<b>SUMMARY:</b> On the morning of January 01, 2010 at approximately 0830 hours Ranger JAY and I were walking in the Ocean Beach Dunes when we observed two men sitting on the beach around a illegal campfire. Ranger JAY and I began approaching the men to inform them that their fire was not permitted when a large Pit Bull Lab mix dog began running in my direction. As the dog began getting closer to me it began growling and showing its teeth. The dog was focused solely on me and was not listening to its owner, one of the men at the campfire who was instructing the dog to come in his direction. The dog continued its path displaying signs of aggression; I drew my service weapon and prepared to shoot the dog to defend myself. The dog stopped approximately 5-feet from my position and circled me, continuing to exhibit signs of aggression. I followed the dog in a counter clock wise motion until the owner was able to jump onto the dog and physically restrain it. I disengaged from the dog and re-holstered my weapon. I identified the dog owner as Ex(b)(6) by his California drivers license Ex(b)(6). I issued Ex(b)(6) one citation for dog off leash in the Ocean Beach Wildlife Protection Area. Ex(b)(6) then told me that his dog had been shot by the police before.

		On 01/02/10, at approx. 1041 hours, I was dispatched to Ft. Funston in response to a complaint of a dog bite.																													
		Upon arrival I met with the complainant, identified as [REDACTED] Ex(b)(6) who stated that his 4 month old black lab, named "Charlie," had sniffed at another dog, described as a brown Pointer with white spots (45lbs. - 50 lbs.), which then assaulted Charlie by biting his neck and holding him to the ground. The Pointer's owner, an unknown female subject, refused to give [REDACTED] Ex(b)(6) personal information and left the area prior to my arrival. Neither dog was leashed at the time of the incident. [REDACTED] Ex(b)(6) wrote down the license plate of the Pointer's owner as she drove from the scene. A check of the plate showed [REDACTED] Ex(b)(6) as the vehicle's registered owner. A check of [REDACTED] Ex(b)(6) dog was negative for any signs of injury. USPP Dispatch located a phone number listed for [REDACTED] Ex(b)(6). Attempts to contact [REDACTED] Ex(b)(6) prior to this report have been unsuccessful. Time cleared: 1106 hours.

On 1/4/10, at approximately 1500 hrs., myself and Officer Polianos, while on patrol in a fully marked U.S. Park Police Cruiser, entered the parking area at Paul Goode Filed on the Presidio. I observed a white male, later identified as Ex(b)(6) by his CADL Ex(b)(6) along with another unidentified female, with approximately 20 dogs on the grass area next to the ball field. I observed approximately 10 of the dogs were not leashed, a violation of 36 CFR 1002.15 (a)(2). I approached Ex(b)(6) and identified myself as a police officer. As I approached, Ex(b)(6) and the unidentified female leashed up all of the dogs. Because of the large number of dogs it took them approximately 5 minutes to leash them all up. I advised Ex(b)(6) of the leash law and he stated he was aware of it. Ex(b)(6) stated he was a professional dog walker and owned his own company called " Ex(b)(6) " A check of the local file showed two previous contacts for the same violation.																															
I issued Ex(b)(6) a MVN for 36 CFR 1002.15 (a)(2), Leash Law Violation, with a mandatory appearance to be determined. Ex(b)(6) cleared the area.

**SUMMARY:** On Wednesday 01/06/2010 at approximately 0930 hours I observed a male-adult playing fetch with an unleashed medium-large black retriever in the signed and designated Crissy Field Wildlife Protection Area. I observed the man and the dog both enter the West end of the Wildlife Protection Area. He then continued to toss a tennis ball for the dog to fetch as he walked throughout the area. I eventually made contact with him at the East end of the Wildlife Protection Area. I asked him if he had seen the regulatory sign as he entered the area and requested his identification. He stated that he did not and said that there were other dogs running around which I did not observe. He reluctantly presented his California Drivers license **Ex(b)(6)** which identified him as **Ex(b)(6)**. All entrances into the Wildlife Protection Area are posted "WILDLIFE PROTECTION AREA–Pets Must Be On Leash July 1 to May 15"

**I issued **Ex(b)(6)** VN 2335087 for 36 CFR 7.97(d)(i) – Unrestrained Pet in Wildlife Protection Area.**

**Ex(b)(6)** refused to sign the citation.

Visitation was extremely low in the area and **Ex(b)(6)** and his pets' footsteps were easily identifiable in the sand after a recent rain. I traced the steps and saw that **Ex(b)(6)** had walked within twenty feet of two of the regulatory signs. I was clear of the area at approximately 1015 hours.

	On 01-23-10, while on HORSE MOUNTED PATROL at approximately 1457 hours, I was departing the "Right For Life" March on the Great Meadow at Upper Ft. Mason which was coming to an end. While leaving the March that had an estimated 25,000 participants, I observed a woman at a distance of approx. 50 feet away with two small dogs off leash. This is NOT an area currently offered as "Voice Control" as other areas within the Golden Gate National Recreation Area.																						
	As I attempted to ride around the west side of a large tree in the meadow to avoid confrontation, one of the dogs ran across the field barking and running around my horse from the east side. The owner, later identified by her California DL as Ex(b)(6) made feeble attempts at collecting her dogs. Using a technique known to scare aggressive dogs off, I turned my horse toward the dog and walked him closer to the dog. This did not hinder the dogs attempts to approach and annoy the horse. Fearing for my safety and that of the large crowd in the area, I shouted out for her to call her dog. She did so, however nonchalantly, as she turned her back in what appeared to be an attempt to have the dog follow her. Neither tactics seemed to coerce the dog back to its owner.																						
	As my patrol horse became more agitated and uncontrollable and attempted to bolt from the danger, Ex(b)(6) managed to collect the two dogs in her arms.

## 29. DETAILS OF INCIDENT

On 01/30/2010, at approximately 1542 hours, I responded to Ft. Mason for a report of a dog locked in a car. Upon arrival I found a brown Chihuahua in side a locked Honda van CA license plate: Ex(b)(6) which had a hostel parking permit displayed in the front window. The animal did not appear to be in distress. I saw the windows had been cracked and there was water sufficient for the animal left in a bowl. I was able to place my hand and the dog seemed happy. The interior of the vehicle did not appear to be uncomfortably warm. I checked with the manager of the hostel. Ex(b)(6) stated he was able to contact the dog owner. Ex(b)(6) who stated he would immediately return to check on the dog. I relayed to Ex(b)(6) the concerns of the anonymous reporting party and that leaving an animal unattended is a violation of the CFR. Time cleared: 1607 hours.

29. DETAILS OF INCIDENT

On Tuesday, February 9<sup>th</sup>, 2010 at approximately 1458 hours, I was dispatched to the area of the children's playground on Compton Avenue in the Presidio for a report of a female subject allowing her dog to run around inside the gated and fenced area. The caller stated he believed the area was restricted to pets. Upon arrival, I observed numerous children in the playground area, but did not notice any dogs off-leash or even on the ground. One of the mothers at the playground was holding a Chihuahua, partially wrapped in her jacket.

After clearing the area, the reporting party called back. I spoke with him via telephone, and he told me the woman I had been talking with was the one who was letting her dog run around, and that she picked up the dog before I pulled up on scene. He further wanted to express his concern for three of the children that were playing in the playground. He stated "Given the history of 3 children being afraid of dogs, I thought it should be documented."

Ex(b)(6) had been contacted by the Presidio Trust Leasing Office in the past for an incident involving his dog, and the three children he spoke of here.

<p>On or about February 4, 2010 I received a call from dispatch that a visitor called to complain about dogs off leash at Mori Point. I called Ex(b)(6) the complainant. She said she had been walking at Mori Point on or about February 3, 2010 she was walking Mori Point when she saw a woman with 3 dogs off leash. When the dog owner tried to put her dog on a leash the owner got knocked over by her dog. This incident made Ex(b)(6) upset enough that she had to sit down to calm down and then left the area. I gave Ex(b)(6) the Park Dispatch number. On February 11, 2010 Dispatch informed me Ex(b)(6) called again to complain. When I talked to Ex(b)(6) she said she saw the same woman with the same group of dogs and Ex(b)(6) felt they were watching her so she left the area.</p>

## 29. DETAILS OF INCIDENT

On 02/11/2010, at approximately 1635 hours I responded to 1217 Ralston Ave. to speak with a dog bite victim. I met with Ex(b)(6) who stated that at 0830 hours he had driven to Ex(b)(6) to work on a unit in the area. As he was pulling into the parking lot there was a medium sized light colored dog running loose. Ex(b)(6) said that the dog appeared friendly at first but then bit his right leg. Ex(b)(6) was able to fend the dog off by throwing coffee at the dog and arming himself with a piece of pipe he grabbed off his truck. Ex(b)(6) suffered a small puncture wound to the front right side of his right leg which he treated himself. Ex(b)(6) was able to locate the owner of the dog at Ex(b)(6). Ex(b)(6) The dog owner is described as a W/F/A and apologized to Ex(b)(6) for the incident. I responded to Ex(b)(6) later in the day in an attempt to speak with the dog owner with negative results.

14. STATEMENT <p>I pulled into the parking lot at Ex(b)(6) A dog was loose out front and appeared happy and friendly. The dog jumped on me as I was getting out of my truck. As I walked towards the unit, the dog followed; then bit my right leg. I tried to shoo it away but the dog kept coming at me. I had a coffee in my hand which I threw at the dog to deter it. The dog backed off at first then came forward again. I grabbed a piece of pipe off my truck, which when the dog saw the item in my hand the dog backed off.</p> <p>The tenant was at the window and I yelled up "is this your dog?" The tenant said "yes" and I told her the dog just bit me. The tenant came out and retrieved the dog and apologized. The tenant put the dog inside. She said she was pressed for time and needed to catch a bus.</p> <p>The dog bite went through my work coveralls and jeans breaking the skin on the front of my right calf.</p>

	On 2/16/10 @ 1425hrs. while on Horsemounted Patrol on the Great Meadow/ Ft. Mason I observed S/1 Ex(b)(6)													
	walking (approx. 5) dogs without leashes in violation of the posted leash required signs. As I began to approach													
	her a white French Bulldog whom she was walking ran towards my Mount and I and began barking and circling for													
	Approx. 10-15 min. I advised her that she needed to leash and control her dog because the dog was in danger													
	along w/ endangering my safety as well. She ignored me and failed to make any attempts to restrain her dog. After													
	Approx. 20min. she finally leashed all of her dogs and became verbally abusive saying I was a liar and it was all my													
	fault and that I was taunting her dogs w/o any regard for my safety nor the safety of my mount and her dog as well.													
	I asked for her ID and explained I was going to issue her a citation however she continued to ignore me and began													
	walking away to exit the park when USPP Ofc. Whalen arrived on the scene and finally stopped her. S/1 Ex(b)(6) was subsequently issued DVN#10763 (Failure to leash Dogs).										94 INVESTIGATOR NOTIFIED TBA

ignored him and put on his earphones and walked away. [REDACTED] Ex(b)(6) concerned about the dog bite injury, walked to the Warming Hut and asked for a paper towel. He then notified park communications of the incident.

Ranger Veeck arrived to my location while I was taking [REDACTED] statement. I asked Veeck if he could check the promenade for the suspect. Veeck radioed a several minutes later that he was unable to locate any suspect matching the description.

I asked Ex(b)(6) if he would like the paramedics to evaluate him and clean the wounds, but Ex(b)(6) declined any medical assistance. He said that he was going to ride to the bridge and ride back to the youth hostel. I told him to notify us if he saw the suspect again.

	On Sunday, March 7 <sup>th</sup> , 2010 at approximately 1258 hours, I was dispatched to the area of Ex(b)(6) for a report of a dog attack where both the victim and his dog were bitten. Upon arrival, I spoke with the victim Ex(b)(6) and his wife, Ex(b)(6) regarding the incident. Presidio Medic 51 was treating Ex(b)(6) for an apparent dog bite to his left hand and right lower back. The Ex(b)(6) told me the owner of the dog that bit both Ex(b)(6) and his dog, lives at Ex(b)(6). I went and spoke to the suspect dog owner, and asked what happened. She said she was throwing the ball for her two dogs, and when the Ex(b)(6) walked by with their dog, her two dogs ganged up on the third. I identified the suspect dog owner as Ex(b)(6) by California license# Ex(b)(6). I also advised Ex(b)(6) of the leash law regulations both through CFR and her Presidio Trust Lease Agreement. Ex(b)(6) told me she had already spoken to the victims, and told them to go to her veterinarian (Pets Unlimited) and she'd have the vet. Bill her account for the injury to the dog. I asked if her dogs were up to date on their vaccinations, and she said "Yes."

## 7 RESULTS OF INVESTIGATION

I went back and talked to the victims again, and asked if they were given any information about the Pets Unlimited visit. They said they were also told that Ex(b)(6) would have her vet bill her for the injuries sustained by the Ex(b)(6) dog.

The Ex(b)(6) told me that both of the suspect's dogs were involved in the biting incident, and that their main concern was with the larger Rottweiler type dog which had bit Ex(b)(6) on the back.

