### **II. Old Courthouse Ramp Paving and Cladding**

During DRT Meeting #24 on October 21, 2014, the DRT approved granite paving and cladding for the Old Courthouse accessible ramps. The paving in front of the ramps was approved as granite, with a granite-look concrete approved as a secondary choice. The contractor has decided to go with the granite look concrete and wanted approval to use the same material for the ramp surface and cladding in order to keep the number of materials down and the look simplified.

The DRT agreed to this proposal and will allow the park to approve samples.

### **III. Meeting Notes Finding Aid**

The DRT were pleased with the finding aid developed for meeting notes 1-27. This will be available on the park web site.

### **IV. Park DRT Membership**

The DRT will be losing a park representative. A replacement will be designated prior to Ann Honious's departure in April.
