	On 06-04-12 at approximately 2134 hour, I was dispatched to (b) (6), Stilwell Road in reference to a complaint of aggressive dogs. I arrived and made contact with the complainant (b) (6), (b) (7)(C) said her neighbor's two dogs approached her in an aggressive manner, barking, and lunging at her because the owner did not have them leashed. (b) (6), (b) (7)(C) described the two dogs as being big and brown and the owner as a white lady with long hair. I knocked on the neighboring duplex apartments and met with two different occupants who did not fit the description and had no apparent knowledge of the dogs or their owners in the complex. (b) (6), (b) (7)(C) was advised to make a more timely call to USPP in order to properly identify the owners of the troublesome dogs.

At approximately 1315 hrs, June 5, 2012, I was dispatched to Muir Woods for a report of a dog that escaped from a visitor's unattended vehicle in the Annex parking lot. Arriving on the scene, I contacted Ranger Sam Bell in the Annex parking lot at the visitor's vehicle with the dog back inside. Ranger Bell reported that the dog had been left unattended in the vehicle, a white (b) (6), (b) (7) (C) SUV. (b) (6), (b) (7) (C) and the dog had exited the through the open sun roof. The dog, a 30 lb multi colored Pit Bull mix, ran through both parking lots barking at visitors. Attempts to restrain this dog by staff met with strong resistance from the dog and further attempts were called off. No involved persons were bitten. The dog then returned to the car and reentered through the open sun roof. Marin Humane Society was notified and Sgt. M. Rodgers responded. Sgt. Rodgers used duct tape across the sun roof opening to secure the dog in the vehicle. At 1315 hrs, (b) (6), (b) (7) (C) returned to her vehicle with visiting friends from Argentina. She said that the dog was hers and it had never exited her vehicle through the sun roof before. She said she would take the necessary measures to see that it did not occur again. (b) (6), (b) (7) (C) was issued a written warning for violation of 36 CFR 2.15. then released. 94 INVESTIGATOR NOTIFIED:

I was on uniformed patrol of the Bobcat Fire Road in a marked patrol car at 1530 hours on 06/08/12. At that time, I saw two females walking with an off leash dog. As they saw me, one of the females placed the dog on a leash. This fire road is signed at every intersection that dogs are not allowed on the trail. The woman holding the leash said she was responsible for the dog. I identified her by (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) I issued (b) (6), (b) (7)(C) citation P5002145 for 36 CFR 2.15(a)(1)- Pet in an area closed to pets. (b) (6), (b) (7)(C) said she had started on the Miwok Trail (where dogs are allowed) and did not know dogs were no longer allowed on the trail. After she left the Miwok Trail, she would have walked past five signs stating dogs are no longer allowed on the trail. I gave her a map outlining the dog permissible areas of Golden Gate National Recreation Area (along with the citation) and cleared the scene.

On 06-09-12, at approx. 1007 hrs., I observed a male, later identified as (b) (6), (b) (7)(C) walking with a small sized, white in color, leashed dog on Kirby Cove Beach. I contacted (b) (6), (b) (7)(C) at the Kirby Cove Picnic Area, identified myself as a National Park Service law enforcement officer, and I advised him that pets are not allowed in this area. I advised him that there is a clearly posted and visible sign when heading westbound at the Kirby Cove Gate access near the Battery Spencer Parking Lot that shows and states, "NO PETS." Upon a dispatch computer check, (b) (6), (b) (7)(C) returned clear of wants/warrants with no local file contacts. However, he also returned as a California Department of Corrections parolee with a discharge date of 06-26-14. I issued him a verbal warning for having a pet in an area closed to pets and I released (b) (6), (b) (7)(C) on-scene. (b) (6), (b) (7)(C) was compliant with my directions to leave the area with his pet. I cleared at approx. 1020 hrs.

I was on uniformed patrol in a marked patrol car on Conzelman Road at 2030 hours on 06/16/12. At that time, I saw a group of people walking up Upper Fisherman's trail with an off leash dog. It is illegal for dogs to be on that trail, and the trail is signed with that regulation at the parking lot (it is a dead end trail which ends at a beach). I contacted the group in the parking lot, and a male who I identified as (b) (6), (b) (7)(C) said that the dog was his. (b) (6), (b) (7)(C) said that he did not see the sign. I issued him citation 3700465 for 36 CFR 2.15(a)(1)- Pet in area closed to pets. (b) (6), (b) (7)(C) was polite and compliant throughout the contact. I provided him with a map showing where pets are allowed in the Marin Headlands, and I cleared the scene.

