Exhibit 1
Unmanned Aircraft Regulations
Shoreline Highway & Fort Funston

**Launch Location**

Launching, landing, or operating an unmanned aircraft from or on lands and waters administered by the National Park Service within the boundaries of Golden Gate National Recreation Area is prohibited except as approved in writing by the superintendent.

Map is for illustrative purposes only

**No UA Operations when Hang Gliders are in the air**

Unmanned aircraft are a hazard to the safety of people piloting hang gliders and para-gliders in the Fort Funston area. No unmanned aircraft operations allowed when hang gliders or Para-gliders are in the air.
Exhibit 2
Site Closures and Trail Restrictions
Fort Baker

These areas and trails are designated as closures or restrictions due to public safety concerns and protection for natural and cultural resources that are highly sensitive to human-induced impacts.

See the GGNRA Superintendent’s Compendium for additional information.

Map is for illustrative purposes only.

**Map Notes:**
- **Bicycles Permitted:**
- Bicycles are allowed on all paved roads or sidewalks unless posted.
- The speed limit for the bicycles in undeveloped areas is 15 mph and 5 mph in areas of limited visibility, steep terrain, and when approaching other trail users.
- BICYCLE GROUPS: maximum number of bicyclists in any one group is 10. Larger groups of cyclists will have to divide into groups of no larger than 10.
- The park receives millions of visitors per year. These restrictions are intended to reduce conflict between users and to address public safety concerns and protection for natural and cultural resources that are highly sensitive to human-induced impacts.
- All trails not noted here as open to bicycles are closed to them.

See 36 CFR 7.97 and the GGNA Superintendent’s Compendium for additional information.
