	On 03/05/12 at 0910 hrs, I took a phone report from (b) (6), (b) (7). (b) (6), stated she was walking her Corgi on leash near the water station at Ft. Funston at 0800 hrs on Saturday 03/03/12. A male and female of possible (b) (6), (b) (7)(C) were with a pit bull puppy and adult - both off leash. (b) (6), stated the adult pit bull jumped on her dog and bit it on the head causing injuries. The couple apologized but (b) (6), did not get their names. She immediately took her dog to emergency care for treatment. Her dog was treated for injuries to his right eye. (b) (6), primarily wanted to make a report to document the incident. I gave her a case incident number and told her to get the pitbull owner's information if she saw them again.

	On 03/18/2012 at approximately 1827 hours, I was sitting in my marked patrol car near the Nike Portola site of Sweeney Ridge, when I noticed a dog off leash along Sweeney Ridge road. Through binoculars, I noticed the male subject take notice of my patrol car, immediately stop walking and call the dog over to him. The subject, later identified as (b) (6), (b) (7)(C) leashed the dog and continued walking up the road and later southbound on the Sweeney Ridge trail. I drove over to (b) (6), (b) (7)(C) to make contact with him.				
	At approximately 1834 hours, I intercepted (b) (6), (b) (7)(C), greeting him and asking if he could tell me the regulation pertaining to dogs. (b) (6), (b) (7)(C) stated, pets were to be on leash while in the area. I then asked if he could tell me why his pet was off leash if pets were to be on leash. (b) (6), (b) (7)(C) stated that there was no one in the area and that his dog followed him where ever he went. (b) (6), (b) (7)(C) then dropped his leash as if to display his dog's ability to be under voice control. I gathered his identification and asked if he had been contacted by officers for this violation before. (b) (6), (b) (7)(C) stated that he had been cited before and believed that I had cited for the violation some time ago. A computer check confirmed that I cited (b) (6), (b) (7)(C) on 05/23/2009 for failure to leash pet at Sweeney Ridge. I issued citation # 3449191 for 36 CFR 2.15(a)(2)-failure to leash pets. I cleared at 1839 hours.

At approximately 1456 hours, I observed a black colored dog wandering around through a group of school children at the bleachers, and then south to the sand trail where a female and her child were walking. As I approached the female, a second female appeared from over near Portola Avenue and called the dog. I approached the female, and advised her it was not an off-leash area. She initially countered by telling me her dog was a service animal, however, when I explained the dog had been running through the children a great distance from her, and wasn't actively performing a service, she became more cooperative. A computer check through dispatch revealed no wants or warrants, and she was not listed in the local file. A written warning was issued for not complying with the leashing requirements. On 22nd of March 2012, at approximately 1645 hours, while on foot in Sutro Heights Park I observed a white male approach my location from the wood chip path. I observed the man (later identified as Mr. (b) (6), (b) (7)(C)) with his (b) (6), (b) (7)(C) (b) (6), (b) (7)(C) take a look at me and turn around and walk away. U.S. Park Ranger Wright informed me that he saw a retractable leash in (b) (6), (b) (7)(C) left hand and a plastic bag in his right. I did not see a dog in (b) (6), (b) (7)(C) vicinity. We followed (b) (6), (b) (7)(C) down the trail and I observed a tan and brown German shepherd dog running through the bushes approximately 20 yards away from (b) (6), (b) (7)(C). I observed (b) (6), (b) (7)(C) call the dog to him. I observed the bag in (b) (6), (b) (7)(C) hand contain dog fecal matter. I contacted (b) (6), (b) (7)(C) and asked him to put his dog on a leash. I asked him if he was aware that dogs were required to be on a leash. He informed me "yes", and that his dog had slipped it's leash and he was trying to get the dog back on when we contacted him. I asked if he had been contacted before about his dog being off leash and he stated that he had. I gave (b) (6), (b) (7)(C) a verbal warning for 36 CFR 2.15(a)2 failing to restrain on a leash which shall not exceed six feet in length a pet at all times. (b) (6), (b) (7)(C) was then released.

I was on uniformed foot patrol of the Fort Mason Great Meadow at 1230 hours on 3/28/12. At that time, I saw a white male with a dog enter the meadow at the Laguna/Marina entrance. There are no regulatory signs at that entrance although dogs are required to be on leash at all of Fort Mason. I identified the dog owner as (b) (6), (b) (7)(C). My dispatch center informed me that (b) (6), (b) (7)(C) had not been given a citation or written warning for pet violations in Golden Gate National Recreation Area in the past. I gave (b) (6), (b) (7)(C) warning for 36 CFR 2.15(a)(2)- Pet off leash.

