

Notes: March 12, 2009 GOGA GMP Workshop

AV, SH, MB, NH, BA, JK, DH, SH
SN, PM, (for transportation portion)

Item 1. Transportation (Alexa V.)

Add common to all:

1. Expand ferry access
2. Taxi pattern to other sites
3. Trip Planning/wayfinding online
4. Congestion management
5. Add Transportation vision, goals and policies as is being done with trails
6. Scenic byways (Brian A. and Alexia will work to develop the language for Common to All)

Cumulative actions:

1. Extend Historic Streetcar service
2. Reconstruction Doyle Drive
3. New visitor use patterns and adjacent public transit improvements along Van Ness would be evaluated to improve circulation and transit links for visitors between the proposed services.

The team reviewed the transportation language that was added to the alternatives and made some changes.
Recorded by BA

Check correct wording and add to style guide:

- Frank Valley Road
- West Marin Sagecoach ???
- Golden Gate Transit
- Camp Hillwood or Hillwood School

Item 2. Zoning Decisions (Brian A.)

1. Muir Beach (natural vs. scenic zone)
The group decided to zone it natural. Address dog management later as it progress and at that time consider another tool.
2. Hillwood School (to retain or remove)
It would be removed to strengthen natural resources in CBA.
 1. Use language from CBA
 2. discuss historic structures question that Steve H mentioned about Druids and Library
 3. talk with Craig K about removing the non-historic structures
3. Visitor Center at Montara light house
Rewrite so that explore multi-agency visitor center to be locates in the area near hwy 1
4. Rezone the marine water for marine reserve such as Fitzgerald
Alcatraz call marine (special) closure instead of marine reserve

5. San Mateo, North of Montara. The two county trails that come up from the town of Montara to McNee Ranch State Park. Consider having County manage the land for dog walking.

1. have conversation with County
2. based upon this information we will review the zoning in April

Item 3. Staffing Levels of Draft Alternatives (Stephan)

1. Susan and Brian will work on protocol / guide
2. Susan will present at senior staff.
3. Manager will have in two weeks to prepare and bring back to next Thursday workshop

Item 5. Low Mission

1. Brian would collect sheets from DH, Maintenance, Public Safety
2. Next, then Stephan can host a meeting on Thursday to work through the cultural resources list.

Sensitive areas to consider: Camino del Canyon, Tenn, Banducci
