On January 5, 2012 at approximately 1353 hours Officer Muller and I were dispatched to investigate a leash law violation in the wooded area south of Sibley Road. The reporting party (described only as (b) (6), stated that a group of approximately 16 unleashed dogs were being walked in the area. Upon arrival I observed no unleashed dogs. I performed a subsequent search of the area for approximately 30 minutes and observed no violations and no large groups of dogs. I attempted to contact (b) (6), via telephone, for further information, with negative results.

On January 11th, 2012 at approximately 1630 hours while on patrol of Tennessee Valley, I observed an individual (identified via CA DL as (b) (6), (b) (7)(C)) walking a dog on the Tennessee Valley Main Trail. Tennessee Valley is closed to pets and this is posted at the trail head. (b) (6), (b) (7)(C) claimed that he did not see the sign posted. A check through park communications showed that (b) (6), (b) (7)(C) had no warrants and was not in our local file. I gave (b) (6), (b) (7)(C) a verbal warning and explained that he would now be entered into our local database. I cleared and continued my patrol.

End of report.

On January 8th, 2012, at approximately 1540 hours, while on uniformed patrol in a marked vehicle on the promenade at Crissy Field, I observed a male walking in the Wildlife Protection Area (WPA) at Crissy Field with a dog that was off-leash. All pets must be on a leash in the WPA between July 1st and May 15th. When I walked onto the beach to contact the male, I saw a second male who was also walking with a dog that was off-leash. I later identified the two males as (b) (6), (b) (7)(C)

I contacted (b) (6), (b) (7)(C) introduced myself, and asked them to put their dogs on a leash. I explained to (b) (6), (b) (7)(C) that it is a violation of the law for dogs to be off-leash in the Wildlife Protection Area between July 1st and May 15th. Both (b) (6), (b) (7)(C) were walking with their respective wives, and both (b) (6), (b) (7)(C) said they, and not their wives, were responsible for their dogs being off-leash. (b) (6), (b) (7)(C) said they did not know dogs were required to be on leash in that area. I drew their attention to the numerous signs that are at all entrances to the Wildlife Protection Area.

I issued (b) (6), (b) (7)(C) each a citation for violation of 36 CFR 7.97(d)(i): Pet off-lease in the Wildlife Protection Area at Crissy Field. I cleared at approximately 1345 hours. Citation number for (b) (6), (b) (7)(C) 3448943. Citation number for (b) (6), (b) (7)(C) 3448944. I cleared at approximately 1555 hours. Case number: 12\_000329.

	On 01/08/2012 at approximately 1513 hours I was on 4x4 back country patrol of Sweeney Ridge when I noticed a subject with his dog off leash. At all entrances to Sweeney Ridge, clearly posted signs advise pets on leash. Once the subject later identified as (b) (6), (b) (6), (b) (7) saw my patrol car in the distance, he quickly leashed his dog and continued walking in the same direction. I finally made contact with (b) (6), (b) (7) and asked him why his dog was off leash in the area. (b) (6), (b) (7) stated that the dog needed to use the restroom. I asked for his identification and informed him that pets were to be on leash in all NPS units within San Mateo County at all times. I conducted a computer check for wants and warrants on his identification. The check returned clear and I issued a verbal warning for failure to leash pet. I explained to (b) (6), (b) (7) that his information would be in the law enforcement maintained local file and future dog related contacts would result in a citation. I asked him if he had any questions for me. He replied, "No." I cleared at 1516 hours.

While responding from the ranger station, communications later advised that the subject and their animal had safely self rescued themselves. I continued out to the area with Ranger Maples and observed two subjects and a dog approximately 10 feet over the cliffside. I ran over to the subjects and pulled them all to a safe location on top with my hands. Once they were all on top, I pulled the owner of the dog aside and questioned her about how the dog fell over the cliff. The subject, later identified as (b) (6), (b) (7)(C) stated she had the off leash dog by her side and then it ran away and was no longer seen. She found the dog over the side and went down after it with the help of another male visitor. I explained to her that it's not a good idea to go over the cliff in the future and later asked for her identification. (b) (6), initially gave me the name of (b) (6), (b) (7)(C) A check of that name returned no record on file. After some time, I was given her proper name and communications found a driver's license number. I explained to (b) (6), that she needed to be forthcoming on her identification when asked the first time, or she could find herself cited for providing false information. I cleared with a warning for disorderly conduct. 94 INVESTIGATOR NOTIFIED

At approximately 0915 hrs, January 11, 2012, I took a report by telephone of a dog bite incident which occurred today on Ocean Beach seawall across from the Beach Chalet. (b) (6), (b) (7)(C) reported that she was with her husband standing at the seawall eating a scone pastry. She said that a large, approximately 50 pound, dog came up from the beach and jumped up and took the scone out of her right hand biting her hand as it did this. The skin was broken and the wound drew blood near her thumb. Once the dog ate the scone it returned to the beach chasing birds. (b) (6), (b) (7)(C) and her husband attempted to locate person(s) with this dog but could find no one associated with it. They then departed the beach and treated (b) (6), (b) (7)(C) wound. (b) (6), (b) (7)(C) was advised to contact her physician. She advised she would do this. (b) (6), (b) (7)(C) described the dog as a mixed breed with short hair, dirty golden brown colored, a large head and unusual yellow eyes. The tail was cropped. The dog was wearing a collar with tags. Park Dispatch was provided with a description of this dog. San Francisco dog bite form to be submitted.