I was on uniformed foot patrol of Ocean Beach at Lawton Avenue along the shoreline at 1730 hours on 3/30/12. At that time, I saw a male and female walking towards me with two dogs off leash. The male subject was holding an open can labeled as PBR beer. I contacted the pair and informed them that alcohol and dogs off leash are both illegal on this section of Ocean Beach. The beach is signed at all major entrances that dogs must be on leash this time of year between Sloat Ave and Stairwell 20 (we were in that restricted area).

The male stated he was responsible for both dogs. I identified him as (b) (6), (b) (7)(C) by his stated name and birthday. I matched (b) (6), (b) (7)(C) to the description on (b) (6), (b) (7)(C) as given by my dispatch center (see above). I issued (b) (6), (b) (7)(C) citation 3446347 for 36 CFR 7.97(d)ii- pet off leash in Ocean Beach wildlife protection area. I also had him pour out his beer and gave him a warning for alcohol on the beach (36 CFR 2.35a3iii).

I was on uniformed foot patrol at the South end of Stinson Beach near the shoreline at 1430 hours on 4/1/12. At that time, I saw a man and woman with a dog off leash on the beach. Stinson Beach is signed at the parking lot entrance and all major entrances to the beach that dogs are not allowed on the beach. I contacted the pair, and the female stated she was responsible for the dog. I identified her by her stated name and birthday as (b) (6), (b) (7)(C). I then matched her to her DMV description on (b) (6), (b) (7)(C) as given by my dispatch center. I issued (b) (6), (b) (7)(C) citation 3446346 for 36 CFR 2.15(a)(1)-Pet on designated swimming beach.

	On 04/01/2012 at approximately 1545 hours, I was on foot patrol of the Mori Point area when I noticed a Golden Retriever running off leash on the trail off in the distance. I monitored the dog thinking that the pet was on a retractable leash. I then noticed the owner throw something and the dog took off running approximately 100 feet away from the owner. I decided to intercept the owner on the trail.  I came in contact with the owner later identified as (b) (6), (b) (7)(C) who had just thrown a tennis ball to the off leash pet. The dog was now in off trail in the newly re-vegetated brush. I greeted (b) (6), (b) (7)(C) and her companion and then asked if there was a reason her dog was off leash. She stated the dog was full of energy and wanted to play. I asked (b) (6), (b) (7)(C) for her identification. (b) (6), (b) (7)(C) hesitated and asked "Is that a taser... are you going to taze me!" I informed her I had no intention of tazing her. She smiled and gave me her driver's license. I asked (b) (6), (b) (7)(C) if she lived in the area and if she frequented Mori Point. (b) (6), (b) (7)(C) stated that she lived in the area for the past 15 years and comes to Mori Point with her dog all the time. I informed her that nets were to be on leash at all times while visiting the park. (b) (6), (b) (7)(C) stated (b) (6), (b) (7)(C) INVESTIGATOR NOTIFIED

she thought the pet policy was on hold and the issue was up for review since the tazer incident at Rancho Corral de Tierra. I explained to her that the review process did not include properties already under the control of GGNRA and being a resident who frequented Mori Point as often as she did, I was sure she was aware of the regulation. Communications advised that (b) (6), (b) (7)(C) information was valid and I explained to her that clearly posted signs advise pets are to be on leash at all accesses to the park. I also offered other off leash locations in GGNRA for her to use. (b) (6), (b) (7)(C) then stated that she volunteered for the Parks Conservancy and wanted me to give her a break or verbal warning for the incident. I explained to her that she could contest the citation if she wanted and I issued citation # 3449153 for 36 CFR 2.15(a)(2)-failure to leash pet-leash law.

I later advised her that Mori Point was a wildlife haven that was never an off leash area.

