About the map
The computer-generated map above looks northwest across Hawai'i Island. Because of perspective, areas in the foreground appear larger than comparably sized areas in the background. Vertical exaggeration is used.
Refer to USGS topographic maps for exact trail locations.
Things to do:
1–2 hours (sightseeing)
1 Steam Vents
2 Thomas A. Jaggar Museum
3 Thurston Lava Tube (Nāhuku)
2–4 hours (short hikes)
4 Sulfur Banks (Ha'akulamanu)
5 Kilauea Iki Overlook
6 Devastation Trail
4–6 hours (driving tour)
1 Crater views
2 Kealakomo Overlook
3 Hōlei Sea Arch
4–6 hours (longer hikes)
4 Kipukapuaulu
5 Mauna Ulu eruption
6 Pu'u Loa petroglyphs
