<p>On 08-11-12, at approx. 1033 hrs., I observed an adult female, later identified as (b) (6), (b) (7)(C) walking southbound on the paved Milagra Ridge Trail just south of the centrally located pit toilet with a medium sized dog (which was off leash and running unrestrained on the trail.) When (b) (6), (b) (7)(C) looked in my direction, she immediately stopped walking and she leashed this pet. I contacted (b) (6), (b) (7)(C) and identified myself as a law enforcement ranger. I advised her that pets need to be restrained on a leash at all times while on National Park Service property in San Mateo County. Upon a dispatch computer check, (b) (6), (b) (7)(C) returned clear of wants/warrants with no local file contacts. I issued her a verbal warning for the leash law violation and I released her on-scene. I cleared at approx. 1045 hrs.</p>								94 INVESTIGATOR NOTIFIED

On August 12th, 2012, at approximately 0845 hours, while on uniformed foot patrol in the Wildlife Protection Area (WPA) on Crissy Field, I observed a male walking with two dogs that were off-leash. It is a violation of the law for pets to be off-leash in the WPA at Crissy Field between July 1st and May 15th. I later identified the male by his (b) (6), (b) (7)(C) driver's license as (b) (6), (b) (7)(C)

I contacted (b) (6), (b) (7)(C) introduced myself, and asked him to place the two dogs on a leash. I explained that he was in a wildlife protection area and that the law required all dogs to be on a leash. I drew (b) (6), (b) (7)(C) attention to the numerous signs at all entrances to the WPA stating in both written and graphic form that pets must be leashed between July 1st and May 15th.

I issued (b) (6), (b) (7)(C) a citation for violation of 36 CFR 7.97(d)(i): Pet off-leash in the Wildlife Protection Area at Crissy Field (Citation number: 3701133). I cleared at approximately 0855 hours.

	MARIJUANA - 13.3 GRAMS On August 13, 2012 at approximately 1925 hours while on patrol in the Marin Headlands, I saw a male and female sitting in the front seat of a park vehicle bearing (b) (6), (b) (7)(C) smoking what appeared to be a marijuana cigarette. I approached the vehicle and detected a strong smell of burnt marijuana. I asked the male subject in the passenger seat if he was smoking marijuana. The male replied that he had. He produced a sheet of paper showing him being a medical marijuana patient. I informed him that he was on federal lands and that medical marijuana was not permitted. I then asked the female if she had a medical marijuana card or paperwork showing her as a medical marijuana patient. She replied that she was not a medical marijuana patient. I seized the small plastic baggie of marijuana and issued a verbal warning for the marijuana use on federal lands and the sharing of marijuana product with others without legal permission. The marijuana was put into evidence at the ranger station, building 507 in Fort Baker. End report

On August 14, 2012 at approximately 1150 hours, I was patrolling the Ocean Beach Wildlife Protection Area near Judah when I came upon a white male with a dog off leash. I advised the man to put the dog on a leash, and then I asked him for identification. He identified himself as (b) (6), (b) (7)(C) of (b) (6), (b) (7)(C). I advised (b) (6), (b) (7)(C) about the Wildlife Protection Area and the rule that dogs must be on leash. He said that he did not know about the rule and said that in the future he would make sure to keep his dog on leash. I issued a National Park Service Warning Notice for violation of 36CFR7.97(d) and advised him that his name would be on file and if he was contacted again he may receive a citation. I cleared at approximately 1210 hours.

29. DETAILS OF INCIDENT

NARRATIVE:

On Thursday, August 30th, 2012 at approximately 1808 hours while at Building 1056, Fort Cronkhite, I heard a whining sound which was consistent with, what I thought to be, a possibly injured child. I proceeded to the west end of the building to the emergency exit door and stepped outside. I walked partially down the outside staircase, didn't hear anything additional sounds, but looked toward the parking area and could see a dog hanging out of a SUV by its rear leg. I watched two male subjects running towards the dog. One was able to grab a hold of the dog's hips and the second man attempted to stabilize the dog's head, but jerked back suddenly as the dog attempted to bite him.

I responded from Building 1056 and arrived on scene to find the dog had been safely removed from the SUV. One of the male subjects was visibly distraught and I discovered the dog had bitten his right hand. He was identified as KREN, James P., of San Francisco, CA. The second male subject was subsequently identified as SCHEUMANN, Jerry of San Francisco, CA. Both KREN and SCHEUMANN are NPS employees. KREN and SCHEUMANN had both yelled out to and waved at surfers out in the ocean off of Rodeo Beach. Two minutes after I arrived on scene, the dog owner, identified through (b) (6), (b) (7)(C)

(b) (6), (b) (7)(C) and KREN exchanged information and we discussed what had happened. (b) (6), (b) (7)(C) was very apologetic and was visibly upset at what had taken place. (b) (6), (b) (7)(C) told me his dog; a Vizsla dog breed named (b) (6), (b) (7)(C) usually lies down and sleeps when he surfs. (b) (6), (b) (7)(C) was very cooperative with KREN and agreed to contact KREN with rabies vaccination information which he subsequently did through email.

KREN self transported to the hospital where he informed me he received minor treatment to the bite area to include irrigating the wound and anti-biotics. The rabies vaccination for (b) (6), (b) (7)(C) in which KREN forwarded to me via email, shows expired as of May 2012. KREN subsequently informed me that the hospital staff cited a very low number of reported rabies cases in the San Francisco Bay Area for the last several years and his risk of exposure is very low.

I took photos of (b) (6), (b) (7)(C) and Kren's injuries. I was clear of the scene at 1830 hours.

Narrative: On 09/01/2012, I responded to a report of a dog bite on another dog. The location was the West Bluff picnic area in Crissy Field. Upon my arrival, I met with (b) (6), (b) (7)(C) stated she was the owner of a gray/white pit-bull (b) (6) was carrying (b) (6), (b) (7) (pit bull). They were both walking away from the picnic area. I provided them transportation to their vehicle, which was parked in the rear of bldg. 924.

