On May 17, 2009 at approximately 1725 hours, I was on foot patrol at Ocean Beach in the area of Stairwell # 25, when I saw an unrestrained tan dog defecating in the sand just north of me with no one around. I scanned the area to see if anyone might be the owner of the dog, but it was a very busy day at the beach. I continued walking south on the sidewalk at a slow pace, talking to folks and also paying some attention to the dog and as I just got beyond Stairwell #26, I saw the dog to begin playing with another tan like dog romping towards a white male adult (only identified as (b) (6), (b) (7)(C) husband) and white female adult (later identified as (b) (6), (b) (7)(C)).

I walked back approximately 50 feet towards Stairwell #26 and went down to the beach, as I walked down towards the couple, where (b) (6), (b) (7)(C) was fussing in the backpack. At approximately 1730 hours, I introduced myself and ask if one of them knew it was a leash area, where (b) (6), (b) (7)(C) states "Yes, I walk my dogs 5 times a week here". I ask for some identification, which (b) (6), (b) (7)(C) gives me a CA License. Park Dispatch runs a computer check which returns negative for wants/warrants and valid license. I explain to (b) (6), (b) (7)(C) that another issue, is that neither of you have still not picked up after your dog. I have been watching you and I haven't seen either of you go towards you dogs litter since they've gone and you don't even have any bags. (b) (6), (b) (7)(C) began to rant at me about uncompassionate I was to them, how I was picking on them, why wasn't I looking for real criminals, the drug addicts, the drunks, the rapists? Why was I picking on law abiding citizens? Was it because we didn't swoop down quick even for you on the poop? What's your name? I explained My name would be on the citation. Who's your supervisor? I would give it to her at the end of our conversation.

On August 8, 2009, at approximately 0836 hours, I was on patrol at Ocean Beach when I observed an individual later identified as (b) (6), (b) (7)(C) with a dog on the beach near Lincoln Avenue. The dog was running on the beach to and from (b) (6), (b) (7)(C) with no leash attached. (b) (6), (b) (7)(C) then began to play "fetch," by using a throwing stick and tennis ball. I approached (b) (6), (b) (7)(C) and told him to control his dog. The dog ran straight for me and (b) (6), (b) (7)(C) was unable to stop it using voice commands.

I contacted (b) (6), (b) (7)(C) at approximately 0838 and informed him that he was in the Wildlife Protection Area (WPA) at Ocean Beach and needed to have his dog on a leash at all time. Ocean Beach has signs at access points from the seawall and dunes stating that pets must be on-leash from stairwell 21 to Noriega Avenue, including tidal areas. Park Dispatch informed me that (b) (6), (b) (7)(C) had been previously contacted for having his dog off-leash in the WPA. I issued (b) (6), (b) (7)(C) violation notice K111376 for having his pet off-leash in the Wildlife Protection Area (WPA) at Ocean Beach.

Clear, approximately 1843 hours.

On October 10, 2009, at approximately 1224 hours, I was patrolling Ocean Beach near Judah when I saw two individuals walking on the beach with a dog running loose approximately 20 feet away. The area is designated a Wildlife Protection Area where pets must be on leash. I approached the two individuals and asked them to put the dog on a leash. After the dog was leashed, I identified the two individuals as (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) verbally. A check of both through USPP Communications revealed no wants or warrants. (b) (6), (b) (7)(C) said the dog belonged to him. I advised (b) (6), (b) (7)(C) that all pets needed to be on a leash in the area. The dog was a eight year old mix named Melvin. (b) (6), (b) (7)(C) was also using a ball thrower with his pet. I warned the two individuals about the pet. Both left the area shortly thereafter.

Time Cleared: 1245 hours.

	On 09/16/09 at approximately 1702 hrs., a NPS Horse Mounted Patrol Volunteer, contacted two males with two dogs off leash on the Tennessee Valley trail. The NPS volunteer advised the two subjects, later identified as (b) (6), (b) (7)(C) that pets were prohibited on the Tennessee Valley trail, and the beach (b) (6), (b) (7)(C) heard and understood the NPS volunteer, but decided to continue towards the beach. The NPS volunteer then contacted park dispatch and reported the two dogs at Tennessee Valley. At 1711 hrs., I headed out to Tennessee Valley beach from the Tennessee Valley parking lot. At approximately 1720 hrs., I observed two white males with two dogs off leash at the South end of the beach. They were sitting down in the sand. When they saw me approaching, they quickly got up and put their dogs on a leash. They then tried to leave the area. I contacted (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) and told them to stop. They complied. I then asked both of them for their driver's license. (b) (6), (b) (7)(C) stated, "I do not have a driver's license, or ID." I asked (b) (6), (b) (7)(C) where they had come from. He replied, "We walked to the beach from my house in Tam Valley."