---------	---

I state that on June 17, 2012, at approximately 1425 hours, while exercising my duties as a law enforcement officer in the Northern District of California, I observed two white males a white female walking with a dog on a leash from the main parking lot of Muir Woods toward the second parking lot. I continued to observe the group, and they changed their path and walked instead onto the Dipsea Trail. The man with the dog crossed the footbridge of Redwood Creek, and I yelled to alert him that pets were not permitted on the main trail of Muir Woods, nor were they allowed on any of the adjacent trails. The man, along with the other two, exited the Dipsea Trail, and I continued to monitor them as they walked back toward the main parking lot.

From a distance, I saw the man, still with the dog on leash, quickly run across the entrance of the main lot of Muir Woods and continue to run on a social trail up an adjacent hill. From the entrance, I yelled for the man to stop, but he continued to run up the trail. The other male and female remained at the entrance of Muir Woods. I ran up the hill behind the man, and I yelled again for the man to stop. The man paused, looked over his shoulder toward my position, and then continued to run up the hill. The man arrived at the road, turned left, and ran along the roadway. I followed the man and yelled again for him to stop. The man stopped, turned toward me, and held his hands together above his head while he breathed heavily. I asked the man why he had ignored my order to stop, and he replied that he thought that I would not follow if he ran up the hill.

Through dispatch, I identified the white male as (b) (6), (b) (7)(C) received citations for 36 CFR 2.15(a)(1), possessing a pet in a closed area and 36 CFR 2.32(a)(2), violating the lawful order of a government agent. I explained each ballable violation notice to (b) (6), (b) (7)(C) signed each, which implied that he understood.

On June 18th, 2012 at approximately 1020 hours, while walking on the Upper Mori Point Trail in uniform, and escorting a member of San Mateo County's search and rescue team out to Mori Point, I observed a male walking with three dogs that were not leashed. The male was later identified by his (b) (6), (b) (7)(C)

It is a violation of the law to have pets off-leash at Mori Point. There are signs at all the trail entrances and at many of the trail junctions that state in text and with a graphic symbol that pets must be leashed.

I asked (b) (6), (b) (7)(C) to place the three dogs on leash. (b) (6), (b) (7)(C) said he had not been contacted before for having his dogs off leash. U.S. Park Police dispatch told me (b) (6), (b) (7)(C) had been contacted by National Park Service law enforcement in 2008 for having his dogs off-leash at Mori Point. I told (b) (6), (b) (7)(C) to walk ahead of me on the trail back to my vehicle. Once at my vehicle I issued (b) (6), (b) (7)(C) a citation for violation of 36 CFR 2.15(a)(2): Pet not on leash (Citation number: 3448361). I cleared at approximately 1030 hours.

The trail is signed at the start of the trail that dogs must be on leash. I stopped the pair, and they stated that they did start jogging at the main parking lot (where the sign is located). The male suspect said he was responsible for the dog. I identified him as (b) (6), (b) (7)(C) by his stated name and date of birth. I gave that information to my dispatch center and matched him to his DMV description. I issued (b) (6), (b) (7)(C) citation P5002027 for 36 CFR 2.15(a)(1). I gave the pair a map of trails in the area that allow pets and cleared the scene.

At approximately 1425 hrs, June 24, 2012, I was advised by dispatch that Marin County Communications reported receiving a visitor complaint of a dog on the Tennessee Trail. This trail is closed to dogs and a sign to that effect is clearly posted at the trailhead in the parking lot. I responded to Tennessee Valley from Muir Woods. On the Tennessee Valley Trail adjacent to the N.P.S. stables, I saw (b) (6), (b) (7)(C) walking a small white dog eastbound. I made contact with (b) (6), (b) (7)(C) and advised her that the Tennessee Valley Trail and Tennessee Beach are wildlife areas and are closed to pets. (b) (6), (b) (7)(C) said she did not notice the sign at the trailhead. (b) (6), (b) (7)(C) was issued U.S. District Court Violation Notice #3701288, for violation of 36 CFR 2.15(a)(1) "Area Closed To Pets". (b) (6), (b) (7)(C) checked clear for wants and warrants and was released with instructions to return to the parking lot with her dog. She was advised of locations in the park where dogs are allowed and provided with a park map. (b) (6), (b) (7)(C) checked clear for wants and warrants and was released.