(b) (6), (b) (7) filled a defendant/suspect statement and immediately stated to me that she was fully responsible for the incident. She also provided me with the name and telephone number of the dog owner that sustained a bite by her pit-bull.

I contacted (b) (6), (b) (7) by phone and she stated she was at the Pets Unlimited Emergency room with her dog, which was being cared for.

(b) (6), (b) (7) stated that her dog was under control on a collar and leash. The collar broke off and her dog saw another dog and went towards it and attacked it. (b) (6) and her pulled their pit bull (b) (6) away from the other dog. She gave her information to (b) (6), (b) (7)(C) and told her she was going to follow her to the emergency veterinary hospital and take care of the vet bill.

I responded to Pets Unlimited and took a statement from (b) (6), (b) (7)(C). Her dog (b) (6), (b) (7)(C) was sitting next to her. He had been checked out by the veterinary doctor on duty and took x-rays of his left eye. (b) (6), (b) (7) suffered a laceration to it. (b) (6), (b) (7)(C) stated she didnt want to press charges on (b) (6) as long as (b) (6), (b) (7) will take care of the veterinary vet bill and (b) (6), (b) (7) appeared to be scared but otherwise ok.

On September 2nd, 2012, at approximately 1229 hours, while on uniformed foot patrol in the Wildlife Protection Area (WPA) in Crissy Field, I observed a male walking with a dog off-leash. It is a violation of the law to have a pet off-leash in the WPA between July 1st and May 15th. I later identified the male by his (b) (6), (b) (7)(C)

I contacted (b) (6), (b) (7) introduced myself, and asked him to place his dog on a leash. (b) (6) said he did not have a leash with him. I asked (b) (6), (b) (7) if he had a belt. (b) (6) said yes. I asked (b) (6) to restrain his dog with his belt and he did. I explained to (b) (6), (b) (7) that I was contacting him because he was in a wildlife protection area and that it was a violation of the law to have his dog off leash. (b) (6), (b) (7) said "I know." I asked (b) (6) why, if he knew it was a wildlife protection area and that it was illegal, he was walking his dog without a leash. (b) (6), (b) (7) stated that he did not care that it was illegal. (b) (6), (b) (7) stated that he was aware that the closure was to protect the endangered snowy plover, but stated again that he did not care and also that he did not believe the snowy plover existed in that area.

5 NATURE OF INCIDENT Natural Resources - Wildlife / Leash Law				6 RECLASSIFICATION OF INCIDENT					

ITEM 7 RESULTS OF INVESTIGATION

The WPA at Crissy field is completely fenced-off, and there are signs at all the entrances stating that pets must be leashed between July 1st and May 15th. The signs also explain the reason for the closure and the significant negative impact caused to the federally endangered Snowy Plover bird by off-leash pets.

(b) (6), (b) (7) went on to tell me he was the owner of the (b) (6), (b) (7)(C) stand at the (b) (6), (b) (7)(C) and that he walked his dog off-leash in the WPA frequently because it is close to where he works. I asked (b) (6), (b) (7) why he didn't walk his dog in the extensive off-leash area surrounding the WPA. (b) (6), (b) (7) matter-of-factly stated that he preferred to walk his dog on the beach in the WPA.

I provided U.S. Park Police dispatch with (b) (6), (b) (7)(C) driver's license information and they informed me (b) (6), (b) (7) had been contacted by National Park Service law enforcement on 3 other occasions, and had received 3 citations and one written warning for having his dog off-leash in the WPA at Crissy Field.

(b) (6), (b) (7) was contacted on 08/12/2007 when he was issued a citation for having his dog off-leash. (b) (6), (b) (7)(C) was contacted on 04/08/08 when he was issued two citations, one for having his dog off-leash in the WPA, and one for harassing wildlife in the WPA. (b) (6), (b) (7) was contacted on 02/03/2012 when he was issued a written warning for having his dog off-leash in the WPA.

I issued (b) (6), (b) (7) a citation requiring his mandatory appearance in court for violation of 36 CFR 7.97(d)(i): Pet off-leash in the wildlife protection area at Crissy Field. I explained to (b) (6), (b) (7) that he would receive a letter by mail at the address he gave me, and that the letter would state the date and time he must appear at federal court. I cleared at 1240 hours.

I was on uniformed foot patrol of the Drown Fire Road at 1710 hours on 09/04/12. At that time, I saw a male and female walking with two dogs unrestrained. One of the dogs was dragging a leash. When the female saw me, she grabbed a hold of the leash from the ground. The man stated that he did not have a leash on him for the second dog. They informed me that they were from the area, and that they knew the dogs were required to be on leash. The fire road has three signs at the entrance which all state dogs must be on leash due to protection of the Mission Blue Butterfly. I identified the male as (b) (6), (b) (7)(C). The female argued that she should not get a ticket for the first dog because he was on leash. She was argumentative saying that she had only dropped the leash for a second. (b) (6), (b) (7)(C) stated he was responsible for both dogs, and I issued him citation 3808552 for 36 CFR 2.15(a)(2)- Pet Off Leash.

On 09-05-12, at approx. 0910 hrs., I observed a small sized, brown, off-leash dog running unrestrained northbound on Ocean Beach near Moraga St. This dog was barking at a visitor passing by the area and it was with an adult white male, later identified as (b) (6), (b) (7)(C). I contacted (b) (6), (b) (7)(C) identified myself as a National Park Service law enforcement officer, and I advised him that pets need to be on leash in this area. (b) (6), (b) (7)(C) then leashed his pet. Upon a dispatch computer check, he returned clear of wants/warrants with no local file contacts. I advised (b) (6), (b) (7)(C) that there are clearly posted and visible signs at the Ocean Beach/Great Highway pedestrian crosswalks in this area that state, "PROHIBITED: OFF-LEASH PETS." I issued (b) (6), (b) (7)(C) a verbal warning for having his pet off-leash and I released him on-scene. I cleared at approx. 0920 hrs.

