

## The Boy Who Became President

---

He was very brave.  
Sharks, enemies, broken boats.  
Commander – saved lives.

Kick, Joe Junior.  
He missed them both very much...  
He was heartbroken.

Jack gave a strong speech.  
People went around the world.  
Understanding... peace.

Raced against Russia.  
Discovery. Adventure –  
We got to moon first.

Angry about rights.  
Serious about changing...  
Caring for our rights.

Jack did not study.  
Naughty, charming, just like us...  
Became great leader.