I was on uniformed patrol in a marked patrol car on the Miwok Trail near Coyote Ridge at 16:30 hours on 06/30/12. At that time, I saw a male walking on the Miwok Trail with a dog off leash. When he saw me, he leashed the dog. The Miwok is signed at every legal entrance that pets must be on leash. I identified the male as (b) (6), (b) (7)(C) by his stated name and date of birth which I used to match him to his DMV description (as provided by my dispatch center). I issued (b) (6), (b) (7)(C) citation P5002034 for 36CFR2.15(a)(2)- Pet off leash. I then provided him a map of the area showing pet regulations on the various trails.

29. DETAILS OF INCIDENT

On 07/08/2012 at approximately 1408 hours, a park visitor arrived at the Fort Funston ranger station carrying an injured cormorant. The visitor stated some dog walkers on the beach below purposely let their dog loose on the bird that was resting on the shore. The bird was wrapped in the visitor's jacket and reported to be very active. I asked the visitor if the bird was injured. She stated that the dog grabbed it by its body and shook it. She later stated that she yelled at the dog owners about the dog's behavior. The owner yelled back, "This is a dog park and we can do what we want... what do you expect dogs to do!" The visitor said the event happened 30 minutes ago. We placed the bird in a bird box and I transported it to Animal Care and Control on 15th and Harrison, San Francisco.

I cleared at 1435 hours. The bird was alive upon transfer to care takers at Animal Care and Control.

	On 07/09/2012 at approximately 1838 hours, I was on 4x4 patrol of the wildlife protection zone Ocean beach when I noticed several dogs off leash. Pets are to be on leash from July 1-May 15 between stairwell 21-Sloat boulevard. I made contact with subjects later identified as (b) (6), (b) (7)(C) with their dogs off leash in the areas of Pacheco avenue. I had both subjects leash their pets and informed them that pets were to be on leash within the protection zone and explained the closure months. I gathered identification and conducted computer checks. The checks returned clear and let both subjects know that their information would be entered into a department maintained local file. Future contacts would result in citations for failing to leash pets in a wildlife closure. I cleared at 1853 hours. Both subjects advised they understood the regulations and would adhere to the rules.

At approximately 1141 hrs, July 15, 2012, park dispatch reported receiving a visitor complaint of a dog on the Tennessee Valley Trail. This trail is closed to dogs and a sign to that effect is clearly posted at the trailhead in the parking lot. I responded to Tennessee Valley from Ft. Barry. On the Tennessee Valley Trail adjacent to the N.P.S. stables, I saw (b) (6), (b) (7)(C) walking eastbound with a brown short haired dog. I made contact with (b) (6), (b) (7)(C) and advised him that the Tennessee Valley Trail and Tennessee Beach are wildlife areas and are closed to pets. (b) (6), (b) (7)(C) said he was unaware of this closure and did not notice the sign at the trailhead. (b) (6), (b) (7)(C) was issued U.S. District Court Violation Notice #3701293, for violation of 36 CFR 2.15(a) (1) Area Closed To Pets. (b) (6), (b) (7)(C) checked clear for wants and warrants and was released with instructions to return to the parking lot with his dog. He was advised of locations in the park where dogs are allowed and provided with a park map.

On July 15, 2012, at approximately 1523 hours, I was patrolling the Fort Funston parking lot when I was flagged down by a visitor with two dogs. The woman pointed to a man walking his pit bull and said that his dog jumped up at her dogs and scared them. The woman said he then put a muzzle and leash on the pit bull and walked off. I saw the pit bull and owner and drove out to meet with him. I identified him as (b) (6), (b) (7)(C) through USPP Communications revealed no warrants. (b) (6), (b) (7)(C) said that when he opened the car door, his dog, a black one year old pit bull named (b) (6), (b) (7)(C) ran out into the lot. He said he quickly attached a leash and muzzle. I advised (b) (6), (b) (7)(C) that although visitors can use voice control over their pets, they must immediately comply upon voice demand. I also advised (b) (6), (b) (7)(C) that as the owner he has sole responsibility over the dog's behavior with other people and pets. (b) (6), (b) (7)(C) said his dog was unlicensed. I warned (b) (6), (b) (7)(C) about keeping his dog under control at all times and told him to get the required dog license before returning to Fort Funston or any other park in San Francisco.