On Saturday, September 8, 2012, at approximately 1345 hours, while on vehicular patrol with Ranger Navin Chan, I was tasked by Supervisory Ranger James Agnew to respond to a complaint of two small dogs harassing park users at Black Sands Beach of the Marin Headlands. Ranger Chan and I responded to Upper Fisherman's Parking Lot and proceeded on foot to Black Sands Beach. While walking downhill, we encountered a white male and white female with two small dogs walking uphill, toward the parking lot. Both dogs were off-leash, with the woman carrying one and the other on the ground. When questioned, the woman declared that the dogs were service animals, but, through the course of the contact, she was argumentative and failed to explain for what service the dogs were trained. I questioned why her declared service animals were unrestrained in an attempt to have the woman explain the trained task of the dogs, but she instead argued that they did not have to be restrained. I erred on the side of accessibility, for there may have been a legitimate need for the dogs, but I was unable to discern a need for the dogs to be unleashed. The woman, identified through dispatch as (b) (6), (b) (7)(C) received a citation for 36 CFR 2.15(a)(2).

ITEM	7 RESULTS OF INVESTIGATION
	<p>On Saturday, September 8, 2012, at approximately 1345 hours, while on vehicular patrol with Ranger Navin Chan, I was tasked by Supervisory Ranger James Agnew to respond to a complaint of two small dogs harassing park users at Black Sands Beach of the Marin Headlands. Ranger Chan and I responded to Upper Fisherman's Parking Lot and proceeded on foot to Black Sands Beach. While walking downhill, we encountered a white male and white female with two small dogs walking uphill, toward the parking lot. Both dogs were off-leash, with the woman carrying one and the other on the ground. The trailhead for Black Sands Beach features a sign that clearly marks the area as closed to pets.</p> <p>As I approached the woman, I explained that the area was closed to pets, and she sharply retorted that the dogs were service animals. The woman turned the dog she was holding toward me and both stated and demonstrated that the dogs had service animal tags. Given that I have been extensively trained, and that I have trained others, on the subject of the March 15, 2011 service animals update by the Department of Justice, and that I knew that the ADA guidance is very clear that there were no qualifying service animal coins, or tags, or documentation, I asked her to explain what the dogs were trained to do. The woman stated that the dogs were for her seizures. I explained that my question was focused on what the dogs were trained to do and not what they were for. The woman became indignant and stated that I asked too many questions. Specifically, she insisted that I may not ask of her disability. I explained that I was not asking what her disability was, but merely what the dogs were trained to do. She restated that the dogs were for her seizures. I attempted to assist her explanation, and asked if the dogs were perhaps cued by her presentation of pre-seizure behavior or if there was some other trait that invoked a trained response from her dogs. The woman again claimed that I was overly inquisitive and that she did not have to answer my questions. The woman offered to e-mail me with her documentation on service animals, but I declined.</p> <p>The woman objected to further explain what work or task that the dogs had been trained to perform. Upon initial contact with the woman, I noticed that the dogs were unleashed, and I focused on that trait. I explained that service animals are required to be leashed, harnessed, or tethered at all times unless their trained work would require them to be unrestrained or if the handler's disability interfered with their ability to restrain the dog. In an effort to elicit information on the trained ability of the dogs, I asked what work the dogs were trained to perform which required them to be off-leash. The woman argued that service animals do not have to be restrained. I reiterated that they do, in fact, have to be restrained, and I again questioned what trained work the dogs performed that required them to be off-leash. The woman continued to be uncooperative and again stated that the dogs were for her seizures. I asked that the woman leash her dogs, and she refused.</p> <p>[28 CFR 35.136 (d): Animal under handler's control. A service animal shall be under the control of its handler. A service animal shall have a harness, leash, or other tether, unless either the handler is unable because of a disability to use a harness, leash, or other tether, or the use of a harness, leash, or other tether would interfere with the service animal's safe, effective performance of work or tasks, in which case the service animal must be otherwise under the handler's control (e.g., voice control, signals, or other effective means).]</p> <p>I erred on the side of accessibility and plainly accepted that there may be some specific need for the dogs to assist the woman as service animals, but there was no clearly identifiable reason for the dogs to be unleashed. I collected the woman's identifying information, and, through dispatch, identified the woman as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) received a violation notice for 36 CFR 2.15(a)(2), failing to crate, cage, restrain on a leash which shall not exceed six feet in length, or otherwise physically confine a pet (i.e. dog) at all times. [Per 36 CFR 1.4: Pet meaning a dog, cat or any animal that has been domesticated. Not a domestic or tamed animal kept for companionship or pleasure.]</p> <p>Upon presentation of a violation notice, (b) (6), (b) (7)(C) produced a leash from her jacket. I asked for her to leash her dogs, and she complied.</p>

<p>On September 8th, 2012 at approximately 1345 hours Supervisor Ranger James Agnew requested Ranger WEBSTER and I respond to a call at Black Sands Beach for two dogs harassing a visitor.</p> <p>Ranger WEBSTER and I began making our way down to Black Sands Beach from Upper Fisherman's Parking Lot.</p> <p>As we were walking down the trail to Black Sands beach I observed a male and a female walking up the trail with two dogs off leash.</p> <p>Ranger WEBSTER contacted the two individuals and told them the area was closed to pets.</p> <p>The female, later identified as (b) (6), (b) (7)(C) responded and said they were service animals. (b) (6), (b) (7)(C) said the two dogs were "seizure detecting dogs". Ranger WEBSTER acknowledged her and further asked "What type of task has the dog been trained to perform?". (b) (6), (b) (7)(C) responded, "You can not ask me about my disability, that is illegal."</p> <p>Ranger WEBSTER then obtained (b) (6), (b) (7)(C) identification verbally and ran an NCIC check.</p> <p>Ranger WEBSTER informed (b) (6), (b) (7)(C) service dogs are not permitted to be off leash unless the leash interferes with the function or the service of the dog. (b) (6), (b) (7)(C) argued her service animals are allowed to be off leash. Ranger WEBSTER informed (b) (6), (b) (7)(C) the National Park Service follows the 2010 ADA service animal guidelines from the Department of Justice.</p> <p>Ranger WEBSTER issued (b) (6), (b) (7)(C) a citation for 36 CFR 2.15 (a)(2) for dog off leash.</p> <p>Ranger WEBSTER and I continued down the trail to Black Sands beach to contact the reporting party. We met with the reporting party, later identified as (b) (6), (b) (7)(C) and Ranger WEBSTER took a verbal statement.</p> <p>Ranger WEBSTER and I were clear a short time later.</p>

