

## The 35th President

---

JFK was as determined as a lion hunting its prey  
when the Japanese destroyer cut his PT-109 in half.  
He was resilient and acted quickly to save his crew.  
JFK teaches us to never give up.  
You don't have anything to lose, so try, try again.

JFK was as helpful as a doctor caring for a patient.  
He started the Peace Corps to help countries that needed  
better crops, houses, food and clothing.  
JFK teaches us to help and care about others.

JFK was as calm as ocean water on a wind-free day.  
He negotiated with Russia to end the Cuban Missile Crisis  
without war.  
JFK teaches us to think before we act  
and to stay calm under all conditions.

JFK was as competitive as an Olympic athlete going for gold.  
He wanted to beat Russia to the moon.  
He teaches us to never give up,  
and that if you keep trying  
you can do your best.

JFK was as brave as a soldier fighting for justice.  
He worked with Martin Luther King, Jr. to give African  
Americans the same rights as whites.  
JFK teaches us that your skin color doesn't matter,  
you'll be judged by your personality and character.

JFK was as unique as diamonds on a necklace.  
As a boy he read when he was sick and developed an  
imagination that took him on great adventures through books.  
As president, JFK used his imagination to send a man to  
the moon, fight for equal rights and work for world peace.
