

Creatures of the Night: Learning about our Bats

Friday, October 28 6:00 to 8:00 p.m.

Join the Barataria Preserve Park Rangers and Dr. Craig Hood of Loyola University for an evening program about the Bats of Barataria.

After the talk and a questions and answer session, bat sound detection equipment will be used to help us hear where the bats fly by!

A children's bat craft will be available during the talk.

Please note that no live bats will be handled.

Program information

Where: Barataria Preserve Education Center

Cost: FREE, but space is limited and reservations are required

For more information and reservations, please contact the Visitor Center at:

**504-689-3690 ext. 10
6588 Barataria Blvd.
Marrero, LA 70072
