

## Special Use Permit (SUP) Procedures and Conditions

Special events, public assemblies, meetings, and other activities considered non-traditional, i.e., not a customary park visit or not related to the legislatively mandated purpose of the park, and special park uses which require a Special Use Permit (SUP) are subject to certain restrictions. These restrictions are set forth in 36 CFR 1.6, 2.50, and 2.51, National Park Service Management Policies 2006, and other specific requirements imposed by the Superintendent.

Activities requiring a Special Use Permit, include, but are not limited to:

- First amendment rights-related activities
- Commercial filming/photographic activities
- Public meetings
- Non-NPS special events
- Weddings
- Receptions
- Training using park facilities
- Religious services or assemblies
- Organized vehicle displays
- Walk-A-Thons or equivalent
- Commemorative ceremonies

The National Park Service encourages park uses that draw meaning from their association with, and have a direct relationship to, park resources. Conversely, the National Park Service discourages uses not consistent with the preservation and/or protection of park resources, visitors, and/or values.

The National Park Service may permit a Special Park Use if the proposed activity will not:

- Interfere with normal park usage
- Constitute a consumptive form of use
- Have undesirable impacts on park resources
- Compromise the historic scene or landscape including historic buildings
- Present a danger to public welfare and safety, including safety of the participants

The time, location, and conditions for such activities shall be regulated by permit to avoid:

- Infringement upon the enjoyment and rights of other park visitors
- Traffic congestion
- Injury to non-participants and damage to park property
- Disruption of normal park operations
- Unwarranted risk to participants due to inadequate equipment, lack of qualifications or supervision, weather, or other factors

**Reservations:** We accept reservations for up to one year in advance.

**Special Use Permit Fees:** **A non-refundable application fee of \$50.00 is required** to reserve a date on the park calendar and must be enclosed with your Special Use Permit Application Form. **A cashiers check, money order, or personal check should be made payable to the National Park Service with your Social Security Number or Tax Identification Number noted on your check.** Application Fees are not refundable. Amounts over \$1,000 must be in the form of a business or certified check.

The National Park Service will charge a fee and recover costs for special park use permits unless prohibited by law or executive order, or when the proposed use is protected by the First Amendment or involves another right and not a privilege. If administration of an SUP requires the park to incur additional costs, the Permittee will be assessed those costs in addition to application fee. Additional charges may be incurred for administrative services, overtime, repairing/restoring/cleaning resources, security, or similar costs associated with the event. Any additional costs will be required to be paid at the time of the issuance of the Special Use Permit. The Permittee shall pay the United States for any damage resulting from this use which would not reasonably be inherent in the use which the Permittee is authorized to make of the land described in this permit. Such damages would be billed to the Permittee after the event.
