How to Select a Camp Site:

1. At a campground, camp at a designated tent site or occupy a shelter.
2. When all sites are occupied, use the identified overflow group campsite (if present).
3. When all sites are occupied, ask to share a tent site.
4. When all sites are occupied and there are no viable tent sites to share, ask to pitch your tent or hammock outside a shelter.
5. When options 1-4 are full, camp outside of campground per cross-country camping regulations and zone map.