ITEM	7 RESULTS OF INVESTIGATION
	<p>(b) (6), (b) (7) and we walked down to Black Sands Beach where we observed no other dogs. We were approached by a white male who stated that he called dispatch in regard to the dogs. The man identified himself as (b) (6), (b) (7)(C) and explained that he was a frequent user of Black Sands Beach. (b) (6), (b) (7)(C) explained that he commonly encounters dogs on the beach, but he refrains from calling for law enforcement unless the dogs pose problems. (b) (6), (b) (7)(C) explained that he was with a group of people at the far east end of Black Sands Beach, where he was approached by the dogs. (b) (6), (b) (7) stated that the dogs had wandered far from the man and woman they were with, and that the dogs barked and harassed his group. I asked (b) (6), (b) (7) to demonstrate the distance from the man and woman and his group, and he pointed to a feature along the hillside. (b) (6), (b) (7) and I estimated the distance to be approximately two-hundred feet. (b) (6), (b) (7)(C) explained that he walked to the man and woman and explained that dogs were not permitted on Black Sands Beach. (b) (6), (b) (7)(C) shared that the woman snapped at him and stated that her dogs were her service animals and that, as service animals, they were free to go anywhere. (b) (6), (b) (7)(C) explained that he asked the woman to control her dogs, and that the woman argued that she did not have to, for they were service dogs. (b) (6), (b) (7) said that he returned to his group, and that the dogs persisted. It was at this point that he contacted dispatch. (b) (6), (b) (7)(C) questioned the legitimacy of service dogs working at such an extreme distance from their handler, to which I was unable to hypothesize a rational response.</p> <p>Ranger Chan and I returned to our patrol car parked at Upper Fisherman's parking lot where I discovered a note signed by (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) note explained her concepts of ADA regulation and the authorization for service animals to operate off-leash, but it did not clarify why the trained work of her dogs necessitated for them to be unrestrained.</p>

I was on uniformed foot patrol of the Drown Fire Road at 1620 hours on 09/08/12. At that time, I saw two women walking with two dogs unleashed. Once they saw me, one of the females immediately placed both dogs on leash. The fire road has three signs at the entrance which all state dogs must be on leash due to protection of the Mission Blue Butterfly. One of the women stated she was responsible for both dogs. I identified her as (b) (6), (b) (7)(C) [REDACTED] I issued her citation 3700304 for 36 CFR 2.15(a)(2)- Pet Off Leash. I attempted to provide her a map of the area showing where she was allowed to have dogs off leash, and she stated she already had one.

(b) (6), (b) (7)(C) stated that she lived near the Alta Trail in Marin City, CA, and that she frequently uses the trail with her young son and dog. On September 10, 2012, at approximately 0900 hours, she encountered a dog walker that she often witnesses in the area, with five-to-six off-leash dogs. Driscoll explained that her dog was aggressed by one of the off-leash dogs. The off-leash dog did not attack her dog, but it did incite concern. The dog walker called the dog by name, and made light of the situation by saying that, "He does that to everyone."
(b) (6), (b) (7)(C) described the dog walker as a white male, approximately forty years of age, tall, thin, wearing a baseball-style cap over a bandana, and with a gray hatchback car.

At the interface of Donahue Street and the Alta Trail (b) (6), (b) (7)(C) encountered another dog walker with five-to-ten off-leash dogs (b) (6), (b) (7)(C) stated that she was aggressed by a hostile german shepherd from the group of dogs (b) (6), (b) (7)(C) described the dog walker as a white female, approximately forty years of age, approximately five feet, five inches tall, with short, brown hair and a van that featured a company logo that read, (b) (6), (b) (7)(C)

(b) (6), (b) (7)(C) recalled that she had, in the past, met with other community members on the trail that warned her of a woman with an aggressive german shepherd.

29. DETAILS OF INCIDENT
On September 15, 2012 at approximately 1110 hours, I was contacted by (b) (6), (b) (7)(C) at Fort Funston, who stated that her dog had just fallen off a cliff. As I approached the edge of the cliff, I observed a black dog approximately 15 feet up on the side of the cliff being held by a man who had climbed up to rescue him. The dog had fallen approximately 100 feet and appeared to only have minor injuries. No other resources were needed and I issued (b) (6), (b) (7)(C) a warning for failure to have her dog under voice control (36 CFR 2.15(a)(2))

I was on uniformed foot patrol of the Drown Fire Road at 14:52 hours on 09/20/12. At that time, I saw a female walking with two dogs on leash and one small dog off leash. The fire road has three signs at the entrance which all state dogs must be on leash due to protection of the Mission Blue Butterfly. I identified the female as (b) (6), (b) (7)(C) from her stated name and date of birth matched to her DMV description. My dispatch center informed me that (b) (6), (b) (7)(C) did not have any previous leash law citations or warnings in the database for local offenders. I gave (b) (6), (b) (7)(C) a warning for 36 CFR 2.15(a)(2) for having the small dog off leash. She stated that she would have all dogs on leash in the future.

Narrative: On Friday 9/21/12, at approximately 1438 hours, I was dispatched and responded to a report of a verbal dispute at the Festival Pavilion in Lower Ft. Mason. Upon arrival I met with (b) (6), (b) (7)(C) who were holding their annual book sale at the (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) stated that a WFA entered the facility with her black poodle, claiming it was a service dog, which he believed to be a false claim. At the entrance of the Festival Pavilion there were several posts stating that only Service Animals were allowed into the facility. (b) (6), (b) (7)(C) initially allowed the WFA entrance, but after complaints from several customers of the dog barking and running around the facility, asked her to leave, which led to a verbal argument.

