NATURE JOURNAL

EXPLORE, OBSERVE, CONNECT

Let's go on a mission — a Nature Explorer Mission! So many interesting things can be found at your national park, local park, or even your backyard. What do you see when you're walking around in the park? What do you smell? Hear? Feel? Use this journal to record all of your exciting findings. Become a Nature Detective and document the nature around you. You could simply draw a picture of what you see or smell. Or, take photographs with a camera and make a scrapbook of your findings. The options are endless!