On 04/04/2012 at approximately 1822 hours, I was driving south bound in my marked patrol vehicle along the Great Highway at Pacheco avenue, when I noticed a subject running northbound along the beach with his dog off leash. I immediately recognized the subject as (b) (6), (b) (7)(C) by his florescent green jacket. He waved to me as a passed him on the Great Highway. (b) (6), (b) (7)(C) has been cited twice (01/17/2009 and 01/19/2012) for failing to leash his pet in the wildlife protection zone. The wildlife zone requires pets to be on leash from July 1 through May 15 to protect the Snowy Plovers. I made contact with (b) (6), (b) (7)(C) and asked him if there was a reason he could not restrain his pet in wildlife zone. (b) (6), (b) (7)(C) replied, "It's a great day to let my dog play!" I informed him that we have gone over this issue in the past and he was going to be cited a third time for this regulation. While conducting a computer check for wants and/or warrants (b) (6), (b) (7)(C) called out to his dog several times in an effort to leash the animal. The dog would not respond and continued running off in the distance. Approximately 100 yards north of (b) (6), (b) (7)(C) and I, the dog defected in the ocean as the waves were coming ashore. The computer check returned clear of any wants or warrants. Communications later

On April 8, 2012, at approximately 1530 hours, while exercising my duties as a law enforcement officer in the Northern District of California, while on foot patrol at Muir Woods National Monument, I heard a dog barking from the area of the lower restrooms. I walked toward the sound of the barking dog, and I found what appeared to be a yellow Labrador tied by a leash to a fence post. I presumed that the owner was utilizing the restrooms, and I continued to monitor the dog. After approximately twenty minutes, a white male approached and explained that the dog was his. I asked why he had left the dog tied to the fence post, and he explained that he had no option, because pets were not permitted within the Monument. I agreed with the man that pets were not allowed within the Monument, but that he could not leave his dog tied to a fence post and left unattended.

I requested that the man provide his identification, and he complied. Through dispatch, I identified the man as (b) (6), (b) (7)(C) of (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) received a violation notice for 36 CFR 2.15(a)(3), leaving a pet unattended and tied to an object. I explained the bailable violation notice to (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) signed implying that he understood.

	On 04/09/2012 at approximately 1500 hours, I was on patrol in my marked patrol car when I noticed two subjects with their dog off leash. The area at Milagra Ridge is a leash required location and legally posted signs at all accesses state "leash pets." I monitored the dog through my binoculars and noticed that it was approximately 50 feet in front of the two subjects. I could see the retractable leash handle in the hand of the female subject and it was not connected to the dog. I attempted get a closer vantage point by driving near the summit toward west side of Battery Construction #244. I later noticed the dog was on leash from the new vantage point.				
	At approximately 1518 hours, I was positioned by the restroom and intercepted the two subjects coming off the trail with their dog on leash. I asked the subjects if they could tell me the maximum length their retractable leash stretched. The subject later identified as (b) (6), (b) (7)(C) stated, "Why do you want to know that... is there a maximum length the leash should be... you should have that information posted?" I told (b) (6), (b) (7)(C) the maximum length for pets in the park was 6 feet. I told him that his dog was approximately 50 feet away from them some time ago. 7 RESULTS OF INVESTIGATION

ITEM

On April 10, 2012, at approximately 1159 hours, I was patrolling West Pacific Avenue near Julius Kahn Park when I saw two vehicles parked in an area posted, "No Motor Vehicles, Service Vehicles Only." The area is directly east of the Julius Kahn baseball field underneath some pine trees. In the vegetation east of Julius Kahn I saw two dogs running loose and a woman holding a dog ball thrower nearby. I observed the woman put the two dogs on a leash she was carrying as I pulled up behind a parked (b) (6), (b) (7)(C). I activated my overhead lights and walked toward the woman, waving my hand and yelling, "Park Police, come on over." A second vehicle was parked nearby with a woman in the front seat and another dog running loose. I told the woman, later identified as (b) (6), (b) (7)(C) "Ofc. Smith, Park Police, the Presidio is a leash only area." (b) (6), (b) (7)(C) said, "you know me, ok, you know me." I told (b) (6), (b) (7)(C) I didn't recognize her. I asked (b) (6), (b) (7)(C) was her vehicle and told her that parking was prohibited in the area. (b) (6), (b) (7)(C) asked where the signs were posted and that she was leaving. I pointed toward the signs on West Pacific Avenue. I asked (b) (6), (b) (7)(C) to place her dogs in the vehicle and present her identification. (b) (6), (b) (7)(C) refused and said "what about that other woman? She has her dog off leash." I told (b) (6), (b) (7)(C) the Presidio has been leash only since the military days and that I saw her dogs off leash. (b) (6), (b) (7)(C) said, "I thought West Pacific was allowed, I have talked with other dog owners here." I told (b) (6), (b) (7)(C) no and said if she didn't present her identification, I would take her to jail. (b) (6), (b) (7)(C) said she would get her identification for me, but wanted my name, number, and supervisor. A check of (b) (6), (b) (7)(C) through USPP Communications revealed no active warrants and no local file. While I was checking the name and filling out the citation, I saw (b) (6), (b) (7)(C) talking with the woman in the second illegally parked vehicle. (b) (6), (b) (7)(C) was taking notes on a pad. The second vehicle left shortly after. When I asked (b) (6), (b) (7)(C) for her phone number, she refused. I advised (b) (6), (b) (7)(C) the number was for Federal Court. (b) (6), (b) (7)(C) said she wanted my name, badge number, and supervisor's name, which I gave to her. (b) (6), (b) (7)(C) gave me her phone number but refused to give her social security number. (b) (6), (b) (7)(C) asked why I hadn't given a ticket to the second woman who had a dog. I told (b) (6), (b) (7)(C) I can't do everything at the same time. I advised (b) (6), (b) (7)(C) I was issuing a citation for leash law and giving her a break on the illegally parked vehicle. I issued her the Federal Violation Notice (3701529) for 36CFR1002.15(a)(2) - unleashed pet. (b) (6), (b) (7)(C) scratched her signature on the bottom of the citation. I told (b) (6), (b) (7)(C) to reply to the citation either by paying the fine or requesting a court date.

