

COLOR YOUR NATURE BADGE

INSTRUCTIONS:

Your child can earn her own Park Ranger badge! Encourage her to color in the badge, then help her cut it out and tape it to her shirt. She can earn this badge after watching the videos and completing the activities, investigating the outdoors, or helping take care of nature.

PARENT TIP:

When presenting your child with her new t-shirt, encourage her to repeat each line of the Park Ranger Pledge after you!

PARK RANGER PLEDGE

*Oh, we are park rangers
We take care of the park
We look at rocks and animals,
Investigate tree bark,
Observe butterflies that flutter,
Look for fireflies that spark,
Oh, we are park rangers
And we explore the park!*
