WITH THE HORSE. AS SHE CONTINUED TO CHARGE THE DOG, THE FEMALE RIDER TURNED HER MORSE TOWARDS THE EDGE OF THE HILL WHERE THE SAND IS RELATIVELY DEEP. BOTH FRONT LEGS OF HER HORSE SUNK INTOTHIS AREA AND SHE SLID OFF HER SADOLE INTO THE SAND. AGAIN, SHE HAD CHARGED AT MY DOG AND IN HER FRUSTRATION DID NOT NOTICE HOW DEEP THE SAND WAS IN THIS AREA. I IMMEDIATELY APPROACHED HER LOCATION WITH THE INTENTION OF ASKING HER IF SHE WAS ALRIGHT, BUT INSTEAD I WAS CONFRONTED BY THE FEMALE RIDER WITH ALL KINDS OF OBSCENITIES A DORESSED TOWARDS ME. YORDS LIKE SON OF A BITCH AND FUCKER. WHILE SHE WENT ON RANTING HER OBSCENITIES I WAS ABLE TO REACH MY GREAT DANE AND LEASHED HIM, IT DID TAKE ME A FEW MINUTES. DURING THE ENTIRE TIME, THE FEMALE RIBER DID NOT FOLLOW HER HORSE AND CONTINUED FOLLOWING ME LASHING OUT HER VERBAL ABUSE. SHE RAN IN FRONT OF ME AT LEAST ON FOUR OCCASSIONS TRYING TO ESCALATE A CONFRONTATION AND PROVOKE A RESPONSE FROM ME. SHE MOVED AROUND FREELY EXHIBITING HER FLEXIBILITY.

EACH TIME, ISIMPLY TURNED AROUND AND TRIED TO AVOID EYE CONTACT WITH HERAS SHEWAS A VERY AGGRAVATED FEMALE AND I DID NOT WANT TO BE INVOLVED IN ANY RIND OF A PHYSICAL CONFRONTATION WITH HER. SHE TRIED TO PROVOKE MY RESPONSE FOR ATLEAST TEN TO FIFTEEN MINUTES. ALL THE WHILE, SHE WAS MOVING AROUND PERFECTLY FINE WITHOUT ANY ISSUES I WAS FINALLY ABLE TO PUT ABIT OF DISTANCE BETWEEN US, BUT SHE CONTINUED FOLLOWING ME

The area is designated as closed to pets. I contacted her, advised her of the regulation, and requested her identification. She presented her Texas Drivers License which identified her as she had just recently returned to the area after living in Texas and was unaware of the regulation. GGNRA Communication advised that Ex(b)(6) had previously had a California License $\frac{Ex(b)(6)}{2}$ and service was needed by a Peace Officer for Suspended/Revoked due to a Failure to Appear. Ex(b)(6) advised that she had moved and never received the information by mail. I then issued Ex(b)(6) a Warning Notice for 36 CFR 1.5(f) – Area Closed to Pets and DMV 310 Form - Verbal Notice by Peace Officer for License Status Notification. I was clear at approximately 1330 hours. 95 STATUS III OPEN ☐ SUSPENDED CLOSED BY: ☐ ARREST ☐ EXCEPTION ☐ UNFOUNDED 96 DISPOSITION 97 REPORTING OFFICER BADGE/ID DATE 98 ASSISTING OFFICER BADGE/ID 99 SUPERVISOR BADGE/ID 10/16/20 Agnew 2475

REC STI PROP On Saturday, September 4, 2010, at about 1451 hours, I was on uniformed foot patrol westbound on the Boardwalk at Mori Point. In the middle of the boardwalk, by the double benches, I met a man and woman with three dogs. The man, later identified verbally as clear and valid California driver had a boxer-type dog restrained on a leash. The woman had two Chihuahua-type dogs running unrestrained at her side. I asked who the unrestrained dogs belonged to and that they be leashed. Both the man and woman said the dogs were theirs, but neither had a leash for them. I asked how they had entered the national park and they indicated they had walked in from Pacifica along the Seawall. That location has a regulatory sign indicating pets must be leashed. The couple asked whether they could be given a verbal warning as they had seen many other unrestrained dogs over the last few years. A check of the local database indicated no prior contact with National Park Service law enforcement for violation notice #2536514 for 36 CFR 2.15(a)(2), failure to restrain a pet on a leash, with a total collateral of \$100. I explained \( \text{Ex(b)(6)} \) rights and responsibilities concerning the violation notice to him and asked him whether he understood. He said yes and signed the notice. At my request, the couple returned to the Seawall, the shortest route out of the park, as they had no leashes to restrain the two small dogs. I was clear of contact by 1510 hours. 94 INVESTIGATOR NOTIFIED STATUS: OPEN □ SUSPENDED CLOSED BY: N'ARREST DEXCEPTION DUNEOUNDED DISPOSITION 97 REPORTING OFFICER DATE BADGE /ID 98 ASSISTING OFFICER BADGE/ID Maya SERAPHIN **USNPS #849** 9/04/2010