	<p>On January 11, 2012, at approximately 1000 hours, Ofc. Cole and I were on foot patrol of Liggett Housing near residence (b) (6), (b) (7)(C) when I saw an individual walking in the area with three dogs running loose nearby. The Presidio is a pets on a leash area. I contacted the individual, identified as (b) (6), (b) (7)(C) and asked him if the dogs belonged to him. (b) (6), (b) (7)(C) said yes and collected the three loose dogs. 	On 01-11-12, at approx. 1442 hrs., I observed an adult male, later identified as (b) (6), (b) (7)(C) walking southbound on the paved Milagra Ridge Trail just north of the centrally located information kiosk with a medium sized dog (which was off leash and running unrestrained on the trail.) When (b) (6), (b) (7)(C) looked in my direction, he immediately stopped walking and he leashed this pet. I contacted (b) (6), (b) (7)(C) and identified myself as a law enforcement ranger. I advised him that pets needed to be restrained on a leash at all times while on National Park Service property in San Mateo County. Upon a dispatch computer check, (b) (6), (b) (7)(C) returned clear of wants/warrants with no local file contacts. I issued him a verbal warning for this leash law violation and I released him on-scene. I cleared at approx. 1455 hrs.

I was on uniformed foot patrol of Ocean Beach at Noriega Street at 1730 hours on 01/11/12. At that time, I saw a female throwing a ball for an off leash dog along the waterline. Ocean Beach is signed all main entrances that dogs must be on leash this time of year between Stairwell 20 and Sloat Avenue. We were located in that leash required area.

As the female saw me, she placed her dog on a leash. As I walked towards her she put her hands out with her wrists together and said, "Take me in." I said, "I assume you know that you know dogs must be on leash here?" She said she was aware and that the voice control (off leash) sections of beach were too far of a walk.

I identified her by her stated name and birthday as (b) (6), (b) (7)(C). I then matched her to her Department of Motor Vehicles description from driver's license (b) (6), (b) (7)(C). My dispatch also informed me that (b) (6), (b) (7)(C) has not been given a written warning or ticketed in Golden Gate NRA for violations in the past. I issued (b) (6), (b) (7)(C) citation 3447481 for 36 CFR 7.97(d)ii- pet off leash at Ocean Beach Wildlife Protection Area.

On January 12, 2012, at approximately 1415 hours, I was notified by dispatch of a dog witnessed on the Tennessee Valley trail. I responded to the trail, and I encountered two young females and a medium sized dog at Tennessee Valley beach. I approached and one of the females attached a leash to the dog's collar. The females exited the beach toward my direction, and the female holding the leash apologized for having her dog off leash. I explained that the beach and the trail to the beach were closed to pet use, and I asked the two females where they parked their car. The female holding the leash explained that they parked within the main lot at Tennessee Valley and added that they did not see any signs warning that pets were not allowed. I explained that she would have encountered numerous signs between the parking lot and the beach. I requested the identification for the female in possession of the dog, and, through dispatch, I identified the woman as (b) (6), (b) (7)(C) (b) (6), (b) (7) received a violation notice for possession of a pet within a closed area.

On Sunday, January 15, 2012 at approximately 1230 hours, I was in the Crissy Field Wildlife Protection Area when I noticed a (b) (6), (b) (7)(C) male with 2 dogs off leash. Dogs have to be leashed in that area during this part of the year. I contacted the male who identified himself as (b) (6), (b) (7)(C) of Oakley California, and advised him to put his dogs on leash. (b) (6), (b) (7)(C) said that he has come to Crissy Field with his dogs before, but never to the West end where the Wildlife Protection Area is located. I explained the rules to him and he said that he understood. A computer check of his driver's license came back negative and he was negative on the local file. (b) (6), (b) (7)(C) was issued a warning notice for violation of 36CFR7.97(d) Pet off leash in Wildlife Protection Area, and advised that his name would remain on file. While out in the Wildlife Protection Area I counted 3 people with dogs off leash, and 6 with dogs on leash. I cleared at approximately 1300 hours.

Summary:

I was on uniformed patrol at the Muir Woods annex parking lot at 1630 hours on 1/15/12. At that time, I saw a dog tied and unattended in the bed of a pickup truck. I also saw a second dog which had escaped from the bed of the pickup truck and was loose in the parking lot. After approximately fifteen minutes, a man who said he was the owner of the dogs returned to the vehicle. I identified him by California DL (b) (6), (b) (7)(C). I issued (b) (6), (b) (7)(C) citation 3447943 for 36 CFR 2.15(a)(3)- leaving pet unattended and tied to an object.