On July 28th, 2012 at approximately 1502 hours while on patrol of Tennessee Valley, I was contacted by a park maintenance worker at the main gate in the parking area who stated there was a group camping at Haypress campground in site 4 who had multiple dogs. The maintenance worker stated that he had had another camper complain earlier in the morning and had advised the dog owners that they could not have pets in the area.

I responded to Haypress Campground and observed at site four two tents with a third roofed structure that was open on all sides. As I approached the campground, two individuals with dogs in the campsite (later identified as (b) (6), (b) (7)(C)) took notice of my approach. (b) (6), immediately stood up and walked into a nearby tent with her dog, then exited the tent without the dog. I contacted (b) (6), (b) (7)(C) who stated they knew they could not have dogs in the area, but had not heeded the maintenance worker's notice approximately four hours earlier. Ranger Yost arrived on scene and assisted.

A check through US Park Police communications revealed no wants or warrants for (b) (6), (b) (7)(C). I issued each a citation for 36 CFR 2.15(a)(1) and advised them to begin packing up their campsite and leave the area. Towards the end of the contact, (b) (6), (b) (7) stated her dog was a service dog and she stated she possessed paperwork though she had none with her.

After I issued citations to (b) (6), (b) (7)(C) returned their licenses and stated they were free to go, I asked (b) (6), (b) (7) if he would consent to me searching his tent, he consented to me checking his tent and backpack where I found a small (0.1 grams) of marijuana. I verbally warned (b) (6), (b) (7) seized the marijuana, and cleared the scene. Evidence was entered into Bldg 507 evidence safe. End of report.

On July 29th, 2012, at approximately 1200 hours, while on uniformed patrol in a marked vehicle driving southbound on the Great Highway, I observed a male with what I later confirmed was 12 off-leash dogs in the Wildlife Protection Area (WPA) of Ocean Beach. It is a violation of the law for pets to be off-leash in the WPA at Ocean Beach between July 1st and May 15th. I later identified the male by his driver's license

I contacted (b) (6), (b) (7) and asked him to place all the dogs on leashes. I then explained that it is a violation of the law to have pets off-leash in the WPA, and I asked him to accompany me to my vehicle. I asked (b) (6), (b) (7) how many dogs he had with him. He said 12. (b) (6), (b) (7) said he ran a dog walking company and that the owners of the dogs paid him to walk them. (b) (6), (b) (7) stated he usually walked his clients' dogs on Crissy Field. As we exited the beach I directed (b) (6), (b) (7) attention to one of the numerous signs that are at entrances to the Wildlife Protection Area stating that pets must be leashed from July 1st to May 15th. Dispatch told me (b) (6), (b) (7) had no wants or warrants and was not on record as having been contacted for WPA or leash law violations in the past.

I issued (b) (6), (b) (7) a citation for violation of 36 CFR 7.97(d)(ii): Pet off-leash in the Wildlife Protection Area at Ocean Beach (Citation number: 3701130). I cleared at approximately 1215 hours.

At approximately 1325 hrs, July 29, 2012, I was advised by dispatch that an NPS volunteer reported dogs on Tennessee Beach. The beach and trail are closed to dogs and a sign to that effect is clearly posted at the trailhead in the parking lot. I responded to Tennessee Valley from the Fort Baker. On the Tennessee Valley Trail adjacent to the N.P.S. stables, I contacted (b) (6), (b) (7)(C) walking a brown dog eastbound. I made contact with (b) (6), (b) (7)(C) and she advised she was not aware that the Tennessee Valley Trail and Tennessee Beach are wildlife areas and are closed to pets. (b) (6), (b) (7)(C) said she did not notice the sign at the trailhead. (b) (6), (b) (7)(C) was issued U.S. District Court Violation Notice #3701297, for violation of 36 CFR 2.15(a)(1) "Area Closed To Pets". (b) (6), (b) (7)(C) checked clear for wants and warrants and was released with instructions to return to the parking lot with her dog. She was advised of locations in the park where dogs are allowed and provided with a park map. (b) (6), (b) (7)(C) checked clear for wants and warrants and was released.

