

GOGA TEAM DRAFT GMP – PART II - Aviles

NO.	INITIAL	SECT.	PAGE	LINE	COMMENT	RESPONSE/ NOTES
1.	BA	MGT	495	1	Can the heading be simplified?	Retained. We feel this describes the section well.
2.	BA	MGT	495	8	Should we use jargon like FY2009 ? Simplify to “2009”.	Done
3.	BA		495	13	<p>These are well written summaries. I would compare these with the rationale for staff increases. Do they match?</p> <p>I hope we can amplify Environmental and Safety. Among other things, they manage our sustainability programs and are central to addressing climate change.</p> <p>Business also manages leases, concessions, and the legal aspects of park and partner projects, including property easements, encroachments, and acquisition of new lands.</p>	<p>Retained.</p> <p>The rationale for staff increases are generally that there are new lands to manage and that each alternative proposes a variety of development and programs that will impact most divisions. This section discusses what functions each division manages.</p> <p>Done. (Ullensvang provided text): This group is responsible for environmental protection and occupational health and safety; the staff consists of seven FTEs. The division manages the park’s sustainability programs and is central to addressing climate change. Minimizing the park’s environmental impact and movement towards being climate neutral are core responsibilities of the division. The group also manages comprehensive water and energy conservation programs, reduced fossil fuel consumption, sustainable waste management, hazardous and universal waste management, air permits, hazardous materials, and hazardous waste remediation projects.</p> <p>Done. Business: added “The division also manages leases; concessions; and the legal aspects of park and partner projects, including property easements, encroachments, and acquisition of new lands.”</p>
4.	BA		499	12	<p>Yes, hard to capture all partners, but probably not necessary. I suggest you strike the word “programmatic”.</p> <p>Add note that HI is (a part of Nature Bridge) since they are also at Yosemite and Olympic.</p> <p>Substitute Miwok Stables and Home Away from Homelessness for Antenna Theater and Deep Ecology which offer very little public programming.</p> <p>Should also mention Alcatraz Cruises LLC, a part of Hornblower Cruises and</p>	<p>Done</p> <p>I deleted the sentence starting with “Antenna Theatre...” per Nancy’s comment #21.</p>
