

Concern ID	Response	Document changes	Question or Confirmation for the Group?
List one or more concern ID that will be addressed in the response	The questions involved in the concerns must be answered along with rationale and explanations for those answers. In addition, an explanation of how the document will be modified. For example 'the effected environment for natural resources has been updated to reflect...'	List changes to be made to the GMP text as a result of the response. This list will be used to modify the GMP. PAGE # ok; thoughts; ripple effects	Mark with an X if you have a question that should be discussed, or need to confirm your response with the group.
Topic Name			
36527	<p>Alcatraz is a National Historic Landmark and as such, any new construction (such as a tunnel under the parade ground) would create an adverse effect to the integrity of the site. The park Integrated Pest Manager maintains plans for the Island. The park adheres to Guidelines in the Alcatraz Island Historic Preservation and Safety Construction Program Final Environmental Impact Statement regarding preservation work on Alcatraz which requires constant consultation and avoiding implementation of projects during the bird nesting season.</p> <p>The 2010 Cultural Landscape Report Alcatraz Island National Historic Landmark sets clear treatment priorities for rehabilitating structures and landscape features on the island. Solar panels were recently installed on the Alcatraz Cell House roof to reduce greenhouse gas emissions from fossil-fuel based energy production on the Island using renewable energy sources in order to meet curt and future energy demands while minimizing cultural</p>	<ul style="list-style-type: none"> • 	<p>Note: Abby sue added a sentence to the existing</p>

	and natural resource impacts. Consequently, a roof garden on the prison building is not feasible.		
36549	The Preferred Alternative for Alcatraz Island already includes an offshore Sensitive Resources zone that extends 300 feet around most of Alcatraz and is closed to boating year round.	<ul style="list-style-type: none"> • Vol I: 170 Sensitive Resource Zone, Offshore Bay Environment. Revise on page 184 Offshore Area. 	All should re-describe Sensitive Resource Zone activities.
36556	The preferred alternative states that the second floor of the New Industries Building would be rehabilitated as a multipurpose facility, It would include flexible space and accommodate a variety of activities with appropriate controls to minimize impacts during bird nesting season.	<ul style="list-style-type: none"> • Vol 1:169 	Daphne to check
36530	The GMP does not plan for expanding historic buildings. Any improvements made to historic structures are based on the Secretary of Interior's Standards for the Treatment of Historic Properties.	<ul style="list-style-type: none"> • 	Have Nancy look at this re Slide Ranch EA.
36538	Future planning in consultation with San Mateo County Historical Association would determine the appropriate visitor experience opportunities at Sheldance Nursery. Future actions for the Nike Site at Sweeny Ridge might include removal of the buildings retaining the shell of the buildings so visitors can understand the historic context of the site.	<ul style="list-style-type: none"> • Need text change to mention NIKE facilities and their fate, dependent on group decision. Potential addition about Nike Site on Sweeny Ridge Vol 1:217 	Check with Michele & Nancy. Note—commenter wants to raze Nike Site. Question for Frank: should we remove NIKE facilities at Sweeny Ridge.
36465	The park has conducted preliminary archeological investigations on the Guerrero Adobe Site and believes the site is outside the park boundary. Archeological investigations will be conducted at the Pillar Point Whaling Station to determine if is on, or adjacent to park lands, and to determine proper preservation strategies for the site.	<ul style="list-style-type: none"> • 	See also 36379. Check with Steve H & Nancy re recent

<p>36523 & 36460 & XXXXX (106)</p>	<p>We have added language to the GMP indicating that the Sanchez Adobe is an excellent location from which to explore partnerships in preservation and interpretation to enhance our connection to the Pacifica communities and to recognize the importance of both the Portola and the Anza Expeditions. This language roughly parallels to what is stated for the Woodside Store which we understand has limited parking.</p>	<ul style="list-style-type: none"> • Vol 1: 218- ; other areas? 	<p>Note: Earlier lumped version .</p>
<p>36462</p>	<p>If improvements are proposed for Mile Rock Tunnel, the park will work in collaboration with the PUC to ensure a professional determination of eligibility is conducted. This will determine whether the property is eligible for the National Register, or not, and fulfill the park's Section 110 compliance under the National Historic Preservation Act. While important, public accessibility is not a factor for evaluating a property for eligibility on the National Register.</p>	<ul style="list-style-type: none"> • 	<p>Note: The Tunnel is w/in the boundary of the park, therefore the park is required to fulfill Section 110 of NHPA. If work is ever done, this DOE would help with Section 106 compliance.</p>
<p>36464</p>	<p>The Area of Potential Effect table in the GMP is meant to give the reader the context for the entire park, and the Presidio of San Francisco is listed as a historic property within the park boundary. The GMP clearly states that area of potential effect encompasses both those areas where proposed actions might occur that would directly impact cultural resources, as well as adjacent areas that contain resources that might be indirectly affected.</p> <p>The park manages a significant number of museum collections that were transferred from the United</p>	<ul style="list-style-type: none"> • Vol II:83 Delete “The park includes more than 700 historic structures” and change language to “The park planning area included in the General Management Plan includes over 366 historic structures , 5 national historic landmarks.....” 	<p>Reference the lumped comment by Aviles (re Presidio Trust)</p>

	States Army and include materials with that have a Presidio of San Francisco theme. These materials, associated with the Presidio and the Bay Area's other 6 forts are managed collectively for their bearing on military history in the area.		
36466	<p>The obligation for Federal agencies, including the National Park Service, to engage with Indian Tribes on a government-to-government basis is based on the U.S. Constitution and Federal treaties, statutes, executive orders, and policies. GGNRA is committed to fulfilling its Tribal consultation obligations by adhering to the consultation framework in recognition of Indian Tribes' right to self-governance and Tribal sovereignty. The park maintains relationships with the associated Coast Miwok and the Ohlone, and will continue to consult on the General Management Plan.</p> <p>Note: DEIS Volume I, page 33 has a good statement about incorporating American Indian Values. The three goals mentioned in the original public comment may have been based on this section.</p>	<ul style="list-style-type: none"> • 	This includes Lee's response (emailed 4/4)
