October 2010.

INFORMATION:

To better assist boaters and other recreational park users, these GPS coordinates (WGS 84) mark the Dyke Marsh boundary, a park area acquired under Public Law 86-41(a) 's NCPC map 105.22-415.

Selected Code of Federal Regulations:

- 36 CFR 2.2(a)(1), 1.4 prohibits hunting, trapping or the taking of wildlife [defined generally as any member of the animal kingdom except fish];

- 36 CFR 2.3(c)(4) prohibits commercial fishing;

- 36 CFR 3.9 prohibits personal watercraft, which is defined in 36 CFR 1.9 (a) and which includes jet skis and wave runners.

All applicable state or city recreational fishing regulations must be followed while fishing, or in possession of fish, on GWMP property.

The GWMP Compendium is currently being revised and may contain other restrictions.
