

Trash Talk:

It's not Cool when
Bears Eat Human
Food.

With bears actively roaming throughout Grand Teton National Park, securing food and garbage in campsites is critical. When used correctly, metal storage lockers are 100% effective.

Removing temptations protects foraging bears, yet only 15% of park campsites are equipped with storage facilities. Fund a bear box through Old Bill's and keep Grand Teton wild.

Visit www.gtnpf.org
or call (307) 732-0629.

Thank you,
from Grand Teton National Park