As I was exiting the area, a San Francisco Recreation and Park maintenance worker flagged me down and said he saw me talking with the (b) (6), (b) (7)(C) woman. He said vehicles parking in the area next to the ball field has been a problem for awhile and that he has seen dogs running loose on the ball field area as well.

Time Cleared: 1222 hours.

I then issued her a verbal warning for the pet violation and I released her on-scene. I cleared at approx. 1230 hrs. I was on uniformed foot patrol of Ocean Beach at Judah with Ranger Knowles at 1420 hours on 4/15/12. At that time, I saw a female walking along the waterline with two dogs off leash and causing birds to take flight by chasing them. I contacted the female and asked her to place the dogs on leash, and she complied.

I identified her by her as (b) (6), (b) (7)(C) by her stated name and birthday which I matched to the description from her driver's license as given by my dispatch center. Ocean Beach is signed at all major entrances that this area of the beach is a wildlife protection area (WPA), and dogs are required to be on leash. I asked (b) (6), (b) (7)(C) if she was aware of this. (b) (6), (b) (7)(C) said she was and that she normally goes to the far north end of the beach, but the road was closed and she had a hard time getting there. I issued (b) (6), (b) (7)(C) citation 3701782 for 36 CFR 7.97(d)ii- Pet off leash at Ocean Beach WPA.

	On April 15, 2012 I was on patrol in Golden Gate NRA. I was on the cliffs above Rodeo Beach observing some SAR training. I saw a female with her dog off leash approach on the social trail above the Coastal Trail. I contacted her and asked her for her ID and she said she did not have it. I asked her to write down her name and date of birth for me and handed her my notepad. I told (b) (6), (b) (7)(C) the area was leash required and it is signed as such and leash law information is available on the park website. (b) (6), (b) (7)(C) was argumentative despite the fact I told her I was going to give her a verbal warning. She wanted to know why I wanted her name and I told her to check for wants and warrants and that was standard practice. Checks of (b) (6), (b) (7)(C) were negative as well as checks of the local file. Supervisor Norton was on scene and provided extra cover due to (b) (6), (b) (7)(C) continued verbal barrage. I issued (b) (6), (b) (7)(C) a verbal warning and told her she was free to leave the area.

I was on uniformed foot patrol of Ocean Beach at Noriega at 1530 hours on 4/16/12. At that time, I saw a female walking on the beach with a dog off leash.

I identified her as (b) (6), (b) (7)(C) Ocean Beach is signed at all major entrances that this area of the beach is a wildlife protection area (WPA), and dogs are required to be on leash. My dispatch center informed me that (b) (6), (b) (7)(C) had not been given a written warning or citation for a leash law violation in the Golden Gate National Recreation Area in the past. I gave (b) (6), (b) (7)(C) a warning for 36 CFR 7.97(d)ii- Pet off leash at Ocean Beach WPA.

On April 21st, 2012 at approximately 1711 hours I was approached by a park visitor with an unleashed black lab dog. The visitor stated that she had seen the dog wandering around the parking lot and was afraid the dog would be hit by a car.