I advised the Ex(b)(6) that I had talked with Ex(b)(6) and advised her that she was in violation of the pet / leash policy. The Ex(b)(6) asked that I not issue Ex(b)(6) a citation for the violation so as to not create neighborhood animosity, especially since Ex(b)(6) said she was going to take care of the vet bill. I advised the Ex(b)(6) they would have to pursue legal action through the civil process if Ex(b)(6) changed her mind, or failed to take care of the vet bill as she said she was going to do.

I received a phone call from Ex(b)(6) from the vet office at Pets Unlimited. She said they were advised by Ex(b)(6) at Pets Unlimited that the Rottweiler was not up to date on shots, and that Ex(b)(6) advised Ex(b)(6) he should seek medical attention pertaining to the dog bite.

On March 10, 2010, at approximately 1350 hrs, while on foot patrol of Sutro Park, I observed two individuals walking alongside an unleashed small white dog in the park. Sutro Park is a signed leashed area for pets. As I approached the individuals, I instructed them to leash their dog. I observed the individuals repeatedly yelled at their dog to come to them and eventually they were able to place a leash on their dog. I asked the individuals to whom the dog belonged to. One of the individuals, identified as Ex(b)(6) Ex(b)(6) stated the dog was hers. Park dispatch indicated negative wants/warrants or local file listings for Ex(b)(6) Ex(b)(6) was issued a warning for 36 CFR 2.15 (a)(2). Clear at approximately 1405 hrs.

	<p><b>NARRATIVE:</b> On 17 March, 2010 at 2035 hours, while on foot patrol at Muir Beach, I approached a group near a campfire. Upon contact, two dogs growled and approached me before stopping. I directed the group members to control the dogs and they complied. I informed the group of the designated beach closing time and admonished them to keep their dogs restrained. I cleared the contact and spoke to other groups on the beach.</p> <p>As I was leaving the beach, I walked by the first group's location and was immediately charged by both dogs. They both ran at me while growling with the hackles up on their backs. I drew my canister of OC spray and shouted at the group to gain control of the dogs. One dog turned away and the other continued to close distance with me before turning away. After the group regained control of the dogs, I asked who owned the dogs. A female subject I identified as Ex(b)(6) Ex(b)(6) told me the dogs were hers. I informed Ex(b)(6) that I had nearly shot her dogs when I believed they were going to attack me. Ex(b)(6) demeanor was flippant and cavalier and she appeared to be unconcerned about the seriousness of the incident.</p> <p>I directed Ex(b)(6) to meet me back at the parking area and requested supervisor VEECK to respond to the area. At approximately 2100 hours, I issued Ex(b)(6) a violation notice for unrestrained pets and warned her for fail to obey a lawful order. I released Ex(b)(6) at 2110 hours.</p> <p>End report.</p>

## 29. DETAILS OF INCIDENT

On Tuesday 03/18/10 at 1024 hours I was dispatched to Cavallo Lodge on the report of a Lost Dog. Upon arrival I met with **Ex(b)(6)** (an employee of the Lodge) who reported that his long haired, medium sized American Eskimo dog named "Angelo" ran away, and could not be found. The dog was last reported cited on the ridgeline north of Conzelman Road in the area of Battery Spencer. I assisted in the search for approximately one hour. **Ex(b)(6)** along with his girlfriend were continuing the search when I cleared at 1135 hours.

On 03/21/2010 at approximately 1623hrs I was dispatched to the Lucas Complex for a report of a dog bite. I arrived on scene and was met by Ex(b)(6) stated that her dog had bite a juvenile that ran up behind her leashed Tibetan terrier, touched it and startled the animal. Her dog then, turned and bit the juvenile. I met with the juvenile dog bite victim and his father Ex(b)(6). The juvenile was bitten on the inside right knee and the bite broke the skin. The juvenile was taken to Kaiser Hospital by his father for treatment. Ex(b)(6) exchanged her contact information with the father Ex(b)(6). An NCIC check of Ex(b)(6) was negative for warrants. Ex(b)(6) stated that her dog has never bitten anyone before and that the child had startled the dog, therefore the dog bite occurred out of fear. Ex(b)(6) acknowledged the child was running or playing in the area where the bite occurred. I informed Ex(b)(6) that he could fill out an Animal Bite Form at a later date, to report the bite to San Francisco Animal Care and Control. I asked Ex(b)(6) if her dog had it's rabies shot. Ex(b)(6) showed the dog had been vaccinated on 03/19/2010 at the Ocean Beach Veterinary Clinic. I gave a verbal warning for failure to control her pet. Time Cleared: 1647 hours.

On Saturday April 17, 2010 at approximately 1606 hours, I was driving on the Tennessee Valley Trail when I noticed a man and woman with a dog walking west on the trail. I stopped and contacted them and advised them that dogs are not allowed on the Tennessee Valley Trail. I asked who's dog it was and the female told me that it was hers. When I asked her for her name she told me that it was Ex(b)(6) and that she lived in San Diego and that her date of birth was Ex(b)(6). I had dispatch run a computer check on her name and it came back with no record on file. I advised her that I did not believe that was her name and advised her that she would be under arrest if she did not properly identify herself. She then told me that her name was really Ex(b)(6) of San Francisco and that her date of birth was really Ex(b)(6). A computer check showed this to be true and she had no wants or warrants. While I was writing a citation for her she told me that I was an "idiot" and an "asshole", and that since she had not seen the sign at the trailhead that she should not be cited. I issued her U.S. District Court Violation Notice #2535008 for violation of 36CFR2.15(a)(1) Pets in a Closed Area. I cleared at approximately 1625 hours.														90 STL		91 REC		92 PROP		93 VALUE

I observed Ex(b)(6) walking southbound on the promenade with a large Irish Setter off leash and running on the beach. Dogs are required to be leashed on this section of the beach due to the presence of threatened bird species. Information to this effect is posted on signs at numerous locations. I contacted Ex(b)(6) and requested he leash his dog. Ex(b)(6) complied. Ex(b)(6) said he thought dogs could be off leash in this area and had not observed the signage stating leashes are required. 29. DETAILS OF INCIDENT

On 03/28/2010 at 1501 hours I saw a black Labrador dog running on the sand at Crissy Field West Beach in the wildlife protection area NorthWest of the Gorbachev Center. I talked to the dogs keeper, identified as Ex(b)(6) and asked him to put a leash on his dog. Ex(b)(6) complied so I warned him about the Wildlife Protection Area being closed off to unleashed dogs and he told me he was not aware of the regulations. A U.S. Park Police Dispatch computer check on Ex(b)(6) record was clear (not on local file) so I gave him a verbal warning regarding his dog off leash in the WPA and he took his dog out of the area. Nothing further to report.

I cleared at 1515 hours.

	On March 29, 2010, at approximately 1215 hours, I was patrolling the Great Meadow area of Fort Mason when I saw a dog running loose on the grass. I saw a woman nearby with a ball thrower. I approached the woman and asked her if the dog belonged to her. She said yes. I advised her of the posted signs for leashed pets only and asked for her ID card. She said she did not have it. She said her name was Ex(b)(6) with a date of birth of Ex(b)(6). Communications had no record. Ex(b)(6) checked her car for an ID, which she did not find. Ex(b)(6) then said her date of birth was Ex(b)(6). I confirmed Ex(b)(6) identity through Communications. It did not reveal any wants or warrants. Ex(b)(6) said the dog was a one yr. old border collie named Yoda. I issued the leash law citation and warned Ex(b)(6) about providing false information to a police officer. Ex(b)(6) left the park.

		On March 29, 2010, at approximately 1515 hours, I was on patrol of the Great Meadow in Fort Mason when I saw a dog running loose on the grass. A woman was walking behind the dog. I approached her and asked her to put the dog on a leash. She leashed the dog. I advised her about the leash law for Fort Mason and identified her as Ex(b)(6). I checked her CA DL. A check of Ex(b)(6) through USPP Communications revealed no wants or warrants. Ex(b)(6) said the dog was a poodle named Lucy. I warned Ex(b)(6) about unleashed pets in Fort Mason and advised her to move down to Crissy Field.

On March 30, 2010, at approximately 1830 hrs, I was approached at the Ft Funston Ranger Station by an individual who identified herself as Ex(b)(6). With Ex(b)(6) was another individual who identified himself as Ex(b)(6) a witness to the incident. Ex(b)(6) stated her dogs (a Bernese Mountain Dog and a Golden Retriever) had been attacked by a pit bull at Ft Funston. I asked if her dogs were injured and she stated no. Ex(b)(6) stated that at approximately 1810 hrs she was walking her off-leash dogs at Ft Funston when a pit bull charged her dog. Ex(b)(6) stated she gained control of her dogs with verbal commands. Ex(b)(6) stated the pit bull owner made no attempt to control the actions of her pit bull. Ex(b)(6) stated she asked the pit bull owner why she "stood there watching while" her dog "sprinted over to begin the attack". Ex(b)(6) stated this was the "third time" the pit bull has "provoked" her dogs. Ex(b)(6) stated the owner of the pit bull, described as a "woman in her mid late twenties" wearing jeans and a sweatshirt, was walking towards the Ft Funston parking lot. I advised Ex(b)(6) I would attempt to contact the pit bull owner. Ex(b)(6) asked if I would issue a ticket to the pit bull owner. I advised Ex(b)(6) this was a misdemeanor that had occurred outside my presence and could not issue a citation without her being the complainant. I explained to Ex(b)(6) she would have to appear in court to provide testimony. Ex(b)(6) asked me to call her after I made contact with the pit bull owner and she would let me know at that time if she wanted me to proceed with the citation. I gave both Ex(b)(6) witness statements and drove to the Ft Funston parking lot.

		On Wednesday, March 31 <sup>st</sup> , 2010 at approximately 1149 hours, I was dispatched to the area of Ex(b)(6) for a report of an off-leash dog wearing a red collar, that was intimidating employees at the plant nursery. Upon arrival in the area, I observed a brown colored dog with a red collar walking around the back yard and street areas to the rear of Ex(b)(6). The back door of the residence was open. I went to the door, and knocked, at which time a male subject approached. I asked if the dog belonged to him, and he said it did. He said the wind must have blown the back door open, allowing the dog to escape from the house. I advised him to contact the Presidio Trust to have them fix his door if the wind could indeed just blow it open. I also issued MVN# 2536115 for violation of 36CFR1002.15(e) – park resident violate the leash law policy / requirements (fail to restrain pet).

On 4/7/10, at approximately 1728 hrs, I responded to Fort Funston for a report of a trapped																			
dog. Upon arrival, I met with Ex(b)(6) who stated that her unleashed dog had been running																			
along the Sunset Trail, in the northern area of Ft. Funston. It then ran off a cliff's edge and fell																			
down to the beach. From the cliff, I observed the dog to be in an area not easily accessible																			
from the shoreline due to the rising tide. NPS Ocean Beach Public Safety units 441 and 442																			
responded and were able to traverse a rocky outcropping along the beach and retrieve the																			
uninjured dog, without incident. A computer check of Ex(b)(6) was negative for wants and																			
warrants. Ex(b)(6) was issued MVN #2332138 (36CFR2.15(a)(2)- unleashed pet) and																			
cleared the scene without further incident. Time cleared: 1825 hrs.												94 INVESTIGATOR NOTIFIED

On April 16, 2010, at approximately 0935 hours, I went to Ex(b)(6) for a report of a leash law violation. I met with the complainant, Ex(b)(6) inside her living room. She told me that she was walking southbound on Lovers Lane in the area of Sumner Avenue when a white male with a brown pit bull puppy approached her. The puppy was not on a leash. She asked the man to place the dog on a leash because pit bulls scared her since she had been bitten by one. The man ignored her and his puppy jumped on her. He grabbed the dog by the collar and walked towards Morton Field. She completed a written statement. I searched the area of Portola and Liggett Housing without finding anyone matching the suspect's description.

Time cleared at 1020 hours.

<p>On 04-16-10, at approx. 1515 hrs., I observed an adult male, later identified as <b>Ex(b)(6)</b> riding his mountain bike northbound on the Alta Trail near the Oakwood Valley Trail. I then observed a medium sized, tan dog which was off leash and following approx. 20 yards behind <b>Ex(b)(6)</b>. I contacted <b>Ex(b)(6)</b> identified myself as a law enforcement ranger and I asked him if he was the owner of this tan dog. There is a clearly posted and visible sign in the area that states, "NO PETS." When I directed <b>Ex(b)(6)</b> to get off his bike and sit down he complied but then became argumentative stating that I was treating him like a criminal. I advised <b>Ex(b)(6)</b> that it is my standard procedure to have subjects, in violation of the law, get off their bike and sit. I also advised <b>Ex(b)(6)</b> that I've had bicyclists try to flee from me in the past. <b>Ex(b)(6)</b> remained argumentative throughout this contact. Upon a dispatch computer check, <b>Ex(b)(6)</b> returned clear of wants/warrants. I issued him a verbal warning for allowing his pet to be off-leash and I issued him MVN K111430 for 36 CFR 2.15(a)(1), Pet in an Area Closed to Pets (\$75.) ## 29. DETAILS OF INCIDENT

On April 22, 2010, at approximately 2004 hours, I was on patrol driving on Lincoln Blvd. near Kobbie Ave. when I was flagged down by a pedestrian. The pedestrian, identified as Ex(b)(6) by his ID, said he was a resident of the Presidio and that his dog was lost. Ex(b)(6) said his dog, a 3 yr. old female hound mix named Cleo, had ran out of his house on Pershing Drive earlier in the day. Ex(b)(6) said he had just moved into the Presidio about two weeks prior and was not familiar with the area. Ex(b)(6) said the dog was in good health and had her current tags on. Ex(b)(6) said the dog weighed about 50 lbs. and had short red hair. I advised Ex(b)(6) to check with SF Animal Care and Control the next couple of days. Ex(b)(6) said he would look again in the morning.