I was on uniformed foot patrol of Ocean Beach at Judah with Ranger Gibbs at 0845 hours on 1/16/12. At that time, I saw a dog with no collar running approximately seventy five yards from the nearest subject on the beach. The nearest subject stated the dog was his. I identified him as (b) (6), (b) (7)(C) by his stated name and birthday which I matched to his Department of Motor Vehicle description as given by my dispatch center. My dispatch center told me that (b) (6), (b) (7)(C) had not been contacted in the past in Golden Gate National Recreation Area for dog related offenses. I asked (b) (6), (b) (7)(C) to place his dog on a leash. (b) (6), (b) (7)(C) did not have a leash so he removed his belt and tied it around the dog's neck.

Ocean Beach is signed at every major entrance that dogs must be on leash this time of year between Stairwell 20 and Sloat Avenue (the area present). (b) (6), (b) (7)(C) said that he thought those signs just meant the sand dunes. I issued (b) (6), (b) (7)(C) citation 344938 for 36 CFR 7.97(d)ii- pet off leash at Ocean Beach Wildlife Protection Area. After issuing the citation, I corrected the time from 2045 to 0845 hours.

Dogs are not allowed on the Tennessee Valley Trail, so I contacted the woman and her husband. He identified himself as (b) (6), (b) (7)(C) and he said they did not see the sign at the gate at the entrance to the Tennessee Valley Trail. I issued (b) (6), (b) (7)(C) United States District Court Violation Notice #2533819, for violation of 36CFR2.15(a)(1) Possession of a Pet in an Undesignated Area. I cleared at approximately 1335 hours.

	On 01/16/2012 at approximately 1705 hours, I observed a subject in the wildlife protection zone (Pacheco Avenue) on ocean beach throwing a stick to their off leash pet at the waters edge. The particular 2 mile stretch of ocean beach between stairwell 21 and Sloat boulevard is a protection zone for the protected bird species-Snowy Plover. All legal accesses to ocean beach within the protection zone, has erected signs advising "SNOWY PLOVER PROTECTION ZONE." Pets are to be on leash while in the zone from July 1-May-15. Approximately two minutes go by and the subject, later identified as (b) (6), (b) (7)(C) sees my patrol car parked on the sand dunes and quickly runs over to leash his dog. I drive the approximate 1/10 of mile to his location and ask him why he pet was off leash. (b) (6), (b) (7)(C) states that his dog had to use the restroom. I ask him for his identification and if he is aware pets are required to be on leash while in the area. (b) (6), (b) (7)(C) stated that he was aware but that he was a local and that he did not like the regulation. I conducted a computer check on the identification and park dispatched informed me that (b) (6), (b) (7)(C) had been contacted before on January 17, 2009 for the failure to leash pet on ocean beach. I issued (b) (6), (b) (7)(C) citation 3375928 for 36 CFR 7.97(d)(ii)-wildlife protection violation.

	<p>On January 18, 2012 at approximately 0740 hrs, I was dispatched to the area of Baker Beach for a report of two dog walkers who engaged a fisherman in a verbal dispute. When I arrived I spoke with (b) (6), (b) (7)(C) who stated that he was out fishing, when a large dog began tearing his fishing gear apart and eating his bait. He identified the owner of the dog and advised her that the area was under voice control and that if she could not control her dog the dog needed to be leashed. The woman later on identified as (b) (6), (b) (7)(C) responded by telling (b) (6), (b) (7)(C) to "Shut the fuck up!" (b) (6), (b) (7)(C) continued to verbally insult (b) (6), (b) (7)(C) until the male companion of (b) (6), (b) (7)(C) stepped in front of (b) (6), (b) (7)(C) and attempted to diffuse the altercation. I contacted (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) in the SOUTH Baker Beach parking lot. The story given by (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) mirrored that given by (b) (6), (b) (7)(C). On January 22nd, 2012, at approximately 1040 hours, while on uniformed patrol in a marked vehicle on Sweeney Ridge, I observed a male and a female walking with two dogs that were not leashed. When the two saw me approaching they quickly placed both dogs on a leash.

I stopped the two, introduced myself, and informed them that it is a violation of the law for pets to be off-leash in that area, and on all of the National Park Service land in San Mateo County. The two said they knew their dogs should have been on a leash.

The male, identified by his California driver's license as (b) (6), (b) (7)(C) said he would take responsibility for the dogs being off-leash. I issued (b) (6), (b) (7)(C) a citation for violation of 36 CFR 2.15(a)(2): Pet not on leash (Citation number: 3448950). I cleared at approximately 1045 hours.

**Narrative:**

I was on duty at Building 223 Halleck in the Presidio on 1/23/12 at 1310 hours. At that time, I received a radio call from my dispatch center that maintenance supervisor Mike Coffey was at Fort Funston and needed assistance after being charged by an off leash dog.

I arrived at Fort Funston at 1325 hours and found dog owners (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) near the Fort Funston Ranger Station with Mike Coffey. I identified (b) (6), (b) (7)(C) by their California Driver's Licenses. Coffey informed me that he had been exiting the maintenance building when an off leash poodle style dog charged at him. He said that after that dog was on leash, other dogs began to charge at him causing him to jump in the bed of his maintenance truck for safety.