On July 30th, 2012, at approximately 1452 hours, while on uniformed foot patrol in the Wildlife Protection Area (WPA) on Crissy Field, I observed two females walking with a small dog that was off-leash. It is a violation of the law for pets to be off-leash in the WPA at Crissy Field between July 1st and May 15th.

I contacted the two women, introduced myself, and asked them to place the dog on a leash. I explained that they were in a wildlife protection area and that the law required their dog be on a leash. I drew their attention to the numerous signs at all entrances to the WPA stating in both written and graphic form that pets must be leashed between July 1st and May 15th. I asked the women which of them was the owner of the dog. One of the women, identified by her name and date of birth as (b) (6), (b) (7)(C) said she was the owner.

Dispatch told me (b) (6), (b) (7)(C) had no wants or warrants and was not on record as having been contacted for WPA or leash law violations in the past.

(b) (6), (b) (7)(C) was very emotionally upset and said she had not seen the signs and was not aware of the rule. I issued (b) (6), (b) (7)(C) a verbal warning for violation of 36 CFR 7.97(d)(i): Pet off-leash in the Wildlife Protection Area at Crissy Field. I cleared at approximately 1500 hours.

On Tuesday July 31, 2012 at approximately 1505 hours, I was patrolling the Coastal Fire Road north of Tennessee Valley when I came upon 2 white males with a dog. Dogs are not allowed on that trail and the entrance to the area is signed accordingly. I contacted them and asked who the dog belonged to. One of the men spoke up and said that it was his dog. He identified himself as (b) (6), (b) (7)(C) of (b) (6), (b) (7)(C) and said that he did not have any identification on him. A computer check of his name came back clear. (b) (6), (b) (7)(C) said that he didn't see any sign and that they "weren't smoking weed or drinking alcohol". I thanked him for not doing that but advised him of the dog regulations and assured him that there was a sign at the entrance to the trail that said no pets. (b) (6), (b) (7)(C) was issued United States District Court Violation Notice #3448864 for violation of 36CFR2.15 Possession of a Pet in an Undesignated Area. I cleared at approximately 1520 hours.

RESULTS OF INVESTIGATION:

NARRATIVE:

Park Dispatch notified Officer Agnew of a dog attack at the intersection of Sommerville Rd. and Moore Rd. I was nearby and responded as well.

When I arrived, Officer Agnew was interviewing the victim, (b) (6), (b) (7)(C). I interviewed the suspect (b) (6), (b) (7)(C) was sitting in her car with her two dogs. (b) (6), (b) (7)(C) related the following to me: (b) (6), (b) (7)(C) was walking her two dogs on the beach at the intersection of Sommerville and Moore. (b) (6), (b) (7)(C) said both her dogs were on leash. Another dog started to come down the steps to the beach, but it was on an "extended" leash, the kind that extends and retracts. When one of (b) (6), (b) (7)(C) dogs saw the new dog, it lunged towards and the leash slipped from her hand. (b) (6), (b) (7)(C) dog attacked and bit the other dog on the lower leg.

By the time of my arrival, (b) (6), (b) (7)(C) had already exchanged personal information with (b) (6), (b) (7)(C) and offered to pay for any veterinary care required. (b) (6), (b) (7)(C) wrote a two-page statement of the events.

I interviewed (b) (6), (b) (7)(C). She acknowledged receiving (b) (6), (b) (7)(C) personal information and offer to pay for veterinary services. I obtained a short written statement from (b) (6), (b) (7)(C). I saw that while she was writing, she was holding her dog with an extendable type leash. I also saw that her dog seemed of normal temperament, and while I did not closely inspect the dog, I saw no visible bleeding from any of its legs. After (b) (6), (b) (7)(C) gave me her statement, I watched her and the dog walk away. The dog appeared to have a normal gait.

