Regular Programs:

Beginner's Nature Photography

Learn the proper camera setting to capture images of flying birds, small animals, and close-ups of flowers. *Reservations required due to limited space: meet in the Visitor Center.*

Bird Watching

Grab your field guides and binoculars. Then join other birdwatchers to search for migratory and resident birds in Great Falls Park. *Meet rain or shine in the Visitor Center Courtyard.*

Falls Walk

Visit the Overlooks with a Park Ranger and learn about the park, the Potomac River, and the Patowmack Canal. *Meet at the Visitor Center's Information Desk.*

Ranger Rendezvous

Do you have any questions about Great Falls Park? This is your chance to learn more about the park and the river. *Meet at Overlook #3.*

Special Programs:

America's Best Idea

National Parks are great national treasures, both historic, and natural, to be protected for the use and enjoyment of future generations. Join this ranger lead talk about the importance of these wonderful places, and the reasons they have a special place in the hearts of our visitors. *Meet at the Visitor Center's Information Desk.*

A Historical Connection

Did you know that Great Falls Park is one of the most historically significant places in the United States? Join this ranger lead talk to learn why. *Meet at the Visitor Center's Information Desk.*

Camping 101

Have you ever wanted to go camping, but didn't know where to start? Although you can't camp at Great Falls Park, there are a number of places in the area where camping is allowed. Join this ranger talk at the visitor center to learn what you will need to spend a night under the stars. *Meet at the Visitor Center's Information Desk.*

Discovery Hike

Hike with a ranger upstream of the falls to discover what wonders Great Falls Park has to offer. *Meet at the Visitor Center's Information Desk.*

Learn TreeID

Download the TreeID app to your phone and join this ranger walk to identify park trees. Traditional methods of identification will also be demonstrated. *Meet at the Visitor Center's Information Desk.*

The Potomac Canal

Join this ranger walk to discover George Washington's dream canal, and learn about its impact on early America. *Meet at the Visitor Center's Information Desk.*

Snakes in the Park

Learn all about the different species of snakes we have at the park, and meet one of our pet corn snakes! *Meet at the Visitor Center's Information Desk.*

Swamp Tromp

Join a ranger on this Swamp Trail hike to look for signs of spring! *Meet at the Visitor Center's Information Desk.*

Where are the Waterfowl?

Walk with a ranger upstream of the falls to look for a variety of birds that live or travel along the river. Who knows, you might even catch a glimpse of our resident bald eagles. *Meet at the Visitor Center's Information Desk.*

What's that Pelt?

Ever wonder what a certain animal feels like? Meet a ranger in the visitor center to see if you can identify some of the park wildlife by examining their pelts. *Meet in the Visitor Center's Information Desk.*