I took the dog, gave it water, and placed it in the Stinson Beach kennel at the maintenance area and contacted Marin County Humane Society to pick the animal up. The dog had no tag on its collar to identify it.

Approximately a half hour later, while waiting for the Humane Society, I was approached by a white adult male with his two juvenile daughters who stated they had lost their dog. They properly identified the dog and its collar. The dog was released to their custody and I verbally warned the white male to make sure to keep the dog on a leash and informed him the dog should have an identification tag on its collar. End of report.

Narrative: On April 22, 2012, at approximately 1445 hours, I was walking on the Great Meadow of Fort Mason when I saw two dogs running loose on the grass. I saw two females standing nearby with one holding a leash with her. Fort Mason is posted to keep pets on leash. I approached the two individuals and asked if the two dogs running loose belonged to them. Both individuals said yes. I identified them as (b)(6), (b)(6), (b)(7)(C) and (b)(6), (b)(7)(C). A check of both through USPP Communications revealed no warrants or local file information. (b)(6), (b)(7)(C) and (b)(6), (b)(7)(C) both said they did not know the area was leash only and that they did not see any signs. I advised them that Fort Mason has always been leash only and pointed out the sign that they walked past when entering the Great Meadow. I advised them to use voice control areas in San Francisco instead of Fort Mason and issued both the Violation Notices for 36CFR2.15(b)(2) - designated leash law only for pets. Clear: 1510 hours.

On 04/25/2012 at approximately 1530 hours, one of the maintenance workers at the ropes course building (Fort Funston) walked over to the ranger station holding dog by its collar. The employee explained that the dog was just wandering around in the area with no owner in sight. I took possession of the dog by leashing and tying it to a kiosk near the ranger station. I supplied it with water and notified park communications that if anyone was looking for a lost Collie, I had it at Fort Funston.

Approximately 30 minutes later, a subject later identified as (b) (6), (b) (7)(C) was brought over to the ranger station by another maintenance employee (b) (6), (b) (7)(C) and stated that the dog belonged to him. Further investigation revealed that (b) (6), (b) (7)(C) was a dog walker with seven (7) other dogs and somehow, (b) (6), (b) (7)(C) the Collie, got away from him. I informed him that pet needed to be under voice control while off leash in the area or on leash if the dog is incapable of being under voice control. I gathered his identification and conducted a computer check. The check returned with (b) (6), (b) (7)(C) being on probation and license status revoked. I cleared with a verbal warning for failure to maintain control of his pet.

1	On 04-27-12 at approx. 1135 hours, I was on patrol on horseback with my partner Ofc. Javier at Upper Ft. Masons Great Meadow, when I noticed a woman, later identified verbally as (b) (6), (b) (7)(C) with several dogs sitting around her on the hillside. The largest of all the dogs had gotten up and ran over to a couple picnicing in the grass. The large brown and white dog was not on leash. He ran back to the woman on the hill and then saw the horses and ran toward us where we had approached near the couple. I called out to (b) (6), (b) (7)(C) to please call her dog back and shoed the dog away with my hand and telling him "No" loudly. The dog continued to run around the horses curiously. I again asked (b) (6), (b) (7)(C) to call her dog. She began arguing and yelling. As I had gotten closer, I observed four other dogs stand up near her without their leashes attached and they started walking towards (b) (6), (b) (7)(C) was frantic. Screaming that I did not know the law and she was allowed to have her dogs off leash there. I explained that the area was not a "voice control area" for pets and that they had to be on leash at all times. At that time she tried to walk away without leashing the dogs. I told her she was not free to leave and I asked her if she was parked in the nearby lot. She said yes and began to walk in that direction. I asked her to leash the dogs and put them in her car while I talked to her about the violation. She was very combative and she intermitantly called out to the large brown dog to come, though it was not compliant to her commands and continued running around the horses. Finally, she got it and all the other dogs on leash as well. I again asked her to put the dogs in the car so I could safely get her identification with out creating another unsafe situation with the dogs. As she was screaming at me that I did not know what I was talking about I heard her say, "I don't have to do what you say. I'm leaving". *****CONTINUED ON 10-344B*****