ON 04-23-10 AT APPROX. 0939 HRS., I RESPONDED TO TAKE A REPORT FOR A DOG BITE WHICH ACCURRED THE DAY BEFORE. I MET WITH PRESIDIO TRUST EMPLOYEE, BRIAN HILEBRIDLE, WHO PROVIDED ME WITH ALL PERTINENT INFORMATION. (LATER CALL THE VICTIM Ex(b)(6) WHO EXPLAINED HE HAD BEEN WORKING IN THE WOODLINE EAST OF LINCOLN BLVD, AND NORTH OF THE NORTH PERSHING RESIDENCES. THIS AREA IS PLANTED WITH NEW SEEDLINGS AND RARE AND SENSITIVE SPECIMENS. Ex(b)(6) STATED THAT HE OBSERVED A PROFESSIONAL DOG WALKER WITH 9-12 DOGS OFF LEASH TRAMPLING THE PLANTS APPROXIMATELY 70 YARDS AWAY. AS HE APPROACHED TO EXPLAIN HIS CONCERNS ABOUT THE DOGS DESTRUCTION OF THE PLANTS, A SMALL TERRIER ATTACKED HIM, BITING HIM IN THE RIGHT HAMSTRING. Ex(b)(6) REPORTED THAT THEN ALL THE DOGS SURROUNDED HIM. HE EXPLAINED THE DOG WALKER, LATER IDENTIFIED VERBALLY AS Ex(b)(6) "DOG WALKING SERVICE" ATTEMPTED TO GET ALL THE DOGS UNDER CONTROL AND ON LEASH. Ex(b)(6) WAS COOPERATIVE AND PROVIDED Ex(b)(6) WITH THE DOGS INFORMATION AND THAT OF ITS OWNER. Ex(b)(6) STATED THAT HE THEN RESPONDED TO THE EMERGENCY ROOM AT CALIFORNIA PACIFIC MEDICAL CENTER. HE SUSTAINED TWO PUNCTURE WOUNDS TO THE RIGHT REAR LEG.															
Ex(b)(6) DID NOT WANT TO MAKE A "CITIZEN'S ARREST" OF Ex(b)(6) FOR HIS OFFENSE.															
AFTER RECEIVING THE INFORMATION ABOUT THE INCIDENT, I REALIZED THAT I HAD CONTACTED Ex(b)(6) ON MORE THAN ONE OCCASION AND MOST RECENTLY ON 03-18-10. Ex(b)(6) WAS GIVEN WARNING FOR HAVING SEVERAL DOGS OFF LEASH IN AN AREA WHERE IT IS NOT PERMITTED. HE WAS THOROUGHLY INFORMED ON THE CURRENT STATUS OF THE LEASH LAW AND WHERE HE COULD NOT HAVE DOGS OFF LEASH, PROVIDING THAT THEY WERE UNDER VOICE CONTROL. BEING A HORSE MOUNTED OFFICER, I SPENT SEVERAL MINUTES EXPLAINING THE DANGERS AND LIABILITY OF WALKING A PACK OF DOGS OFF LEASH. Ex(b)(6) PROMISED TO COMPLY WITH THE FEDERAL REGULATIONS IN THE FUTURE. ALL REPORTS WERE FORWARDED TO SAN FRANCISCO ANIMAL CARE AND CONTROL FOR FURTHER INVESTIGATION.

7 RESULTS OF INVESTIGATION
ITEM AGAINST THE SUSPECT, MS. CHASE.  Ex(b)(6) POINTED OUT THE SECOND PRESIDIO TRUST EMPLOYEE THAT WITNESSED THIS EVENT, Ex(b)(6) AND STATED THAT HE WOULD NOT COOPERATE WITH ANY INVESTIGATION BECAUSE HE DID NOT WANT TO BE INVOLVED. I CONTACTED HIM AND HE REFUSED TO GIVE A STATEMENT OR DISCUSS THE EVENT HE ADMITTED HE WITNESSED WITH HIS COWORKER.  Ex(b)(6) ALSO STATED THAT A NEIGHBOR WAS IN THE AREA AS WELL, BUT TOLD HER THAT SHE WOULD NOT GET INVOLVED IN THE MATTER.  I SPOKE WITH Ex(b)(6) ALSO ON SCENE WHO DID NOT WITNESS THE EVENT, BUT CLAIMED BOTH EMPLOYEES APPROACHED HIM TO ALERT HIM AS THE SUPERVISOR WITH THEM AS TO WHAT THEY HAD SEEN. HE CONFRONTED Ex(b)(6) ON BEHALF OF HIS EMPLOYEES. HE STATED THAT SHE DENIED ANY WRONG DOING.  I LATER LOCATED Ex(b)(6) AT HER RESIDENCE AND QUESTIONED HER ABOUT THE EVENT EARLIER. Ex(b)(6) SAID THAT NO ONE WAS AROUND TO SEE ANYTHING EXCEPT HER NEIGHBOR. Ex(b)(6) STATED THAT THE DOG, "DARWIN" HAD POOPED IN THE TRUCK AND HAD BEGUN FIGHTING WITH ANOTHER DOG IN THE VEHICLE SO SHE HAD TO BREAK UP THE FIGHT WHEN SHE PULLED IT FROM HER VEHICLE. I ASKED WHAT HAPPENED AFTER SHE SEPERATED THE TWO DOGS AND REMOVED "DARWIN" FROM THE TRUCK. SHE SAID, "NOTHING HAPPENED". I EXPLAINED THAT SEVERAL WITNESSES STATED THAT THEY SAW HER REMOVE THE DOG HARSHLY FROM THE VEHICLE, BUT THEN PULL THE DOG WITH ITS FRONT FEET IN THE AIR SEVERAL FEET AWAY FROM THE TRUCK AND KICK IT REPEATIDLY. Ex(b)(6) SAID SHE DID NOT DO THAT AND THAT SHE ONLY TRIED TO BREAK UP A DOG FIGHT INSIDE HER TRUCK.  Ex(b)(6) ASKED HER NEIGHBOR TO COME OUT OF HER RESIDENCE TO BE HER WITNESS TO WHAT HAPPENED. I SPOKE WITH Ex(b)(6) RESIDENT OF Ex(b)(6) WHO STATED THAT SHE DID NOT SEE ANYTHING.  I CONTACTED SGT. SCHNEIDER WHO RESPONDED TO THE SCENE. WE DETERMINED THAT DUE TO THE DESCRIBED EVENTS WITNESSED, Ex(b)(6) WOULD HAVE TO BE ARRESTED FOR (FELONY) 18 USC 13, PC 597 (b), ABUSE/CRUEL ACT: INFLICT UNNECESSARY CRUELTY TO ANIMAL (DOG).  Ex(b)(6) WAS NOT IN CONTROL OF "DARWIN" ANY LONGER, BUT SHE DID HAVE A TRUCK LOAD OF CLIENT PETS. WE WERE UNABLE TO FIND ANYONE TO TAKE CUSTODY OF THE DOGS, SO SGT. SCHNEIDER DECIDED Ex(b)(6) COULD DELIVER THE DOGS BACK TO THEIR HOMES AND TURN HERSELF IN AT THE POLICE STATION TO BE BOOKED FOR THE OFFENSE. Ex(b)(6) AGGREGED.  AT APPROXIMATLEY 1400 HOURS, Ex(b)(6) REPORTED TO 1217 RALSTON (USPP D8 STATION) FOR PROCESSING. SHE RECEIVED CITATION # 2535326 FOR THE OFFENSE. SHE WAS READ HER RIGHTS AND AFFORDED THE OPPORTUNITY TO MAKE A STATMENT, WHICH SHE REFUSED.  I CONTACTED "DARWIN'S" OWNER, Ex(b)(6) AT HER RESIDENCE AT Ex(b)(6) TO INFORM HER OF THE CLAIMS AGAINST Ex(b)(6) SHE STATED THAT SHE DID RECEIVE A CALL FROM MS. Ex(b)(6) AT 1010 HOURS THAT MORNING (PRIOR TO BEING CONTACTED BY THE POLICE). SHE STATED THAT Ex(b)(6) WAS VERY UPSET THAT "DARWIN" HAD POOPED IN THE TRUCK AND MADE A MESS. SHE TOLD Ex(b)(6) THAT SHE WIPED "DARWIN'S" NOSE IN IT WHEN HE SNARLED AT HER. Ex(b)(6) TOLD Ex(b)(6) THAT DEFICATING IN THE TRUCK WAS OF GREAT INCONVENIENCE TO HER AND HER BUSINESS AND THAT SHE COULD NOT TRUST THAT HE WOULD NOT DO IT AGAIN. Ex(b)(6) TOLD HER THEY WOULD HAVE TO FIND A PRIVATE DOG WALKER FROM NOW ON. Ex(b)(6) SAID THERE WAS NO MENTION OF "DARWIN" BEING INVOLVED IN A DOG FIGHT. AT NO TIME DURING THEIR ENTIRE CONVERSATION ABOUT Ex(b)(6) FRUSTRATIONS AND CONCERNS ABOUT "DARWIN" DID SHE MENTION A DOG FIGHT. Ex(b)(6) STATED "DARWIN" HAS ALWAYS BEEN FRIENDLY WITH OTHER DOGS.  I WAS UNABLE TO IDENTIFY ANY OBVIOUS SIGNS OF INJURY. I TOLD Ex(b)(6) TO CLOSELY OBSERVE "DARWIN" AND HIS ACTIONS OVER THE NEXT FEW DAYS TO DETERMINE IF HE MAY HAVE ANY INTERNAL INJURY AND THAT SHE MAY CONSIDER TAKING HIM IN TO SEE A VETERINARIAN FOR PROFESSIONAL MEDICAL ASSESSMENT. Ex(b)(6) TATED THAT SHE WOULD TAKE HIM IN OVER THE WEEKEND AND UPDATE ME ON HIS WELL BEING EARLY THE FOLLOWING WEEK.

ITEM	<p>7 RESULTS OF INVESTIGATION ON 04-23-10 I ARRESTED Ex(b)(6) FOR FOR ANIMAL CRUELTY BASED ON AN EYE WITNESS ACCOUNT BY TWO PRESIDIO TRUST EMPLOYEES. DURING MY INITIAL INVESTIGATION AND PROBE OF INFORMATION FROM THE COMPLAINANT, Ex(b)(6) I ASKED SEVERAL DETAILED QUESTIONS TO DETERMINE IF SHE WAS A CREDIBLE WITNESS. I ASKED HER TO DESCRIBE THE FORCE OF WHICH SHE OBSERVED THE KICK RENDERED TO THE DOG AND I VERIFIED WITH HER THAT SHE HAD AN UNOBSTRUCTED VIEW OF THE INCIDENT DURING ITS ENTIRETY.</p> <p>FURTHER, I EXPLAINED HER DUTY AS A WITNESS TO A CRIME NOT COMMITED IN THE PRESENCE OF LAW ENFORCEMENT, TO INCLUDE HER WRITING A WITNESS STATEMENT TO OUTLINE THE EVENTS SHE OBSERVED, AS WELL AS POSSIBLE COURT TESTIMONY IF THE CASE GOES TO TRIAL. ALL OF WHICH Ex(b)(6) UNDERSTOOD, WITH THE KNOWLEDGE Ex(b)(6) WOULD BE CONTACTED AND CHARGED FOR THE ASSAULT ON THE DOG.</p> <p>ONCE I DETERMINED WHAT THE CHARGES WOULD BE UNDER CALIFORNIA PENAL CODE AND UNCOVERED THAT THE OFFENCE WAS A FELONY, Ex(b)(6) WAS DISTRAUGHT OVER THE FACT THAT THE VIOLATOR, Ex(b)(6) WOULD HAVE TO BE ARRESTED. SHE WAS CONCERNED THAT Ex(b)(6) WOULD ALWAYS HAVE TO "CHECK THE BOX THAT ASKED ABOUT FELONY CHARGES" IF SHE WERE TO FILL OUT AN EMPLOYMENT APPLICATION. I ASSURED HER THAT SHE WAS NOT TO BLAME FOR THE REPERCUSSIONS OF Ex(b)(6) ACTIONS AND THAT THE PROCESS WAS MANDATORY ONCE A FELONY HAD BEEN COMMITTED. Ex(b)(6) EXPLORED THE IDEA OF "CHANGING HER MIND ABOUT 'PRESSING CHARGES' FOR THE CRIME" SHE WITNESSED BECAUSE SHE FELT GUILTY FOR TURNING HER IN. I EXPLAINED THAT FILING A FALSE POLICE REPORT IS A FEDERAL OFFENSE OF WHICH SHE WOULD BE CHARGED. I, ON THREE OCCASIONS, VERIFIED THAT SHE WITNESSED THE DOG BEING KICKED AND THAT SHE HAD NOT BEEN DISHONEST WHEN I FIRST INTERVIEWED HER. Ex(b)(6) SAID SHE HAD SEEN THE WHOLE EVENT, BUT WISHED I COULD ONLY ISSUE HER A CITATION. I REFRAISED THE QUESTION AND SHE ALWAYS CONFIRMED THAT SHE HAD SEEN THE CRIME OCCURE, BUT LIKE HER COWORKER AND OTHER WITNESS, WANTED NOW TO "UNINVOLVE HERSELF".</p> <p>I RECEIVED A CELL PHONE CALL FROM Ex(b)(6) SUPERVISOR, Ex(b)(6) WHOM HAD BEEN ON SCENE DURING THE INCIDENT ALTHOUGH HE WAS NOT A WITNESS TO IT. I HAD SPOKEN TO HIM THROUGHOUT THE INVESTIGATION, BUT LATER THAT AFTERNOON HE CALLED TO ASK ME TO RETRACT NAMES AND STATEMENTS FROM MY REPORTS. DURING PROCESSING OF Ex(b)(6) AT THE STATION, BOTH Ex(b)(6) AND HER SUPERVISOR, Ex(b)(6) ARRIVED AT THE POLICE STATION TO AGAIN VOICE THEIR CONCERNS OF THE FELONY CHARGE AND RESULTING ARREST. I ASKED CAPTAIN CONSTANCE LEONARD TO ASSIST ME IN THE MATTER. THE TWO EXPRESSED THE SAME CONCERNS ABOUT THE ARREST VERSUS A CITATION AND RELEASE. CAPT. LEONARD VERIFIED WITH Ex(b)(6) THAT SHE WAS WITNESS TO THE CRIME AND HAD BEEN TRUTHFUL IN REPORTING THE INCIDENT. AT THAT POINT, I REALIZED THE FACTS REMAINED THE SAME, I REQUESTED THAT THE CAPTAIN AGAIN EXPLAIN TO THEM THE PROCESS THAT WOULD FOLLOW AND I EXCUSED MYSELF TO CONTINUE PROCESSING Ex(b)(6) WHO WAS BEING FINGERPRINTED IN THE AT THE TIME.</p> <p>ON 04-28-10, I SPOKE WITH THE DOGS OWNER, Ex(b)(6) WHO STATED THAT SHE HAD RECEIVED SEVERAL PHONE MESSAGES FROM Ex(b)(6) ONE OF WHICH Ex(b)(6) CLAIMED THAT TWO PRESIDIO TRUST GARDENERS WENT TO HER HOUSE AND STATED THAT THEY WOULD RETRACT ANY STATEMENTS THEY HAD MADE.</p> <p>I INFORMED BOTH CAPT. LEONARD AND LT. WASSERMAN THAT THE TWO TRUST EMPLOYEES HAD ALLEGIDLY GONE TO Ex(b)(6) HOUSE AND WERE INTERFERING WITH THE CASE THEY THEMSELVES HAD REPORTED. CLEARED.</p>

