ELK REDUCTION AREA 79

For Reference Only
Refer to Wyoming Game & Fish regulations for legal hunt area description.

Instructions:

- Use this map to locate the map grid cell of your kill.
- Enter the grid cell letter (top) and number (left) combination (e.g. D4) and 1/4 quadrant (NE,NW,SE,SW) separated by a dash on your Elk Management Permit in the "Map Grid Cell" section.
- As an example, Moran Junction would be the SE quadrant of L33 (enter L33-SE on the permit).
- Large poster sized versions of the color orthophoto map shown here will be on display at the Tooth and License drop off areas to help identify your kill location and nearest landmarks.
