**Transition Zone**  
In this ecological melting pot, two great deserts, the Mojave and Colorado, blend together in a vibrant landscape featuring plants and animals representative of both.

**Wilderness**  
Congress has designated nearly 558,000 acres of Joshua Tree National Park as wilderness. Most of the park away from road corridors is wilderness. If you plan to venture into these areas, you must be familiar with special rules and regulations governing wilderness use.

- Wilderness area
- Non-wilderness area