On Tuesday, May 4, 2010 at about 0810 hours, I began a uniformed foot patrol in the Crissy Field Wildlife Protection Area (WPA). From July 1 through May 15, dogs must be leashed in the WPA for protection of the threatened snowy plover bird species. The boundaries of the WPA are designated by signs and fencing. At about 0817 hours, I saw a woman and small, leashed dog westbound just west of the old Coast Guard piers. A larger, rust-colored, unrestrained dog trailing a leash was running ahead of her about 100 feet. The unrestrained dog began playing with a leashed dog accompanying an eastbound man right at the mid-beach interpretive plover sign. I caught up with the unrestrained dog, grabbed its leash and asked the two people whose dog I had just caught. The woman, identified verbally as clear and valid California driver Ex(b)(6) said it was her dog. She parked her van in the West Bluff parking lot and entered the WPA from the west. I issued Ex(b)(6) violation notice #2536527 for 36 CFR 7.97(d)(1)(i), unrestrained pet in a WPA, with a total collateral of \$175. I explained her rights and responsibilities concerning the notice to her and asked whether she understood. She said yes and signed the bottom of the notice. I was clear by 0855 hours.

On May 04, 2010 at approximately 1037hrs, while on foot patrol of the Great Meadow at upper Fort Mason, I observed a male and a female walking with their dogs off leash. I contacted the subjects and informed them they were in violation of 36CFR2-15(a)(2) Failing to restrain on a proper leash their pet at all times. They immediately leashed their dogs and said they were unaware that they were in violation. Since they had just entered the park I gave them a verbal warning for the violation. Time Cleared 1051hrs.

## 29. DETAILS OF INCIDENT

On May 7, 2010 at approximately 1359 hours, I went to Liggett Avenue for a report of a Schnauzer acting "crazy." I met with the reporting person, Ex(b)(6) near the intersection of Sanches Street and Liggett Avenue. He told me that a large (He indicated the size by hold his palm faced down above his waist level.) Schnauzer acted aggressively toward him even though the owner, who he identified by name as Ex(b)(6) had the dog on leash. He told me that Ex(b)(6) lived at Ex(b)(6) While he completed a written statement for me, I met with Ex(b)(6) at her front door.

Ex(b)(6) identified herself by her California driver's license as Ex(b)(6) She told me that she was walking her dog, "Doolie", in the neighborhood when a male she did not recognize came from around the corner of one of the houses. Doolie became startled and barked at the person, but she maintained control over him the entire time. Ex(b)(6) described her dog as a black and tan Airedale Terrier with a calm demeanor who gets along with all of her neighbors. Her husband, Ex(b)(6) brought Doolie out to meet me. The dog was not aggressive and acted friendly with me.

When I met with Ex(b)(6) for his statement, he apologized for making a "big deal" out of this, but he was afraid of the dog. I attached his statement with this report.

Time cleared at 1414 hours.

	On Sunday, May 9, 2010 at about 1441 hours, National Park Service (NPS) Dispatch received a report of two unattended dogs tied up at the Point Bonita Lighthouse Trailhead. I responded from Kirby Cove Campground, arriving to find two small leashed dogs at the trailhead, in the company of two women and a male juvenile. The two women identified themselves verbally as clear and valid California drivers Ex(b)(6). The juvenile was Premick's 13-year old son. Seeing the sign prohibiting dogs on the Lighthouse trail, they had secured their dogs on some metal railings to the side of the main access while visiting the Lighthouse. Per NPS Interpretive Ranger Sarah Koenen, the main issue was visitors concerned for the welfare of the unattended dogs, not any type of aggressive behavior by the tied-up dogs. I explained to both women the hazards and liabilities of leaving pets unattended and tied up. I gave them verbal warnings for 36 CFR 2.15(a)(3), leaving an unattended pet tied to a fixed object and explained that future contact would probably result in a violation notice. I provided a courtesy transport to the three persons and two dogs in my patrol vehicle to their car, parked at Fort Cronkhite., clearing this incident by 1525 hours.

On Friday, May 14, 2010 at about 0922 hours, I responded to a report of pet violations in the Fort Baker area. Ex(b)(6) a worker at Ex(b)(6) the Cavallo Point Resort, called NPS Dispatch to report a white female in a black Lexus having two unrestrained black dogs on the parade ground and failing to pick up pet excrement. I arrived at Fort Baker at about 1007 hours and saw a black 2004 Lexus with clear and valid California plate Ex(b)(6) parked along Murray Circle. As I was investigating the vehicle, a woman identified by clear and valid California driver license as Ex(b)(6) the owner of the Lexus, approached and asked what the problem was. I asked whether she had dogs and she indicated two black Labradors. She admitted having them off leash on the parade ground and taking some time to pick up after them since she was also trying to keep an eye on a young child. She said a resort security guard, later identified as Ex(b)(6) had approached her about promptly picking up pet waste, after a resort worker reported Ex(b)(6) apparent delay in picking up the waste. I gave Ex(b)(6) a verbal warning for having unrestrained pets in a leash-only area of the park and referred her to the park website for a summary of pet regulations. Clear by 1000 hours.

## 7 RESULTS OF INVESTIGATION:

On 05-14-10 at approx. 1340 hrs. while in full U.S. Park Police uniform and on foot patrol on the Ecology Trail south of Quarry Rd. I observed a female, later identified verbally as Ex(b)(6) walking west on the trail leading from El Polin Springs. I observed that Ex(b)(6) was accompanying four unrestrained dogs. I observed that at least two of the dogs were not leashed and entered the main Ecology Trail prior to Ex(b)(6)

I contacted Ex(b)(6) identified myself as a police officer and advised her that pets were required to be leashed and restrained on the Ecology Trail. Ex(b)(6) apologized and said that they were only unrestrained for a few seconds. I asked Ex(b)(6) if she had seen the posted "leash pets" sign on the trail leading up from El Polin Springs and she said yes. Ex(b)(6) said that she worked for a professional dog walking company called "Dogwalks". I asked Ex(b)(6) if she had been contacted before for a leash law violation and she said no. I advised Ex(b)(6) that if her name was not listed in the local file I would issue her a warning for the violation.

I asked Ex(b)(6) if she was in possession of any identification and she said no. Ex(b)(6) identified herself verbally as Ex(b)(6) with a date of birth of 08-31-82. I confirmed the first and last spelling of the name that Ex(b)(6) identified herself as and Ex(b)(6) confirmed it was her correct name. I asked Ex(b)(6) if the name she provided me was the name on her California Driver's License and she said yes.

A check with USPP Communications returned not on file. I asked Ex(b)(6) to confirm the spelling of her name and she said he first name was spelled Ex(b)(6). Initially Ex(b)(6) stated her first name was spelled "Tara". A check with USPP Communications with the corrected spelling of the first name returned not on file. I advised Ex(b)(6) that her name was not on file and asked what her correct name was. Ex(b)(6) provided me with the last name of Ex(b)(6). When I asked her why she had provided an incorrect name Ex(b)(6) said she was "flustered" because she had never been contacted by a police officer before.

A check with Communications with the corrected name of Ex(b)(6) returned negative for wants/warrants.

I issued Ex(b)(6) MVN # 2536688 for violation of 36 CFR 1002.15(a)(2)-Leash Law Violation and a verbal admonishment for providing an incorrect name.

Summary: While in the Marin Ranger Station Ranger Goodwin and I observed a light colored dog with an attached muzzle running back and forth the length of Rodeo Beach. We observed the canine swim in the Rodeo Lagoon (which is prohibited). We observed the same canine bark at and repeatedly chase numerous water-foul that were in the lagoon. When we were finally able to identify the canine's owner (listed above) I was able to educate them as to the regulations in the area and how they were applicable to park and public safety. The above mentioned subjects responded well to the educational conversation and were identified and released. No citations issued.

On May 30, 2010, at approximately 0815 hrs, I observed a cream colored pit bull running off leash in the area of Judah and Great Highway. I observed the dog run up to and then run away from numerous beach visitors. I observed none of the visitors make any attempt to restrain the dog. Several of the visitors shouted to me that they were concerned about the off-leash "pit bull". When the dog came up to me I grabbed the dog by the collar and then escorted him to my patrol vehicle at Great Highway and Lincoln. I radioed Park Dispatch to notify San Francisco Animal Care and Control to come pick up the dog. I observed the dog had a tag with a phone number Ex(b)(6) and a tag number Ex(b)(6). The phone number was associated with Pets Unlimited. While waiting for Animal Care and Control, I provided the dog with shade and water. At approximately 0930 hrs, officer Johnny Hilton (badge #22) from Animal Care and Control arrived. I transferred control of the dog to Officer Hilton and was clear of the scene at approximately 0940 hrs.

	SUMMARY: On June 13, 2010, at approximately 09:07 hours, NPS Dispatch took a phone report of a dog attack in Rodeo Lagoon. The dog, described as a large black Labrador, chased a male deer into Rodeo Lagoon, where the deer subsequently down while trying to defend itself from the unleashed dog. I responded from Panoramic Hwy, Mill Valley and arrived at Rodeo Lagoon at 09:22 hours. Checking with Presidio Fire Dept. personnel, and information from NPS Dispatch, the suspect was described as a white-male-adult on the Lagoon Loop Trail with a black labrador. I contacted several witnesses, but not the suspect owner and/or dog. Several contacts during the initial investigation were made with visitors with black Labrador dogs. No suspects were identified.

## ITEM 7 RESULTS OF INVESTIGATION

**NARRATIVE:** On June 13, 2010, at approximately 09:07 hours, Station 2- PFD reported a deer being harassed by a black Labrador retriever in the Rodeo Lagoon. Fireman Robert Duggan took the initial report when he was contacted by an unidentified woman reporting a deer being chased by a black dog. The woman described the owner as a white-male-adult (WMA), with British accent and the dog as a black Labrador. Both Fireman Duggan and Captain Brent Barnes directly observed the interaction between the dog and buck, and at the conclusion of the incident, he saw the buck's head plunge beneath the surface and then stop struggling. In Duggan's words; "the deer became exhausted and drowned".

