

## Ride the Free Shuttle Buses

Reducing air pollution and taking nearly a half-million vehicles off park roads each year, shuttle buses offer a hassle-free transportation option. So hop on a bus, and protect Grand Canyon!

### Are the shuttle buses free?

Yes, park entrance fees include shuttle bus transportation.

### How do the shuttle buses work?

Running like a city bus system, three shuttle bus routes stop at shops, visitor centers, and popular viewpoints around the South Rim. Just wait at any bus stop and enjoy the ride.

### How can I tell the difference between the shuttle bus routes?

All National Park Service shuttle buses are white and green, but the front of the bus will say the color and route name.

### Accessibility

Shuttle buses are equipped with ramps and space to carry passengers in wheelchairs. Please note: wheelchairs larger than 30 inches wide by 48 inches long (76 by 122 cm) cannot be accommodated on shuttle buses. Most motorized scooters will not fit on buses.

The Scenic Drive Accessibility Permit allows entry for visitors with mobility issues to some areas closed to public traffic. The permit is available at entrance gates, National Park Service visitor centers, and hotel lobbies.

### Hiker's Express
