

## Snowmobiling 2013

### General Snowmobile Information

- In **Grand Teton National Park**, snowmobiling is allowed only on the frozen surface of Jackson Lake to Best Available Technology (BAT) snowmobiles to provide access for ice fishing. (see reverse side for a list of approved snowmobile models)
- Any snowmobile certified to meet Yellowstone BAT standards that is less than 10 years old with an odometer reading less than 6,000 miles is allowed in Grand Teton National Park.
- In the **John D. Rockefeller, Jr. Memorial Parkway**, the Grassy Lake Road is open to any snowmobile. BAT is not required.
- Guides are not required on either Jackson Lake or the Grassy Lake Road.
- Travel on the Continental Divide Snowmobile Trail between Moran Junction and Flagg Ranch is discontinued.
- In **Yellowstone National Park**, snowmobilers must be part of a commercially guided snowmobile tour. Commercial guide services operate out of Jackson, WY and other Yellowstone gateway communities.
- Entrance fees for Grand Teton National Park are \$5 per vehicle for a one day pass or \$25 per vehicle for a seven day pass. Entrance fees for guided excursions to Yellowstone National Park vary. Please check with your concessioner for pricing. All snowmobiles in Yellowstone must meet 2012-13 Best Available Technology standards.

### Regulations and Safety

- A person operating a snowmobile must possess a valid motor vehicle operator's license. No temporary or learner's permits.
- Snowmobiles must be properly registered and display a valid registration from the United States or Canada.
- All snowmobiles must have a working headlight and a red taillight. Lights should be on at all times for safety.
- Travel on Jackson Lake is at your own risk. Be aware of changing ice conditions.
- Be alert for oncoming snowmobiles on Grassy Lake Road.