ITEM

When she began to again walk away, I yelled out that she was not free to leave and would be arrested if she did not comply with my commands. I told her to put the dogs in a safe place like the car because at the time they were barking at the horses and it was very hard to communicate with her safely that way. Instead, she changed direction quickly and defiantly brought all the dogs directly up to me and my horse while she was yelling at me. At that time, the dogs calmed down and she asked, "Why are you bothering me?" I told her that she was in violation of the leash law, that her dog did not immediatley respond to her commands and that she was not complying with my simple commands. Then she said, "That's it! I'm going to record you". I called for assistance from nearby units. Within a minute they arrived and retrieved her personal information for me. Her name was checked through USPP communications and she was negative for wants/warrants, but did show at least one previous contact by USPP Horse mounted Officer Newton on Jan 8th, 2008 in the wildlife protection area for a leash law violation.

As (b) (6), (b) (7)(C) continued to record, she asked again and again why she was being stopped and said during the recording that I had not advised her, though I had several times prior to the phone camera being turned on (b) (6), (b) (7)(C) claimed her dogs were all on leash and none had ever ran toward the horses or the picniners.

I made contact with (b) (6), (b) (7)(C) and her boyfriend who were the couple picnicing. (b) (6), (b) (7)(C) filled out a statement that she saw the dog off leash and it had run up to them eating lunch in the grass. (b) (6), (b) (7)(C) also explained she observed my encounter with her.

NPS personnel were in the window at 201 U. Ft. Mason while this was going on. Via USPP communications, I requested any witnesses respond to fill out a statement if they had witnessed any violation. (b) (6), (b) (7)(C) responded to give a statement that she observed the large dog running off leash toward the horses.

(b) (6), (b) (7)(C) was issued a citation for Fail to Leash Pets x 5 and for Fail to Obey a Lawful Order.

	On Wednesday, May 2, 2012 at approximately 1548 hours, I was dispatched to the area of (b) (6), (b) (7)(C) to meet with a reporting party (b) (6), (b) (7)(C) regarding a barking dog / noise complaint. Upon arrival, I immediately heard what appeared to be a small dog barking from the top unit to the left of the stairs. The dog continued to bark throughout my time at the building and through my information gathering at the apartment below where the complainant lives. The dog was barking almost constantly for more than the 30 minutes I was in the area. After knocking on the door and getting no response from (b) (6), (b) (7)(C) I responded over to the Presidio Trust West Residences leasing office, and spoke with (b) (6), (b) (7)(C) regarding the complaint, and advised her of the excessive barking I witnessed. No contact was made with the residents of (b) (6), (b) (7)(C)

	On 5/4/12 at about 1552 hrs while working as Motor 804, I responded to Crissy Field for the report of a dog owner failing to pick up his dogs waste. Upon arrival, I observed a (b) (6), (b) (7)(C) fitting the description given. I observed him for about 3 minutes and saw no violations. I was about to clear when he flagged me down. I met with the male, identified as (b) (6), (b) (7)(C). (b) (6), (b) (7)(C) asked if I was there because of him, I stated "yes", that someone had complained he wasn't picking up his dogs waste. (b) (6), (b) (7)(C) showed me a plastic bag with dog waste, and began to describe an ongoing problem with another dog walker who had left the area. A check of (b) (6), (b) (7)(C) revealed he had an outstanding traffic warrant out of San Francisco for \$344.00. The warrant was not confirmed, and I advised (b) (6), (b) (7)(C) to take care of it at his earliest convenience.

SUMMARY: On May 13, 2012, I contacted a park visitor with a pet off leash at Fort Baker.																	
NARRATIVE: On May 13, 2012, I observed a white-female walking her unleashed dog on Murray Circle Parade Ground. I pulled my vehicle into the parking area on Murray Circle near Building 636 and walked out to (b) (6), (b) (7)(C) and family. (b) (6), (b) (7)(C) was playing fetch and had command of her dog. I asked (b) (6), (b) (7)(C) to call her dog which responded to her call.																	
When asked (b) (6), (b) (7)(C) told me that she was unaware the dog needed to be leashed and thought this was a leash optional area. Once informed, (b) (6), (b) (7)(C) was compliant and leashed her pet. I checked wants and local file for (b) (6), (b) (7)(C) who claimed to be an active Walker at Crissy Field, the results were negative. I issued a warning and cleared.