I arrived at Rodeo Lagoon at approximately 09:31 from Panoramic Hwy. I contacted R. Duggan at Station 2 and was briefed on the suspect's description. R. Duggan described a WMA with a black labrador "type" dog walking east, up the south end of the Lagoon Loop Trail. R. Duggan could not point out the suspect from Station 2. Dispatch notified me of a second report from the "kitchen", where two others individuals witnessed the attack. The kitchen was identified as the Headland's Institute kitchen. Two employees, Ex(b)(6) also witnessed the black dog chase, harass, and eventually drown the deer. They believed the suspect(s) were still currently on the Lagoon Loop Trail during my interview. I drove to the Headland's Visitor Center and accessed the southeast corner of the trail. I contacted a male and female with a black Rottweiler walking toward my location. I identified the male as Ex(b)(6) Rottweiler was dry to the touch. Ex(b)(6) stated that he saw the dog (black Labrador) in the water from the southwest corner of the lagoon and watched as the deer stopped struggling and go limp in the water. Ex(b)(6) directed me to the Marine Mammal Center where he last saw the man and his dog walking. I responded to the Marine Mammal Entry Road from the Headlands Visitor Center. I was unable to locate anyone matching the description of the man or the dog.

At approximately 10:17, I returned to the Rodeo Beach Bridge and contacted Ex(b)(6) stated the she had witnessed the 20-minute dog attack from a sandbar on the southwest corner of the lagoon. In essence she said a large, healthy black Labrador dog had chased the deer, a large buck, into the lagoon from the south-side trail (Rodeo Loop Trail). The dog swam behind the deer and then exited the water. The buck emerged from the lagoon as well. The dog resumed the attack for a second time chasing the animal back into the water and continued the attack until the deer "wore down" and stopped. Ex(b)(6) also stated that this wasn't the exact Headlands experience she had hoped for.

Rodeo Beach is a voice control area and is posted with a written regulatory signs for maintaining control of pets and harassment of wildlife.

**SUSPECT:** White-male-adult with a black Labrador retriever

I cleared at 10:34 hours.

On 07-02-10 at approx. 0828 hrs. while patrolling West Pacific Ave. near JK ball field in full U.S. Park Police uniform																			
I observed a female, later identified by California Driver's License as Ex(b)(6) with an off leash black																			
dog. As I approached Ex(b)(6) observed her leash the pet upon seeing me. I contacted Ex(b)(6) and																			
advised her that pets were required to be leashed on the JK ball field. Ex(b)(6) stated that the gardener at																			
JK playground had advised her that she could have her pet off leash as long as it was against the northern most																			
fence line. I confirmed Ex(b)(6) explanation with the Julius Kahn gardener and reminded him of the leash																			
regulation in the park. A check with USPP Communications for warrants and local file was negative. I issued																			
Ex(b)(6) a verbal warning for the violation.

	On 07/15/10 at approximately 1444 hours, while on foot patrol near the hang glider deck at Fort Funston I observed two dogs barking and running at high speed towards a solo hang glider who was walking in the wood chip portion														
	preparing to launch. The unidentified male noticed the dogs running and started to quickly walk the opposite direction. However the two dogs were quickly approaching the male. So the male ran towards the edge of the sheer cliff that drops about 600 feet down to the Pacific Ocean. A woman, later identified as Ex(b)(6) with Ex(b)(6) was yelling repeatedly and running towards the dogs. Eventually the dogs stopped and ran slower towards her. As she was holding the dogs by the collar, I asked her twice to put the dogs on a leash. Once she complied, I looked back at the hang glider and realized he had launched and was gone. Ex(b)(6) and I walked														
	to her vehicle parked, a green Toyota pick-up with Ex(b)(6) that was parked in the lot. As I explained to her the requirement for voice control, the dogs would start barking aggressively towards any hang glider near by- even those up in the air. Although the dogs were inside the camper shell, Ex(b)(6) told me that she was going to put the muzzle on them. She was very apologetic and stated that was her first time there. A CLETS check conducted by park dispatch of Ex(b)(6) revealed she was clear of wants or warrants. I told her that although both dogs were running towards the hang glider, I would cite her for one dog. I issued her MVN K112141 for 36CFR 2.15(a)(2)-														
	Pets- Failure to restrain dog. She cleared the area without further incident.

On August 3, 2010, at approximately 0915 hrs, while on foot patrol of the Lobos Creek Boardwalk, I observed an individual identified as Ex(b)(6) walking on the boardwalk adjacent to an off-leash dog. Dogs are not allowed on the boardwalk and there is signage stating the closure at the entrance to the boardwalk. I contacted Ex(b)(6) and asked her if she was aware the boardwalk was closed to dogs. Ex(b)(6) stated she was not aware. I asked Ex(b)(6) if she has ever walked her dog on the boardwalk. Ex(b)(6) stated she does walk her dog on the boardwalk very often. I informed Ex(b)(6) of the other nearby areas within the park where she could walk her dog. Ex(b)(6) stated she was aware of the areas and chose to walk her dog on the boardwalk because it was a "small dog" and that she "felt safe" on the boardwalk. I informed Ex(b)(6) that one of the reasons the boardwalk is closed to pets is because of the many bird species that inhabit the riparian zone of Lobos Creek. Ex(b)(6) then stated that she has encountered "other dogs and bikes on the boardwalk". I then asked Ex(b)(6) why she was aware that bicycles are not permitted on the boardwalk but was not aware that dogs are not allowed, even though the signage for both are on the same pole at the entrance to the boardwalk. Ex(b)(6) then stated "you're making it so no one can enjoy the place!". I again explained the reasons for the closure to Ex(b)(6). Park dispatch then radioed that Ex(b)(6) had negative wants/warrants and had negative local file entries. I issued Ex(b)(6) a warning for 36 CFR 2.15 (a)(1), instructed her to leave the area with her dog and was clear at approximately 0930 hrs.

ITEM	7 RESULTS OF INVESTIGATION:
	<p>On August 17, 2010, at approximately 2028 hours, I was dispatched to the area of stairwell 17 on Ocean Beach for a report of a dog attack. Once on scene I contacted the reporting party, identified as Ex(b)(6) via his CA DL Ex(b)(6). Ex(b)(6) stated that his dog had just been attacked on the beach by another dog. Ex(b)(6) stated that the other dog's owner, a white female later identified as Ex(b)(6) via her CA DL Ex(b)(6) had walked up John F. Kennedy Drive toward Golden Gate Park. I drove up John F. Kennedy Dr. and located Ex(b)(6). Ex(b)(6) stated that she had been walking her dog, a large white American Pit Bull, on the beach and another dog had been off leash and had come up to her. Ex(b)(6) stated the pit bull lunged for the other dog as it came too close and she was unable to control it. The two owners managed to separate the animals. Ex(b)(6) stated that the pit bull is a rescue dog and she is getting it ready for a foster family.</p>
	<p>I returned to stairwell 17 and talked with Ex(b)(6). Ex(b)(6) account of what happened exactly matched Ex(b)(6). Ex(b)(6) added that as he and his dog, who was off leash, approached the area where Ex(b)(6) was walking the pit bull, Ex(b)(6) stated to Ex(b)(6) that, "my dog is mean." Upon hearing this, Ex(b)(6) stated that he reached down to leash up his dog but at that moment his dog moved away from him toward the pit bull, which then jumped on Ex(b)(6) dog.</p>
	<p>I observed several small puncture wounds on Ex(b)(6) dog behind the left ear. Ex(b)(6) also stated that he had hurt his hand when he had tried to separate the two animals. I observed that Ex(b)(6) hand appeared swollen.</p>
	<p>I advised Ex(b)(6) that if he chose to press charges that he could come by the USPP Station at 1217 Ralston Ave. in order to fill out a complaint form at a later date.</p>

On 08/18/10 at approximately 0944 hrs., I contacted Ex(b)(6) for walking her dog off leash in the Ocean Beach Wildlife Protection Area. She was walking her black dog off leash on Ocean Beach at Uloa Street. She was within the Ocean Beach WPA. The area is clearly signed, "Leash Pets." I performed a computer check on Ex(b)(6) CDL# Ex(b)(6) and she did not have any wants or warrants. I also checked the local file for any previous pet contacts she may have had. Ex(b)(6) was previously contacted by a Ranger on 03/22/08 and was issued a citation for pet of leash. I explained this to her, and then gave her a verbal warning for her pet being of leash. I then clearly explained to her the NPS pet policies for the GGNRA. I also told her where she could go and walk her dog off leash under voice control.																	
I cleared at 0955 hrs.

	On August 24, 2010 at approximately 1536 hours, while on uniformed patrol at Stinson Beach, within the Golden Gate National Recreation Area, I received a call in regards to a dog locked in a green Mitsubishi convertible Ex(b)(6) I responded from the Stinson Beach main Lifeguard tower.				
	On my arrival the dog was already removed from Ex(b)(6) by Ex(b)(6) who found the doors unlocked, and was turned over to Marin County Sheriff Deputy Doug ALLEN (#1378), who was first on scene. Ex(b)(6) was parked in the sun; with temperatures well over 85 degrees outside. The windows were down less than one inch.				
	While we waited for the arrival of Marin County Humane Society the owner, identified through a clear and valid California Driver's License as Ex(b)(6) returned to the car. He was issued, by Ex(b)(6) with a Marin County Citation for leaving his dog in a hot vehicle without proper care.

(3) DESCRIBE PROPERTY AND ITS VALUE. On Friday, August 20, 2010 at about 1348 hours, National Park Service Dispatch received a phone call from park visitor Ex(b)(6) reporting a dog stuck on a cliff at Fort Funston. I arrived at Fort Funston at about 1355 hours and tried to locate the dog. A hang glider aloft signaled a location west of Battery Davis, and I saw about six persons assembled on the beach in the same area. Two lifeguards arrived on scene and three additional resources were en route. I found an unidentified female and male on the low angle sand cliffs in the main drainage emanating west from the battery. The male had what appeared to be a polypropylene rope hanging down in his hand. I asked how many more people were below him. He answered only one and that she had the dog with her. As I watched, a woman later identified by clear and valid California driver license as Ex(b)(6) climbed into view about 100 feet below the level of the path. Following was "Andy", the brown mid-sized canine victim on a long leash. I urged everyone to safely climb up the slope and offered to take "Andy" back to the parking lot while Ex(b)(6) owner/operator of Ex(b)(6) picked up her belongings and other dogs. Ex(b)(6) explained to Supervisory Ranger Aline Forbes and me that "Andy" (one of her client dogs) had chased another one of her dogs, but failed to return when called, continuing over the cliff. I issued Ex(b)(6) violation notice #2536513 for creating a hazardous condition, 36 CFR 2.34(a)(4) with a total collateral of \$275. I explained her rights and responsibilities concerning the notice. Ex(b)(6) indicated she understood and signed the notice. All units were clear of the incident by about 1445 hours.										90 STL		91 REC		92 PROP		93 V

On Tuesday, August 24 <sup>th</sup> , 2010 at approximately 1015 hours, I received a phone complaint from a park visitor who wanted to report a dog situation in the area of Mountain Lake Park on West Pacific Avenue. He said he was walking on the north side of the lake on West Pacific when he was "surrounded by 5 unleashed dogs" which were barking at him. The complainant said he called out to the dog walker "That's why there are leash laws." The dog walker told him to "Go ahead and call the police. You're just a whiney bitch." He also told the complainant to "get away from" him, which the complainant felt was improper for someone to say in a park setting. Ex(b)(6) described the dog walker as a 200 pound Asian Male without an accent, wearing sunglasses, shorts and white shoes. Three of the dogs were described: Boxer/Pitbull Hybrid, Big Labrador and a Shepherd looking dog. No physical contact was made between either party and / or the dogs. 58 On 08-25-10, at approx. 0935 hrs.; I observed a medium sized, white/black colored, off-leash dog running unrestrained southbound on Ocean Beach near Pacheco St. This dog was chasing shore birds at the water line causing the birds to take flight. I also observed an adult male, later identified as Ex(b)(6) walking in the same direction as this dog. Ex(b)(6) was taking no action to control this dog. I contacted him, identified myself as a National Park Service law enforcement officer, and I asked Ex(b)(6) if he owned this dog. Ex(b)(6) said "yes" and I advised him that pets needed to be on leash in this area and that pets are prohibited from disturbing wildlife. Ex(b)(6) leashed his dog. Upon a dispatch computer check, he returned clear of wants/warrants with no local file hits. There are clearly posted and visible signs at the Ocean Beach/Great Highway pedestrian crosswalks in this area that state, "PROHIBITED: OFF-LEASH PETS." I issued Ex(b)(6) a verbal warning for allowing his dog to disturb wildlife and I issued him MVN K111441 for 36 CFR 7.97(d)(1)(ii), Failure to Leash Pet in a Wildlife Protection Area at Ocean Beach. I released Ex(b)(6) on-scene and I cleared at approx. 0950 hrs.				59 INVESTIGATOR NOTIFIED

	On 08/28/2010 at approx. 1640 hours, I saw Ex(b)(6) throwing a ball to a larger, golden/tan dog on Ocean Beach at Vicente. The dog was not leashed and was free to chase the ball several yards down the beach. I contacted Ex(b)(6) and explained that dogs needed to be on leash in this area for the protection of endangered snowy plovers. I asked if he was aware of that, and he said he thought it was not the season for the plovers and that dogs could be off leash. I asked if he had been contacted by law enforcement before for this issue, and he said he had. He said he lived on the Great Highway across the street from Ocean Beach, and I presumed he regularly passes the sign stating the leash regulation at all crosswalks on the Great Highway coming onto the beach. Ex(b)(6) gave me a CA DL. When I ran the DL information through dispatch, they informed me that Ex(b)(6) had been contacted for the same violation in 2007 on Ocean Beach. I issued Ex(b)(6) violation notice K106572, dog off leash in the Ocean Beach Snowy Plover Protection Area, \$175 collateral.											
	As Ex(b)(6) was leaving, Ex(b)(6) approached with two off leash small black dogs. She was not in the local file for previous violations. I gave her a verbal warning, and pointed out the sign with the regulations on it that she said she didn't see. Clear, 1655 hours.

she had also contacted Ex(b)(6) to retrieve the dog for the third time in two hours.

