

IRON ON NATURE BADGE

INSTRUCTIONS: Make a Sesame Street Explores National Parks shirt to celebrate the nature observations your child has made. Get started by printing the graphic above on iron-on transfer paper. Use an iron to transfer the image onto a shirt. A plain, light colored t-shirt will work best.

PARENT TIP:

When presenting your child with his new t-shirt, encourage him to repeat each line of the Park Ranger Pledge after you!

PARK RANGER PLEDGE

*Oh, we are park rangers
We take care of the park
We look at rocks and animals,
Investigate tree bark,
Observe butterflies that flutter,
Look for fireflies that spark,
Oh, we are park rangers
And we explore the park!*
