

The Story of JFK

Lived close to DEVO.
Funny and competitive –
In third grade like us.

JFK's boat sank.
Swam many miles, saved his crew –
He was courageous

He stopped the missiles.
He was angry at Russia –
They did not explode.

John was determined.
Quiet, rocky atmosphere –
Landed on moon first.

JFK was fair.
He helped stop segregation –
That act was risky.

Made hard decisions
Courageous, thoughtful young man –
Brave smart president.
