- How can I tell the difference between shuttle bus routes?**
The front of the free, green and white shuttle bus displays the name of the route and its color.
- Why is the shuttle bus not full?**
To ensure room for passengers waiting at the next stops, shuttle busses do not fill at their first stop.

- No eating or open drink containers.
 - No pets. Service animals permitted.
 - Collapse strollers before entering the shuttle bus. No oversized or jogging strollers. Remove baby-back carriers when seated.

What else do I need to know about driving?

- Do not stop in the road, block traffic, or park along the roadside, except where signs or lines on the road indicate it is permissible. Use pull-outs to take photos. Keep a safe distance of at least 75 feet (23 m), or about six car lengths, from wildlife.
- A Scenic Drive Accessibility Permit allows visitors with mobility issues entry to some areas closed to public traffic. Obtain a permit at entrance gates and visitor centers.