At approximately 1332 hrs, August 6, 2012, I was on foot patrol on Tennessee Beach when I observed two separate visitors with dogs on the beach. The beach and trail are closed to dogs and a sign to that effect is clearly posted at the trailhead in the parking lot. I made contact with (b) (6), (b) (7)(C) on the beach and requested they met with me at my patrol vehicle. At that location they both advised they did not observe the sign and were not aware that the Tennessee Valley Trail and Tennessee Beach are wildlife areas and are closed to pets. Both visitors were issued U.S. Department of the Interior, National Park Service Warning Notices for violation of 36 CFR 2.15(a) (1) "Area Closed To Pets". (b) (6), (b) (7)(C) checked clear for wants and warrants and were released with instructions to return to the parking lot with their dogs. They were advised of locations in the park where dogs are allowed and provided with a park maps. Both visitors checked clear for wants and warrants and were then released.

	<p>On 08-09-12 at approximately 1157 hours I was on Horse Mounted Patrol with Ofc. Javier in the Presidio in the area of Crissy Field. We were walking our horses along the dirt Pomonade walking path just north of the old "air field" from West Bluff heading toward East Beach. The path was populated with many walkers, joggers, and cyclists. At approximately 150 feet in the distance adjacent to Stilwell Hall, I noticed two dog walkers with several dogs off leash. As Ofc. Javier and I approached the two men looked back several times toward us, then looked toward their pack of dogs and back toward us. It appeared they had taken notice of us. As we got closer, a medium sized black dog took notice of us in the distance and ran toward us barking, then several more charged at us barking. We both turned our horses to face the dogs. The two walkers, later identified as (b) (6), (b) (7)(C) began passively calling out to the dogs, but did not attempt to leash any of the dogs that were near them still. The two Tried to jog away as if to get the dogs to follow. Two dogs (one golden retriever and one medium black dog) continued to bark and run around my horse while I noticed one black dog doing the same to Officer Javier's horse. The dogs were within approximately five feet of the horses as we remained on the dirt path. I screamed out to (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) to try harder to call the dogs back and to put them all on a leash. At that time, the two dogs in front of my horse did return to the walkers. I screamed again for them to control the dogs and put them all on leash. Neither did so. The same two dogs came charging toward us again and several more from the pack followed them this time, all barking and snarling. *****continued*****</p>

The black dog and a large weimeroner ran from the grassy area down on to the dirt path that was crowded with pedestrains and cyclists an began circling my horse. For my safety and that of my horse and the surrounding park visitors and and in accordance with my horse patrc training I urged my horse forward toward the attacking dogs in hopes of scaring them back. This did work and the dogs ran away from the dirt path and back up onto the grass. I screamed out again for the two men to get their dogs. I saw (b) (6), (b) (7)(C) leashing some of the dogs, when he yelled out, "Just continue on! If you go away he won't chase you"! In case some of the still unleashed dogs attacked again, I left the crowded dirt path and went up onto the grassy area. Ofc. Javier did the same. Finally, the two men leashed most of the dogs, but still not all of them. I counted 10 dogs around (b) (6), (b) (7)(C). He later called me a "liar" because he only had 9 under his care. I explained that in the chaos I could have counted one of (b) (6), (b) (7)(C) as his as his instead. I had already written the citation, but made note that (b) (6), (b) (7)(C) admitted to having only 9 dogs off leash in stead of 10 on the citation itself.

The company owner of (b) (6), (b) (7)(C) appeared on scene and asked what his employees were being cited for. I immediately recognized him as someone I had previous contacts with about the leash laws. Although he was not involved in the incident, I allowed hir to stay on scene while I explained the violations to his employees. As is mandatory when issuing a citation, I explained the violation and the elements of the LEASH LAW AND "VOICE CONTROL" as interpreted by the court and the National Park Service. During this time (b) (6), (b) (7)(C) was argumentative and several times called me a liar. Stating that Ofc. Javier and I charged at them and their pack of dogs without provocation. As I explained that the two men and their dogs had been more than 100 feet south of us as we were riding west to east on the path when we were attacked, (b) (6), (b) (7)(C) continued to state that we rode across the field into their pack of dogs as if to attack them. (b) (6), (b) (7)(C) were issued citations for a mandatory appearance in court for Fail to Leash/Control dogs.