As Ex(b)(6) responded to the scene again, I asked Ex(b)(6) how the dog kept on getting loose, Ex(b)(6) told me that the dog just kept jumping out of the vehicle. I asked Ex(b)(6) if the dog had prior history of getting loose, Ex(b)(6) told me "no".

I asked Ex(b)(6) if he has an ID card, Ex(b)(6) told me "no, it's in my car". I asked Ex(b)(6) where his car is parked, Ex(b)(6) pointed at the parking lot and said "there". I put my ticket book back in my marked patrol vehicle and grabbed Ex(b)(6) right arm and ordered Ex(b)(6) to stay. San Francisco Police Motor Officer Maginniss #649 was nearby, saw the entire situation, walked up and assist me in detaining Ex(b)(6).

We told Ex(b)(6) that he was not allowed to leave while we are investigating the incident. Ex(b)(6) told me that "I am a person of integrity; I thought you wanted me to get my license out of the car. I thought I was going to get it while you drove behind me and follow me to my car".

Ex(b)(6) also said "This is ridiculous, all for a dog". Officer Maginniss also informed Ex(b)(6) that he could be charged with interfere with agency functions/resisting.

A computer check of Ex(b)(6) through U.S. Park Police Communications for wants and warrants returned with negative results.

	On September 8, 2010, at approximately 1052 hours, I was on foot patrol of Ocean Beach near Stairwell #26 when I saw a dog running loose on the beach inside the WPA Leash law area. I saw an individual walking nearby. I approached the individual and asked him if the dog belonged to him. He said yes. I identified him as Ex(b)(6) by his CO DL. A check of Ex(b)(6) through USPP Communications revealed no warrants. Ex(b)(6) said he had a leash for the dog at his car. Ex(b)(6) also said he lived nearby. I issued him the notice for 36 CFR 7.97(d) - WPA violation.

ITEM	7 RESULTS OF INVESTIGATION
------	----------------------------

On October 3, 2010, at approximately 0835 hours, while driving by Rodeo Beach on Mitchell Road, I witnessed a white male with three dogs without leashes. I was driving behind a sedan, and, as the sedan passed the area with the dogs, one of the dogs ran into the road toward the car. The driver of the car was forced to hit their brakes and swerve to avoid hitting the dog. I stopped my patrol vehicle, and exited toward the beach. By this time, the man had crossed the bridge connecting the parking area of Rodeo Beach to the beach front. I called for the man to stop and come back to my position. The man complied. I introduced myself, and explained that he was currently in a national park. The man stated that he understood, and that he brings his dogs to Rodeo Beach multiple times every week. I informed the man that, while dogs may be under voice control on the beach, they must be under physical control within the parking and roadway areas. The man argued that there was not a sign to explicitly direct him to keep his dogs on a leash within the parking area. He then made multiple statements that I was wasting taxpayer dollars by stopping him. I asked for his identification, and he complied. I identified him through dispatch as Ex(b)(6). Ex(b)(6) asked if I would be writing him a citation, and I responded, "Yes." Ex(b)(6) stated, "You guys will do anything for revenue. It's about 9 (AM), have you reached your quota for the day?" He repeatedly stated that he paid high taxes, and that my contacting him was insulting.

Ex(b)(6) stated that, as a taxpayer receiving a citation, I was obligated to show him the sign stating that he was required to control his pets with a leash. I pointed to the large sign on the left-side of the bridge entrance which explains the exception to 36 CFR 2.15 permitting voice control of pets on the beach. This exception, as designated by the GGNRA 1979 Pet Policy, also includes specific restrictions, to include that unmanaged animals are not allowed in GGNRA. Additional, restrictions designate for pets to be on leash within the parking and picnic areas of Rodeo Beach at Fort Cronkhite. While demonstrating the information board to Ex(b)(6) a male and female with a dog on leash crossed the bridge entrance toward the beach. Ex(b)(6) argued that the necessity for leashing animals within the parking areas was not explicitly stated within the sign, and that I had failed to demonstrate a specific sign that required him to restrain his dog on a leash. To this the passing female stated that the sign allows people to have their dogs under voice control on the beach areas only.

Ex(b)(6) ignored the passing woman and returned to questioning the citation form that I was filling out. Ex(b)(6) stated that I was unduly detaining him, because I was taking too long to fill out the form. Ex(b)(6) asked if my name was going to be on the citation, and I confirmed that it would be. I stated that I would explain the violation notice shortly. Ex(b)(6) paced the bridge entrance area while I completed the form. Ex(b)(6) then began to walk away from the bridge area toward a red Land Rover parked near the bridge entrance. Ex(b)(6) retrieved three leashes from the back of the vehicle and returned to my position. Ex(b)(6) asked whether he could contest the citation. I informed him that he would be able to. Before I could explain the process by which a court date is manifested from a violation notice, Ex(b)(6) interrupted me to say that, "I intend to take this to court. Not because of the cost, but because of principle. I'm taking this to court, and you'd better show up!" I did not respond to this remark, and instead continued to complete the violation notice.

I was unable to fully explain the bailable violation notice, though Ex(b)(6) signed indicating that he understood. As I was handing Ex(b)(6) the violation notice, I began to explain the information included with the notice. Ex(b)(6) quickly grabbed the violation notice from my hand and stated, "You've already wasted enough of my time."

On 09/28/10 at approximately 1832 hours, while patrolling Mori Point (located within Golden Gate National Recreation Area), I observed a man and woman walking on the fire road with their dog off leash. As the two walked towards my location at the entrance gate the female noticed me and immediately leashed her dog. I contacted the two and identified the female as Ex(b)(6) informed Ex(b)(6) she could not walk her dog off a leash in this area due to sensitive habitat and wildlife. Ex(b)(6) stated the dog was only off it's leash for a short distance because it could not do it's "business" otherwise. Ex(b)(6) also stated she helped plant flowers in the area as a volunteer. Ex(b)(6) had parked her silver sedan facing the fire road entrance gate which is posted with a sign indicating dogs must be on leash. Additionally, she parked in front of my marked patrol vehicle. I issued Ex(b)(6) violation notice # K111870 for 36 CFR 2.15 (a)(2) Dog Off Leash.

End Report.

29. DETAILS OF INCIDENT												
<p>On October 11<sup>th</sup> 2010 at 1105 hours I responded to the area of Fort Funston parking lot where there was a report of a dog bite victim getting first aid treatment from S.F. Fire E54 for a dog bite that occurred earlier (1100 hours). Upon my arrival, I met with the bite victim identified as Ex(b)(6) who had a small mark on the bottom of her right nostril (no bleeding, slight redness). Ex(b)(6) told me she was o.k after getting nipped on her nose by a tan pit bull puppy while she was playing with her own dog at the dog area (sand) South East of Battery Davis. I talked to the owner of the pit bull puppy, identified as Ex(b)(6) who provided me with rabies vaccination certificate (# Ex(b)(6) for her pit bull puppy. Ex(b)(6) told me her dog was not on a leash and was playing with Ex(b)(6) off leash dog when the pit bull puppy jumped up and caught one of its baby teeth on Ex(b)(6) nostril. Ex(b)(6) small red mark on the bottom of her nose wasn't bleeding or cut. S.F. fire E54 cleared the scene when it was determined that no further treatment (beyond basic first aid-iodine) was needed. Ex(b)(6) mother Ex(b)(6) did not want to press charges against Ex(b)(6) and declined further interaction regarding the bite. No citation issued. I cleared at 1130 hours.</p> <p>Animal Care and Control Bite form faxed to Lt. Scott (SFPD).</p>

## 29. DETAILS OF INCIDENT

On October 12, 2010, at approximately 1020 hrs, while on foot patrol of the Ocean Beach stairwells, I observed an off-leash toy white poodle running northbound along the walkway. I observed no owner in the area of the poodle. I attempted to catch the poodle but was unsuccessful. I radioed Ranger J. Webster who was on a fixed post at stairwell 19 about the poodle. Ranger Webster radioed he had caught the poodle. I responded to stairwell 19 and took possession of the poodle from Ranger Webster. I observed the poodle had no owner information on its collar. I radioed Park Dispatch to have Animal Care and Control to respond for the poodle. Dispatch radioed that Animal Care and Control had an extended estimated time of arrival. I then transported the poodle to Animal Care and Control, arriving at approximately 1115 hrs. Custody of the poodle was transferred to Animal Care and Control at approximately 1120 hrs. Due to the poodle extensively vomiting in my patrol vehicle while enroute to Animal care and Control, I had to clean the vomit before clearing. Clear at approximately 1130 hrs.

85				On Wednesday, October 14, 2010 at about 1030 hours, I was on uniformed patrol in a marked law enforcement sedan at Sweeney Ridge. As I passed the intersection of the Mori Ridge trail and Notch Trail, I saw a lone woman, later identified by clear and valid California driver license as Ex(b)(6) heading toward me with two small dogs. I planned to contact the woman to let her know the Notch Trail was closed to pets, but then noticed the dogs were also unrestrained. Both ends of the Notch Trail have regulatory signs indicating pets must be leashed. Ex(b)(6) admitted seeing the sign, but did not have leashes with her. Our local database showed no prior law enforcement contact with Ex(b)(6). I issued her violation notice #2864301 for failure to restrain a pet, 36 CFR 2.145(a)(2) with a total collateral of \$100. After explaining her rights and responsibilities regarding the violation notice, I asked Ex(b)(6) if she had any questions. She said no and signed the notice. As it was a warm day and she had run out of water, I filled up her near-empty water bottle with water for her for the descent back down the trail. I was clear of contact by 1048 hours.												91		92		93

LEASH LAW VIOLATION-USE OF FORCE-NO ARREST

## 7 RESULTS OF INVESTIGATION

CLOSE IT WAS UNDERNEATH HIS TAIL.. I COULD ONLY HEAR THE BARKING AND SNARLING. I CALLED OUT THAT HE WAS GOING TO BE PEPPER SPRAYED IF SHE DIDN'T GET HIM. AT THAT MOMENT "DRIFTER" LIFTED HIS RIGHT REAR LEG AS IF TO KICK THEY DOG BACK. I THEN DEPLOYED MY FORCE ISSUED PEPPER SPRAY INTO THE DOGS FACE. IT BACKED OFF AND THE OWNER GAINED CONTROL OF IT WITH THE LEASH. I ADVISED THE WOMAN THAT IT WAS PEPPER SPRAY THAT COULD BE WASHED OFF WITH WATER. SHE LEFT THE AREA AS I CONTINUED TO MY ASSIGNED EVENT.

MINUTES LATER SHE WAS ADVISED OF THE LEASH LAWS CONCERNING "VOICE CONTROL" AND AGGRESSIVE DOGS. PROVIDED HER WITH MY NAME, BADGE NUMBER, THE CASE NUMBER OF THE INCIDENT, AS WELL AS MY SUPERVISORS CONTACT INFORMATION.

CLEARED 1515 HRS.

	On October 18, 2010, at approximately 1747 hours, I received a call from Communications regarding a dog bite at Fort Funston. I responded to the area and met with the reporting party, Ex(b)(6) said that she was walking her dog, Koby, a male 1 1/2 yr. old miniature pinscher, on the Sunset trail when it was "attacked and bitten by a Pit Bull terrier." Ex(b)(6) said that she and her boyfriend had to yell and pull her dog away from the Pit Bull. I met with the second dog owner, Ex(b)(6) who I identified by her CADL. Ex(b)(6) said that her dog Brylee, a 18 month old female Chinese Shar Pei Mastiff, "chased after" the smaller dog and was "horseplaying." Ex(b)(6) stated that she put her dog on a leash and gave Ex(b)(6) her personal information. I checked Ex(b)(6) dog, who was visibly shaking in her owner's arms. Ex(b)(6) said that her dog was microchipped Ex(b)(6) and had all of her current pet shots. I issued Ex(b)(6) the notice for 36CFR 2.15(a)(2) - fail to restrain pet, by voice command (K113436). Ex(b)(6) said she would be following up with her veterinarian to have her dog examined. I advised both dog owners that a police report would be ready for them in about a week and that they could talk resolve their dog conflict by working out a resolution. Time Cleared: 1830 hours.

On October 19 2010, Park dispatch advised me that a dog had fallen off a cliff at Sutro Baths. On my arrival Lifeguard Dierks advised me that he was below the observation deck near the tunnel with the dog's owner and would be transporting him and the dog up to the entrance on Point Lobos. I met with the unidentified owner of the dog. He stated that the dog had jumped onto the wall at the observation deck and lost its footing and fell about 70 feet. When he got down to where the dog's body, he found it had died. The owner was very upset and needed to leave and tell his family.