While at the entrance to the Festival Pavilion with (b) (6), (b) (7)(C) a WFA with the black poodle was walking across the parking lot towards our direction (b) (6), (b) (7)(C) confirmed that she was the outstanding party involved with this incident.

The WFA identified herself as (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) stated that her dog was a service animal. I asked (b) (6), (b) (7)(C) "what service the dog provided?" (b) (6), (b) (7)(C) stated that he was there for emotional support. I advised (b) (6), (b) (7)(C) that the Department of Justice did not recognize that as a Service Animal and provided the phone number she could call to speak with the NPS representative dedicated to Service Animal cases. Time cleared 1530 hours.

29. DETAILS OF INCIDENT

On 10/08/12 at 10:10 hours, my dispatch center informed me that a park visitor wished to file a complaint on a dog owner. I called the visitor who identified herself as (b) (6), (b) (7)(C). She told me that she was walking her dog on leash when a commercial dog walker with 5-10 dogs was walking towards her on the Alta Trail near Donahue Street. She said the subject was a tall/skinny white male in his 40's wearing a ball cap and neck protector who frequents the area and drives a grey Honda hatchback.

The male had some dogs on leash and others off leash. The area is a "voice control" area where pets can be legally off leash. She said one of the leashed dogs (a medium sized white mix with black spots) lunged at her dog aggressively, but it did not make physical contact with her dog. She said that she has had similar encounters with the same dog walker. She said that he does apologize for the aggressive behavior. I patrolled the area from 10:20-10:35 and did not encounter the male subject.

I was on uniformed patrol of the Coastal Fire Road near the Coyote Ridge Trail on 10/13/12 at 15:35 hours. At that time, I saw a female walking with a small dog off leash. I asked where she had hiked from, and she said that she had come from Muir Beach. The Coastal Fire Road does permit dogs on some sections, but never off leash. She stated that she did not see the split where dogs were no longer permitted. I identified her by her stated name and date of birth as (b) (6), (b) (7)(C). I confirmed that identity through her DMV description as provided by my dispatch. I gave her a warning for 36 CFR 2.15 (a)(1) - Pet in area closed to pets. I then provided her a map of the area showing trail designations.

On October 19, 2012 at approximately 1854 hrs Ranger Yost and I, Trainee Troy, were on vehicle patrol. I was contacted by park communications concerning a pet altercation at Ocean Beach north of Sloat Ave. The reporting party was standing by at the intersection of Great Highway and Sloat Ave.

Upon arrival, I made contact with the reporting party. I identified him as (b) (6), (b) (7)(C) explained he was walking his dog on Ocean Beach. While walking his dog on a leash, an unleashed dog ran over to him and jumped on his dog. He described the dog as a black and white boxer or possibly a pitbull. He attempted to kick the unleashed dog off of his dog. The apparent owner of the unleashed dog ran over and shoved (b) (6), (b) (7)(C). After the brief altercation, the suspect left the area.

(b) (6), (b) (7)(C) gave me a brief description of the suspect. The suspect description was a white male wearing a white shirt and he possibly had brown hair. (b) (6), (b) (7)(C) stated that neither him nor his dog were harmed. Ranger Yost and I did an area check but were unable to locate anyone matching the description provided. We cleared the area.

On October 20, 2012, at approximately 0901 hours, I was contacted by a white male and a white female at the Fort Funston range office complaining of a dog biting their dog. The woman, identified through dispatch as (b) (6), (b) (7)(C) stated that her dog was playing off leash at the beach of Fort Funston. While playing off leash, they came into the same area as a woman with three dogs on leash (b) (6), (b) (7)(C) stated that one of the leashed dogs bit her dog on the head. After doing so, the woman with the leashed dogs muzzled the dog that bit. Johnson shared that the woman gave the name of (b) (6), (b) (7)(C) with a phone number of (b) (6), (b) (7)(C). The provided phone number does appear valid to an (b) (6), (b) (7)(C) 94127. 29. DETAILS OF INCIDENT

On 10-27-12, at approx. 1558 hrs., I received a radio call from Park Communications regarding a dog trapped on the cliff near the Fort Funston Hang Glider Deck. Upon arrival to this area from the Fort Funston Ranger Office, I met with an adult female, later identified as (b) (6), (b) (7)(C), who told me that she was responsible for the dog. (b) (6), (b) (7)(C) was with her 3 year old son and her 5 year old niece. (b) (6), (b) (7)(C) told me that her dog was off leash and was running after birds when it went over the cliff. The dog was approx. 200 yards north of the Hang Glider Deck and approx. 40 feet down the cliff on a ledge. The dog was not injured and weighed approx. 30 lbs. At approx. 1610 hrs., San Francisco Fire Department units (Battalion Chief 8, Medic 79, Engine 19, Cliff Rescue 1, Truck 19, Rescue Captain 3 and Engine 34) arrived on-scene and began setting up a technical rope rescue system. At approx. 1630 hrs., a rescue climber was lowered down the cliff and secured the dog without incident. The rescuer and dog were then raised to the cliff top without incident. The dog was released to (b) (6), (b) (7)(C) and I advised her to keep her pet on leash when hiking near the cliffs at Fort Funston. I issued her a verbal warning for creating a hazardous condition and I cleared at approx. 1700 hrs.

