

U.S. DEPARTMENT OF THE INTERIOR (DOI)

contracts with the private business for a variety of supplies, equipment and services. Services sought by contract include training, architect-engineer services, advisory and assistance services, custodial services, guard services, operation and maintenance, telecommunications services and information technology services, maintenance and support.

HOMESTEAD NATIONAL MONUMENT

This multipurpose facility brings the epic homestead story to life for visitors of all ages and demonstrates the true scope and importance of the Homestead Act of 1862. The Monument is part of the National Park System and managed by the U.S. Dept. of Interior.

How to do business with the Homestead National Monument and other government agencies

Julie Wilhelm, certified contract assistance specialist will provide one-on-one counseling after workshop.

Learn how to get started selling your products and services to government agencies such as the U.S. Department of the Interior. With a little planning you can expand your business opportunities by marketing to local, state and federal agencies. Find out how to get free assistance registering and bidding for contracts.

Opportunities for veterans in business

Learn how NBDC Veterans Assistance and Services Program (VASP) can help veteran business owners take advantage of opportunities including government contracting.

Traci Miller, VASP program coordinator

free workshop!