		On October 22, 2010 at approximately 1313 hours, I went to El Polin Spring for a report of a dog attack.													
		While enroute, communications told me that the suspect was leaving in a white truck with California													
		plates, [REDACTED] I searched for the truck before I met with the reporting person, [REDACTED] I did													
		not find the truck in the area. [REDACTED] is a stewardship coordinator for the National Park Service.													
		He told me that he was assessing a worksite at El Polin Spring when he saw several small dogs off leash.													
		One of the dogs charged at him and he defended himself by kicking both legs at the dog. Afterwards, the													
		other dogs started to bark at him. In particular, a Jack Russell Terrier lunged at him while bearing its													
		canines. The suspect, identified by [REDACTED] as a white female of medium build with dark hair in

He continued kicking at the dogs while calling the Communications Section. While he was on the phone, the suspect leashed her six or seven dogs and walked to her vehicle parked at the north end of El Polin Spring. He saw her get into a white Ford Ranger with California plates, Ex(b)(6)

Ex(b)(6) completed a written statement at 1217 Ralston Avenue which I have attached to this report. I made frequent checks of the El Polin Spring and MacArthur Avenue housing area without seeing the suspect vehicle in the area. Communications checked the information on the vehicle and did a wants and warrants check of the female registered owner, Ex(b)(6). She did not have any outstanding wants or warrants. Officer Michael Cameron told me that she frequents El Polin Springs with dogs off leash.

Time cleared at 1900 hours.

On 10/27/10 at approximately 1334 hours I was on foot patrol in the area of Aquatic Park beach and observed a male subject, later identified by name and date of birth as Ex(b)(6) playing with a dog on the beach. There are two signs posted stating "No pets". I contacted Ex(b)(6) and asked him to leash his dog. Ex(b)(6) complied with my request. I explained that pets were not allowed on the beach area and pointed out a sign posted stating "no pets". Ex(b)(6) apologized for having his dog on the beach. An NCIC/CLETS check of Ex(b)(6) by name and date of birth returned valid with no wants or warrants. Based upon the above facts I gave Ex(b)(6) a verbal warning.

On Saturday, October 30, 2010 at about 1455 hours, I was on uniformed patrol in a marked law enforcement sedan at Milagra Ridge. I drove to the road end just below the World War II bunkers and found two persons playing with three unrestrained dogs. As I approached, the man and woman leashed their dogs. The man, later identified verbally as clear and valid California driver Ex(b)(6) leashed a Cocker Spaniel type dog. The woman, identified by Ex(b)(6) as his daughter, was carrying a ball throwing device; she leashed two Bulldog type dogs, one of whom was wearing a weighted pack to allow a more intense workout. I asked them how they had gotten to this spot and they said they had walked in from the College Drive trailhead. At least four signs along that route indicate dogs must be leashed at all times. Milagra Ridge is habitat for the endangered Mission Blue butterfly. I issued Ex(b)(6) violation notice #2864307 for failure to restrain a pet, 36 CFR 2.15(a)(2) with a total collateral of \$100. I explained Ex(b)(6) rights and responsibilities regarding the violation notice to him and asked if he understood. He said yes and signed the violation notice. I was clear of contact by about 1510 hours.																		94 INVESTIGATOR NOTIFIED

	On 11/01/2010 at 1025 hours I observed a white female adult with six dogs (3 on leash & 3 off leash) walking through the forest east of Central Magazine near the former Morris Road dump site. I heard a lot of loud dog barking. This area is near a coyote den. I identified the woman as Ex(b)(6) by her CA DL (a computer NCIC check by USPP COMSEC was negative as was a local file check) and advised her of the law requiring her to keep all dogs on leash in this area. Ex(b)(6) told me the dogs were not barking at wildlife, but were barking/playing with each other. Ex(b)(6) also said she is a professional dog walker.											
	Ex(b)(6) leashed the three unleashed dogs and I explained to her where the nearby off leash areas were. I issued Ex(b)(6) a Written Warning Notice. Her vehicle, described above, was also illegally parked off-road. I advised her to park in designated parking spaces. Ex(b)(6) was polite and cooperative during this incident.

On 11/01/2010, while on uniformed trail patrol in a marked patrol vehicle with Ranger S. Cavallero, I observed an individual, later identified as Ex(b)(6) with an unleashed dog at the intersection of the Coastal Fire Road and the Coastal Trail just south of Muir Beach. The trail is well marked with signage indicating that dogs are required to be on leash. I contacted Ex(b)(6) and she stated that she thought that she could have her dog off leash on the trail. I informed her that there are no trails in the Muir Beach area where dogs are allowed off-leash, and I told her that dogs are allowed off-leash only on the sandy beach area at Muir Beach. Ex(b)(6) stated that she hikes on that trail "all the time". I asked Ex(b)(6) for her driver's license and she stated that it was in her vehicle. I asked her for her name and DOB which she provided. After running Ex(b)(6) by name/DOB through GGNRA Dispatch (Valid CA: Ex(b)(6) Negative Local File) I issued Ex(b)(6) a violation notice (K114158) for 36 CFR 2.15(a) (1) which I handed to her after she signed it. On 11/04/2010, while on uniformed trail patrol in a marked patrol vehicle, I observed an individual, later identified as Ex(b)(6) with an unleashed dog on the Fox Trail approximately 1/4 mile west of the Tennessee Valley Trail. The trail is well marked with signage indicating that dogs are not allowed on the trail. I contacted Ex(b)(6) and she stated that she did not know that dogs were not allowed on that trail. She stated that she had entered the trail from the Tennessee Valley parking lot, an area that is also very well signed to inform visitors that pets are not allowed. I informed her that there are no trails in the Tennessee Valley area where dogs are allowed off-leash, and I provided her with a map showing where dogs are and are not allowed. Ex(b)(6) stated that her pet was new and that she sees other people walking dogs in the area "all the time". I asked Ex(b)(6) for her driver's license and she stated that she did not have it with her. I asked her for her name and DOB which she provided. After running Ex(b)(6) by name/DOB through GGNRA Dispatch (Valid CA: Ex(b)(6) Negative Local File) I issued Ex(b)(6) a violation notice (K114159) for 36 CFR 2.15(a)(1) which I handed to her after she signed it. Clear at approximately 1430 hours.

		On 11-05-10, at approx. 0816 hrs., I observed two medium sized, tan in color, off-leash dogs running unrestrained northbound on Ocean Beach near Moraga St. I also observed an adult male, later identified as Ex(b)(6) walking in the same direction as these dogs. At one point, these dogs were over 100 yards away from Ex(b)(6) I contacted Ex(b)(6) identified myself as a National Park Service law enforcement officer, and I asked him if these dogs belonged to him. Ex(b)(6) said "yes" and I advised him that pets needed to be on leash in this area. Upon a dispatch computer check, Ex(b)(6) returned clear of wants/warrants with no local file contacts. There are clearly posted and visible signs at the Ocean Beach/Great Highway pedestrian crosswalks in this area that state, "PROHIBITED: OFF-LEASH PETS." I issued Ex(b)(6) a verbal warning for having his pets off-leash and I released him on-scene. I cleared at approx. 0825 hrs.

On November 6, 2010 at approximately 1009 hours, while on marked patrol with Ranger Eng, I observed two dogs coming through the trees on the south end of the Muir Beach Overlook parking lot. The dogs proceeded to run across the parking lot to the trail on the north side of the parking lot. We drove north on route 1 to the first pull out on the left. We caught the loose dogs on the Owl Trail and placed them in our marked vehicle. One of the dogs, a black and white dog named "Jesse" had a collar on so we called the owner, later identified by his CA driver's license as Ex(b)(6) to notify him that we had his dog. Ex(b)(6) informed us that he was with the owner of the other black dog named "Duncan"; the owner was later identified by his CA driver's license as Ex(b)(6). We met both owners at the Muir Beach Overlook parking lot. I informed both Ex(b)(6) and Ex(b)(6) that their respective dogs were off leash and running unrestrained throughout Muir Beach Overlook and onto the Owl Trail. I advised them that their pet needed to be restrained on a leash and "Duncan" needed a collar. Upon a dispatch computer check, Ex(b)(6) returned clear of wants/warrants with no listing on the local file. I issued them a verbal warning for this leash law violation and I released them on scene.

I cleared at approximately 1035 hours.

<p>On Saturday, November 6, 2010 at about 1642 hours, I was on uniformed patrol in a marked law enforcement sedan at Sweeney Ridge. I had just crossed the park boundary driving up from the Sneath Lane trailhead when I saw two women walking toward the Nike Missile Site with two unrestrained dogs. As I approached, they leashed the dogs, a Retriever type and a Corgi type. I asked where they had hiked from and they said from the Fassler trailhead. As I was unaware of the regulatory signage still in place at that location, and as both women showed no prior law enforcement contact in our local database, I gave them both verbal warnings for failing to restrain their pets. I discussed the variety of pet regulations throughout Golden Gate National Recreation Area and made them aware of the boundaries of the Sweeney Ridge properties. While continuing to patrol the area, I had occasion to pass the women two more times. They remained compliant with the leash law.</p>

## 7 RESULTS OF INVESTIGATION

ITEM On December 4, 2010 at approximately 1343 hours Ofc. Muller and I were responded to Fort Funston for a report of a dog injured by a horse. All parties involved in the incident had cleared the area prior to our arrival. I contacted the reporting party, Ex(b)(6) by telephone. Ex(b)(6) stated that while riding on horseback on the beach south of Fort Funston, she observed an unidentified female pedestrian shouting at a male subject (later identified as Ex(b)(6) who was riding on a horse. Ex(b)(6) stated that it appeared that this female was upset because her dog had been kicked by Ex(b)(6) horse. Ex(b)(6) contacted USPP Communications of the incident and then advised the unidentified female that the police were en route. Ex(b)(6) stated that the unidentified female disregarded her comment, and carried her dog away from the area. Ex(b)(6) then returned to the Mar Vista Stables.

I spoke with Ex(b)(6) via telephone and he stated that while on horseback with two fellow riders on the beach south of Fort Funston his horse was approached by an unleashed black barking dog, and he immediately started screaming towards the dog to get away from the horse. The dog continued, was kicked by the horse, and immediately laid motionless. Ex(b)(6) stated that the owner, an unidentified white female, ran towards him and began screaming at him, and he stated to her "if the dog was on a leash this would not have happened". The female then picked up her dog and left the scene.

After requesting to speak with Ex(b)(6) supervisor, he let me speak with Ex(b)(6) who is the son of Ex(b)(6) owner of the Mar Vista Stables. Ex(b)(6) provided us with the business contact information and was informed of the incidents case number for future reference.

The identity of the second party and status of the dog has yet to be determined.

Time Cleared: 1535 hours.

On 11/09/2010 at approximately 1140 hours while on uniformed patrol on Muir Beach I observed an individual, later identified as Ex(b)(6) with two off-leash dogs on Muir Beach. Dogs are permitted under voice control on Muir Beach. I observed the two dogs run into the Muir Beach Lagoon, an area that is closed to pets. The dogs rejoined Ex(b)(6) on the beach and then a second time I observed the dogs leave the beach and enter the lagoon area. Ex(b)(6) then appeared to call the dogs out of the lagoon as they continued down the beach. I contacted Ex(b)(6) and told her that her dogs were in a closed area. She stated that she did not know it was closed to pets until she walked past and read the sign, at which time she called her dogs out of the lagoon. I ran Ex(b)(6) through GGNRA dispatch and she came back with a valid DL and was negative for any local file pet contacts. I gave Ex(b)(6) a verbal warning and told her if she was contacted by a GGNRA Ranger in the future that she would be cited. Clear at 1145 hours.

On Tuesday, November 09 <sup>th</sup> , 2010 at approximately 1458 hours, I was dispatched to the area of Baker Beach in the lower lot near the brick building to meet with a complainant regarding a dog incident on the beach near the sand ladder. I met with the complaining party, identified as Ex(b)(6) who said she was on the beach with her child near the sand ladder, playing and eating their lunches. A white female adult, short and heavy set, with brown hair and jeans, had approximately 8 dogs off-leash, running around. One of the dogs, a wiery terrier, ran up to her child, knocked the child over, stole the child's toy tearing it, and then stole the child's sandwich. Although not attacking, the actions of the dog caused scratches on the child's belly, and caused a bloody nose. The child did not require any medical attention, however, the dog owner made no effort to check on the child's condition, nor apologize for her out of control dog. Ex(b)(6) attempted to call from the Baker Beach call-box, however, it appeared to not be working. She estimated the event took place at approximately 1430 hours, and that the dog walker was last seen walking toward the north lot Baker Beach. Officers Mertz and Durham searched the area of the north lot and Baker Beach itself, with no luck.

	On November 10 <sup>th</sup> , 2010 at 1715 hours I responded to the area of Fort Funston (open sandy area just North of the main parking lot and South of Battery Davis) where there was a report of a dog bite. Upon my arrival, I met with the reporting party named Ex(b)(6) who told me that his St. Bernard dog had been bitten on the back of his left front leg at the ankle. Ex(b)(6) told me that the biting dog (white and tan pit bull with a pink nose) owner, identified by Ex(b)(6) as Ex(b)(6) had already left the area prior to my arrival. I checked out the St. Bernard dog's injured leg and I did not see any bleeding or signs of discomfort hindering the dog's ability to walk. Ex(b)(6) told me that his dog was off leash when the bite occurred and that he didn't want to press charges against Garavelli who had his pit bull dog on a leash when the bite occurred. I reminded Ex(b)(6) that it is recommended that all dog's be kept on a leash at Fort Funston because of the danger of cliffs and wandering aggressive dogs. Ex(b)(6) did not get a phone number for the biting dog's owner nor did he find out if the pit bull had a record for vaccinations received. A U.S.P.P. cross reference check on Ex(b)(6) was negative for a listed phone number. Ex(b)(6) left the area and I cleared at 1745 hours.