(b) (6), (b) (7)(C) cite# 3808615 (written as 10, to be amended in court for *9 dogs)

(b) (6), (b) (7)(C) cite# 3808520 (7 dogs) Ofc. Javier later told me that (b) (6), (b) (7)(C) was cooperative and apologetic while she was issued him his citation.

Ofc. Battista and Horse Mounted Sgt. A.King assisted on scene while we were issuing our citations.

7 RESULTS OF INVESTIGATION

On 08/09/12 Officer Budd and I were on horse mounted patrol at approximately 1157 hrs. at Crissy Field Airfield and Stillwell in the Presidio. I saw approximately 16 dogs off leash running around in the grass; and two white males in the middle of the pack of dogs. They were 150 feet approximately from our location when I first saw them and their dogs. It was a clear/sunny day and there were a lot of park visitors in the area.

Officer Budd called out the subjects and told them to leash/control their dogs. They both turned and looked at us as we were riding closer and began to walk away with some of the dogs following, but still did not leashed the dogs. However, I saw a medium size black dog running and barking, towards me. While three other dogs came towards Officer Budd's horse. I called on the white males to get their attention again to control/leash their dogs. I turned my horse right to face the charging dog. The dog ran and barked around my horse within a distance of 5 to 7 feet, I continued to position my horse to face the dog.

Officer Budd called out again the white males to come to leash/control their dogs; finally, one of them came to catch the dog. We told the dog walkers to control/leash all their dogs. The white male that came running to catch the black dog was later verbally identified as (b) (6), (b) (7) (C) and he told me: "... just continue on, if you go away, he won't chase you".

Officer Battista and Sergeant King responded to assist. They instructed the white males to the parking lot to secure their dogs in their vehicles.

The other dog walker was (b) (6), (b) (7)(C) who was verbally identified and checked for want/warrants with negative results. He stated he had 7 dogs and he was a professional dog walker. I issued him citation #3808520 for failed to leash/control (7dogs).

Cleared at 1230 hrs.

	On 08-09-12, at approx. 1230 hrs., I observed a medium sized, off-leash dog running unrestrained after shorebirds on Ocean Beach near Pacheco St. I then observed an adult white female, later identified as (b) (6), (b) (7)(C) walking southbound towards this dog. (b) (6), (b) (7)(C) was walking with another off-leash dog. (b) (6), (b) (7)(C) leashed the dog that was chasing after shorebirds but her second dog remained off-leash. (b) (6), (b) (7)(C) then began jogging northbound on Ocean Beach towards Pacheco St. with both dogs. I contacted (b) (6), (b) (7)(C) on Ocean Beach just north of Pacheco St., identified myself as a National Park Service law enforcement officer, and I advised her that pets need to be on leash in this area. (b) (6), (b) (7)(C) then leashed her second off-leash pet. Upon a dispatch computer check, she returned clear of wants/warrants with no local file contacts. I advised (b) (6), (b) (7)(C) that there are clearly posted and visible signs at the Ocean Beach/Great Highway pedestrian crosswalks in this area that state, "PROHIBITED: OFF-LEASH PETS." I issued (b) (6), (b) (7)(C) a verbal warning for disturbing wildlife. I then walked to my assigned marked patrol vehicle (which was parked on the Great Highway approx. 75 yards away) in order to retrieve a blank citation. (b) (6), (b) (7)(C) decided to walk with me to the seawall near my assigned patrol vehicle. I issued her MVN 3701203 for 36 CFR 7.97(d)(1)(ii), Failure to Leash Pet at Ocean Beach Wildlife Protection Area (\$100). I released her on-scene and I cleared at approx. 1245 hrs.