# STATEMENT OF PROBABLE CAUSE (For issuance of an arrest warrant or summons)

I state that on Sept. 11, 20 10 while exercising my duties as a
law enforcement officer in the Northern District of California
At about 1200 hours, I was on uniformed patrol in a marked law
enforcement sedan, entering the Point Bonita Lighthouse Trail at
Golden Gate National Recreation Area. As I was about to close
the gate behind me, I saw a man and woman with a leashed dog
come down the trail. I asked how their walk had been and how
far they had gotten. They said it was a lovely walk and that they
had reached the still locked tunnel access at the end. The 2010
Superintendents Compendium for Golden Gate National
Recreation Area, under the authority of 36 CFR 2.15(a)(1), states the Point Bonita Lighthouse Trail is closed to possession
of pets. The route followed by the couple has at least two
regulatory signs indicating no pets allowed. I identified the
woman claiming ownership of the small black and white dog
verbally as clear and valid California driver (Ex(b)(6) I was
clear of contact by 1210 hours, continuing down the trail.
<u></u>
The foregoing statement is based upon:
my personal observation my personal investigation
information supplied to me from/my fellow officer's observation
other (explain above)
I declare under penalty of perjury that the information which I have set forth above and on
the face of this violation notice is true and correct to the best of my knowledge.

ITEM STI REC PROP On Saturday, September 18, 2010, at about 1815 hours, I was on uniformed foot patrol at Mori Point. I was walking west on the Old Mori Point Road toward its junction with the Pollywog Trail when I saw a man, pregnant woman carrying a small child, and older dog approach me. The dog was leashed, but no one was holding the other end of the leash of the slow-moving 11-year old dog. The family said they had come in from the Moose Lodge trailhead, an area posted with a regulatory sign indicating pets must be leashed. The man, identified by clear and valid California said the black collie-type dog was his. I told him that driver license as restraining his pet required him to hold on to the other end of the leash at all times, but since a check of the local database showed no previous contact with National Park Service law enforcement, I would simply issue him a verbal warning today. I was clear of contact by 1820 hours and continued north on the Pollywog Trail to return to my vehicle parked at the Fairway trailhead. 94 INVESTIGATOR NOTIFIED STATUS: OPEN III SUSPENDED CLOSED BY: DARREST □ EXCEPTION □ UNFOUNDED DISPOSITION 97 REPORTING OFFICER BADGE /ID DATE 98 ASSISTING OFFICER BADGE/ID Maya SERAPHIN **USNPS #849** 9/18/2010

On the beach, between Vicente and Taraval streets, I saw a lone female walking northbound with an unrestrained Golden Retriever type dog. Title 36 Code of Federal Regulations 7.97(d)(1)(ii) requires dogs to be restrained on a leash starting July 1 and ending May 15 each year in the Ocean Beach Snowy Plover Protection Area (SPPA) between Stairwell 21 and Sloat Boulevard. All street crosswalks into the SPPA are posted with regulatory signs. I watched the woman for several minutes through binoculars as she walked her unrestrained dog within the SPPA. I then approached to ask the woman to leash her dog. She began running south, but stopped when I used my whistle to signal her. The woman identified herself verbally as clear and valid California operator and said the dog was her daughter's. I was clear of contact by 1430 hours.

On 10-21-10, at approx. 0823 hrs., I observed two small sized, off-leash dogs running unrestrained northbound on Ocean Beach near Judah St. I also observed an adult female, later identified as walking in the same direction as these dogs. When booked in my direction, she called for and leashed these dogs. I contacted identified myself as a National Park Service law enforcement officer, and I asked her if these dogs belonged to her. Ex(b)(6) said "yes" and I advised her that pets need to be on leash in this area. Upon a dispatch computer check, she returned clear of wants/warrants with no local file hits. There are clearly posted and visible signs at the Ocean Beach/Great Highway pedestrian crosswalks in this area that state, "PROHIBITED: OFF-LEASH PETS." I issued a verbal warning for having her pets off-leash and I released her on-scene. I cleared at approx. 0835 hrs. 94 INVESTIGATOR NOTIFIED DISPOSITION " UNEQUINDED ··· OPEN SUSPENDED CLOSED BY: ARREST DEXCEPTION 99 SUPERVISOR BADGE /ID 98 ASSISTING OFFICER BADGE/ID 97 REPORTING OFFICER DATE

From July 1 through May 15, dogs must be leashed in the WPA for protection of the threatened snowy plover bird species. The boundaries of the WPA are designated by signs and fencing. Prior to beginning my foot patrol, for about five minutes, I was watching a man, later identified Ex(b)(6) by clear and valid California driver's license as playing fetch with an unrestrained brown Labrador-type dog by the old Coast Guard pier inside the WPA. The man and his still unrestrained dog walked toward the western boundary of the WPA where I met them.

EX(b)(6) immediately complied with my request to leash his dog. He said he and his party had entered the WPA from the old Coast Guard station area, an area posted with regulatory signs. I issued  $E^{X(b)(6)}$  violation notice #2864302 for failing to restrain his pet as required in the WPA, 36 CFR 7.97(d)(1)(i), with a total collateral of \$175. I explained  $E^{X(b)(6)}$  rights and responsibilities regarding the notice to him and asked whether he had any questions. He said no and signed for receipt of the notice. I was clear of the WPA at about 1436 hours. As I was writing this report, I noticed I mistakenly entered the wrong forfeiture amount and total collateral due violation notice, overstating the amount by an even \$25. 94 INVESTIGATOR NOTIFIED STATUS: GOPEN DISUSPENDED CLOSED BY: ARREST □ EXCEPTION IT UNFOUNDED DISPOSITION 97 REPORTING OFFICER BADGE /ID DATE 98 ASSISTING OFFICER BADGE/ID **USNPS #849** 11/27/2010