On 11-02-12, at approx. 1245 hrs., I observed a female adult, later identified as (b) (6), (b) (7)(C) walking with a small sized, unleashed dog approx. 1/2 mile down the Kirby Cove Fire Road from the gate near Battery Spencer. I also observed smoke coming from a cigarette that she was smoking. When (b) (6), (b) (7)(C) looked in my direction, she quickly leashed her pet and placed the cigarette down the front inside of her pants. As I approached her, I smelled the odor of burning marijuana. I contacted her on Kirby Cove Road, identified myself as a National Park Service law enforcement officer, and I advised her that pets are not allowed in this area. I also advised (b) (6), (b) (7)(C) that there is a clearly posted and visible sign when heading westbound at the Kirby Cove Gate access near the Battery Spencer Parking Lot that shows and states, "NO PETS." When I asked her where the rest of the marijuana was, she produced a brown cigarette from the front inside of her pants and handed it to me. I confiscated it. (b) (6), (b) (7)(C) told me that she didn't have anymore marijuana on her person. Upon a dispatch computer check, she returned clear of wants/warrants with no local file contacts. I issued her a verbal warning for possessing a control substance (marijuana) and I issued her MVN 3701205 for 36 CFR 2.15(a)(1), having a pet in an area closed to pets (\$75). I released (b) (6), (b) (7)(C) on-scene and I cleared at approx. 1305 hrs. Later that same day at Bldg. 507 Fort Baker, I weighed (approx. 0.5 grams) and deposited the suspected marijuana cigarette (brown in color) into the property/evidence box. I marked it as "to be destroyed."

Narrative: On 11/07/2012, at approximately 1542 hours, I was dispatched and responded to (b) (6), (b) (7)(C) for a report of a verbal altercation.

Upon arrival I spoke with (b) (6), (b) (7)(C) said she had been walking her dog off leash when another larger dog that was also off leash approached her dog in what she described as an aggressive manner. (b) (6), (b) (7)(C) picked up her dog and turned her back to the aggressive dog in order to shield herself and her pet. (b) (6), (b) (7)(C) said the dog walker, (b) (6), (b) (7)(C) made multiple attempts to call back the larger and more aggressive dog with no recall from the dog.

I then spoke with (b) (6), (b) (7)(C) said she had made attempts to restrain the aggressive dog with no results. Additionally (b) (6), (b) (7)(C) said when she did restrain the dog and apologized to (b) (6), (b) (7)(C) was so irate and unrelenting in her anger that she threatened (b) (6), (b) (7)(C) with physical violence. (b) (6), (b) (7)(C) also followed (b) (6), (b) (7)(C) back to her car and blocked her in so (b) (6), (b) (7)(C) could not leave. I saw indicia that (b) (6), (b) (7)(C) is self-employed with advertising on the side of her vehicle advertising her services as a dog walker. I saw that (b) (6), (b) (7)(C) was responsible for six dogs of varying sizes.

I advised (b) (6), (b) (7)(C) not to have contact with each other. I advised (b) (6), (b) (7)(C) in the future she may want to consider walking fewer dogs at once.

Time cleared: 1551 hours.

Narrative:

Narrative: On 11/09/2012 at 0934 hours I responded to the area of (b) (6), (b) (7)(C) on the Presidio where there was an anonymous report of a wandering yellow lab that ate a bird which was caught in a net. Upon my arrival, I saw that there was no yellow lab dog in the area or witnesses to the deceased bird so I checked the nearby areas and saw a white female jogger escorting a leashed yellow Labrador retriever while running Eastbound on Pacific Avenue just East of Arguello Boulevard. I asked the jogger to stop and she complied. The jogger told me that her dog did chase a bird into a net near the backyard of 1447 Compton Housing but the bird flew away after freeing itself from the net. A U.S. Park Police dispatch computer check indicated that the white female, identified verbally as (b) (6), (b) (7)(C) had no wants or warrants nor animal leash law contacts of any kind. I gave (b) (6), (b) (7)(C) a verbal warning regarding keeping her dog on a leash and she cleared the area. I cleared at 0955 hours

I was on uniformed patrol of the Tennessee Valley Trail near main parking lot on 11/10/12 at 15:44 hours. At that time, I saw a male and female subject walking towards me with a dog on leash. The male was holding the leash. I informed them that dogs are not allowed on this section of trail. The male stated that they started hiking on the Miwok Trail (dogs permitted) and reached the top before getting lost. I provided him a trail map of the area with pet regulations listed on it. I identified him by his stated name and date of birth as (b) (6), (b) (7)(C). I matched him to his DMV description as provided by my dispatch center. My dispatch center also informed me that (b) (6), (b) (7)(C) had no warnings or citations from Golden Gate NRA on file for pet related offenses. I gave him a warning for 36 CFR 2.15(a)(1) for having a pet in a closure area.

On 11/12/2012 at approximately 1346 hours, I observed a male subject later identified as (b) (6), (b) (7)(C) quickly leash his pet upon seeing in the area of Mori Point. I attempted to contact (b) (6), (b) (7)(C) who was on a trail above me by intersecting him at the meeting point of the trail. (b) (6), (b) (7)(C) saw me walking in his direction and quickly turned direction to avoid encountering me. By the time I got on the trail he was last seen on, (b) (6), (b) (7)(C) had created great distance between two of us. On occasion, I would see (b) (6), (b) (7)(C) jogging along the trail as he headed toward the Fairway entrance to the park. I got off trail and caught up to (b) (6), (b) (7)(C) who was just exiting Mori Point with his dog still on leash. I identified myself and informed (b) (6), (b) (7)(C) that he was being detained for failing to leash his pet. I advised him that pets needed to be on leash at all times while visiting Mori Point, and not just when he observed and officer in the area. I gathered his identification, conducted a computer check for wants or warrants. The check returned clear and issued citation 3701470 for 36 CFR 2.15(a)(2)- failure to leash pet. I cleared at 1415 hours.

	<p>On 11/13/2012 at approximately 1442 hours I observed two subjects with their dogs off leash in the wildlife protection zone of Ocean beach. This two mile zone of beach spans from stairwell 21 heading south to sloat boulevard. Pets are to be on leash from July 1-May 15. I made contact with the subjects later identified as (b) (6), (b) (7)(C) at the intersection of Noriega avenue on the beach. I stopped both parties and informed them that pets needed to be on leash while in the area. I explained the regulations and emphasized the importance of leashing their pets in the zone. I gathered their identifications and conducted computer checks. I informed the subjects that their information would be stored in a law enforcement local file maintained by the National Park Service and further contacts would result in a citation. The computer checks returned clear and I issued two verbal warnings for failure to leash pets in the wildlife protection zone. I cleared the entire beach at 1601 hours.</p> <p>No other subjects were observed violating the conditions of the wildlife protection zone.</p>

Narrative: On Wednesday, November 14th, 2012 at approximately 1046 hours, I was dispatched to the area of Baker Beach, on the beach, for a report of a possible verbal altercation between dog walkers.