ITEM	7 RESULTS OF INVESTIGATION
	<p>Narrative:</p> <p>I was on uniformed patrol of the Marin Headlands in a marked patrol car at 13:14 hours on 08/03/12. At that time, I drove into the construction pullout at the west end of the Baker/Barry Tunnel. In the pullout, I saw an older model bicycle locked next to a tree. I exited my vehicle and followed recent footprints from the bicycle to a non-official path leading into the bushes.</p> <p>Upon entering the bushes, I saw signs of a homeless encampment. These included food wrappers and used toilet paper. My training and experience has taught me that entering a homeless encampment leads to a high likelihood of encountering a fortified individual with knives, guns, or other weapons. These individuals also usually have warrants for their arrest and/or severe mental health issues. Based on these factors, I drew my handgun from it's holster and held it down by my right side. I then called over the radio for a second officer to respond to my location to assist in the possible entry into a homeless encampment.</p> <p>I then saw a pair of legs sticking out from under the bushes ahead of me. I said, "Police! Show me your hands." The subject who was laying on the ground complied. I then put my gun back into it's holster. I escorted the subject from the bushes back into the construction pullout. He told me that he had seen someone hiking along the hillside before and thought he could get to that location from where he left his bike. I informed him that it was a violation to shortcut to designated trails in National Park Service sites. He stated that he was homeless but was riding his bicycle to San Francisco and was stopped at the bridge due to a temporary bridge closure.</p> <p>I identified him by his stated name and date of birth as (b) (6), (b) (7)(C) I then matched (b) (6), (b) (7)(C) to his DMV description (as provided by my dispatch). My dispatch informed me that (b) (6), (b) (7)(C) was on court probation with a search clause allowing search of his person/belongings without probable cause. US Park Police Unit 813 arrived on scene, and I searched (b) (6), (b) (7)(C) finding nothing illegal. I then informed (b) (6), (b) (7)(C) that he was free to stay in the pullout of leave so long as he stayed on designated routes. (b) (6), (b) (7)(C) rode away on his bicycle.</p> <p>While escorting (b) (6), (b) (7)(C) from the bushes, I contacted a plant which gave me an allergic reaction on my arms. As a result, I did not re-enter the area to search for further encampments at that time.</p> <p>END OF REPORT</p>

	SUMMARY: On Aug 11, 2012, I contacted two park visitors with pets off leash at Fort Baker.				
	NARRATIVE: On Aug 11, 2012, I observed a white-male and female walking their unleashed Dogs at Murray Circle Parade Ground. I first contacted (b) (6), (b) (7)(C) with his pet near Building 636 as he walked off the Parade Ground. (b) (6), (b) (7)(C) was playing fetch with his dog. I asked (b) (6), (b) (7)(C) to call his dog, which the dog responded to. When told that the area was leash only, (b) (6), (b) (7)(C) told me that he was unaware the dog needed to be leashed and thought this was a leash optional area. (b) (6), (b) (7)(C) was compliant and leashed his pet. I checked wants and local file for (b) (6), (b) (7)(C) who claimed to be an active walker at Fort Baker For the past several years. Results were negative for prior contacts. (Cont'd)

ITEM 7 RESULTS OF INVESTIGATION

NARRATIVE continued:

(b) (6), (b) (7)(C) was respectful throughout the contact but expressed his belief that there wasn't posting prohibiting off-leashed pets.

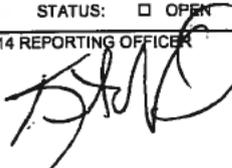

After contacting (b) (6), (b) (7)(C) I observed a white female, later identified as (b) (6), (b) (7)(C) with her pet off-leash near the center of the circle. I contacted the (b) (6), (b) (7) and asked if she had a leash with her? She showed me a retractable leash in her left hand. I asked why the dog was not on the leash? (b) (6), (b) (7)(C) stated she was playing with your dog. I asked if she came to Fort Baker often. She said she had not for a long time.

I asked (b) (6), (b) (7)(C) for her identification, she complied and the two of us walked back to where I had parked my vehicle.

I provided information about where dogs could be off leash at Golden Gate NRA. I checked wants and local file for (b) (6), (b) (7)(C) which returned negative (b) (6), (b) (7)(C) left the area by way of East Road, a direct route to Sausalito, CA

Fort Baker has only the roads that enter and exit the area. Both entrance lanes have large prominent brown/ white signs stating No Camping and Leash Pets. The sign on East Road is exposed and legible as is the sign coming in from Old Bunker Road.

Both contacts (b) (6), (b) (7)(C) were given verbal warnings for failing to have their pets on leash, 36 CFR 2.15(a)(1). I cleared the contacts at 09:50 hours.
