

## JFK: What We Think of Him Today

---

JFK was as determined as a rock holding its place in the wind.  
He never gave up trying to get the better of his brother Joe.  
JFK taught us to never give up and to forever try again.

John F. Kennedy was as brave as a bull.  
JFK was clever to make his crew swim after his PT109 boat started to sink.  
JFK taught us to not give up and to help others.

JFK is as inspiring as a world-changing discovery.  
JFK was kind, helpful and active.  
He inspired many people to help the world when he founded the Peace Corps.  
JFK taught us not to ask what our country can do for us, but what we can do for our country.

JFK was competitive, determined and fast as a cheetah.  
He led a path in the Space Race so the Americans could put a flag on the moon.  
JFK taught the country not to give up and to reach for the stars.

JFK is as protective as a bodyguard or mom.  
He used his bravery and courage to prevent World War III.  
JFK taught us to be fair and to think before we act.

JFK is as courageous as a shark.  
Hi courage changed the world by putting blacks and whites together.  
Jack taught us that our color doesn't matter, it's what's in the inside.