<p>On Saturday, November 13, 2010 at about 1641 hours, I was on uniformed foot patrol in the Snowy Plover Protection Area (SPPA) at Ocean Beach. Pets are required to be leashed all year except May 15 to July 1 in this area for protection of the threatened snowy plover bird. Just east of the Great Highway at the Noriega entry to the beach, I saw a man and little girl playing fetch with two unrestrained Lab type dogs. I approached the two and asked them to leash their dogs which they promptly did. The man, identified verbally as clear and valid California operator Ex(b)(6) and his daughter were visiting from out of town and had entered the beach across the dunes, an area not posted with regulatory signs. I explained the rules and boundaries of the SPPA to Wert and asked him to comply with park regulations in the future. I was clear of contact by about 1655 hours.</p>

<p>On 11/21/10 at approximately 1655 hours I observed several off leash dogs in the wildlife protection area of Ocean Beach, Noriega Avenue. The wild life protection zone is in place to protect the protected snowy plover from July 1- May 15 of each year. I drove on to the beach at Noriega avenue and saw several subjects immediately run toward their off leash dogs, leash them and begin walking away from my position. I was closest to a subject later identified as Ex(b)(6) and questioned him about his dog. As I gathered his identification, I informed Ex(b)(6) about the regulations concerning pets on Ocean beach. I conducted a computer check for wants and warrants. The check returned with no wants, but I was informed that Ex(b)(6) was in the parks local file and given a verbal warning for failing to leash his pet in February 2009. I informed him that he was being cited for the offense. He asked me why he was being cited. I informed him that he was warned about the leash law in February of 2009. Ex(b)(6) looked at me and said, " I thought there was a statue of limitations on that stuff." I had him sign the citation and cleared at 1705 hours.</p>

## SUMMARY:

On 11/25/2010 at approximately 1030 hours while patrolling Tennessee Valley Road in a fully marked patrol vehicle, I observed a white female adult riding her bicycle with an unleashed medium sized speckled dog heading towards me. It was Thanksgiving Day, the parking lot was full and the site was receiving extremely high visitation. As I continued to drive the bicyclist became aware of my presence and immediately turned around and drove away from my direction. I drove up to the bicyclist who continued to ride away from me with her dog until I turned on my overhead lights and made contact. I asked her to dismount from her bike and immediately leash her pet. She was positively identified by her CA DL **Ex(b)(6)** as **Ex(b)(6)** immediately admitted to knowing that the area was closed to pets and stated that she "Did not think anybody would be in the park". I advised her that she knew the regulation, she passed a sign displaying "NO PETS" as she rode in, it was obviously full of visitors, and the regulation is enforced regardless of whether visitors are present.

I issued **Ex(b)(6)** VN K112716 for 36 CFR 1.5(f) - Area Closed to Pets

I was clear at approximately 1045 hours.

On 11/25/2010, while on uniformed trail patrol, I observed an individual, later identified as Ex(b)(6) (DOB Ex(b)(6)) with an unleashed dog at the intersection of the Coastal Fire Road and the Coastal Trail at the top of the hill south of Muir Beach. I contacted Ex(b)(6) and he stated that he thought that he could have his dog off leash on the trail. I informed him that there are no trails in the Muir Beach area where dogs are allowed off-leash, and I told him that dogs are allowed off-leash only on the sandy beach area at Muir Beach. He stated that he walked in via the coastal trail access near the "Voice Control Area" sign at Muir Beach. When I walked to that access point with Ex(b)(6) it was apparent to me that there was no sign indicating that dogs must be on leash. I ran Ex(b)(6) though GGNRA Dispatch (Valid CA DL: Ex(b)(6) negative locals). I gave Ex(b)(6) a verbal warning for 36 CFR 2.15(a)(2) and told him that he would be put in our local files. Clear at approximately 1835 hours.

On Thursday, November 25, 2010 at about 1230 hours, I was on uniformed patrol in a marked law enforcement sedan on the Point Bonita Lighthouse Trail within Golden Gate National Recreation Area. The trail is closed to pets per the 2010 Superintendents Compendium under authority granted in 36 CFR 2.15. A regulatory sign indicating "No Pets" is posted at the beginning of the trail just south of the fire gate. I saw a group of people, including the man later identified by clear and valid California driver's license as **Ex(b)(6)** walking across the bridge toward my location at the marine mammal interpretive sign. **Ex(b)(6)** was accompanied by a leashed beagle-like dog. I asked **Ex(b)(6)** whether he had seen any signs concerning pets before he started his walk down. He said no. I advised **Ex(b)(6)** the area was closed to pets and issued him violation notice #2864308 for possession of a pet in an area closed to pets, 36 CFR 2.15(a)(1) with a total collateral of \$75. I explained **Ex(b)(6)** rights and responsibilities concerning the violation notice to him and asked him whether he had any questions. He said no and signed the notice. **Ex(b)(6)** and his party left my location, heading back uphill, by about 1245 hours.

On 11/25/10 at approximately 1528 hrs., I received a report from dispatch of an animal carcass found at the East end of the Wash Out. I arrived on scene at the Legion of Honor end of the Wash Out at 1534 hrs. I walked down the stairs. At the end of the stairs, off to the left, was an uncovered shallow grave. Inside of the shallow grave was the cleaned carcass of a dog. Outside of the dug up grave was one head of a dog and one leg. I did not see any evidence of foot prints or shovel marks around the grave. The carcass was neatly uncovered. I believe that a coyote unearthed the shallow grave and consumed the deceased pet. I used a shovel and reburied the carcass. The area was cleared at 1600 hrs.

<p>On Friday, November 26, 2010 at about 1406 hours, I began a uniformed foot patrol in the Crissy Field Wildlife Protection Area (WPA). From July 1 through May 15, dogs must be leashed in the WPA for protection of the threatened snowy plover bird species. The boundaries of the WPA are designated by signs and fencing. Prior to beginning my foot patrol, for about five minutes, I was watching a man, later identified by clear and valid California driver's license as Ex(b)(6) playing fetch with an unrestrained brown Labrador-type dog by the old Coast Guard pier inside the WPA. The man and his still unrestrained dog walked toward the western boundary of the WPA where I met them. Ex(b)(6) immediately complied with my request to leash his dog. He said he and his party had entered the WPA from the old Coast Guard station area, an area posted with regulatory signs.</p> <p>I issued Ex(b)(6) violation notice #2864302 for failing to restrain his pet as required in the WPA, 36 CFR 7.97(d)(1)(i), with a total collateral of \$175. I explained Ex(b)(6) rights and responsibilities regarding the notice to him and asked whether he had any questions. He said no and signed for receipt of the notice. I was clear of the WPA at about 1436 hours.</p> <p>As I was writing this report, I noticed I mistakenly entered the wrong forfeiture amount and total collateral due on Ex(b)(6) violation notice, overstating the amount by an even \$25.</p>

On 12/11/10 at approximately 1112 hrs., I responded to Tennessee Valley for a report of dogs off leash. I arrived at Tennessee Valley at approximately 1145 hrs. I checked the parking lot and then drove out towards Tennessee Valley beach. At 1300 hrs., I observed a small child holding a white dog in her arms on the Tennessee Valley cut off trail. I contacted **Ex(b)(6)** the father of the small child. I asked **Ex(b)(6)** if he saw the sign, "No Pets," at the fire gate. **Ex(b)(6)** stated, "We saw the sign at the parking lot that said no dogs. We saw two other dogs headed out to the beach so I decided to go too." Tennessee Valley is prohibited to dogs and is clearly signed. I performed a computer check on **Ex(b)(6)** and he did not have any wants or warrants. I issued him a citation: MVN 2335749 for 36 CFR 2.15(a)(1) for pet in closed area. **Ex(b)(6)** took his pet back to the parking lot. I continued out to Tennessee Valley beach to check for more dogs. I did not find any.

I cleared at 1400 hrs.

**SUMMARY:**

On 12-15-2010 at approximately 1205 hours Ranger C. Marin and I (Ranger M. Yost) were notified by dispatch that there was a caller, near the watering station by Battery Davis at Fort Funston, complaining about his dog being attacked by a group of other dogs.

We arrived on scene a short time later and contacted the caller Ex(b)(6) (identified by his CA driver's license Ex(b)(6) and he informed us that his dog was attacked by a group of other dogs that were off leash. Ex(b)(6) stated that his dog was off leash when it was attacked and that the women (later identified as Ex(b)(6) by verbal information) that was in charge of the dogs that attacked his was over by the watering station.

We contacted Ex(b)(6) who was walking six dogs and she stated that her dogs were off leash but they were just playing with the other dog and not fighting.

We informed both Ex(b)(6) that there is a risk of bad dog interactions when the dogs are not on a leash and that they would have better control of their dogs and stay out of situations like this if they kept their dogs on a leash.

Both Ex(b)(6) were given verbal warnings for dog off leash.

We were clear a short time later.

On December 15, 2010 at approximately 1340 hours, I noticed a woman walking on Ocean Beach with an unleashed dog. The dog was black and white and was running around the beach from the water up to the base of the sand dunes. I contacted the woman who already had her dog on a leash by the time she got to where I was. She identified herself as Ex(b)(6) of San Francisco and said that she lived fairly close on Sloat Boulevard. I advised her of the pet regulations and the Snowy Plover Protection Area, and she seemed like she already knew that dogs had to be leashed. After speaking with her for a few minutes I issued her US District Court Violation Notice number 2533776, for violation of 36CFR7.97 (d)(ii) Failure to leash a Pet in a Wildlife Protection Area. I cleared at approximately 1400 hours.

On 12/27/2010 at approx. 1118 hours, I saw from a distance what looked like a black dog walking off leash and a ways downslope off the Drown Fire Road near its northern end at Alexander Ave. When I looked through binoculars, I could no longer see the dog, but it soon appeared from behind some vegetation along with a man who was holding the dog on a long leash along with another black dog on a long leash. The man, later identified as Ex(b)(6), then proceeded with his two dogs down the steps onto the Chapel Steps Trail from the Drown Fire Road. The Chapel Steps trail is signed as prohibited to pets at both ends by signs showing a dog icon with a slash through it. The Drown Fire Road is signed in numerous places as requiring pets to be on a leash and for pets and people to remain on the trail for the protection of the endangered mission blue butterfly. I drove back around to the Fort Baker parade ground where I saw Ex(b)(6) and his dogs after they had descended the Chapel Steps Trail. I asked Ex(b)(6) if his dogs had been on leash the whole time while on the Drown Fire Road. He said he took one of them off leash for a while because he didn't see any other people up there. I told him dogs had to be on leash on that trail at all times according to numerous park signs for the protection of an endangered species, and that it was irrelevant whether other people were on the trail or not. Ex(b)(6) told me that he is a military veteran and that he comes to Fort Baker all the time, has been for years, and that he didn't want to not be able to come here anymore. I assured him that I was not kicking him out of Fort Baker or telling him that he could no longer come here with his dogs. I stressed that I was simply expecting Ex(b)(6) was clear of wants or warrants through a computer check by park dispatch. Dispatch also stated he was not in the park's local file for any previous contacts with law enforcement. I told Ex(b)(6) I was giving him a verbal warning, and that he would now be in our system, and would receive a citation the next time he is contacting in violation of park regulations. Clear, 1133 hours.

	On 07-11-10 at approx. 1418 hrs. while on foot patrol on the Ecology Trail west of Barnard Ave. in full U.S. Park														
	Police uniform I observed a male, later identified by California Driver's License as Ex(b)(6) throwing a ball														
	to an unleashed dog. I observed that two other dogs that were with Ex(b)(6) were also unleashed.														
	I contacted Ex(b)(6) and asked him to leash his dogs. Ex(b)(6) complied. I advised Ex(b)(6) of the violation and explained														
	where pets were allowed off leash on the Presidio and the GGNRA.														
	A check with USPP Communications for wants/warrants was negative and Ex(b)(6) was not listed in the local violator														
	file. I issued Ex(b)(6) a verbal warning for the violation.

On 12-29-10, at approx. 1334 hrs., I observed a white male adult, later identified as Ex(b)(6) walking southbound on the Sweeney Ridge Trail near the Sneath Lane Trail with a small sized, white dog (which was off leash and running unrestrained on the trail.) When Ex(b)(6) looked in my direction, he immediately stopped walking and he leashed this pet. I contacted Ex(b)(6) and identified myself as a law enforcement ranger. I advised him that pets needed to be restrained on a leash at all times while on National Park Service property in San Mateo County. Upon a dispatch computer check, Ex(b)(6) returned clear of wants/warrants with no local file contacts. I issued him a verbal warning for this leash law violation and I released him on-scene. I cleared at approx. 1345 hrs.														94 INVESTIGATOR NOTIFIED