(b) (6), (b) (7)(C) stated she was the owner of the poodle style dog. (b) (6), (b) (7)(C) said she the owner of the other dogs (five total). As we were standing in the parking lot, one of (b) (6), (b) (7)(C) dogs was attached to a leash but no one was holding onto the other end of the leash. I informed her that dogs must be on leash in all parking lots.

I had Coffey fill out a witness statement for the incident. I gave (b) (6), (b) (7)(C) warnings for not having their dogs under voice control (36 CFR 1.5(f)).

On January 23, at approximately 1315 hours, I received a call from dispatch regarding a report of a family with a dog walking on the Tennessee Valley Trail. Dogs are not ever allowed on the Tennessee Valley Trail, and there is a sign at the entrance to the trail stating that. I responded to Tennessee Valley where I drove as far as I could, then walked to the beach. Sitting on a bench above the beach were a man and woman with a young golden retriever. I advised them of the rules regarding dogs and they said that they did not see a sign. The male identified himself as (b) (6), (b) (7)(C). A computer check of his license revealed no wants or warrants and (b) (6), (b) (7)(C) was issued United States District Court Violation notice #2533820 for violation of 36CFR2.15(a)(1) Possession of a Pet in a Restricted Area. I cleared at approximately 1355 hours.

I told her that it is unacceptable for a visitor, officer or employee to exit a building anywhere and have an off leash dog come over to them barking aggressively. (b) (6), (b) (7)(C) then gave me her information and I conducted a computer check. (b) (6), (b) (7)(C) then got on her phone and called a male subject telling him that the "park police were here and that they were going to arrest me.... What do I do!?" (b) (6), (b) (7)(C) turned to me, and asked if I was going to arrest her. I told her to that I was not having a conversation with her and to get off the phone. (b) (6), (b) (7)(C) got off the phone and communications informed me that they found a match for the name and date of birth. (b) (6), (b) (7) then stated that she could have an opinion and that none of this would have happened if I wasn't so sensitive. I told (b) (6), (b) (7) that bringing commercial dogs to the area off leash is acceptable, however, those pets need to be under voice control. Those pets also should not display aggressive behavior. (b) (6), (b) (7)(C) corrected my identification of her dog and called them family pets. I told (b) (6), (b) (7) to have a great day and to leash her aggressive family pets when she visited the park. I obtained a case number for disorderly conduct and told (b) (6), (b) (7)(C) that next time, she would find herself cited for failure to control her pet.

I was on uniformed patrol of Fort Mason on 1/23/12 at 1720 hours. At that time, I saw a white male holding a "Chuck It" style tennis ball throwing device and walking with an off leash dog. They were walking from the Great Meadow onto the sidewalk at the Building 201 parking area. I contacted the male and asked if he knew dogs were required to be on leash at this park. He said, "Kinda."

Fort Mason is signed at all major entrances to the parking area that dogs must be on leash. The Great Meadow is also signed by Building 201 that dogs must be on leash. I identified the dog owner by (b) (6), (b) (7)(C) as (b) (6), (b) (7)(C). I issued (b) (6), (b) (7)(C) citation 3447920 for 36 CFR 2.15(a)(2)-Pet Off Leash (1st Offense). (b) (6), (b) (7)(C) was polite and compliant throughout my contact with him.

	<p>On 01/23/2012 at approximately 1750 hours, I observed (b) (6), (b) (7)(C) playing with her dog off leash in the wildlife protection area of Ocean beach-Noriega avenue. I made contact with (b) (6), (b) (7) and asked her if there was a reason her pet was off leash. (b) (6), (b) (7) stated that she was aware of the regulation and informed me that pets were allowed off leash July 1-May 15. I informed her that she had it wrong. Pets were to be on leash from July 1-May 15 of each year from stairwell 21 all the way to Sloat avenue. (b) (6), (b) (7) looked astonished, leashed her pet and stated that she must have mis-read the sign. I gathered her identification and informed her that I was conducting a computer check. I later informed her that her information would be stored in a local file maintained by the law enforcement branch. The check returned valid and I issued a verbal warning for failure to leash pet. I asked if there were any questions regarding the pet regulation on Ocean beach. (b) (6), (b) (7) stated that she had been set straight and thanked me for the clarification.</p> <p>I cleared at 1802 hours.</p>

On January 24th, 2012, at approximately 0921 hours, while on uniformed patrol in a marked vehicle on the promenade at Crissy Field, I observed a male running in the Wildlife Protection Area (WPA) at Crissy Field with a dog that was off-leash. It is a violation of the law for dogs to be off-leash in the Wildlife Protection Area between July 1st and May 15th. I later identified the male as (b) (6), (b) (6), (b) (7) (b) (6), (b) (7)(C)). I ran along the beach to catch-up with and contact (b) (6).

I introduced myself to (b) (6), and asked him to put his dog on a leash and accompany me to my vehicle. (b) (6), did not have a leash and so he carried his dog to my vehicle. Once at my vehicle, I gave (b) (6), a leash to use to secure his dog during for the duration of our contact. I explained to (b) (6), that it is a violation of the law for dogs to be off-leash in the Wildlife Protection Area between July 1st and May 15th. I directed (b) (6), attention to the numerous signs that are at all entrances to the Wildlife Protection Area stating the rule.

