New York, NY

Welcome to Hamilton Grange National Memorial

This booklet is your guide to becoming a **Virtual Junior Park Ranger** at Hamilton Grange National Memorial.

To earn your badge:

1. Download and print this booklet.
2. Explore the videos posted on <https://www.nps.gov/hagr/learn/kidsyouth/beajuniorranger.htm>
3. Children ages 4-7 must complete at least 2 activities and ages 8+ must complete all the activities.
4. Parents are welcome to assist but we encourage children to complete the booklet on their own.
5. Scan and e-mail your completed booklet to HAGR_info@nps.gov for a Park Ranger to sign your certificate and to mail you a Junior Ranger Badge.

Let the fun begin!

ACTIVITY 2:

Alexander Hamilton had 13 sweet gum trees planted on his property at the Grange. They survived many decades, even after the Grange was moved to a new location. Watch the video of Daniel Atha explaining the cultural and natural importance of the Sweet Gum tree and fill in the blanks below.

Sweet Gum trees are native or _____ to New York City.

New York City is the very most _____ extent of the Sweet Gum tree's range in Eastern North America.

Sweet Gum trees can also be found in these states _____,
_____, _____, _____, and _____.

New York City has a perfect _____ for the Sweet Gum tree and they like to grow near _____ and _____.

Sweet Gum trees are used as food for numerous species of _____ and _____.

Alexander Hamilton was interested in _____ and liked plants.

Alexander Hamilton drew and designed a _____ for the front of his house.

*Hamilton Grange
National Memorial
Junior Ranger*

I, _____,
promise to share what I have learned
today with others. I will explore,
preserve and protect America's
National Parks, so that through my
stewardship, they will be preserved for
future generations.

Junior Ranger