Upon arrival, I was directed to a white female adult wearing a red jacket and blue jeans with boots, on the beach, near the water with a bunch of dogs. After speaking with the dog walker, I found out the "disturbance" was one dog walker yelling at another to not go in the water any deeper after one of the dogs (b) (6), (b) (7)(C) got swept out by a wave. (b) (6), (b) (7)(C) went in to the water approximately waist deep before retreating from the waves.

San Francisco Fire Department Ladder trucks, engines, and Surf Rescue units arrived on scene as did the medical unit. (b) (6), (b) (7)(C) was medically cleared at the scene.

SUMMARY:
On November 15, 2012, at approximately 1135 hours Ranger Knowles and I contacted (b) (6), (b) (7)(C) near Murray's circle on the parade ground for pet violation. PHU had a big dog on leash and a smaller dog off leash walking on the parade ground. I contacted him to notify him that he was in violation for pet off leash. Then, I obtained driver's license from (b) (6) and ran it through dispatch. Dispatch came back with information on subject for a restraining order and no local pet violation history. I concluded my contact by giving (b) (6), (b) (7)(C) his driver's license back to him and informed him to read the signs for where you can have dogs of leash.

	On 11/19/2012 at approximately 1700 hours, I entered the wildlife protection zone of Ocean beach at Noriega avenue via 4x4 patrol vehicle. Upon arrival to the area I noticed several dog walkers in various locations in the wildlife zone with their pets off leash in the area. Pets are prohibited off leash in the zone that spans south of stairwell 21 all the way to Sloat boulevard. Between these two points, pets are to be on leash from July 1-May 15 of each year. I first contacted (b) (6), (b) (7)(C) at Lawton on the beach. I explained to him the regulations and expressed his needed cooperation while on the beach. I gathered his identification and advised that his information would be stored in a local file maintained by the department. Subsequent violations would result in a citation. I cleared (b) (6), (b) (7)(C) and later contacted (b) (6), (b) (7)(C) at Noriega avenue. I explained the same rules to (b) (6), (b) (7)(C) and gathered his identification. A computer check returned clear and I also informed him that his information would be stored in a local file maintained by the National Park Service. Subsequent violations would result in a citation. I cleared (b) (6), (b) (7)(C) and made contact with three female subjects that I initially observed with their pets off leash when I first arrived to the beach, but were far from my entry point. ITEM 7 RESULTS OF INVESTIGATION

Three female subjects later identified as (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) I informed the subjects that we needed their support with leashing their pets while on the beach. I explained the regulations in detail and urged compliance. I also gathered their identification and conducted computer checks through CLETS. None of the subjects had any previous contacts for leash law violations and I informed them that their information would be stored in a local file database maintained by the department. Future wild life zone violations would result in citations. I asked (b) (6), (b) (7)(C) if there was any confusion about the dates, locations or endangered species of bird that caused any pressing questions. All three subjects stated they were crystal clear on the information and I cleared at 1720 hours.

All subjects were issued verbal warnings for failing to leash pets in the wildlife protection zone.

IT APPEARED HE WAS EXCHANGING WORDS WITH THE NPS STAFF. UPON MY APPROACH, HE LEASHED HIS DOG WHO THEN LUNGED OUT AT ME WHEN I GOT OUT OF THE CAR. NPS STAFF SAID HE HAD BEEN ARGUMENTATIVE WHEN THEY INFORMED HIM OF THE LEASH REGULATIONS. I NOTICED THE MALE DOG WAS NOT NEUTERED AND APPEARED TO BE AN ADULT DOG. PER SF MUNICIPAL CODE 43.2 (ENFORCABLE ON PROPRIETARY JURISDICTION) ALL PITT TERRIERS AND ANY MIX THERE OF, MUST BE NEUTERED OR SPAYED UPON A CERTAIN AGE. (b) (6), (b) (7)(C) STATED THAT HE WAS AWARE OF THE RESTRICTIONS FOR THE BREED, BUT HIS GIRLFRIEND DID NOT WANT TO COMPLY. HE WAS ISSUED A WARNING FOR THE LEASH LAW VIOLATION AND FOR HAVING HIS DOG ON THE BEACH WHERE IT IS PROHIBITED. HE WAS ISSUED A CITATION TO APPEAR IN COURT FOR THE FAIL TO NEUTER. I ADVISED HIM TO HAVE THE DOG "ALTERED" PRIOR TO HIS COURT DATE AND TO BRING PROOF OF THE PROCEDURE. CLEARED: 0845 HOURS

I was on uniformed patrol of Fort Baker in a marked patrol car on 11/24/12 at 12:30 hours. At that time, I saw a female with a dog off leash. I announced over my public address system that dogs must be on leash. She leashed the dog. I drove out of sight and returned thirty seconds later to see the dog off leash again. I contacted the female and identified her by her stated name and date of birth as (b) (6), (b) (7)(C). I matched her to a "x-ray" identification number as provided by my dispatch. (b) (6), (b) (7)(C) stated she was a frequent patron of the Cavallo Point Lodge. The lodge provides patrons a paper stating dogs must be on leash in Fort Baker. In addition, there is a sign stating the leash law as you drive into the area. I gave (b) (6), (b) (7)(C) citation 3946506 for 36 CFR 2.15(a)(2)- Pet Off Leash.