(b) (6), claimed to be a French national and said he did not have any identification in his possession. I identified (b) (6), based upon the name and date of birth he gave me verbally. I issued (b) (6), a citation for violation of 36 CFR 7.97(d)(i): Pet off-leash in the Wildlife Protection Area at Crissy Field (Citation number number: 3448934). I cleared at approximately 0940 hours. Case number: 12\_000879.

On January 24th, 2012, at approximately 1450 hours, while on uniformed foot patrol with Ranger Simcoe at Battery Black Point, I observed two males, later identified as (b) (6), (b) (7)(C) (Date of (b) (6), (b) (7) ) and (b) (6), (b) (7)(C) walking with a dog that was off-leash. It is a violation of the law to have a pet off-leash in that location. I walked towards the two males. As I approached them, the dog ran towards me barking and gnashing its teeth. I drew my service pistol and took aim at the dog. The dog ran into my leg and continued to bark and gnash its teeth, however the dog did not bite me. After approximately 2 seconds, the dog turned and ran away. I then holstered my pistol and ordered the two males to take hold of the dog.

I ordered the two males to sit on a bench that was next to them, and asked them each for identification. I identified (b) (6) by his Oklahoma driver's license. (b) (6), said he did not have any identification with him. (b) (6), gave me his name and date of birth and said his last state issued identification was from (b) (6). I asked U.S. Park Police dispatch to check for (b) (6), with both California and Florida Department of Motor Vehicles (DMV). Dispatch told me there was no record of (b) (6), with either state. I placed (b) (6), in handcuffs, double locked and checked for tightness. I quizzed (b) (6), again about his name and date of birth, and from which state he had been issued an ID. (b) (6), said he had lived in Arkansas at one time. Dispatch told me they found a record for (b) (6), with the the Arkansas DMV. I released (b) (6), from the handcuffs.

(b) (6), said the dog was his. I issued (b) (6), a citation for violation of 36 CFR 2.15(a)(2) (Citation number: 3448935). I issued (b) (6), a verbal warning for violation of 36 CFR 2.34(a)(4): Disorderly conduct: Creating a hazardous condition. Ranger Simcoe and I cleared at approximately 1510 hours.

	On 01/24/2012 at approximately 1738 hours, I observed (b) (6), (b) (7) playing with her dog off leash at the water's edge Ocean beach at Noriega avenue. Pets are to be on leash on Ocean beach from July 1-May 15 of each year. The zone for pets on leash starts from stairwell 21 all the way south to (b) (6), (b) (7) avenue. I made contact with (b) (6), (b) (7) and asked her if there was a reason her pet was off leash. She blurted out, "You caught me!... I'm aware of the regulation." (b) (6), (b) (7) continued by saying she thought I was U.S. Coastguard and did not expect officers to be on the beach in cars. She thought we only were on foot. I asked for her identification. (b) (6), (b) (7) then complained to her dog that it got them both in trouble. The computer check returned clear for any wants or warrants. Communications also advised that (b) (6), (b) (7) was in the local file for two previous pet contacts back in January and February of 2009. I informed (b) (6), (b) (7) that she was being cited for 36 CFR 7.97(d)(ii)-wildlife protection area violation and issued her citation #3449186.  I cleared at 1751 hours.

<p>On January 29, 2012 I was on uniformed foot patrol on the trail behind Ocean View Farms on Rancho Corral de Tierra. I was less than 1/10<sup>th</sup> of a mile south on the trail when I observed a female walking with her dog off leash. It appeared as if she was going to walk up the hillside (off-trail) to avoid me so I called to her and identified myself as a Park Ranger and told her I needed to talk to her. I contacted her and asked her for her identification. She said she did not have it and provided me with her information verbally when I asked. She stated her name was (b) (6), (b) (7)(C). I requested a computer wants and warrant checks through our dispatch. Dispatch informed me Abadie was clear of wants/warrant and had a valid driver's license. I told Abadie that the National Park Service recently acquired the Rancho Corral de Tierra property and that currently we are in an educational phase and she was receiving a verbal warning for her dog off leash. Upon request she provided me with her address and phone number for my report. I told her that she would be placed in our records system and future violation could result in citations. I cleared the contact with no further action.</p>

On Monday January 30, 2012 at approximately 0840 hours, I was in the Kirby Cove area when I encountered a woman walking with a black and white dog off leash. I advised the woman that dogs were not allowed in the Kirby Cove Area, and she told me "really, they are". She identified herself as (b) (6), (b) (7)(C) of San Francisco, and advised me that she had seen the rules for GGNRA on line and that since the new rules had not yet been approved, it was ok for her to have her dog there. I ran a computer check on her and while I was doing this she came up with the GGNRA dog rules on her smart phone. She tried to tell me that it said that dogs were allowed in Kirby Cove, but when I scrolled the phone it revealed that she was in the section where pets are not allowed. I issued her United States District Court Violation Notice #2533821 for violation of 36CFR2.15(a)(1) Possessing a Pet in a Restricted Area. I then asked her to keep her dog on a leash while she walked back up to Conzelman Road. I cleared at approximately 0900 hours.

