

# AFTER DARK in the **PARK**

June 18, 2019

Kīlauea Visitor Center, 7pm

## Surviving Against the Odds: The Story of the Hawai'i 'Amakihi

The introduction of avian malaria to the Hawaiian Islands in the early 1900s has led to devastating declines in many native Hawaiian birds, but not the Hawai'i 'amakihi. Join Gabrielle Names, PhD student from UC Davis, who has spent the last four years studying the mystery of how this unique little bird appears to be beating this deadly disease on Hawai'i Island.

*Program co-sponsored by Friends of Hawai'i Volcanoes National Park. For information, call (808) 985-6011. Your donation helps to support park programs.*
