

A Man's Life, John F. Kennedy

*Jack played tricks on Joe
Jack had a large family
Jack stole Joe's frosting*

*Competitive Jack
Started moon race with Russia
He faced challenges*

*Jack got sick a lot
Jack had measles, whooping cough
and scarlet fever*

*Jack swam like a fish
Sailing was Jack's favorite
The sea was his friend*

*Jack joined the Navy
He saved lives during the war
Jack earned two medals*

*Jack was president
And he started the Peace Corps
Dreamed to explore space*