I walked up toward one of them who was interacting with the dogs and told her that dogs need to be on leash in the Presidio. I identified her as (b) (6), (b) (7)(C). A check of (b) (6), (b) (7) through USPP Communications revealed no warrants and nothing in the local file. As I was attempting to get (b) (6), (b) (7) information, she pointed out another dog running loose nearby. I advised (b) (6), (b) (7) that I first saw her dogs running loose. I pointed directly at a sign stating to leash pets at all times. (b) (6), (b) (7) was wearing a hat and jacket that said, "Who let the dogs out." I issued (b) (6), (b) (7) the notice for 36CFR1002.15b2 - unleashed pets and advised (b) (6), (b) (7) about other areas where dogs can be on voice control.</p> <p>Time Cleared: 1240 hours.</p>	90 STL	91 REC	92 PROP	93 VALUE

	On 02/11/2012 at 1019 hours I responded to the area of Ocean Beach West of Noriega Street where there was an anonymous report of a man walking his dog on the beach off leash. Upon my arrival I saw a white male adult, verbally identified as (b) (6), (b) (7)(C) running with two (2) small terrier dogs (brown) along the surfline. (b) (6), (b) (7) had voice control over the dogs and they immediately came to a heel beside him while I informed (b) (6), (b) (7) of National Park Service regulations against unleashed dogs in the Snowy Plover designated area of Ocean Beach (signs posted). (b) (6), (b) (7) had recently moved to the area from Texas and was not aware of the leash laws. A United States Park Police dispatch computer check on (b) (6), (b) (7) was clear so I gave him a verbal warning and he put his dogs on leash. I cleared the area at 1035 hours

I was on uniformed foot patrol of Ocean Beach at Pacheco at 1345 hours on 2/14/12. At that time, I saw a white male with a dog off leash. Ocean Beach is signed at all major entrances (those with crosswalks accessing the beach from the Great Highway) that the area between Sloat and Stairwell 20 requires dogs to be on leash this time of year. We were in that area.

I contacted the subject and identified him by (b) (6), (b) (7)(C) My dispatch informed me that (b) (6), (b) (7)(C) had not been given a citation or written warning in the past for having a dog off leash at Golden Gate National Recreation Area. I gave (b) (6), (b) (7)(C) a warning for 36 CFR 7.97(d)ii- pet off leash at Ocean Beach Wildlife Protection Area.

The cyclist, (b) (6), (b) (7)(C) stated that the couple was walking along the Sneath lane trail toward the fog line. I responded from San Francisco and encountered two subjects with three dogs, two of which were off leash. The owner, later identified as (b) (6), (b) (7)(C) stated that the dogs had pulled out of their collars. I gathered her identification and informed her that there was a complaint of off leash pets from other visitors. (b) (6), (b) (7)(C) later stated that the cyclist was just afraid of the dogs but the animals returned when called. I informed her that pets were to be on leash at all times and locations in San Mateo county. The computer check returned clear and I issued one cite 3449192 for 36 CFR 2.15(a)(2)-failure to leash pet.

On 02/15/12, at approximately 0908 hours, I was patrolling the area of Barnard Rd. at the old Pop Hicks field area when I saw a white male jogging in the roadway with a orange brownish dog off leash. I saw the dog stray from the jogger into the wooded area and begin to nose around in the weeds and dig at the ground. the jogger had his back to this which prompted me to stop and speak with the jogger. I asked the jogger if he could please put the dog on leash. I also advised the jogger that at no time is the dog allowed to be off leash in a roadway. The jogger then gave me a look of exasperation and made an attempt to continue running without putting the leash on the dog. After the show of non compliance, I asked the jogger verbally identified as (b) (6), (b) (7)(C) was clear of any wants or warrants and was issued a citation for an unleashed pet.

Time cleared: 0920 hours.

On 02-17-12, at approx. 1328 hrs., I observed a medium sized, brown, off-leash dog running unrestrained for a ball that an adult white male, later identified as (b) (6), (b) (7)(C) was throwing to it on Ocean Beach near Pacheco St. I contacted (b) (6), (b) (7)(C) as a National Park Service law enforcement officer, and I asked him if he was responsible for this dog. (b) (6), (b) (7)(C) said "yes" and I advised him that pets need to be on leash in this area. (b) (6), (b) (7)(C) then leashed his pet. Upon a dispatch computer check, he returned clear of wants/warrants with no local title contacts. I advised (b) (6), (b) (7)(C) that there are clearly posted and visible signs at the Ocean Beach/Great Highway pedestrian crosswalks in this area that state, "PROHIBITED: OFF-LEASH PETS." I issued (b) (6), (b) (7)(C) a verbal warning for having his pet off-leash and I released him on-scene. I cleared at approx. 1340 hrs.

