Dear Sir,

The National Park Service is designing a new exhibit for our Homestead National Monument Park, Heritage Center. We would like to use a poster from your collection. The poster is "Free Lands for Hundreds of Thousands of Families". See attachment for reference. The finished size in the exhibit will be 22" x 36". Please let me know what is needed to place an order for this image.

Before we can use the image in the exhibit, we will need written permission for the life of the exhibit. If you can grant permission, please sign this letter and return it to my attention.

If you have any questions, please feel free to call me at 304-535-5002. (E-mail: Pat_Lovett@Contractor.NPS.GOV)

Dear Ms. Smith,

The National Park Service is designing a new brochure for our Fort Union Trading Post National Historic Site. Our brochures are used for nonprofit, educational purposes. They are distributed to our park visitors at no charge. We are interested in using images from your Karl Bodmer Collection. The images are Stu-Mick-O-Sucks, Wi-Jun-Jon, Fort Union on the Missouri, and Steamboat Yellowstone at St. Louis. The images will be used and cropped as shown in the attachments.

Before we can use the images in the brochure, we will need written permission for the life of the brochure. If you can grant permission, please sign this letter and return it to my attention. In addition, could I obtain a price quote for the use fee and reproduction fee in advance of sending the images?

If you have any questions, please feel free to call me at 304-535-5002, or fax 304-535-6176. (E-mail: Pat_Lovett@Contractor.NPS.GOV)

Thank you for your assistance with this project.

Sincerely,

Pat Lovett
