

## Ly-co-ki-we Trail

The Ly-co-ki-we Trail, that has 2 extensions and loops ranging from 1-6.4 miles long, can be used for hiking, horseback riding, and cross-country skiing. The complete trail system is shown on the back of this map.

Horseback riding is permitted from March 16 through December 14. Preserve this area for future generations—do not walk off trails, pick wildflowers, or disturb animal habitats. Skiers and equestrians should stay to the right at intersections.

## Ly-co-ki-we Trail System

The Ly-co-ki-we Trail System crosses two ancient dune ridges that were created about 11,000 years ago as Lake Michigan receded.

Skiers and equestrians should stay to the right at intersections.
