

# Snowmobiling 2010

## General Information

- In **Grand Teton National Park**, snowmobiling is allowed only on the frozen surface of Jackson Lake to Best Available Technology (BAT) snowmobiles to provide access for ice fishing. (see reverse side for a list of approved snowmobile models)
- Any snowmobile that has been certified to meet Yellowstone BAT standards and is less than 10 years old with odometer mileage under 6000 is allowed in Grand Teton.
- In the **John D. Rockefeller, Jr. Memorial Parkway** the Grassy Lake Road is open to snowmobiles with no BAT requirements.
- There is no guided requirement on either Jackson Lake or the Grassy Lake Road.
- Grooming and travel on the Continental Divide Snowmobile Trail between Moran Junction and Flagg Ranch is discontinued.
- In **Yellowstone National Park**, snowmobilers must be part of a commercially guided snowmobile tour. Commercial guide services operate out of Jackson, WY and other Yellowstone gateway communities.
- Entrance fees are \$20 for each snowmobile; or \$12 for each visitor 16 and older entering by foot, ski, snowshoe, etc. This fee includes a 7-day entrance permit for both Yellowstone and Grand Teton national parks. All snowmobiles in Yellowstone must meet 2010 Best Available Technology standards.

---

## Regulations

- A person operating a snowmobile must possess a valid motor vehicle operator's license. No temporary or learner's permits.
- Snowmobiles must be properly registered and display a valid registration from the United States or Canada.
- All snowmobiles must have a working headlight and a red taillight. Lights should be on

---

## Safety

- Travel on Jackson Lake is at your own risk. Be aware of changing ice conditions.
- Be alert for oncoming snowmobiles on Grassy Lake Road.

---