I was on uniformed patrol of Sutro Heights Park at 1610 hours on 5/17/12. At that time, I saw a lone female pushing a baby stroller and with a dog off leash. As I approached, she leashed the dog. Sutro Heights Park is an area where dogs are required to be on leash, and every major entrance has a sign stating that regulation. I identified the female by her stated name and birthday as (b) (6), (b) (7)(C). I matched her to the DMV description as given by my dispatch off (b) (6), (b) (7)(C). My dispatch also told me that this would be (b) (6), (b) (7)(C) first pet related citation in Golden Gate NRA. I issued (b) (6), (b) (7)(C) citation 5002132 for 36 CFR 2.15(a)(2)- Pet Off Leash.

I was on uniformed patrol of Sutro Heights Park at 1745 hours on 5/17/12. At that time, I saw two males and a female with a dog off leash. As I approached, the female leashed the dog. Sutro Heights Park is an area where dogs are required to be on leash. A male who I identified as (b) (6), (b) (7)(C) by (b) (6), (b) (7)(C) stated that he was responsible for the dog. My dispatch informed me that (b) (6), (b) (7)(C) was wanted in San Francisco County for various county traffic warrants totalling approximately \$1200. I did not confirm those warrants. (b) (6), (b) (7)(C) said that they came up the steps from La Playa and did not see any sign stating dogs had to be on leash. I issued (b) (6), (b) (7)(C) citation 5002140 for 36 CFR 2.20- Pet Off Leash. Upon clearing the scene, I confirmed that directly adjacent to the base of the steps is a regulatory sign stating dogs must be on leash.

	<b>SUMMARY:</b> On May 18, 2012, I contacted a park visitor with a pet off leash at Btty Alexander.												
	<b>NARRATIVE:</b> On May 18, 2012, I observed a white-male walking his 3 unleashed dogs at the parking area of Btty Alexander. I pulled my vehicle into the parking area and contacted (b) (6), (b) (7)(C) with his three unleashed dogs. (b) (6), (b) (7)(C) did not have any leashes in his possession. As I arrived, the dogs ran in the lot and onto Field Road. (b) (6), (b) (7)(C) explained he frequently walked his dogs on So. Rodeo Beach. When asked, he told me that he thought this was a leash optional area. I informed (b) (6), (b) (7)(C) that the parking area was a leash area. I checked wants and local file for (b) (6), (b) (7)(C) and the results were negative. I issued a verbal warning and cleared.

	On 05/22/2012 at approximately 1641 hours, I observed (b) (6), (b) (7)(C) in the China Beach area with a dog. Clearly posted signs at the only entrance to the beach advise no pets. Other signs advise the same prohibition on the sea wall to the beach. I made contact with (b) (6), (b) (7)(C) in the beach. I explained to her that pets were prohibited on the beach and that she needed to leash the animal and vacate the premises. I gathered her identification for a computer check. The check returned clear of any wants, warrants or local file hits. I cleared with a verbal warning for closure violation and directed (b) (6), (b) (7)(C) to locations where pets were allowed.  I cleared at 1650 hours.

I was on uniformed foot patrol of Sutro Heights Park at 20:10 hours on 05/31/12. At that time, I saw a male subject with two dogs, one being off leash. Sutro Heights Park is signed at every entrance that dogs must be on leash. I asked the suspect to place his second dog on a leash, and he said he was not carrying a second leash. I identified the suspect as (b) (6), (b) (7)(C) by his stated name and date of birth which I matched to his DMV description as provided by my dispatch. (b) (6), (b) (7)(C) informed me that he frequently goes to the park after dark to walk his dogs off leash, and if he had seen me he would not have entered the park. I issued (b) (6), (b) (7)(C) citation P5002149 for 36 CFR 2.15(a)(2)- pet off leash.

	On 06/04/2012 at 1400 hours I talked to a white male adult named (b) (6), (b) (7)(C) on the phone regarding a dog attack incident that occurred at 1700 hours on 05/31/2012 in the area of Sutro heights Park. According to (b) (6), (b) (7)(C) a large golden colored dog (approx. 50 lbs.) ran towards him off leash while he was walking with his wife at Sutro Heights Park on 05/31/2012. (b) (6), (b) (7)(C) was afraid for his safety so he held out his walking stick to fend off the dog and the dog retreated back to it's owner (b) (6), (b) (7)(C) white shirt, blue jeans). The suspect dog owner reacted with disdain toward (b) (6), (b) (7)(C) successful attempt to fend off the dog, stating "my dog isn't the kind that would bite", and left the area. Nothing further to report from Hannenberg. No injury. I cleared at 1420 hours.
