Subject: Don't Forget -- Send in Comment on GGNRA's Dog Plan NOW

Hi all,

Just a reminder that the deadline for public comment on the GGNRA's proposed Dog Management Plan is this weekend. Please take a few minutes and let the GGNRA know what you think of their plan to cut off-leash access by 90% throughout the GGNRA. It's critical that the GGNRA hear from as many people who support recreation with dogs as possible. Please write.

Written comments must be postmarked on Saturday, May 28 at the latest (because of the Memorial Day holiday, post offices will not be open on Monday). Send comments to:

Frank Dean
General Superintendent
GGNRA, Building 201
Fort Mason
San Francisco, CA 94123-0022

Comments can also be hand-delivered to the GGNRA anytime before 4:30 pm on Friday, May 27 (when the GGNRA offices close for the weekend).

Comments can be submitted online until 11 pm on Monday, May 30 in San Francisco (the deadline is actually midnight in the mountain time zone, which is one hour different from pacific time zone) at:
<http://www.tinyurl.com/GGNRAcommentonline>

You can send in more than one comment, although you should try to make different points in each.

For tips on substantive comments you might want to include in your comment, go to the sfdog website:
<http://www.sfdog.org/content/tips-writing-ggnra-comments>

The website also has some sample letters and a list of elected officials to whom you should send copies of your comments.

This is important. Please take the time to send in your public comments on this draconian plan.

SPEAK NOW OR FOREVER HOLD YOUR LEASH!

-- Sally