**RESULTS OF INVESTIGATION:**

**NARRATIVE:** On Sunday, February 18, 2012 at 1656 hours, Ranger Cavallaro and I were conducting a foot patrol of Ocean Beach at stairwell 22 for a special event. As we walked through the crowd, a medium-sized dog proceeded to bite Ranger Cavallaro in the leg. I looked down after she said, "Hey, hey", to see the dog with the fabric from her pants in its' mouth. Ranger Cavallaro was standing still looking into a brown, paper grocery bag when the dog moved towards her, effectively biting her. The dog clearly had pant leg fabric in its' mouth and was actively pulling on it. I could clearly see the dog was rearing its' weight backwards, in the opposite direction, of Ranger Cavallaro.

I took a quick step towards the dog and it let go of Cavallaro's pant leg. The owner of the dog was sitting four feet away from me with the dog on a leash. I asked Ranger Cavallaro if she was ok and she said, "Yes" as she examined the bite area. I clearly saw that her pant leg was torn as was her sock. I did not see the skin broken in the bite area and Cavallaro confirmed my observation.

I requested to see identification from the owner and she was identified through a (b) (6), (b) (7)(C) of (b) (6), (b) (7)(C) Rangers Yost and Maples also arrived on scene as they were in the immediate area also conducting a foot patrol. I requested Supervisory Ranger Larson to my location. He arrived shortly thereafter.

I explained the situation to Ranger Larson and he informed the dog owner that the dog would be quarantined until it could be determined if it was licensed and had a current shot record. Ranger Larson was actually able to confirm this telephonically through San Francisco Animal Care and Control. (b) (6), (b) (7)(C) was allowed to retain control of her dog after receiving this information.

I cited (b) (6), (b) (7)(C) with violation of 36 CFR 2.15(a)(2) – Failure to restrain pet. I also completed the San Francisco Animal Care and Control Animal Bite Report form and faxed it with this report to that agency.

All NPS Resources were clear of the scene at 1800 hours.

After returning to the Fort Funston Ranger Office at approximately 1900 hours, I photographed the bite area, to include clothing, of Ranger Cavallaro's lower left leg and ankle.

<p>On February 19<sup>th</sup> 2012, I was on uniformed foot patrol on Ocean Beach in Golden Gate National Recreation Area. There was a large public concert in Ocean Beach parking lot and there was high attendance on the beach.</p> <p>Ranger Wallat and I were standing on the beach near stairwell 22 observing the crowd. I was standing near (approximately 6') a woman sitting on a blanket with a dog. The dog was medium size, it was grey with black spots with some brown patches. I could see a large brown paper bag on the blanket. Without moving my position I looked into the bag to see if there was any alcohol in the bag. The dog aggressively lunged at me and bit my left ankle just above the boot line. I grabbed onto Ranger Wallat for balance. With the dog still biting my pants my leg was extended off the ground and I started yelling "whoa" or "hey" repeatedly. Ranger Wallat lunged toward the dog while the owner pulled on its leash. The dog made one biting action and maintained a grip on my pants. The bite did not break skin but I could very clearly see two marks where the dog's canine teeth made contact. There is an approximate 1 1/2" x 2" tear in my pants and approximately 1/2" tear/hole in my sock.</p> <p><i>Sarah Cavallaro</i> Sarah Cavallaro #1219</p>

On February 24 2012 at approximately 1130 hours, Park Dispatch informed me that a citizen (identified as Susan Pallechi) had called to complain of a off leash dog at Sloat and the Great Highway. (b) (6), (b) (7)(C) described the owner of the dog as an Asian female wearing a white hat and her dog was also white. I attempted to call (b) (6), (b) (7)(C) at approximately 1135 but she did not answer.

On my arrival at Sloat and the Great Highway I did not see the subject described by (b) (6), (b) (7)(C) but did see a white female (later identified as (b) (6), (b) (7)(C) by her name and DOB) walking her dog without the use of a leash. An NCIC and local file check returned with negative results. (b) (6), (b) (7)(C) was given a verbal warning and released. I walked north in the Dunes from Sloat and was unable to locate the person (b) (6), (b) (7)(C) called about. I attempted a second phone call to (b) (6), (b) (7)(C) but she did not pick up and I was unable to locate her in person in the area. I cleared and responded to another call at 1200 hours.

29. DETAILS OF INCIDENT

On March 2, 2012 at approximately 1142 hours, I was contacted via cell phone by Acting Operations Chief Mary Beth Mc Farland. Mc Farland informed me that one of her dogs had bit the (b) (6), (b) (7)(C) man at her residence, Point Bonita Lighthouse-A Sausalito, California. In the process of responding to Mc Farlands' residence I was notified via radio by Mc Farland to proceed to building 1056 to take the report.

When I arrived at 1056 there was no one in the office initially. Acting Law Enforcement Specialist Chad Marin arrived at 1056 within a few minutes. Marin stated that he had just irrigated and applied a loose bandage to the hand of the bite victim later identified by (b) (6), (b) (7)(C)

Marin informed me that (b) (6), (b) (7)(C) had just left the Headlands area in his delivery truck to go to his "hub" to drop off the delivery truck and then go to the hospital to get the wound looked at.

At approximately 1203 hours Marin and I arrived at Mc Farlands' residence. Mc Farland was already there. Mc Farland stated that the two dogs were out running around and she had secured them inside the house prior to our arrival.