On November 25th, 2012, at approximately 1515 hours, while on uniformed foot patrol in the Wildlife Protection Area (WPA) in Crissy Field, I observed a male walking with a dog that was not on a leash. It is a violation of the law to have a pet off-leash in the WPA between July 1st and May 15th. I later identified the male by his California driver's license as (b) (6), (b) (7)(C)

I introduced myself to (b) (6), (b) (7)(C) and asked him to place his dog on a leash. I explained to (b) (6), (b) (7)(C) that I was contacting him because it is a violation to have dogs off leash within the WPA. The WPA is a completely fenced-off area, and all entrance gates into the WPA have a large sign stating that pets must be leashed between July 1st and May 15th.

I asked (b) (6), (b) (7)(C) to accompany me to my patrol vehicle where I issued him a citation for violation of 36 CFR 7.97(d)(i): Failure to leash a pet in the Wildlife Protection Area at Crissy Field (Citation number: 3808221). I cleared at approximately 1525 hours.

On 11/25/2012 at approximately 1526 hours (b) (6), (b) (7)(C) called communications about his dog falling off the cliff while walking through the tunnel of Sutro Baths. Once on scene, I informed communications to have SF fire department respond with a ladder to reach the dog inside the tunnel. Firefighters from Engine 23, 14, 34, and Battalion 7 arrived on scene. The ladder was used to retrieve the non-injured pit mix dog named (b) (6), (b) (7). All units cleared at 1632 hours.

On 12/02/2012 at approximately 1524 hours, Ranger Lewis and I contacted (b) (6), (b) (7)(C) in the wildlife protection zone of Ocean beach (Lawton avenue) with his dog off leash. Pets are to be on leash from stairwell 21 to Sloat avenue from July 1 through May 15 of each year. I explained to (b) (6), (b) (7)(C) that there are sections of the beach north and south of the zone where pets could be off leash year around. While explaining the regulations to (b) (6), (b) (7)(C) Ranger Lewis conducted the computer check for wants or warrants. Once the check returned clear of any wants or warrants, I explained to (b) (6), (b) (7)(C) that his information would be stored in a local file database maintained by the law enforcement division. Future violations of the regulation would result in a citation. (b) (6), (b) (7)(C) advised that he understood the rules. Ranger Lewis and I cleared with a verbal warning.

	ON THE ABOVE DATE & TIME I WAS ON HORSE MOUNTED PATROL NEAR THE PRESIDIO GOLF COURSE & MOUNTAIN LAKE, JUST EAST OF 1801 LANDMARK. THE AREA IS STRICTLY LEASH REQUIRED. I OBSERVED A DOG WALKER AHEAD WITH SEVERAL OFF LEASH. I COUNTED 5 TOTAL. I SCREAMED OUT FOR HIM TO LEASH THEM & HE COMPLIED. I IMMEDIATELY RECOGNIZED HIM AS A REPEAT OFFENDER WITH AGGRESSIVE DOGS PREVIOUSLY WHICH I HAD TO PEPPER SPRAY. * CONT'D *

<p>On 12/10/2012 at approximately 1626 hours I observed several off leash pets in the wildlife protection zone of Ocean Beach Noriega avenue. The zone is a wildlife protection habitat that requires pets to be on leash from July 1- May 15 of each year. The zone starts from stairwell 21 and heads south to Sloat boulevard. Pets can be off leash north and south of the prospective markers. I initially made contact with (b) (6), (b) (7)(C) who had just entered the beach at Noriega avenue. I observed (b) (6), (b) (7)(C) walk right by the large protection signs advising subjects to leash pets. I contacted (b) (6), (b) (7)(C) and reiterated the regulations pertaining to pets. I informed him that his information would be placed into a local file maintained by the law enforcement division. Future violations of this regulation would result in citations. I gathered his information and later cleared him as I made contact with a surfer who was exiting the water as his off leash Golden Retriever ran around the beach at Noriega.</p> <p>I contacted (b) (6), (b) (7)(C) who was exiting the ocean as his dog played unrestrained. I informed (b) (6), (b) (7) of the regulations pertaining to pets on Ocean beach and that I had witnessed his dog for approximately 10 minutes run up to other folks on the beach explained the cautions of off leash pets and gathered his information. I informed him that his information would be placed in the same local file and future contacts</p>												94 INVESTIGATOR NOTIFIED

would result in citations. A computer check for wants and warrants was conducted. The check returned clear and I asked (b) (6), (b) (7) if he had any questions regarding the dog regulation and Ocean beach. (b) (6), (b) (7) stated he was clear on the regulation and once the computer check returned clear, I released (b) (6), (b) (7) and made contact with (b) (6), (b) (7)(C) AND (b) (6), (b) (7)(C) who both had their pets off leas in the same area.

I contacted (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) who by the time I met with them, had their pets on leash. I explained to both ladies that the area was a wildlife zone and pets had to be on leash from July 1-May 15(between stairwell 21 to Sloat avenue.) Both (b) (6), (b) (7)(C) stated that they viewed numerous pets off leash in the area and were unsure of the rules. I explained that the snowy plover was an endangered species of bird and the area between the two points on the beach was where the birds rested and stored fats reserves. The women stated they understood the regulation better and vowed to follow the rules. Computer checks returned clear and I issued verbal warning for the violations. I explained to (b) (6), (b) (7)(C) that their information would be maintained in a local file operated by the law enforcement division. Future violation would result in citations. (b) (6), (b) (7)(C) stated they understood and would not violate the regulation in the future. I cleared at 1659 hours.

Narrative: On December 11, 2012, at approximately 1302 hours, I was on foot patrol of the Upper Tennessee Hollow Watershed, near Portola Ballfield when I saw a woman with five dogs running loose around her. The Presidio is posted as a leash only area for pets. I contacted the woman and identified her as (b) (6), (b) (7)(C) about the leash law and asked her to put the dogs onto a leash while I spoke with her. (b) (6), (b) (7)(C) put her dogs onto leashes and dropped them into her vehicle. (b) (6), (b) (7)(C) said she has been ticketed before by USPP for having dogs off leash but that it was on the west side of the Presidio. A check of her through USPP Communications revealed no warrants and no local file. I warned (b) (6), (b) (7)(C) about always putting the pets on leash in the Presidio and advised her to go down to Crissy Field.

Time Cleared: 1315 hours.
