

HARRY S. TRUMAN  
INDEPENDENCE, MISSOURI

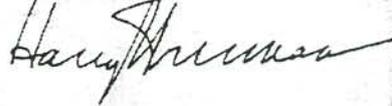

July 30, 1962

Dear John:

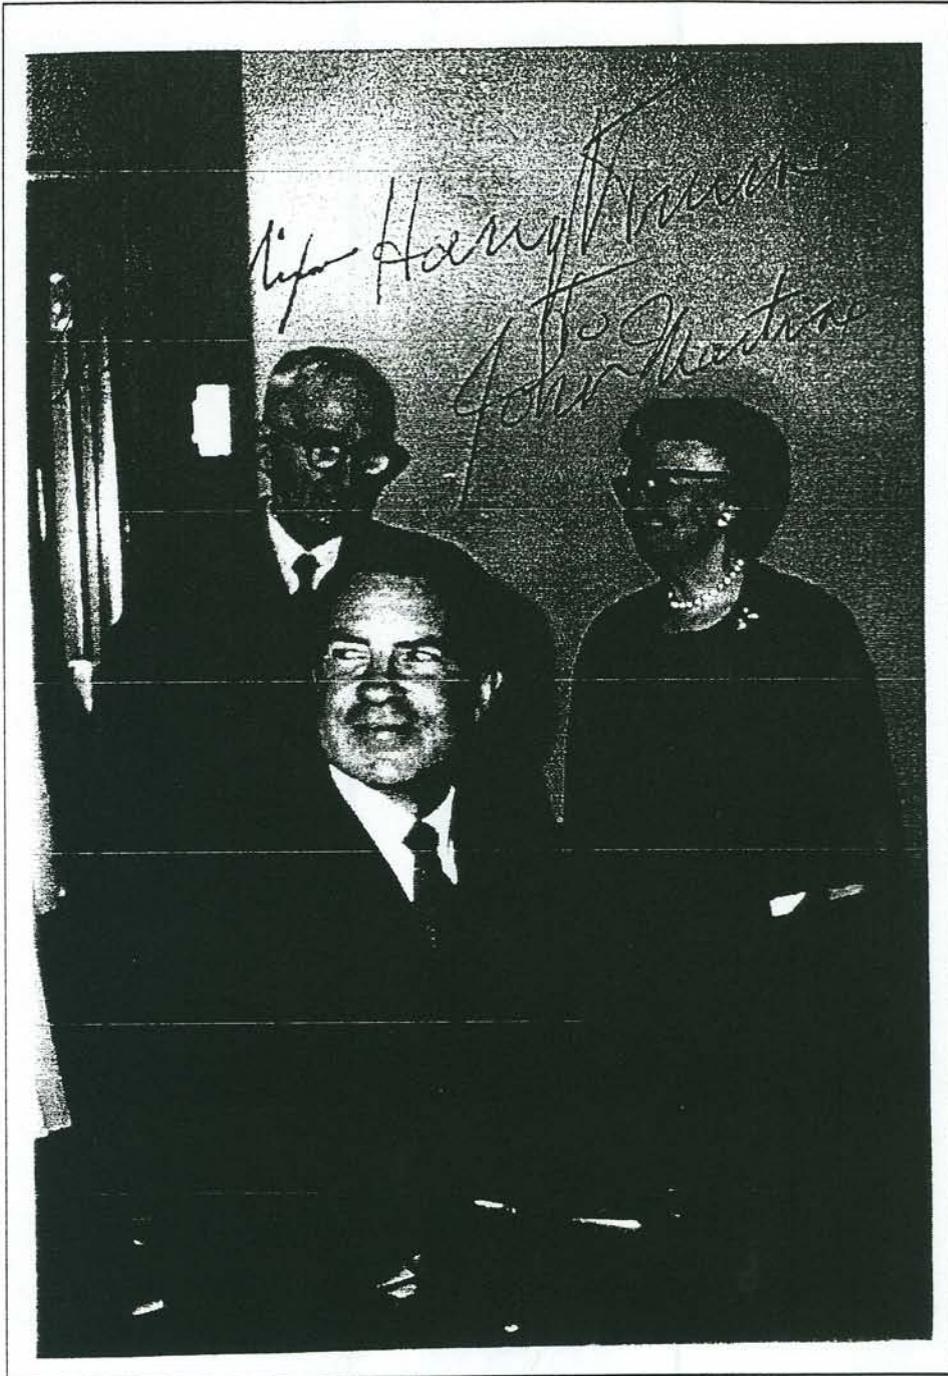

I more than appreciate the work which you do, not only on the lawn but all the other decorations and shrubbery around the Library.

They are beginning to get a good reputation all over the country and I am certainly pleased with what you are doing and I am glad that about.

Sincerely yours,

Mr. John H. Martino