I observed that the back wooden door was approximately 1/3<sup>rd</sup> of the way open at this time. I took pictures of the inside and outside of the door at this time (see attached document).

Mc Farland stated that the dogs have never gotten out of the back yard before. Mc Farland stated that no one in her household uses the back door gate to go in and out of the back yard. Mc Farland also stated that her dogs bark on a regular basis.

RESULTS OF INVESTIGATION

At approximately 1210 hours Marin County Humane Society Officer Dave Stapp arrived at the scene. MCHSO Stapp took information for a dog bite report. In the interviewing process Mc Farland stated that her dog "Jewlz" has current vaccinations including rabies and would produce a copy of these records from a veterinarian as soon as possible. MCHSO Stapp placed "Jewlz" (3 year old female black lab/pit bull mix; License # 20332) under house quarantine for 10 days as part of California State Law procedures.

At approximately 1240 hours LES Marin and I cleared Mc Farlands residence.

When Marin and I arrived at building 1056, Supervisor Kurt Veeck arrived within a few minutes. I asked Supervisor Veeck to fill out a witness statement at this time.

I then responded to 18 Point Bonita Lighthouse (the residence next to the Mc Farland residence) at approximately 1330 hours, and completed a short verbal interview with resident (b) (6), (b) (7)(C) who provided a witness statement.

(b) (6), (b) (7) stated that she heard an "attack" outside of the south west corner of her house. Within a minute or so a man (b) (6), (b) (7) appeared at her front door. (b) (6), (b) (7) stated that (b) (6), (b) (7) appeared to be "shook up" and possibly in "shock". (b) (6), (b) (7) stated that (b) (6), (b) (7) right hand was bleeding, she asked him to come inside and clean it off and then she attempted to contact an on duty Law Enforcement Ranger via phone at this time without success. (b) (6), (b) (7) then walked over to Supervisory Ranger Kurt Veecks residence for assistance (see Veecks witness statement for further details).

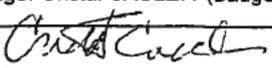

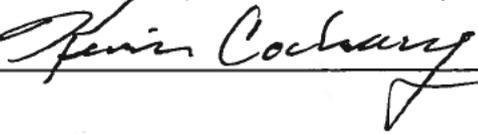

End of interview

I cleared the scene at approximately 1355 hours.

At approximately 1535 hours I met (b) (6), (b) (7)(C) at the 76 Gas Station 930 Sir Francis Drake Boulevard, San Anselmo CA 94960.

I asked (b) (6), (b) (7)(C) for photo identification as part of standard procedure at this time. (b) (6), (b) (7)(C) produced a California Drivers' License.

A wants and warrants check of (b) (6), (b) (7)(C) returned negative. I asked (b) (6), (b) (7)(C) to complete a witness statement at this time. At approximately 1610 hours I conducted a verbal interview with (b) (6), (b) (7)(C)

ITEM 7 RESULTS OF INVESTIGATION

**STATEMENT:** On March 2, 2012, at or about 11:30 hours, (b) (6), (b) (7)(C) entered my fenced backyard with a rake in her hand. In essence, I asked if she was OK or if something was wrong. She told me that McFarland's dogs were running loose and that the pit bull terrier, one of the two dogs running loose, had bit the UPS man's hand causing an injury. I asked if I could attend to the injury of the deliveryman and she stated that the he had already left the area to contact the police regarding the bite.

(b) (6), (b) (7)(C) wanted to return her home, but was hesitant to walk from our backyard to her own due to the distance with the dogs running unattended. I told (b) (6), (b) (7)(C) to walk through our house, using the front door to reduce her distance from my house's backyard to hers. She did so. I called the NPS Comm Center requesting if they knew where Ranger McFarland was, and that a ranger be sent to Point Bonita housing to talk with (b) (6), (b) (7)(C) who apparently witnessed the injury/event. I contacted Marin Humane Society due to the animal bite requirements. Dispatch was unaware of Ranger McFarland's whereabouts so I tried to contact Ranger McFarland by phone at her office.

I called the Comm Center again requesting the status of the responding ranger and was informed the a ranger and Ranger McFarland had been notified.

On 03/04/2012 at 0916 I investigated a report of dogs off leash at Sutro Heights Park. The complaint alleged that there were as many as twelve dogs off leash in the park. Upon arrival I began to drive through the park looking for off leash dogs. I observed a W/M, later identified verbally as (b) (6), (b) (7)(C) walking with a black dog (b) (6), (b) (7)(C) off leash and a second dog (b) (6), (b) (7)(C) running throughout the park with no voice control. When I made contact with (b) (6), (b) (7)(C) he was apologetic and stated that he was unaware of the off leash rules in the park. I advised him that there were signs at the primary entrance points of the park and encouraged him to become familiar with them. A check of (b) (6), (b) (7)(C) through NCIC, CLETS, and the Local Files all returned negative for wants, warrants, or local contacts. I issued (b) (6), (b) (7)(C) a written warning for 36CFR2.15(a)(2) for Off Leash Pets.