--	--------------------------------

I asked (b) (6), (b) (7)(C) if they had come out the trail from the parking lot, and if he saw any signs on the gate. He replied, "Yeah, the sign says leash pets." The entrance to Tennessee Valley is clearly signed, "No Pets." The sign is twelve inches high by fourteen inches wide. I then asked him if he was contacted by a park volunteer about the dogs. (b) (6), (b) (7)(C) replied, "Yes, the lady told us we could not have a dog. We were right over there." (b) (6), (b) (7)(C) pointed over towards the end of the Tennessee Valley fire road.

(b) (6), (b) (7)(C) stated, "Look, all we were doing was trying to take our dogs for a walk, can we leave now." I told him that he could not leave. I then requested (b) (6), (b) (7)(C) to give me a driver's license. He stated, "I don't have mine with me it is at home." I then asked for both of their names and date of birth. Neither of them wanted to give me any information. I told both of them that they were in violation of park rules, having a pet in an area closed to pets. I told them that I had to file a report and that they could not leave until I identified them. (b) (6), (b) (7)(C) stated, "I don't feel comfortable with giving you that information. We are going to leave now." Both (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) disobeyed my lawful order and left the beach.

I tried to get out on my portable radio to request a second unit to head my way, but I could not get through on the beach. I decided to let them head out on the trail. I told them that they had to leave the area with their dogs, and that I would follow them out. I walked back to my vehicle to use my mobile radio. At 1730 hrs., I was able to request another unit to respond to my location. Park dispatch requested over the radio for any unit to respond to Tennessee Valley. There was no one in the area, and then they requested 551 Ranger LEONE to respond. Ranger LEONE was at Bldg. 1056 but her radio could not receive the transmission. 531 ranger Phillips called ranger LEONE on her cell phone and informed her of the request for a second unit at Tennessee Valley. She answered up on the radio and responded.

At approximately 1750 hrs., I met ranger LEONE on the Tennessee Valley trail and we re-contacted (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C). I asked again for their identification. (b) (6), (b) (7)(C) produced a USA Passport. He pulled it out of his back pant pocket. (b) (6), (b) (7)(C) gave me his California driver's license. He pulled it out of his wallet which was in his back pant pocket. Ranger LEONE conducted a Terry Search for weapons on both subjects. She did not find any weapons. I performed a computer check on (b) (6), (b) (7)(C) name and date of birth, and (b) (6), (b) (7)(C) returned with no wants or warrants. (b) (6), (b) (7)(C) returned with a \$2,000.00 misdemeanor bench warrant out of San Francisco County for 2000 VC 12500a. Ranger LEONE and I followed (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) to the entrance gate at the Tennessee Valley parking lot. This was the preferred location where we wanted to place (b) (6), (b) (7)(C) under arrest. Both (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) tried to me about not having any identification, and that they had walked to the beach from (b) (6), (b) (7)(C) residence at Tam Valley. (b) (6), (b) (7)(C) and (b) (6), (b) (7)(C) drove to Tennessee Valley in a (b) (6), (b) (7)(C) truck. (b) (6), (b) (7)(C) had an address out of (b) (6), (b) (7)(C) California. Both disobeyed my lawful orders. I told them to stay and they left the area. Both of them were very nervous and wanted to immediately leave the area when they saw me approaching.

At 1834 hrs., I confirmed the warrant and placed (b) (6), (b) (7)(C) under arrest. He was placed in hand cuffs, checked for tightness, and then double locked. At the entrance gate I issued (b) (6), (b) (7)(C) two citations: MVN K109502 for 36 CFR 2.15(a)(2) for pet in a closed area, and MVN K109503 for 36 CFR 2.32(a)(1) Interfering with agency function. I made both of them mandatory appearance. (b) (6), (b) (7)(C) was very upset at receiving the citations. He yelled, "Under what authority do you have to issue me a citation. You guys are not even cops, you are park rangers!" I informed him that he was in a national park on federal land, and that I was a federal officer. I was in uniform and driving a clearly marked patrol vehicle. (b) (6), (b) (7)(C) took both dogs with him and left the parking lot in his 2002 (b) (6), (b) (7)(C) truck CA TAG (b) (6), (b) (7)(C). During the entire contact (b) (6), (b) (7)(C) was nervous, agitated, and angry. He was non compliant.

At 1840 hrs. (b) (6), (b) (7)(C) was transported to Marin County Jail. We arrived at Marin County at approximately 1900 hrs. At the jail I issued (b) (6), (b) (7)(C) two MVN'S: K109504 for 36 CFR 2.15(a)(2) for pet in closed area, and K109505 for 36 CFR 2.32(a)(1) for interfering with agency function. (b) (6), (b) (7)(C) refused to give me a physical address for the citations. I asked him for a parents address or a friends house where he could pick up the mail. He still refused to give a physical address. I requested park dispatch to look for an address in his criminal history paper work. I used (b) (6), (b) (7)(C) was not pleased when I used that address. He stated that it was his parent's house. (b) (6), (b) (7)(C) was booked and all units cleared at 1942 hrs.
